

A. Comparing 359.botsspar-tsan-noread variant with base for region ImplTaskRegion1

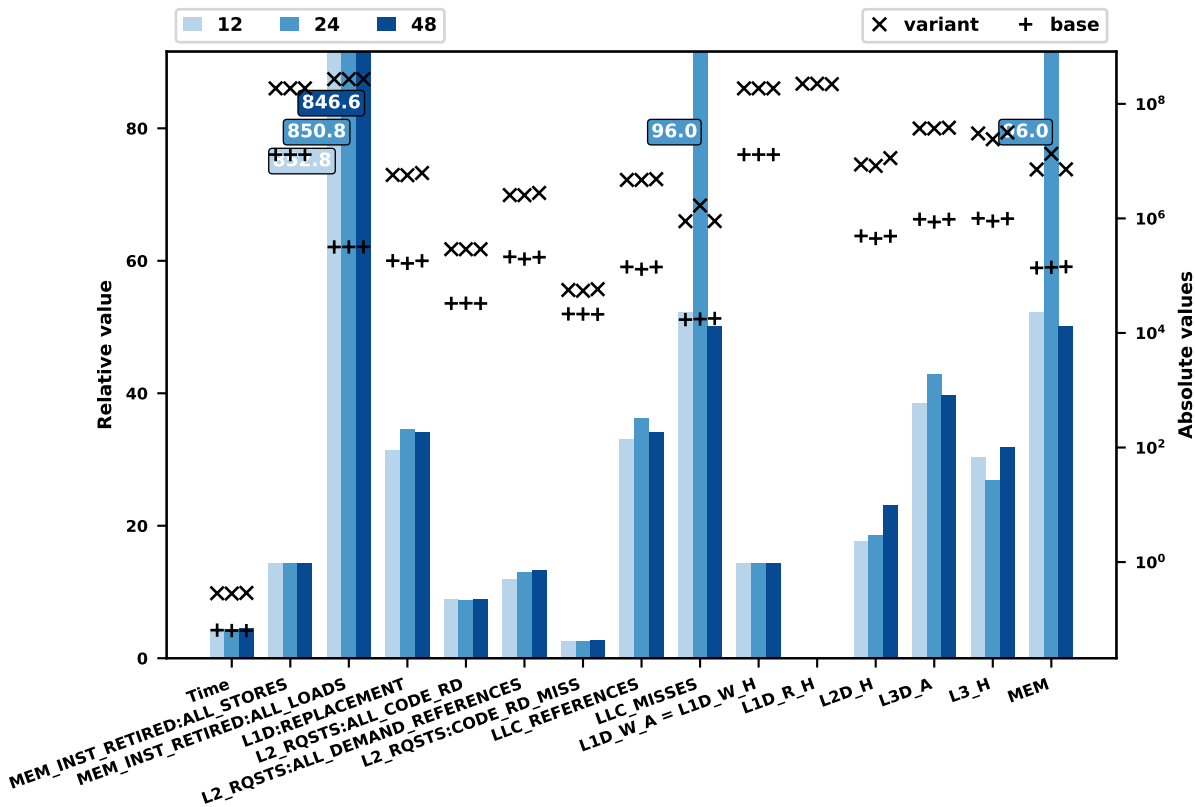

A. Comparing 359.botsspar-archer-noread variant with base for region ImplTaskRegion1

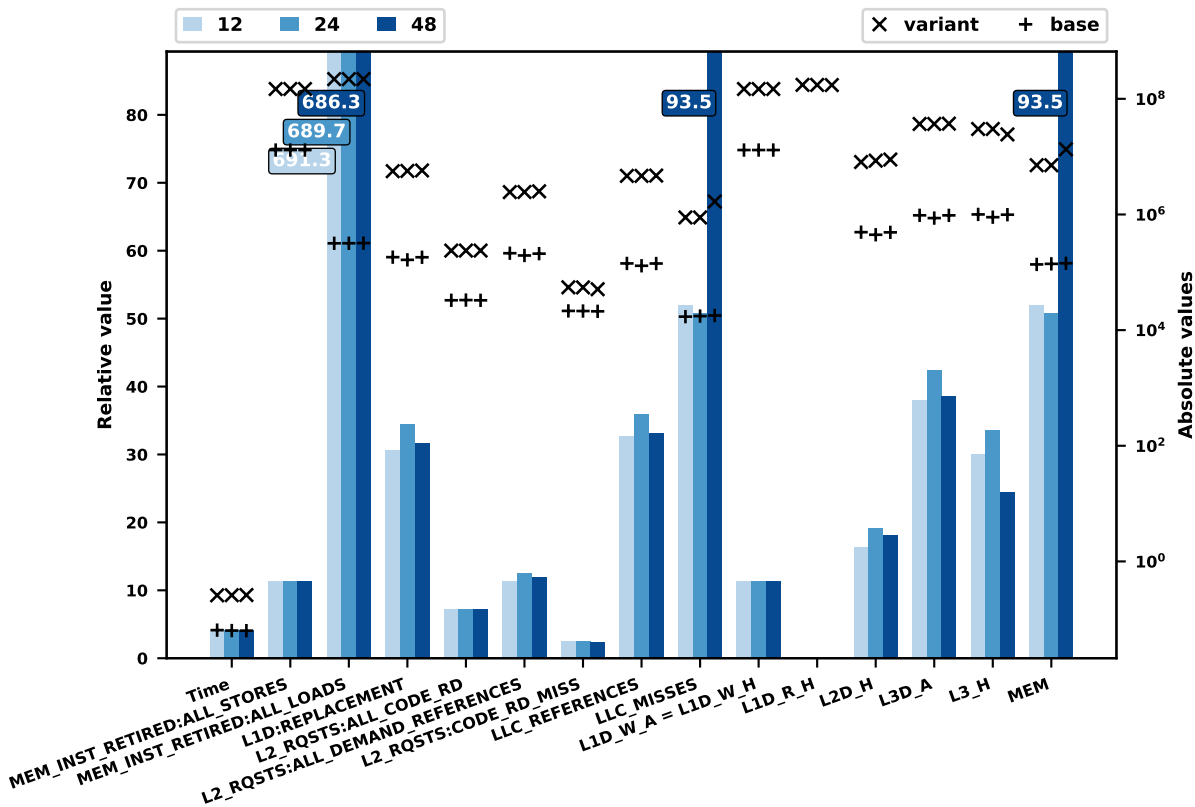

A. Comparing 359.botsspar-tsan-sampling variant with base for region ImplTaskRegion1

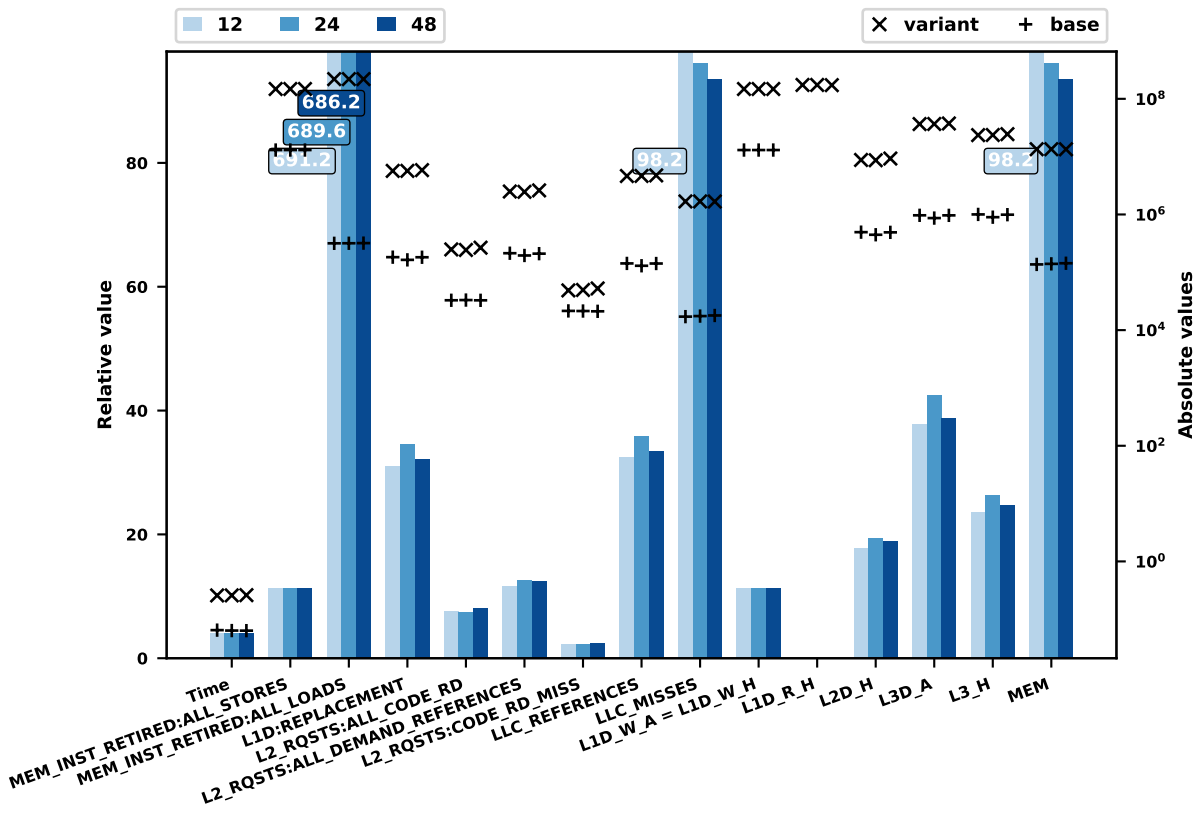

A. Comparing 359.botsspar-archer-sampling variant with base for region ImplTaskRegion1

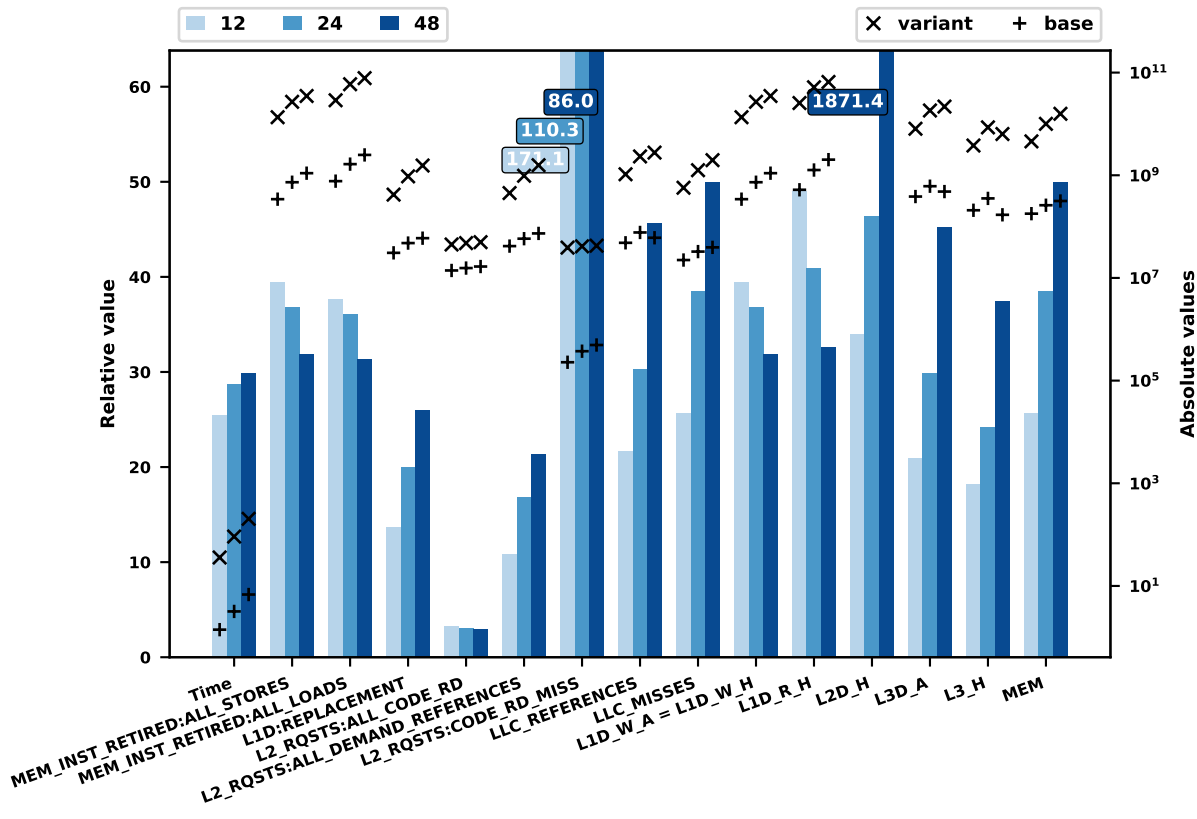

A. Comparing 359.botsspar-tsan variant with base for region ImplTaskRegion1

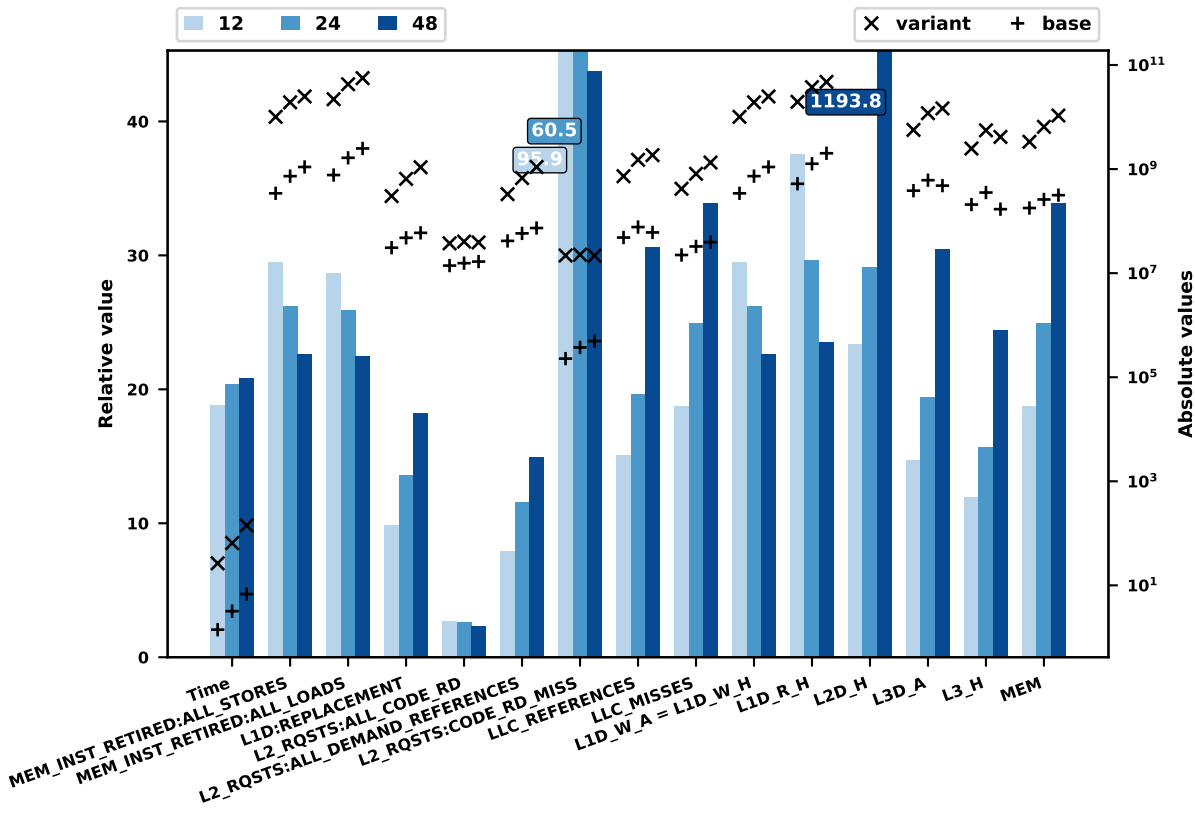

A. Comparing 359.botsspar-archer variant with base for region ImplTaskRegion1

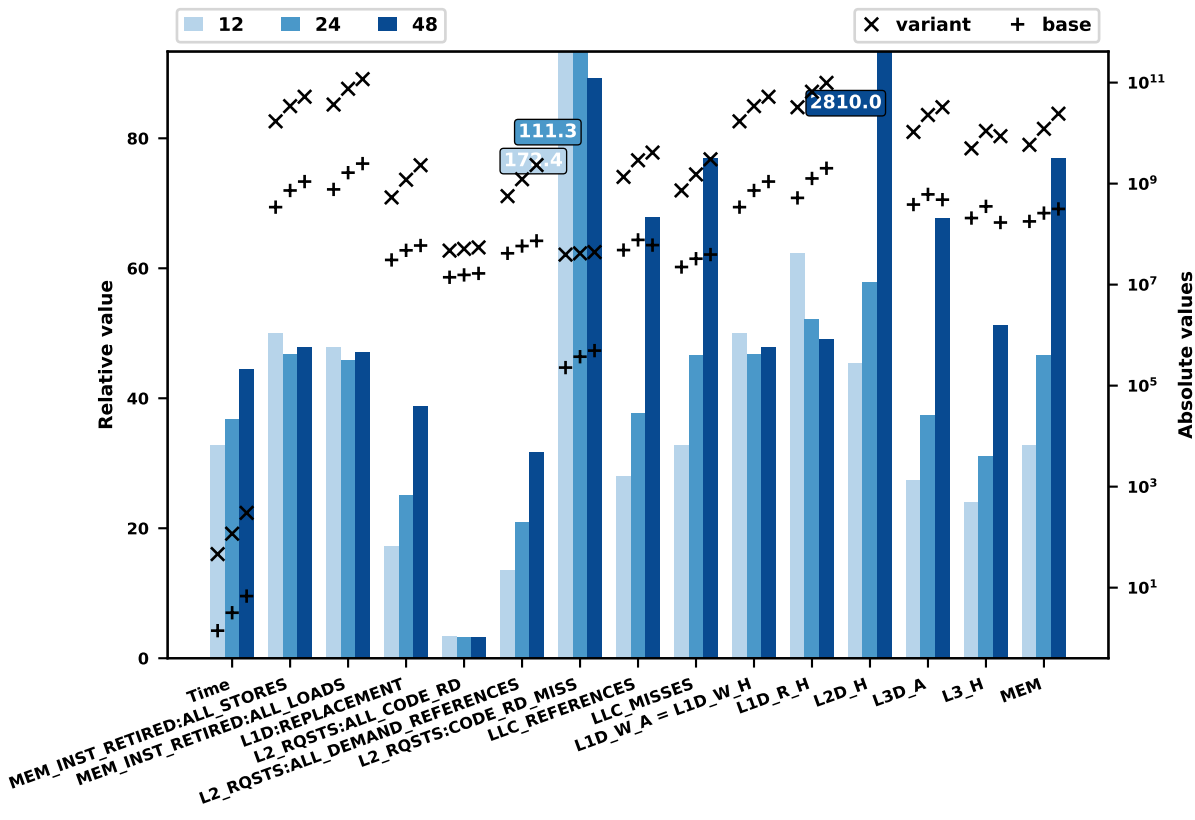

A. Comparing 359.botsspar-tsan-noread variant with base for region ImplTaskRegion2

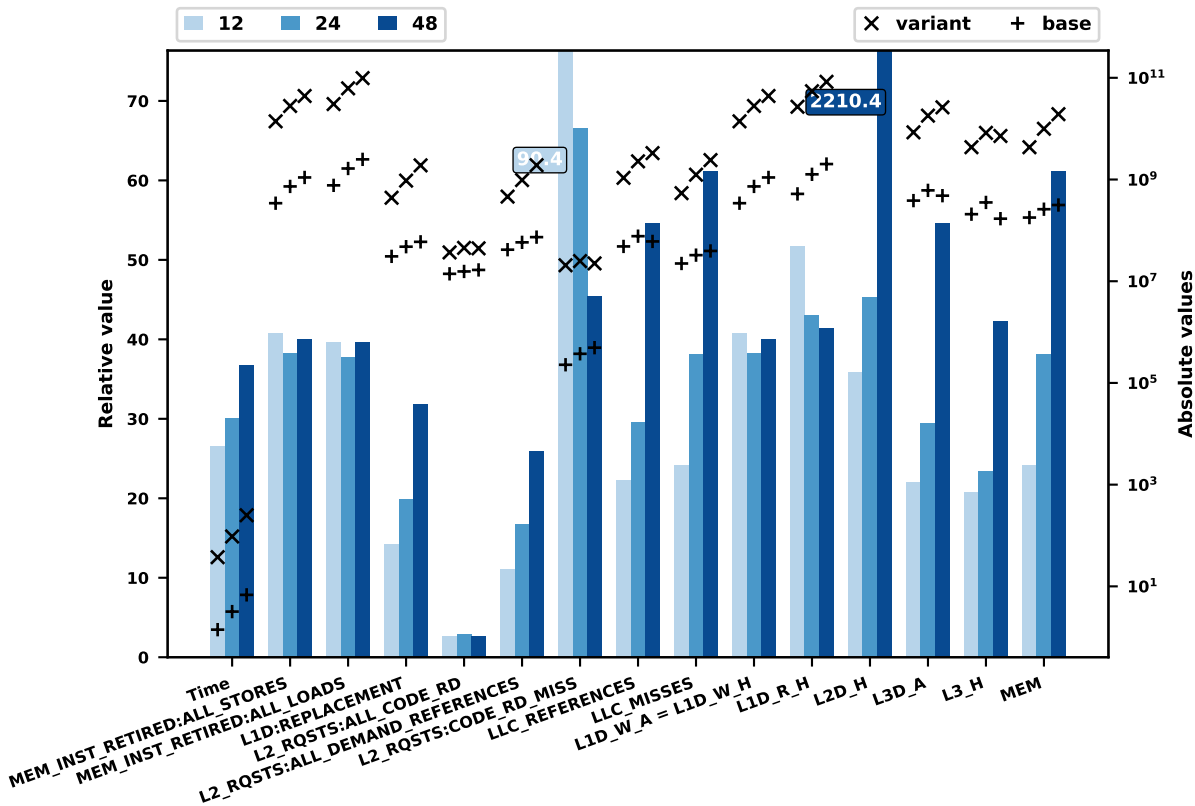

A. Comparing 359.botsspar-archer-noread variant with base for region ImplTaskRegion2

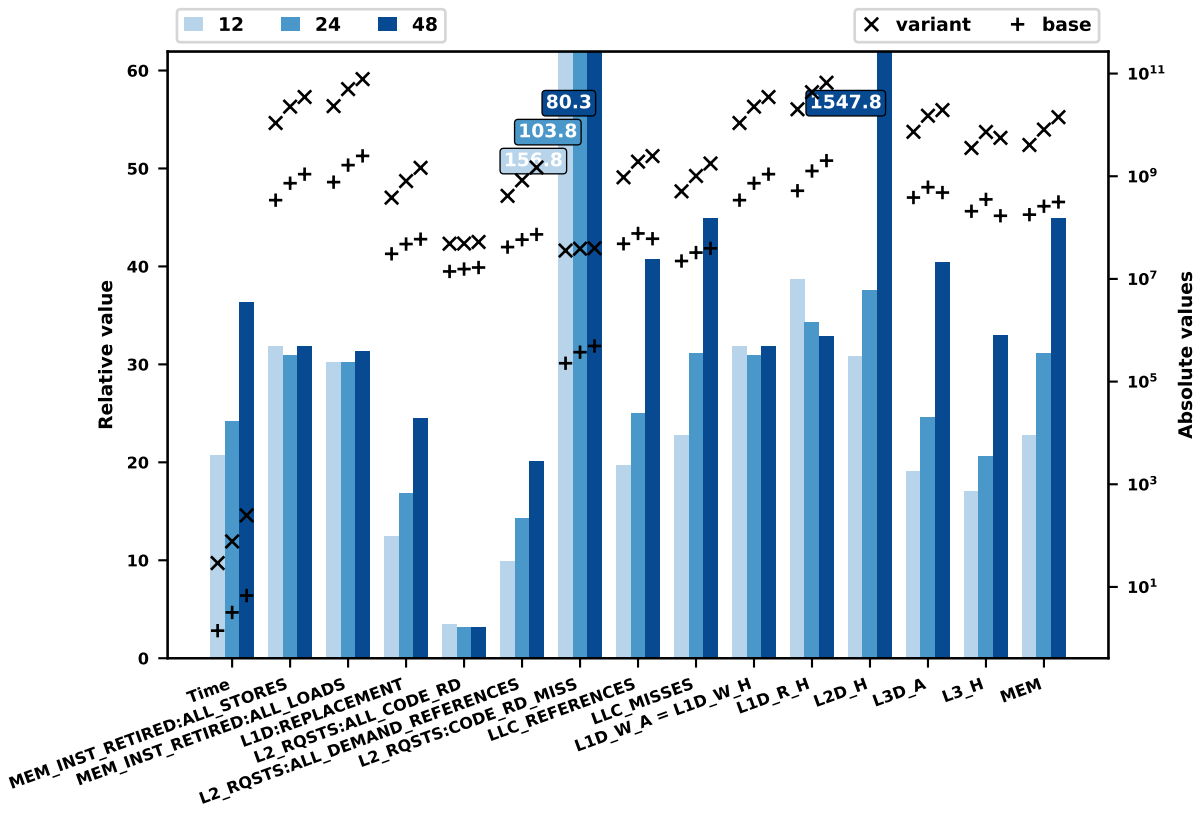

A. Comparing 359.botsspar-tsan-sampling variant with base for region ImplTaskRegion2

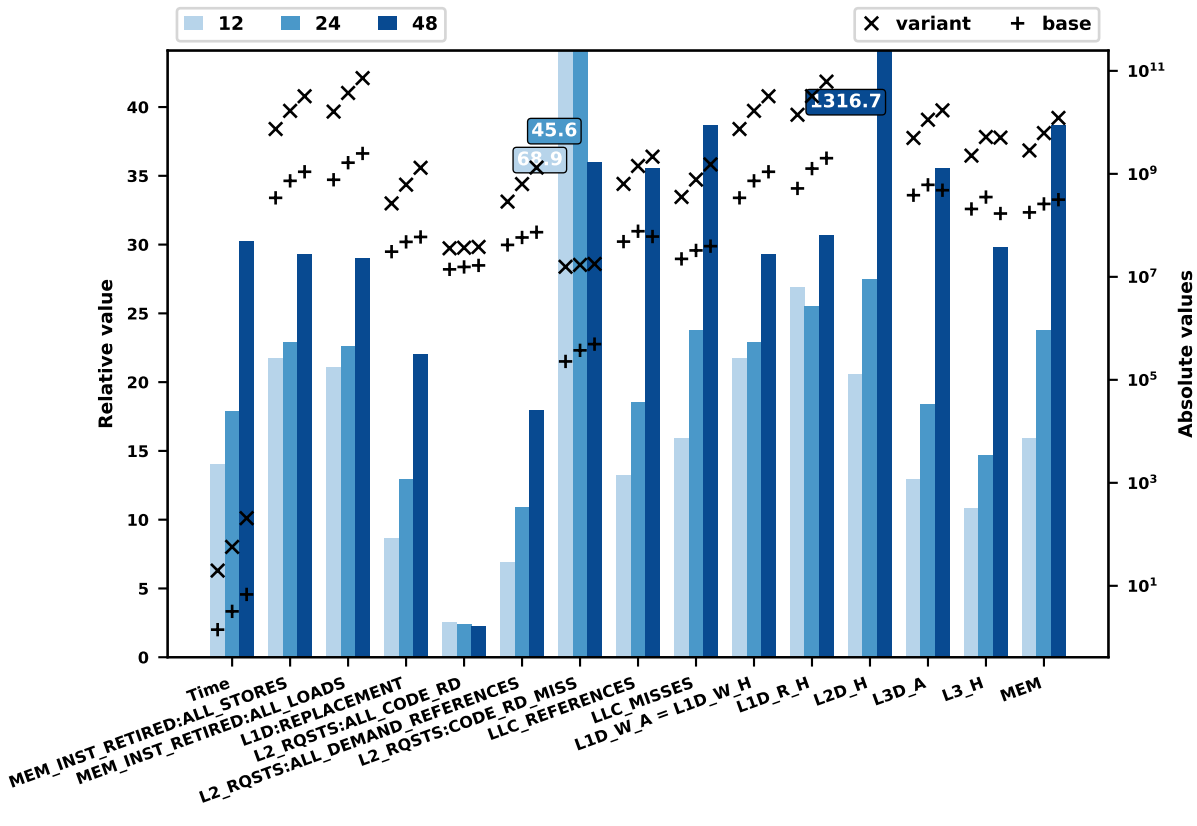

A. Comparing 359.botsspar-archer-sampling variant with base for region ImplTaskRegion2

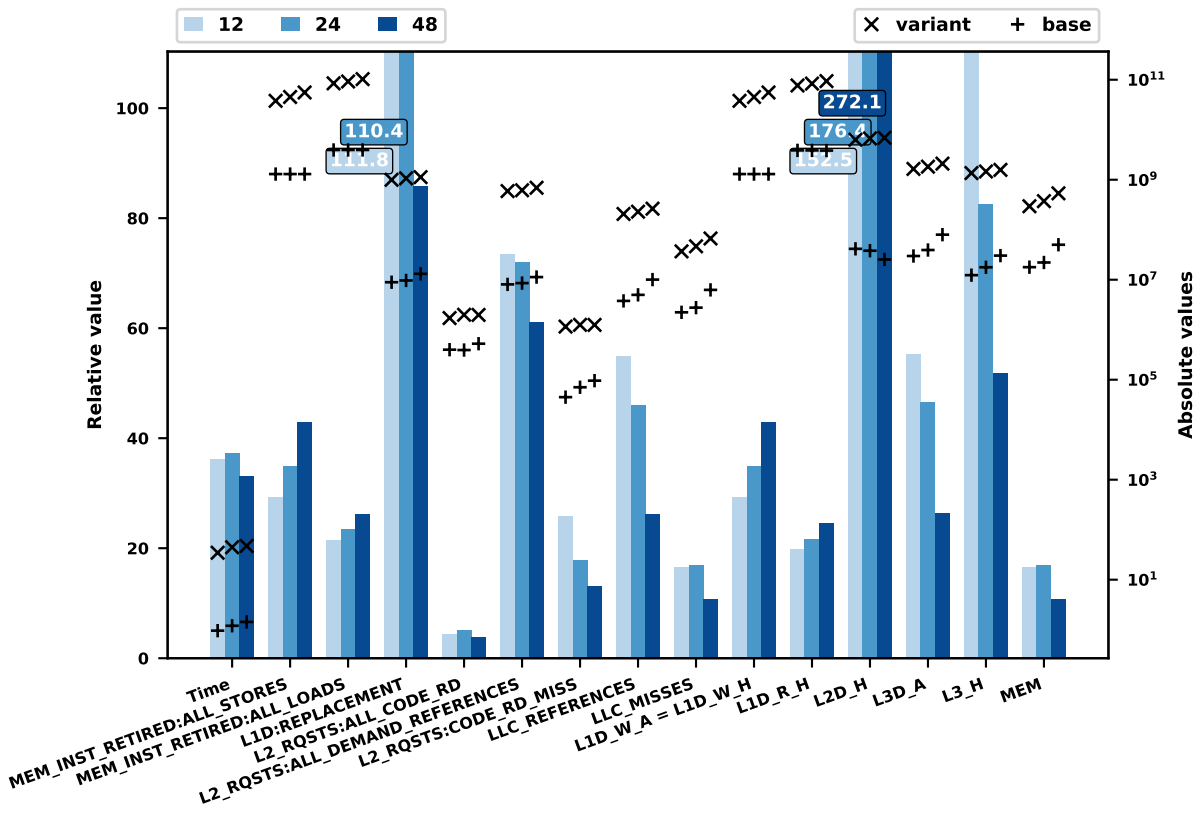

A. Comparing 359.botsspar-tsan variant with base for region ImplTaskRegion2

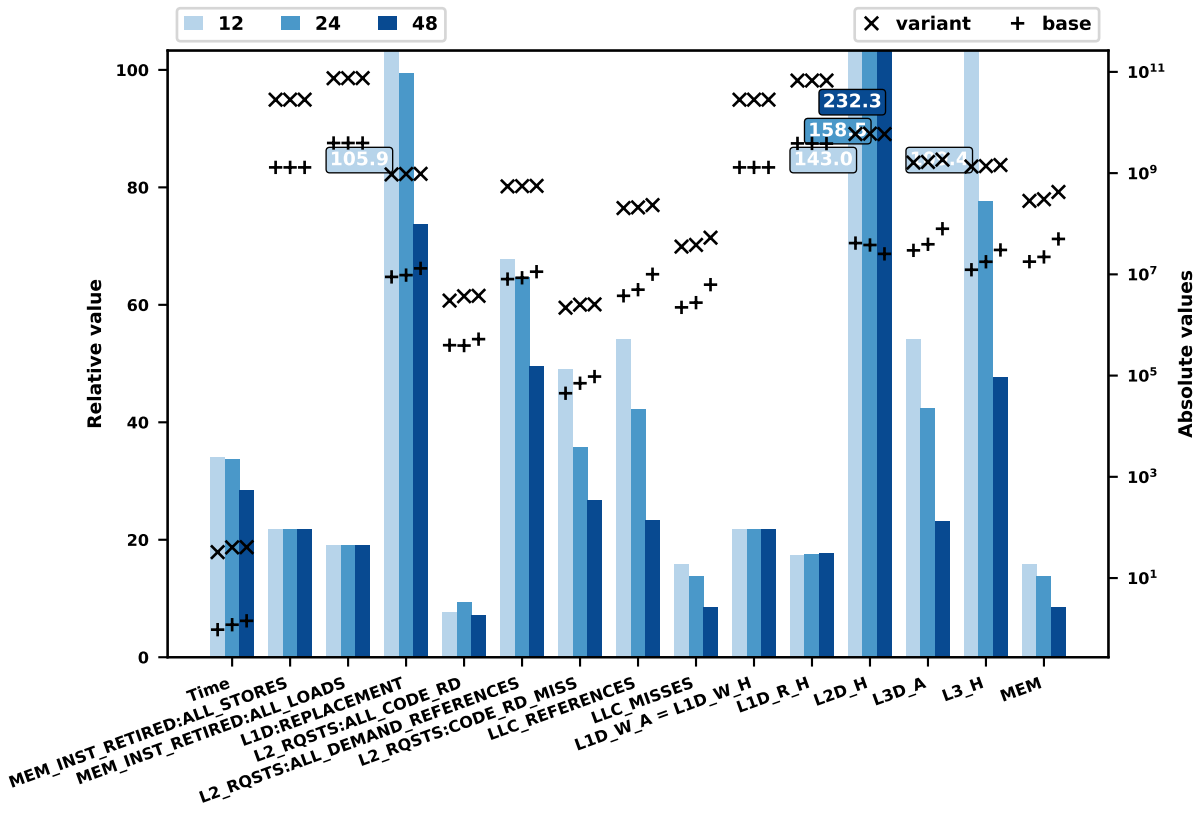

A. Comparing 359.botsspar-archer variant with base for region ImplTaskRegion2

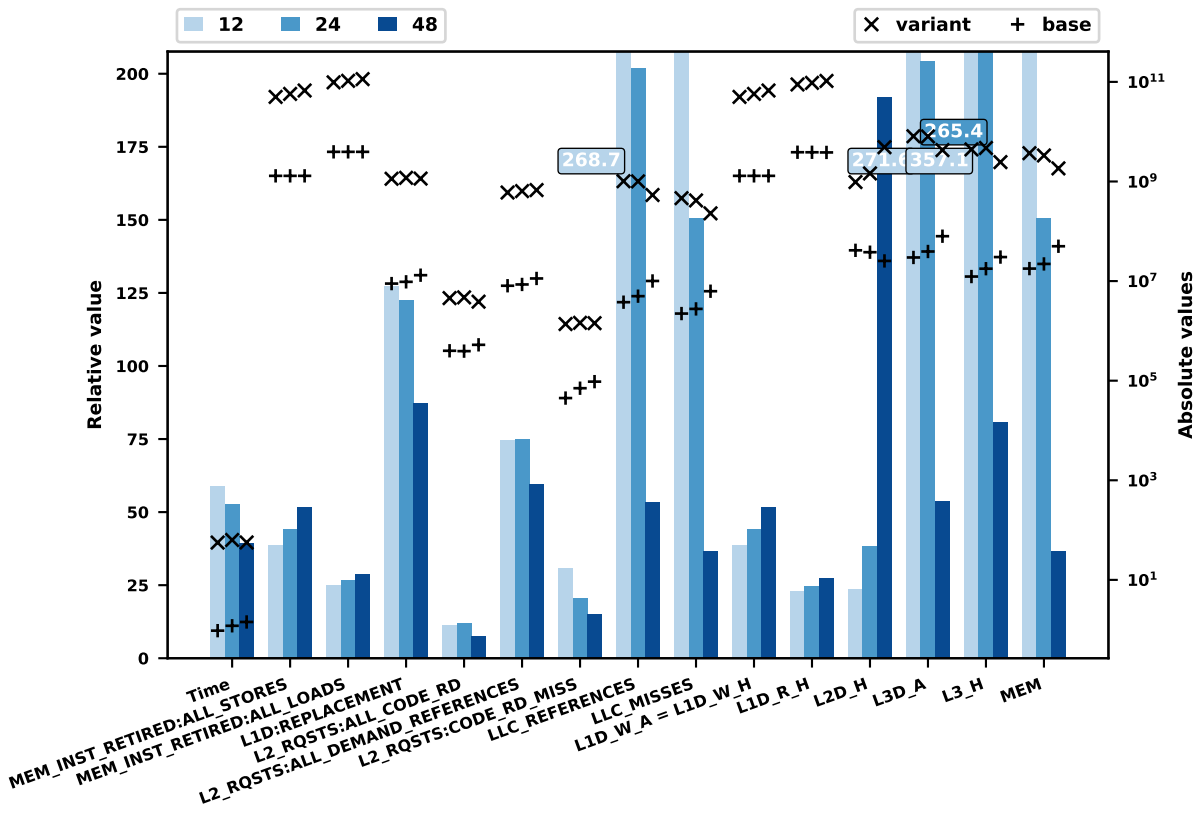

A. Comparing 359.botsspar-tsan-noread variant with base for region ExpITaskRegion3

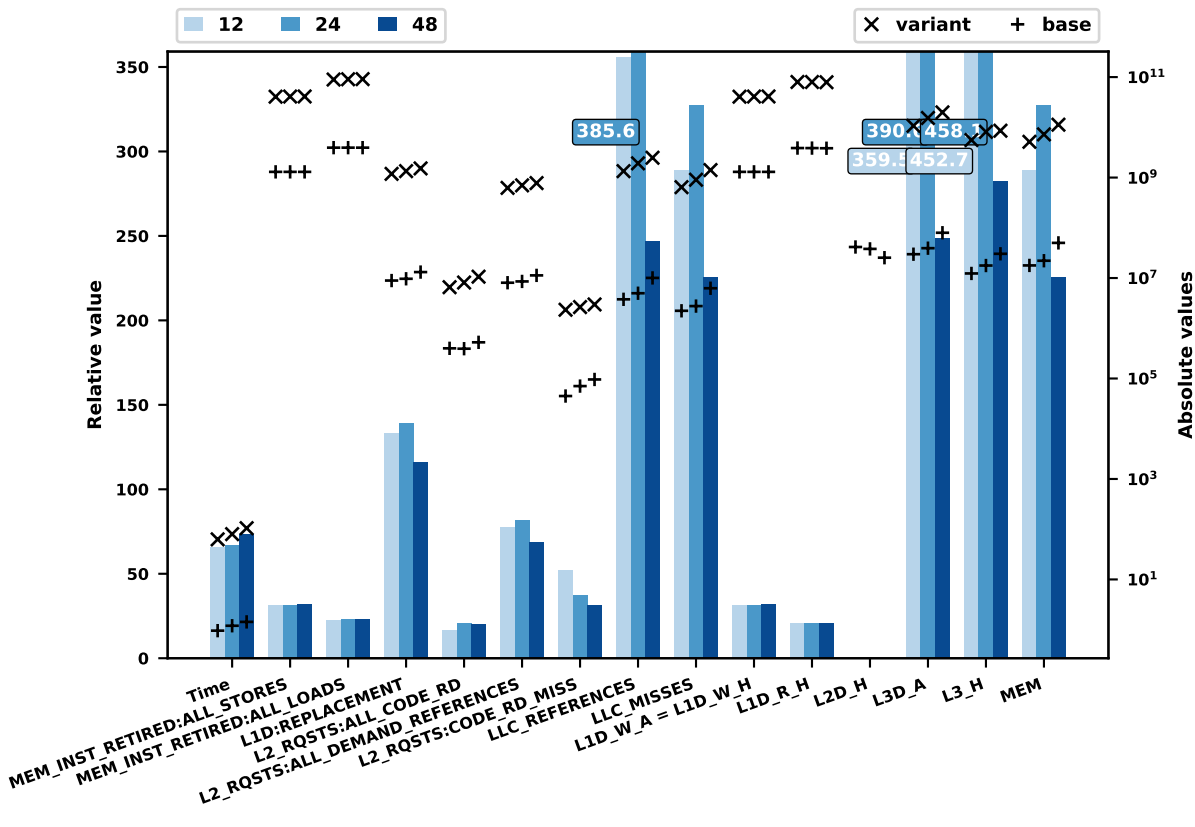

A. Comparing 359.botsspar-archer-noread variant with base for region ExplTaskRegion3

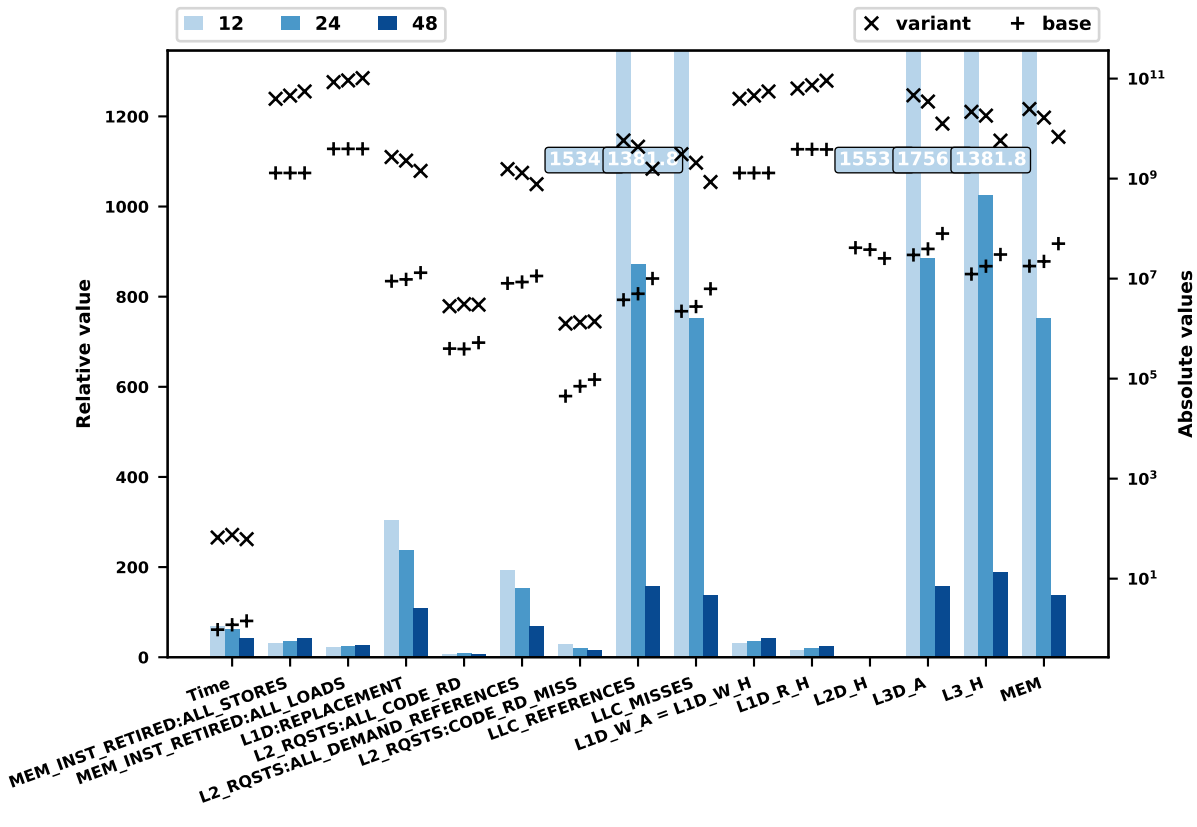

A. Comparing 359.botsspar-tsan-sampling variant with base for region ExpITaskRegion3

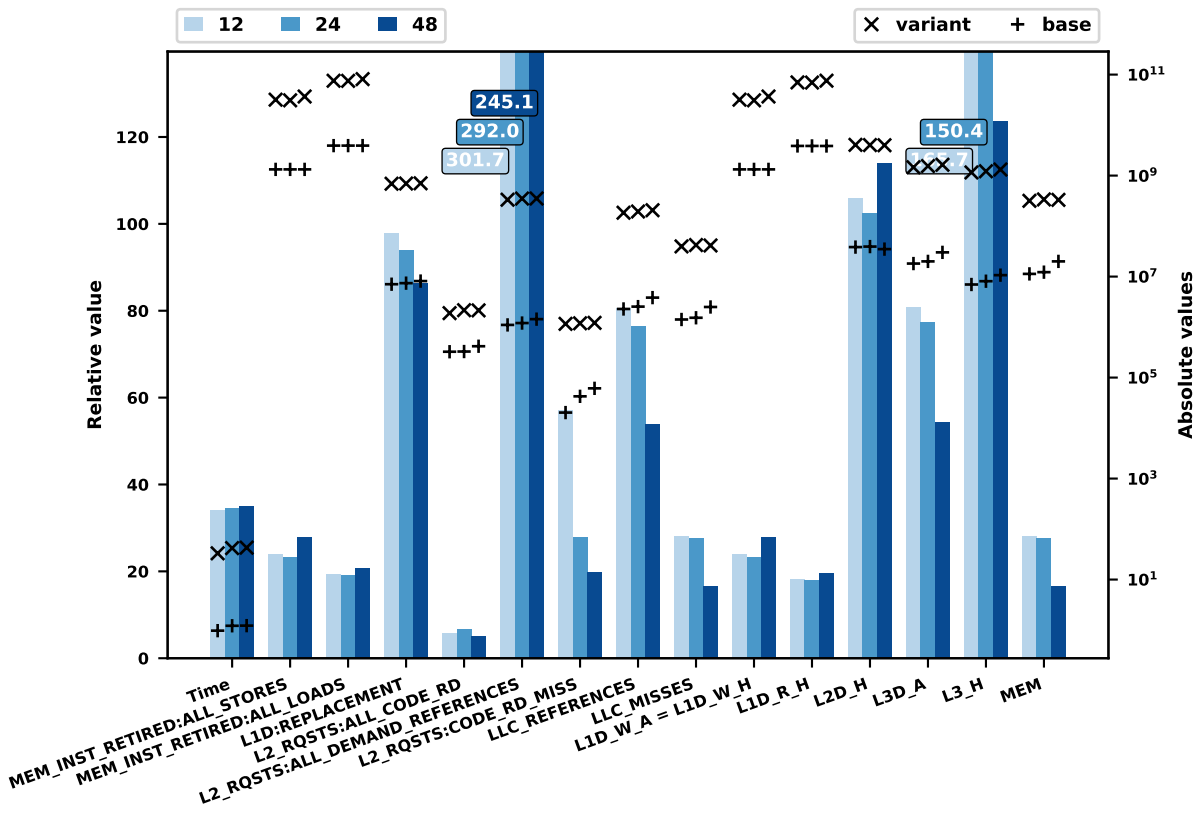

A. Comparing 359.botsspar-archer-sampling variant with base for region ExpITaskRegion3

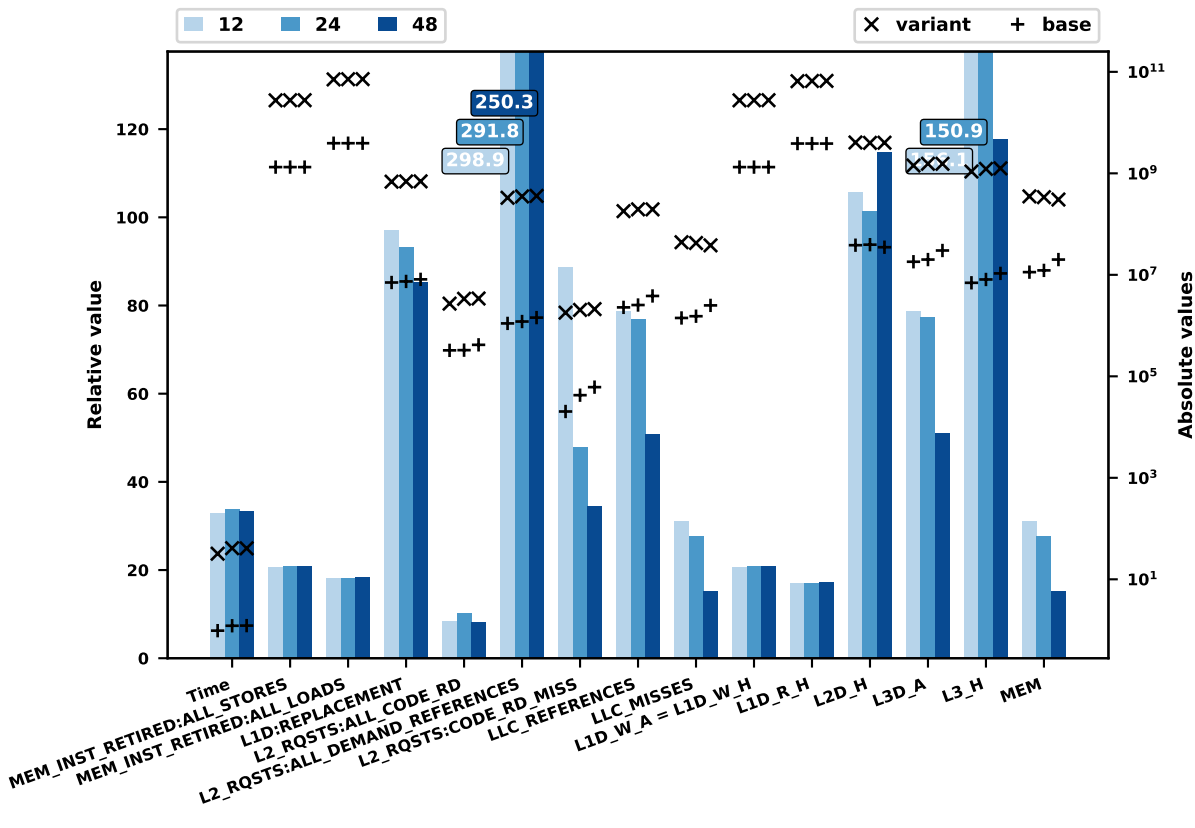

A. Comparing 359.botsspar-tsan variant with base for region ExpITaskRegion3

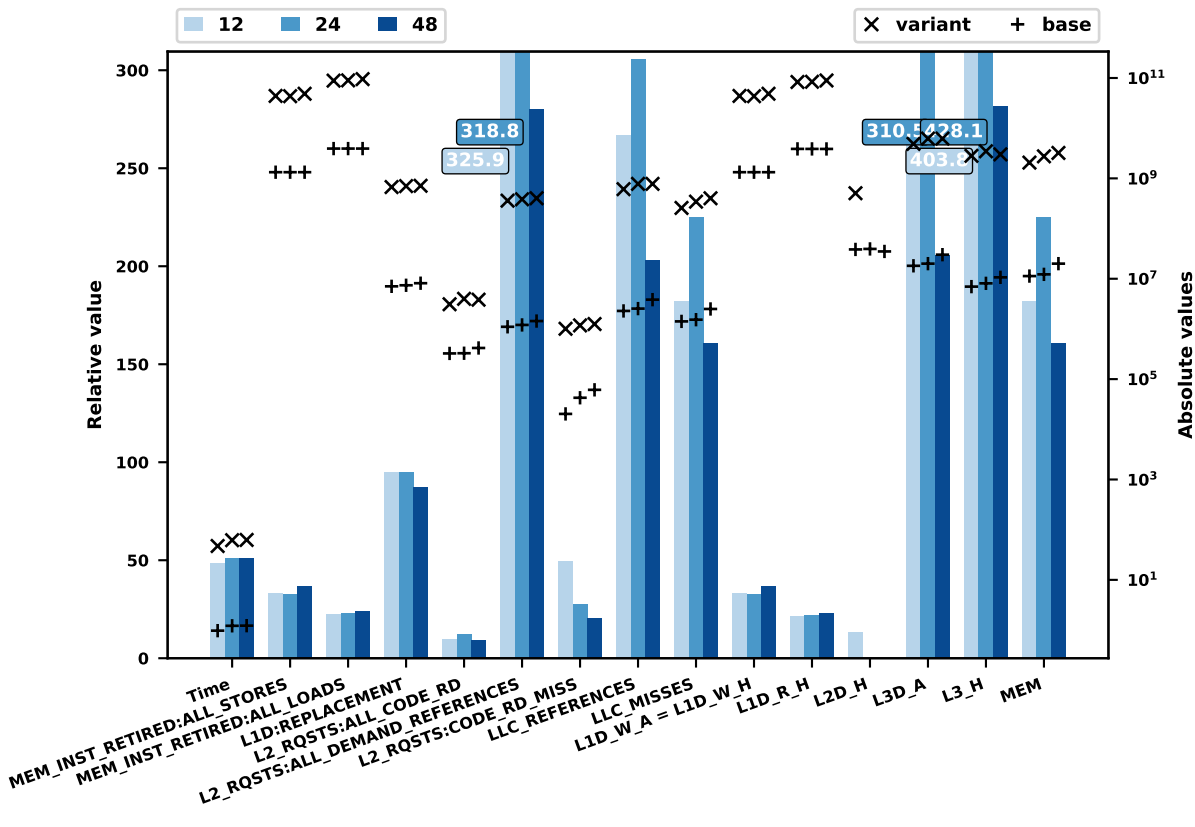

A. Comparing 359.botsspar-tsan-noread variant with base for region ExpITaskRegion4

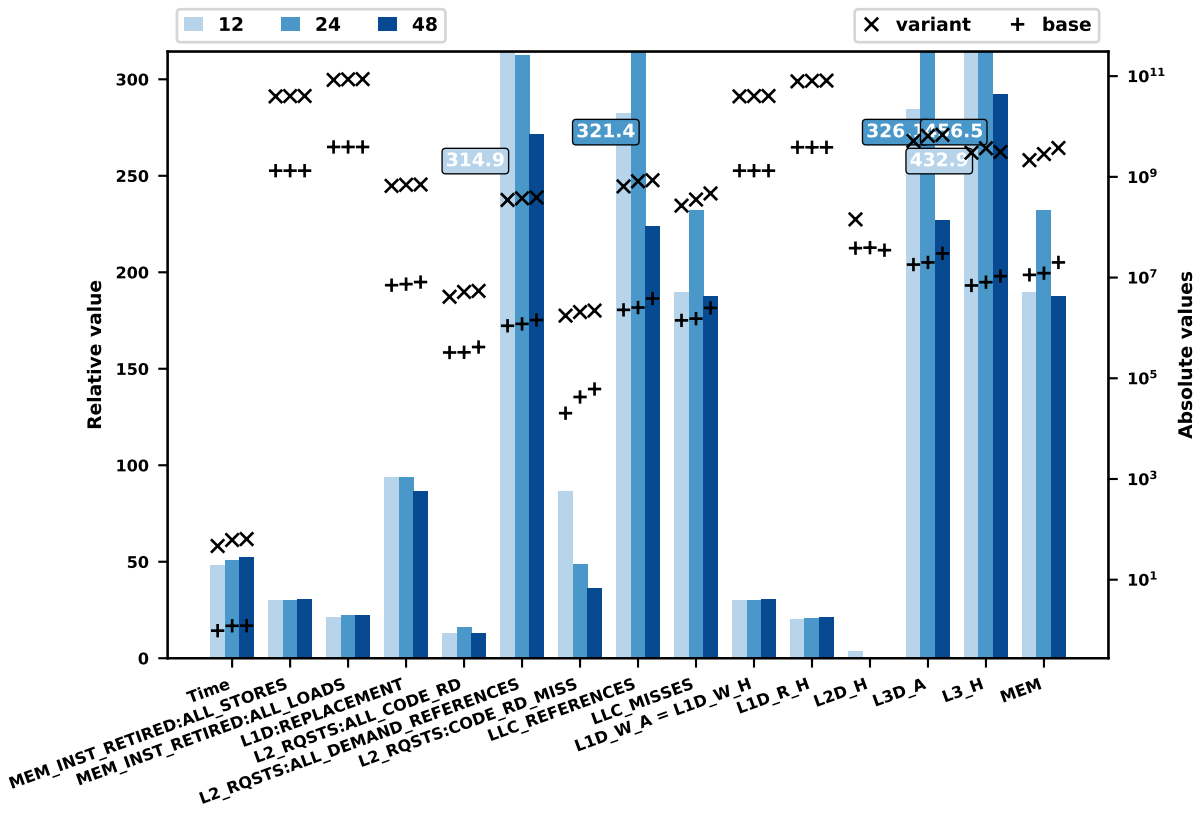

A. Comparing 359.botsspar-archer-noread variant with base for region ExpITaskRegion4

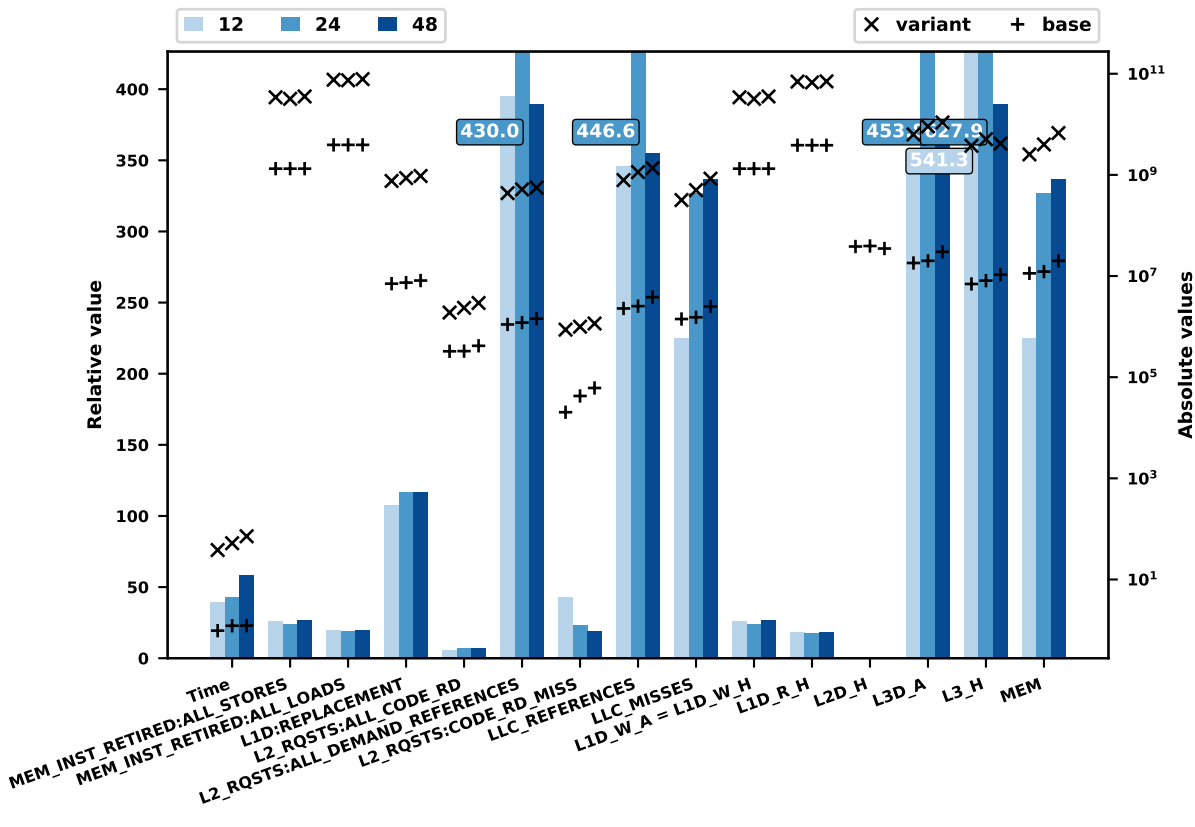

A. Comparing 359.botsspar-tsan-sampling variant with base for region ExpITaskRegion4

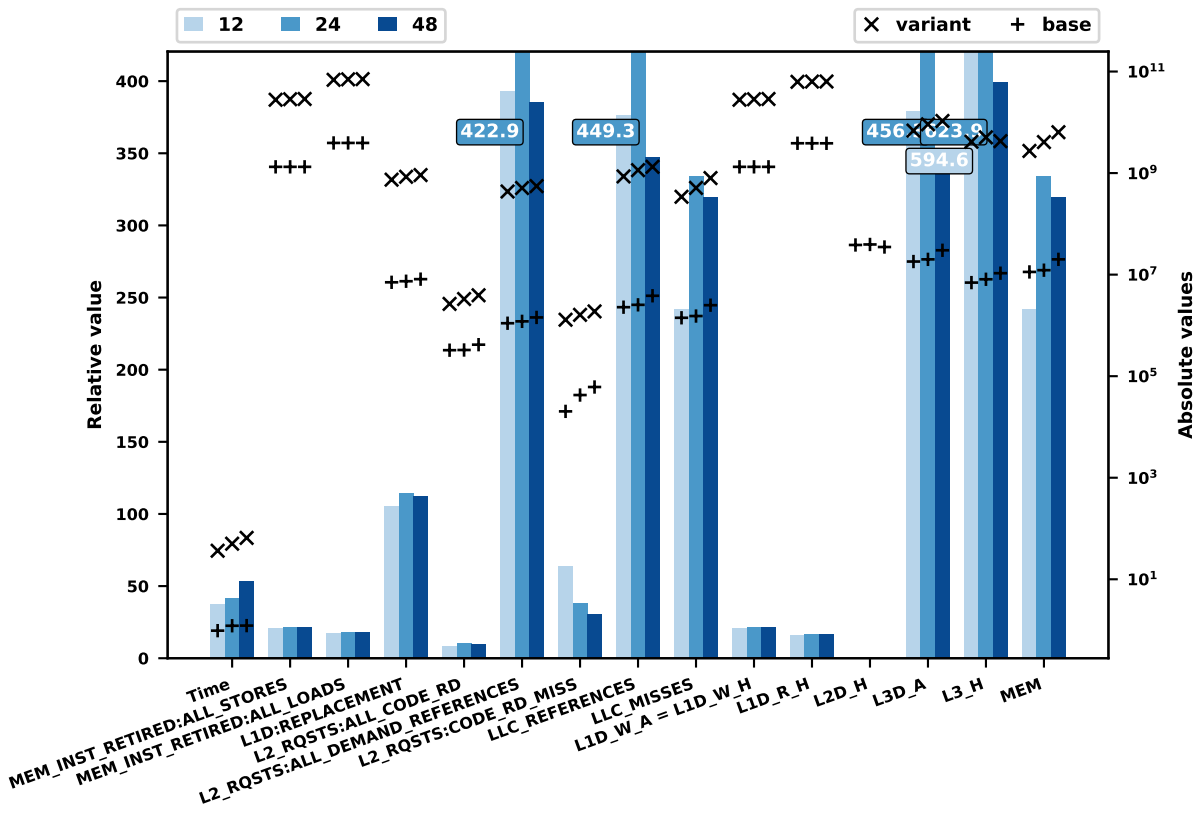

A. Comparing 359.botsspar-archer-sampling variant with base for region ExpITaskRegion4

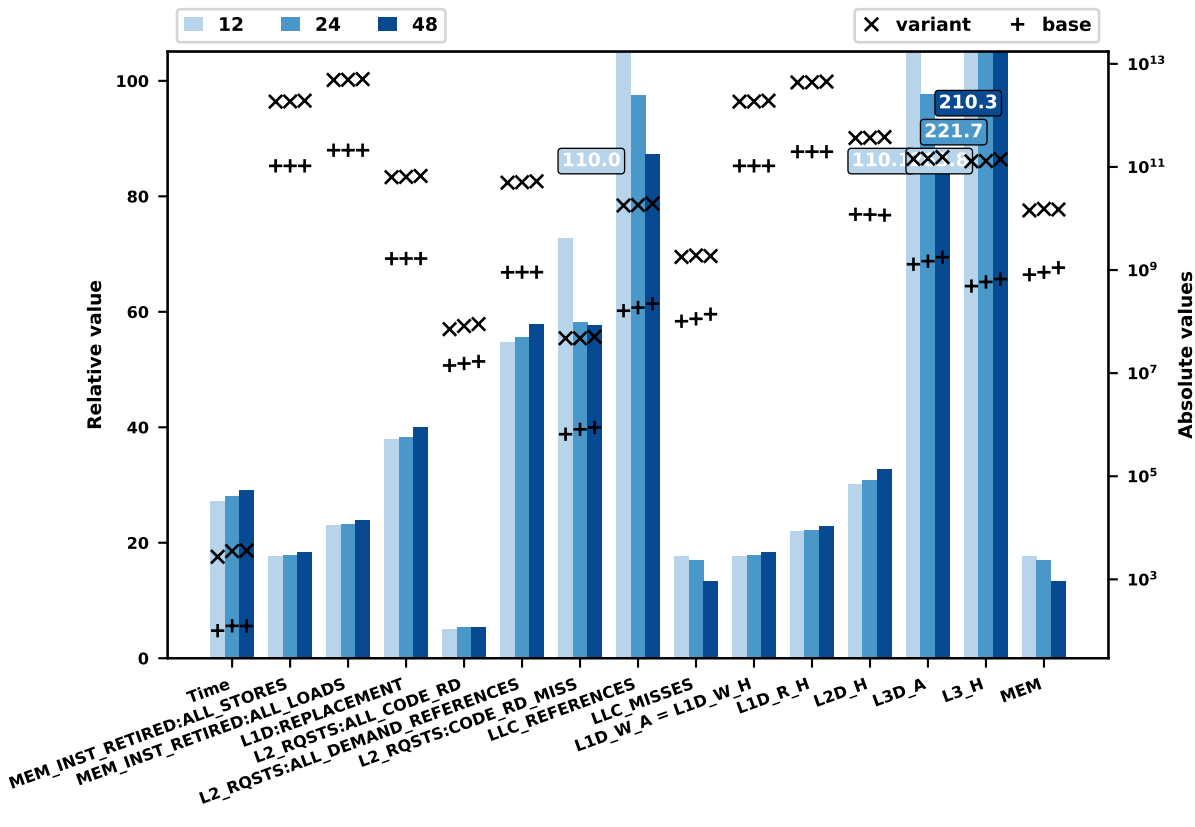

A. Comparing 359.botsspar-tsan variant with base for region ExpiTaskRegion4

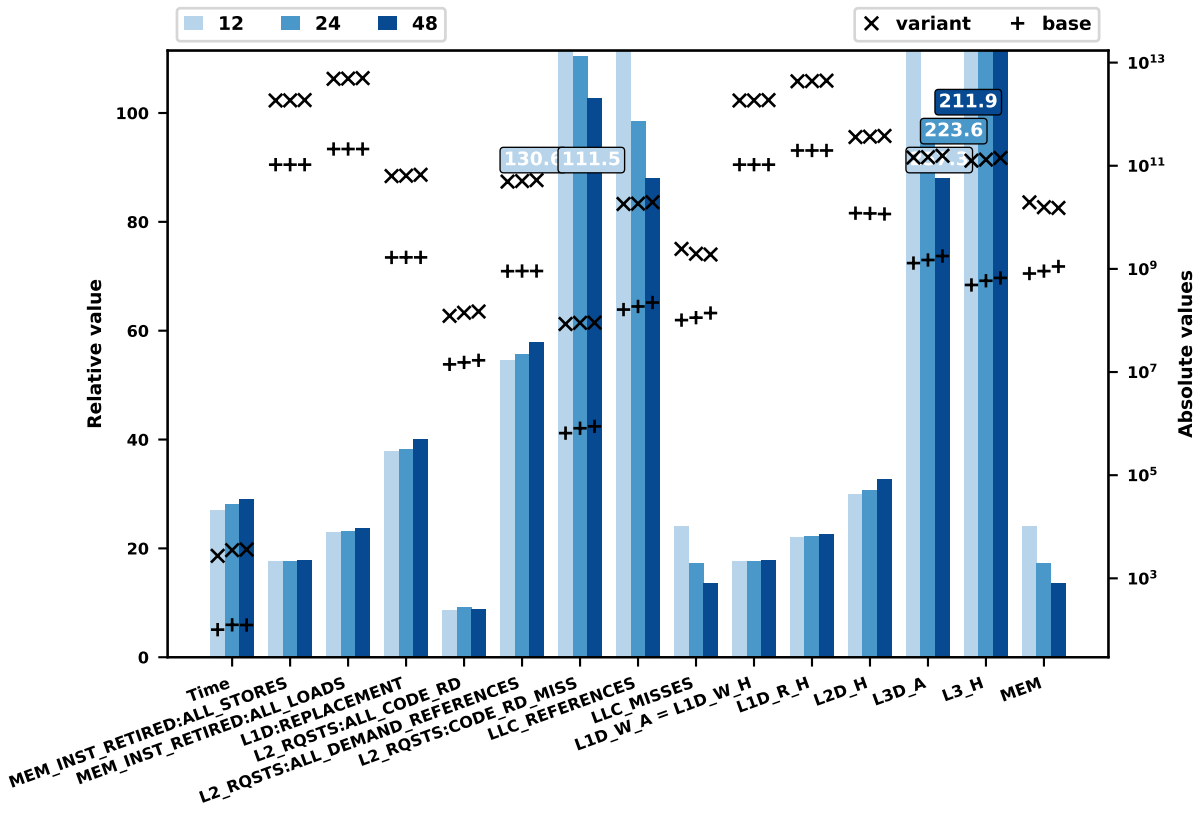

A. Comparing 359.botsspar-archer variant with base for region ExpiTaskRegion4

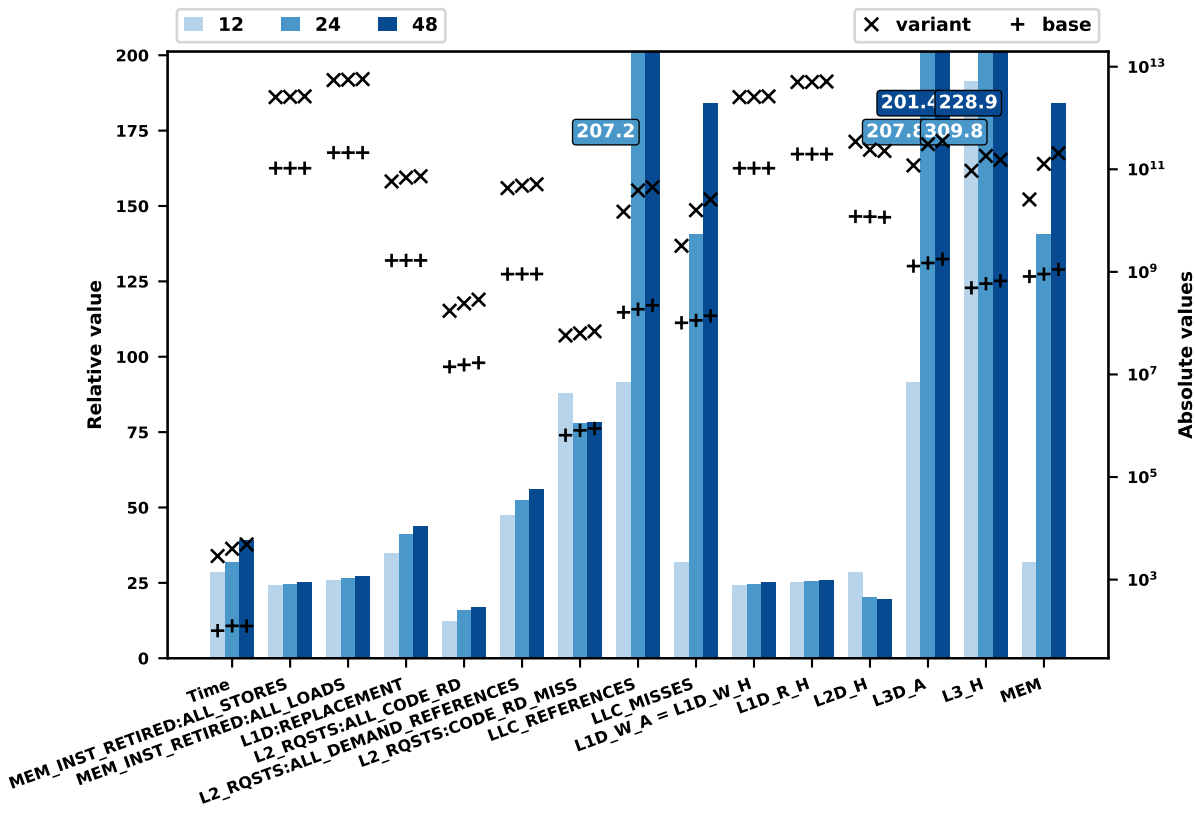

A. Comparing 359.botsspar-tsan-noread variant with base for region ExpITaskRegion5

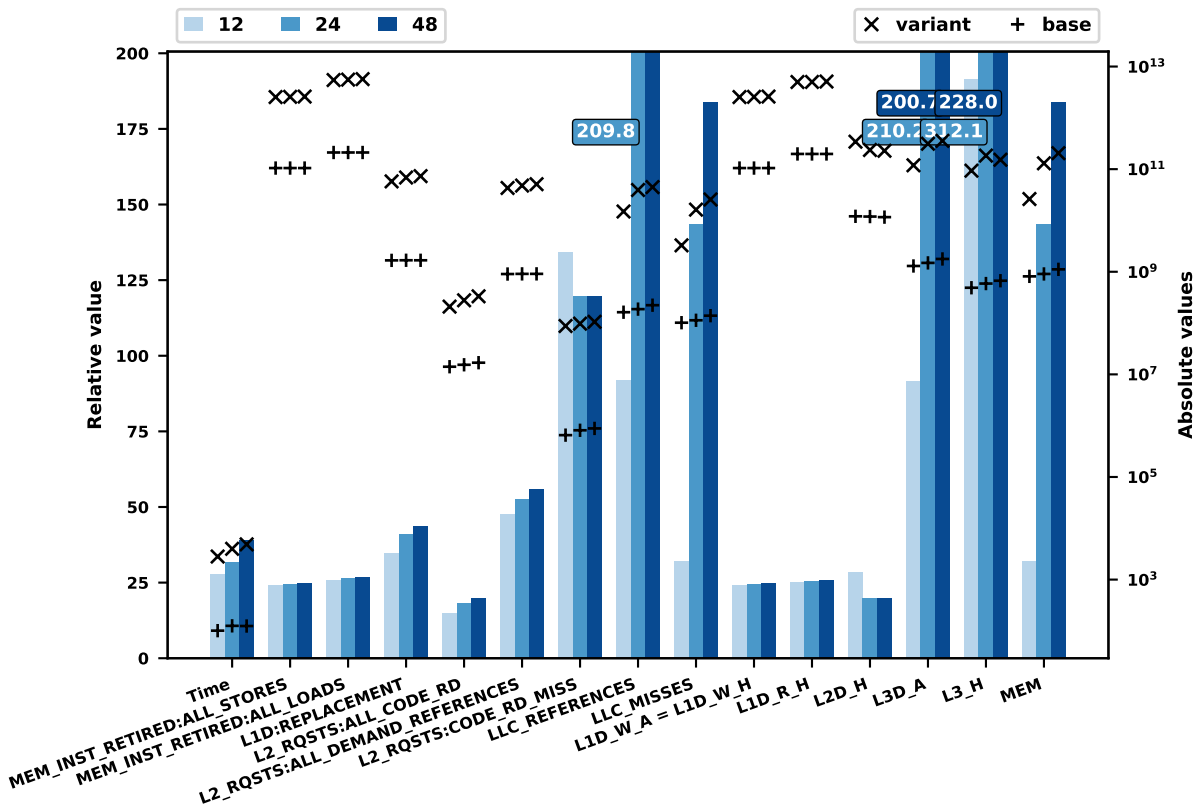

A. Comparing 359.botsspar-archer-noread variant with base for region ExpITaskRegion5

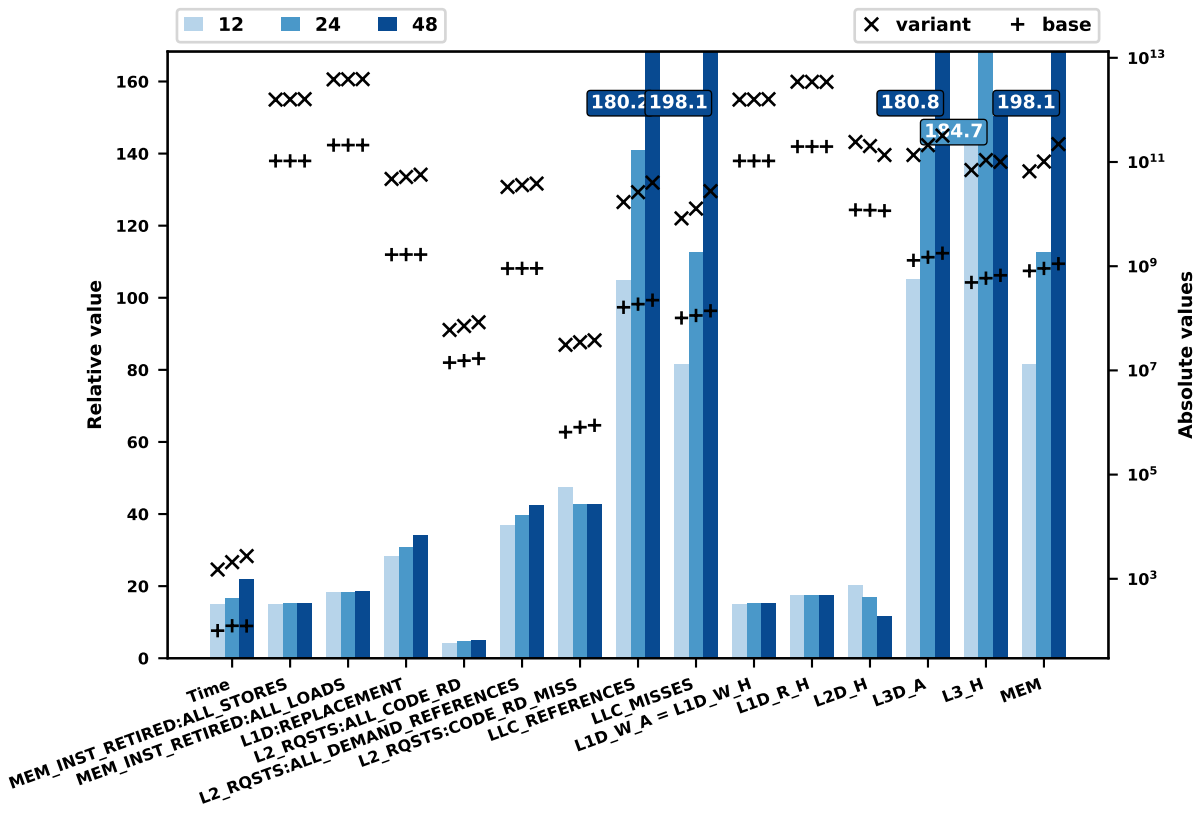

A. Comparing 359.botsspar-tsan-sampling variant with base for region ExpiTaskRegion5

A. Comparing 359.botsspar-archer-sampling variant with base for region ExpITaskRegion5

A. Comparing 359.botsspar-tsan variant with base for region ExpITaskRegion5

A. Comparing 359.botsspar-archer variant with base for region ExpITaskRegion5
