

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion1

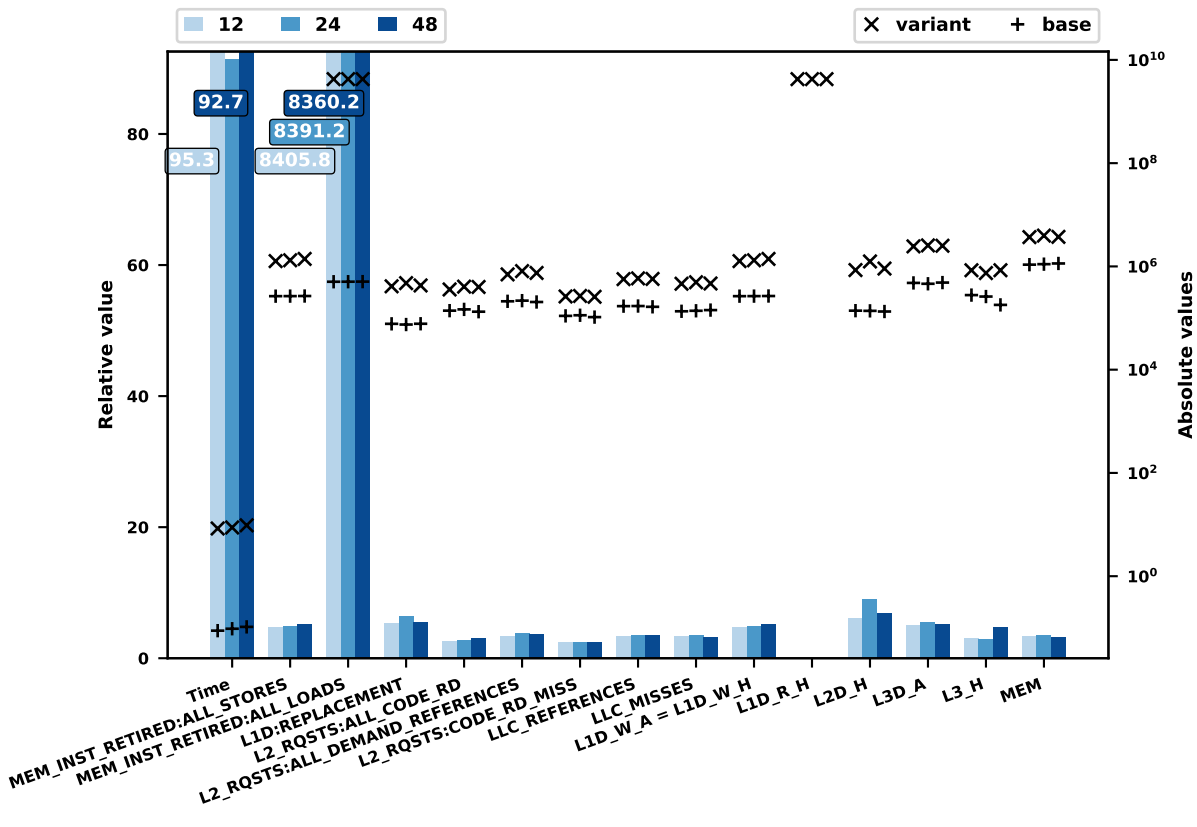

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion1

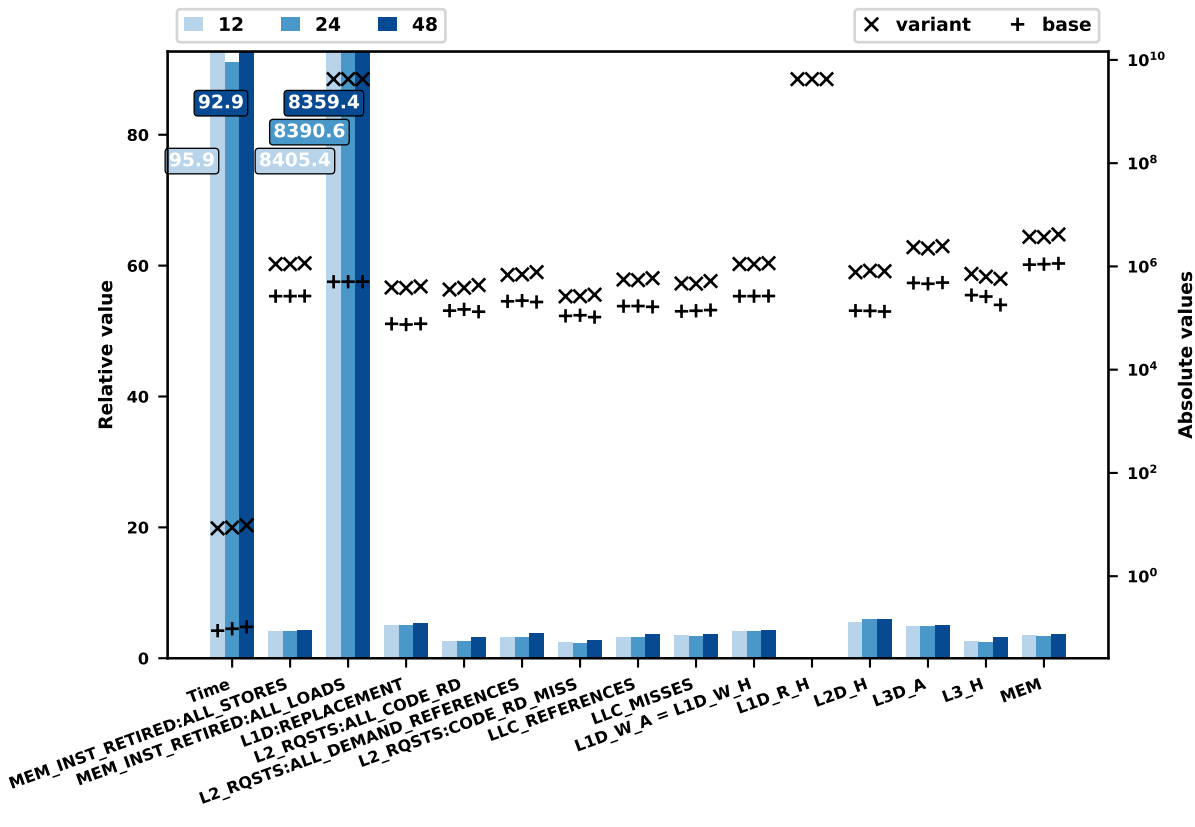

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion1

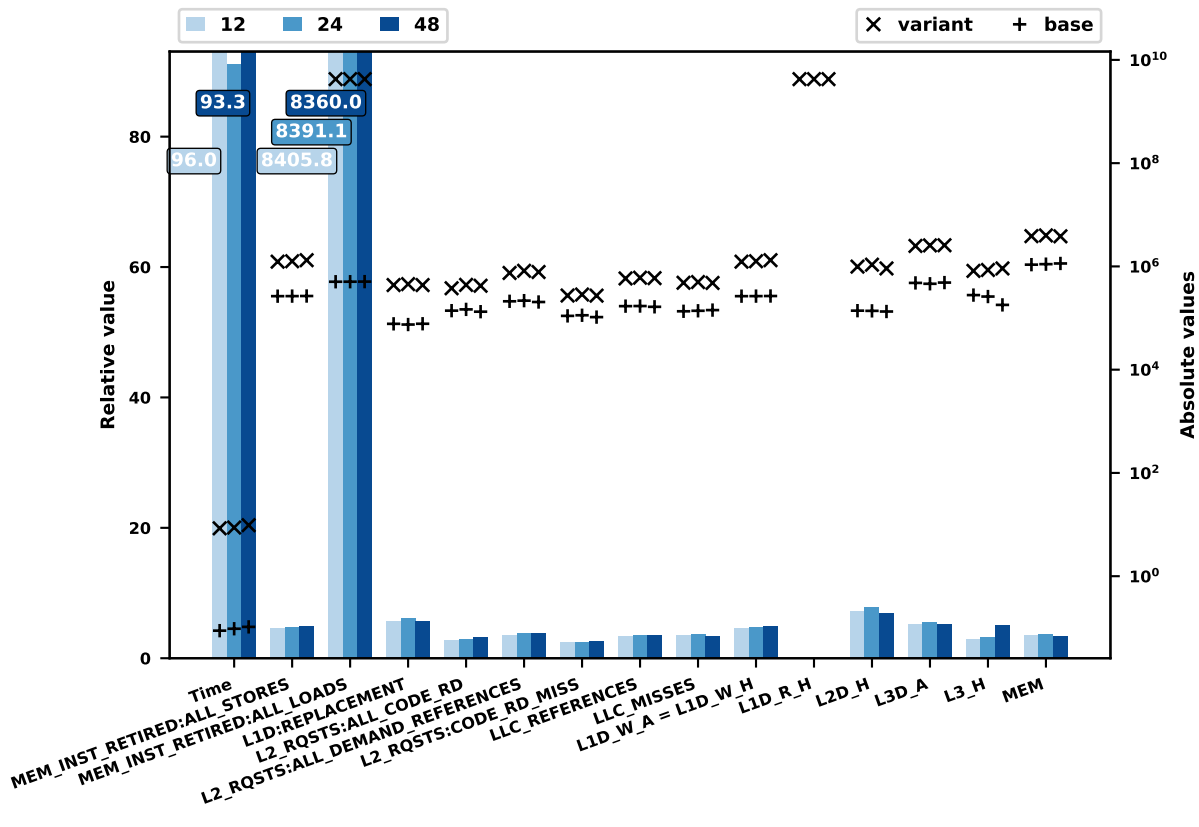

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion1

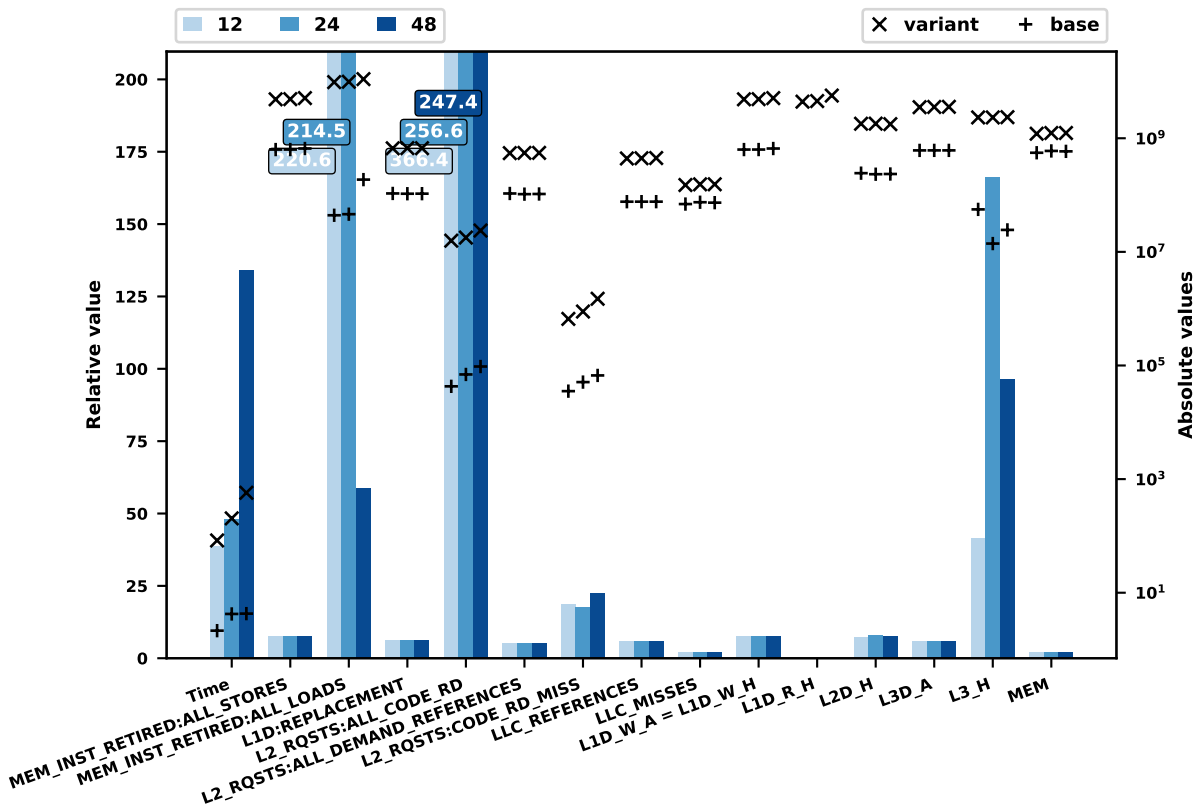

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion1

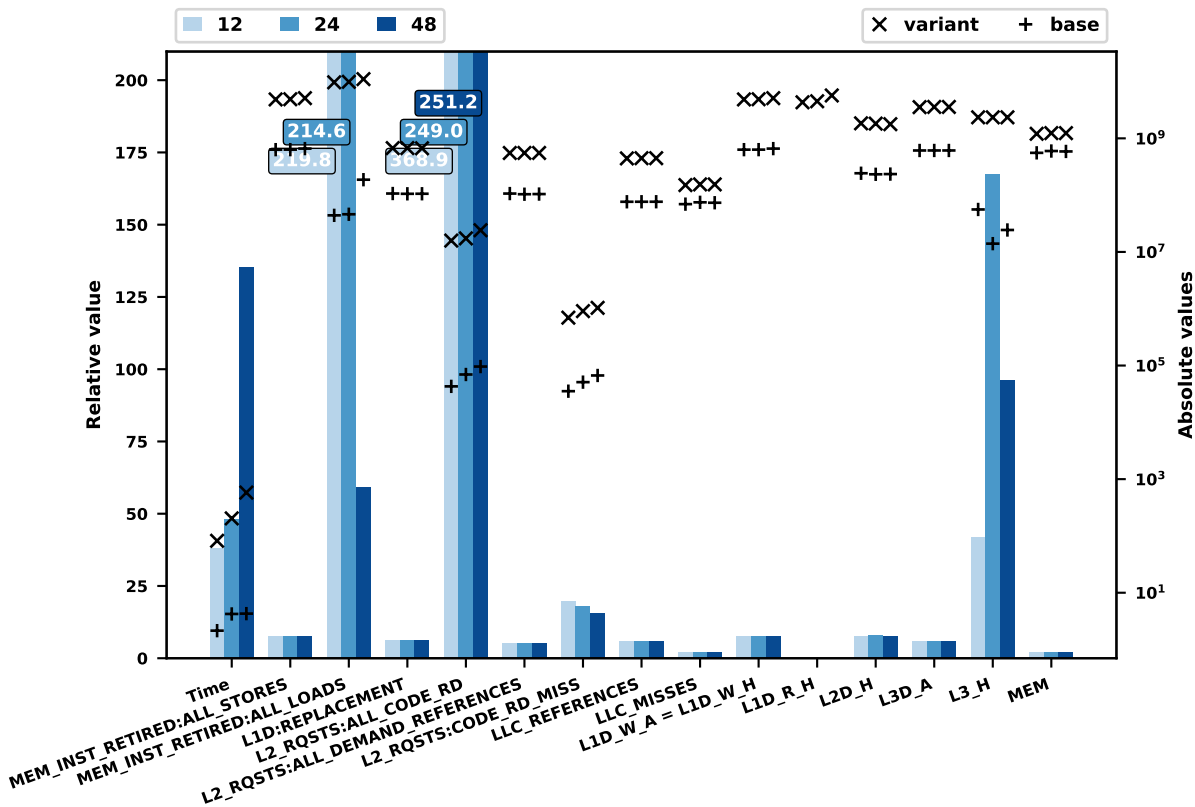

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion1

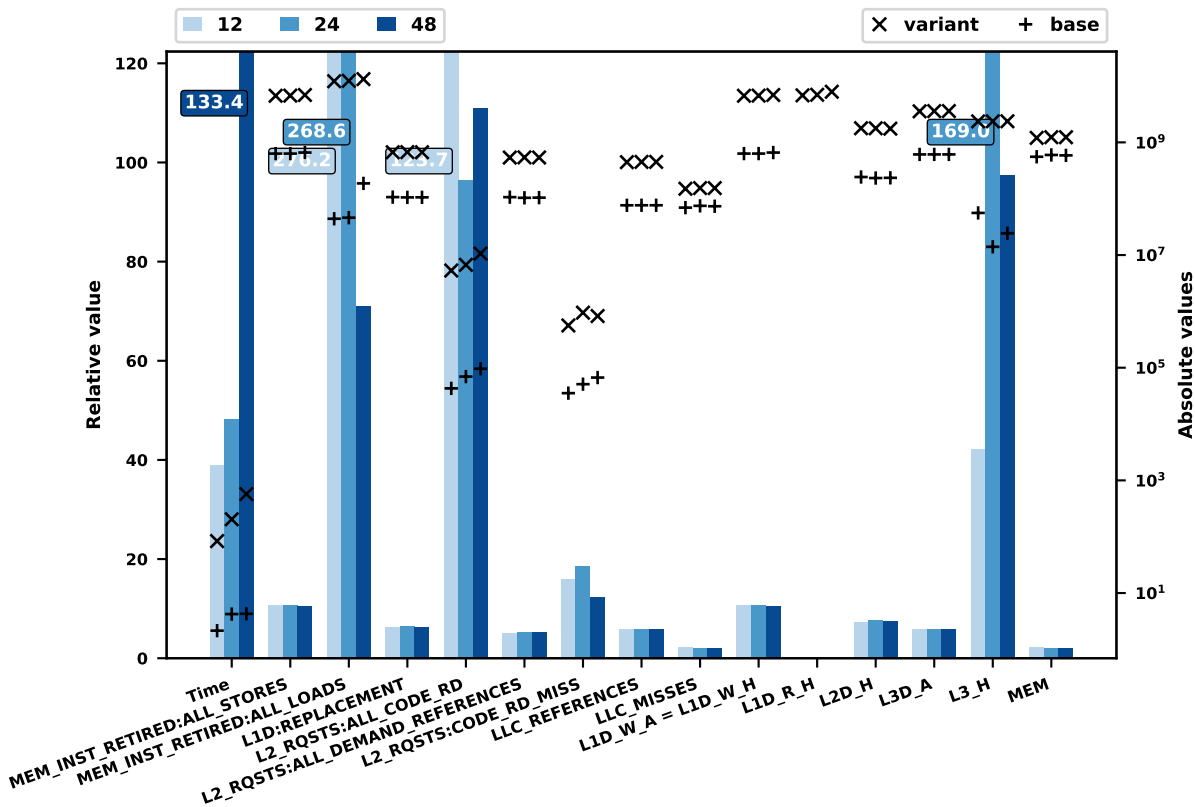

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion2

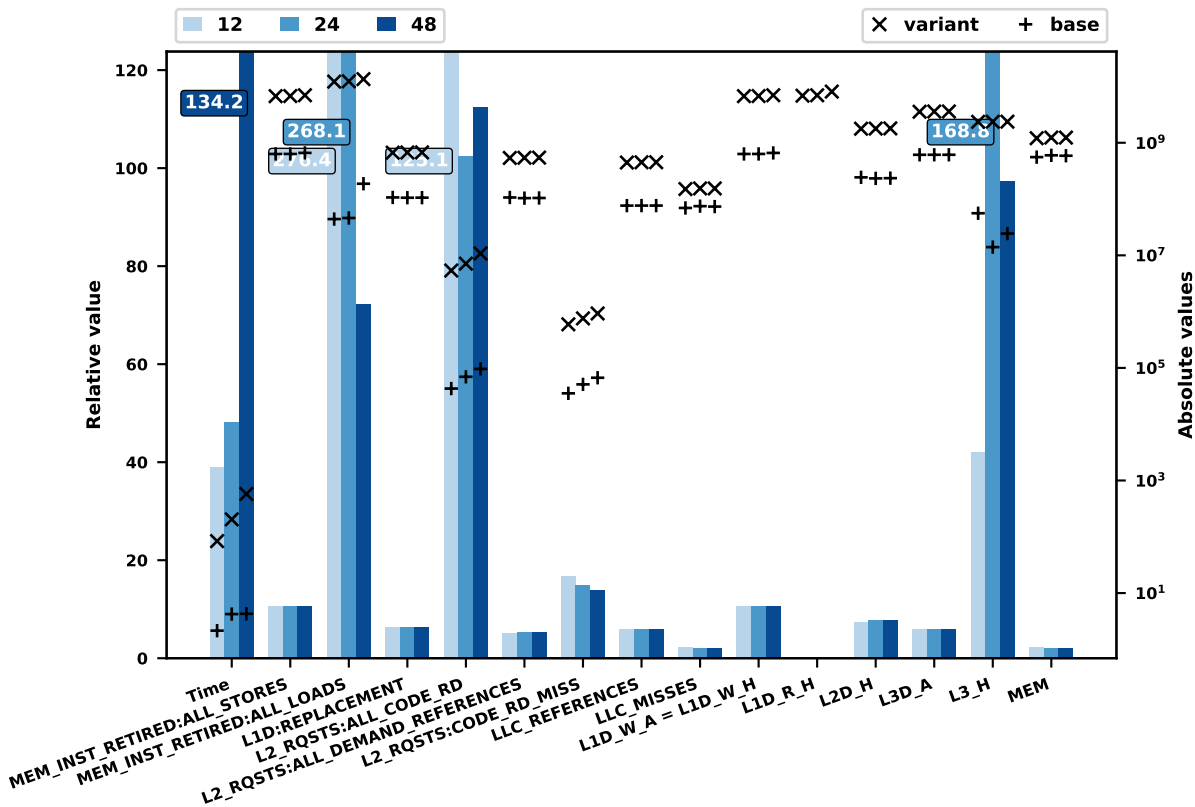

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion2

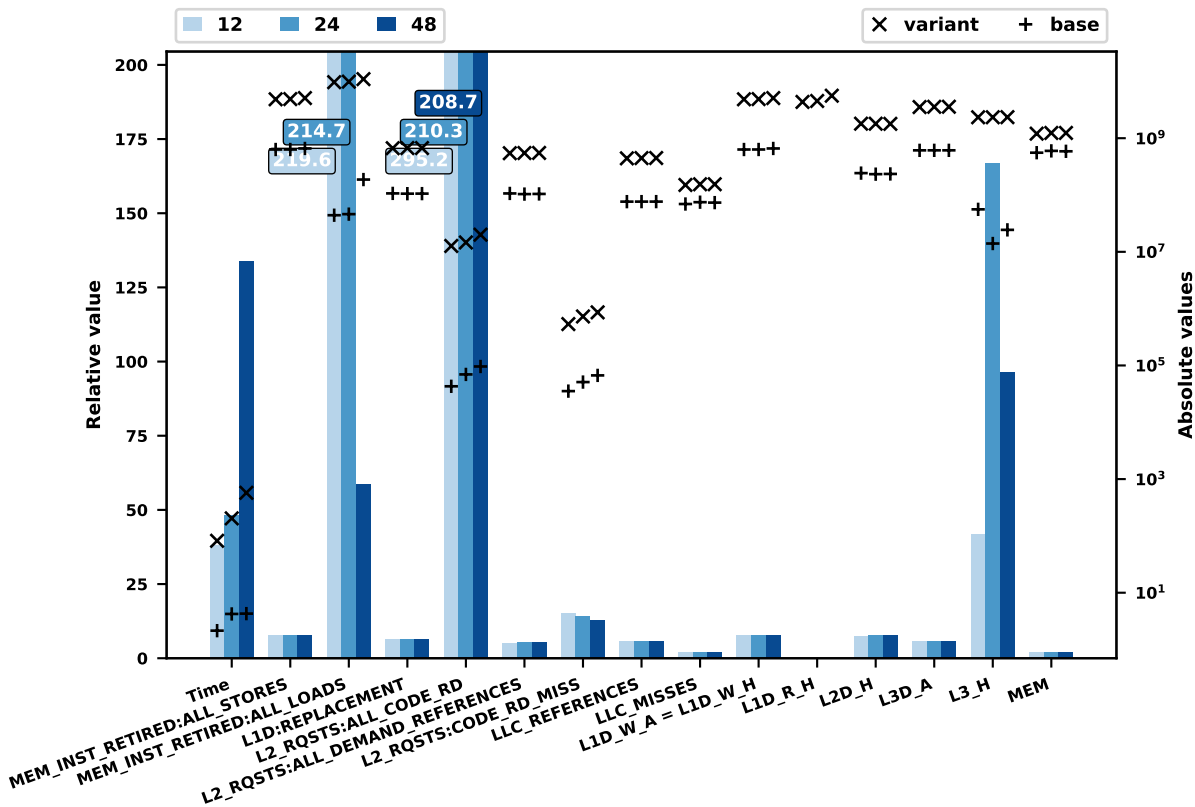

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion2

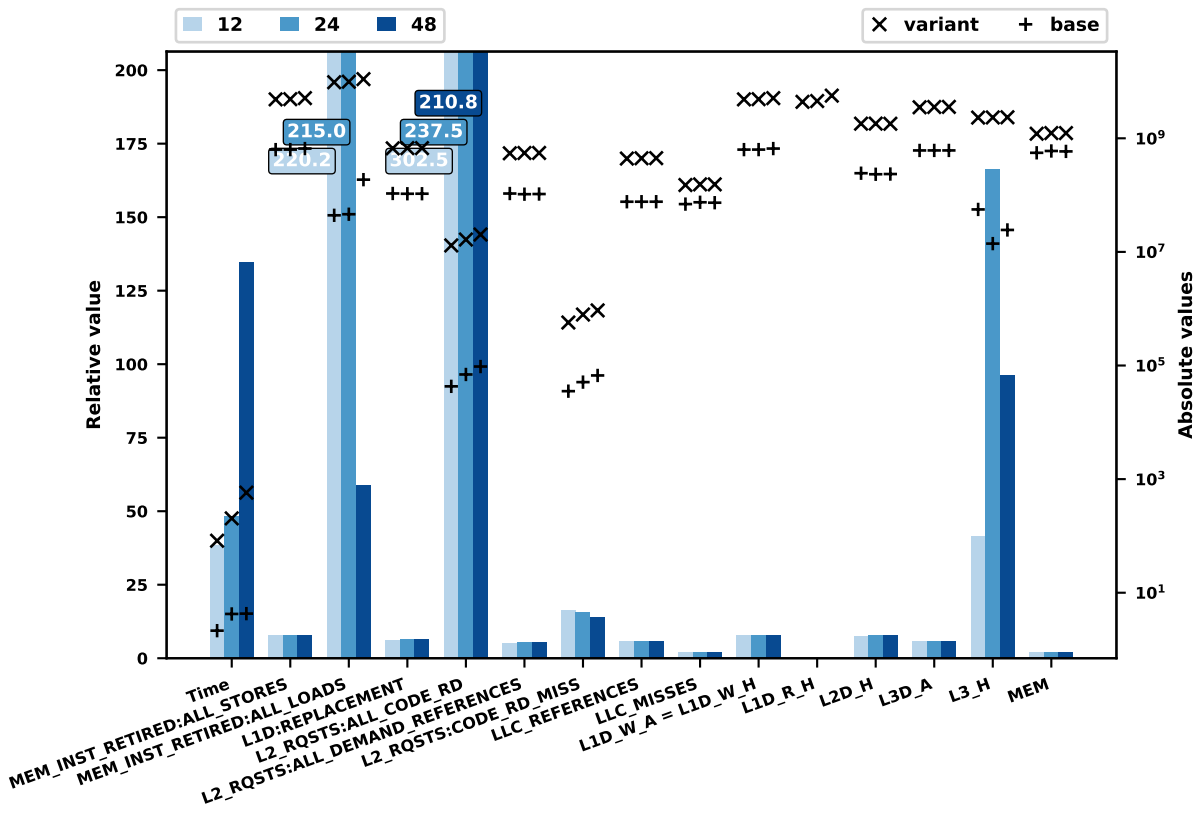

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion2

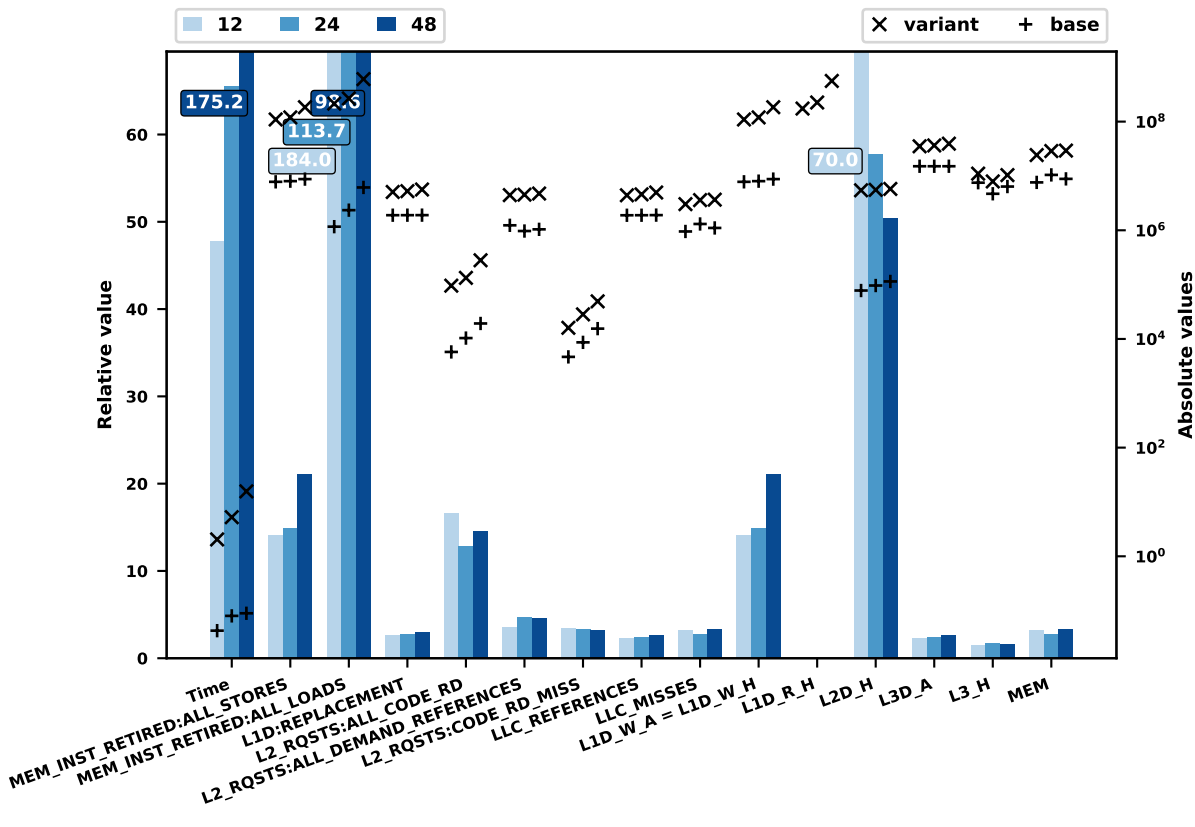

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion2

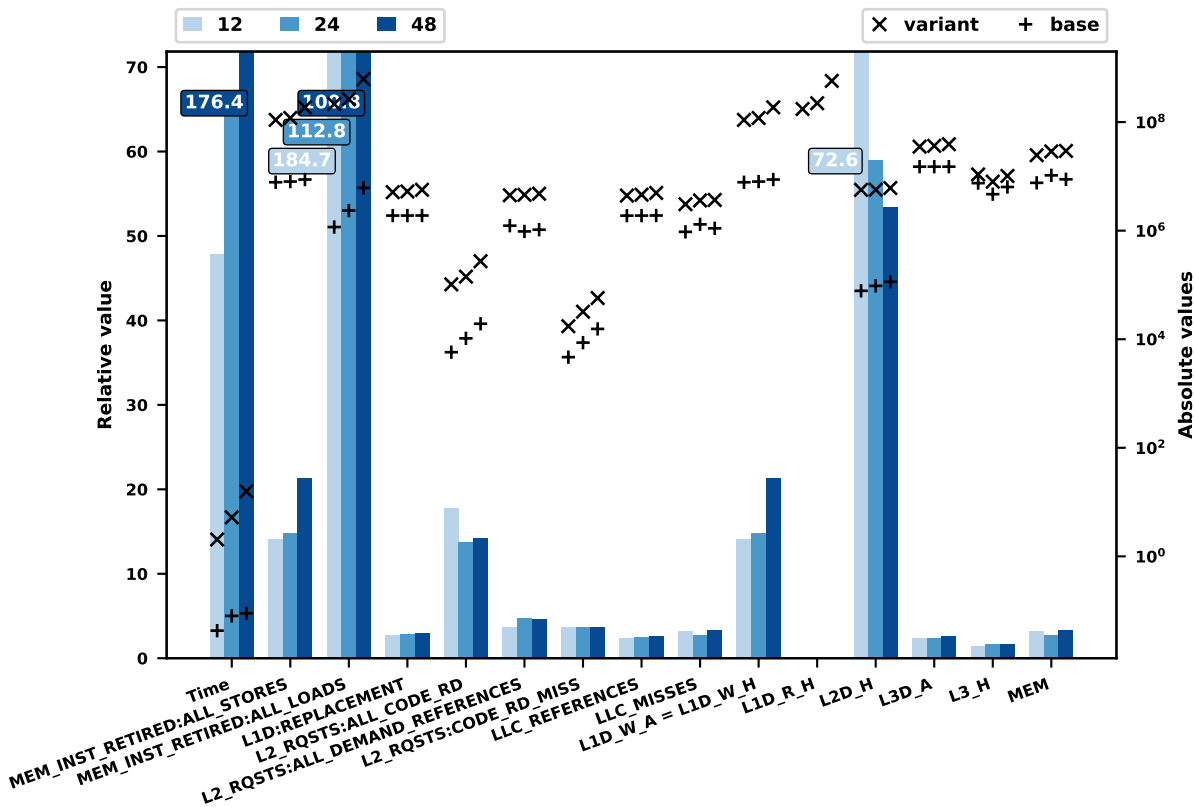

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion2

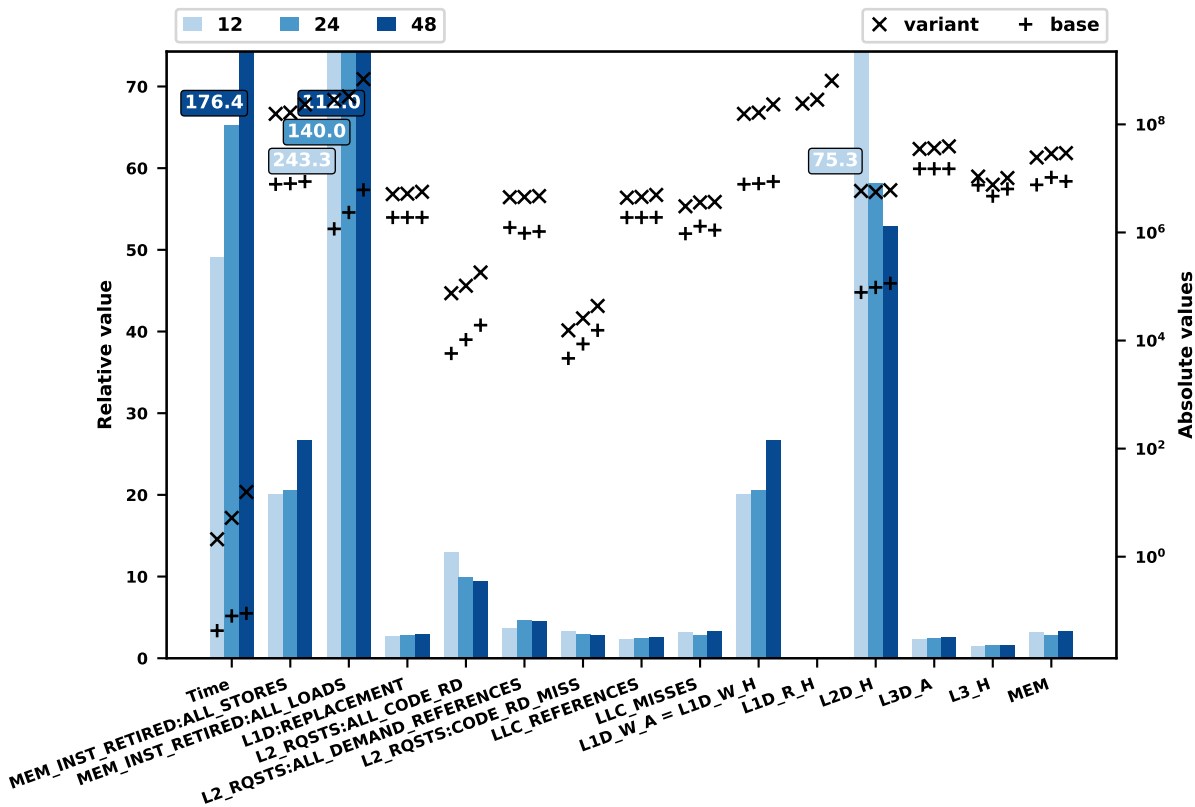

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion3

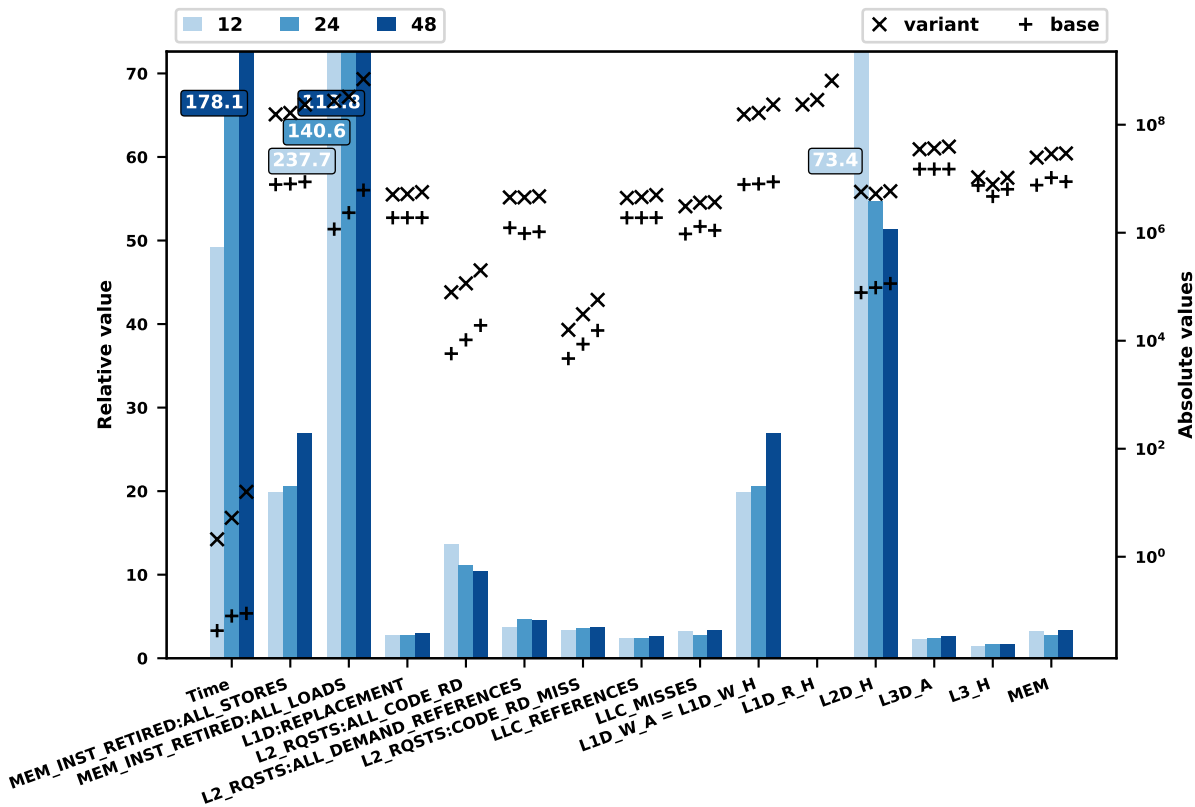

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion3

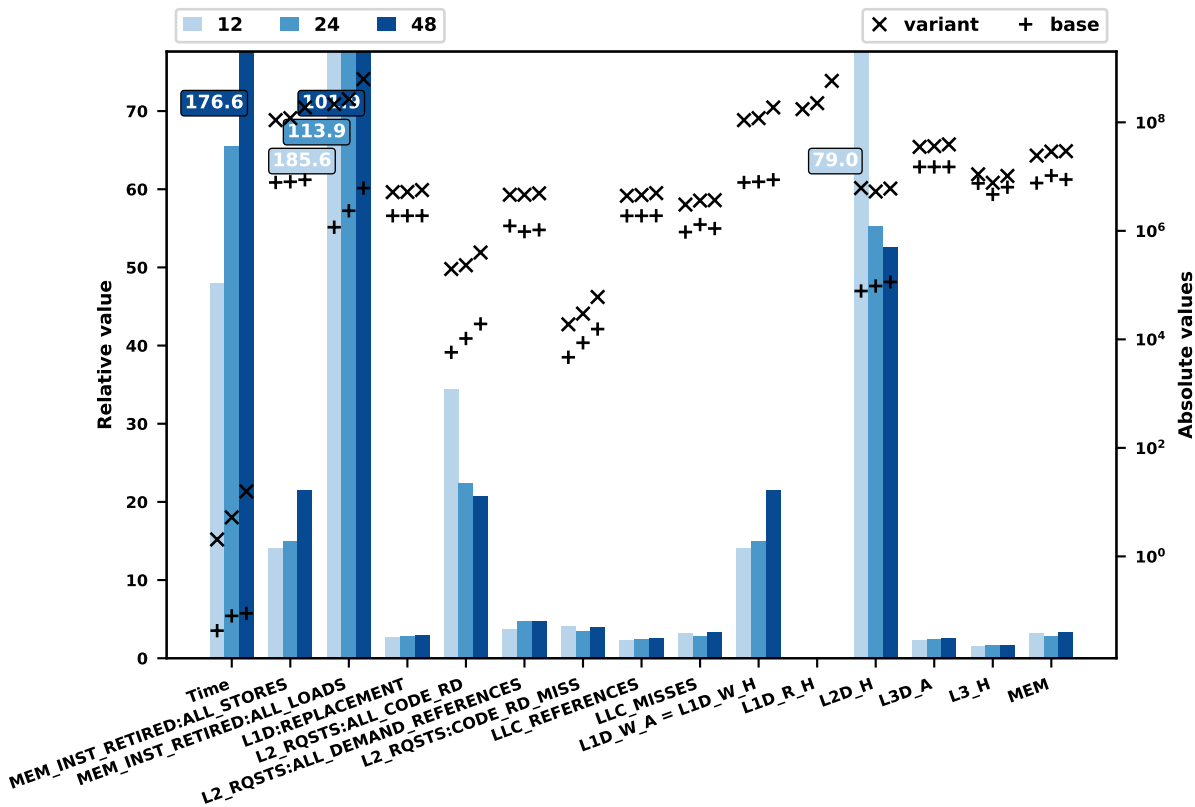

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion3

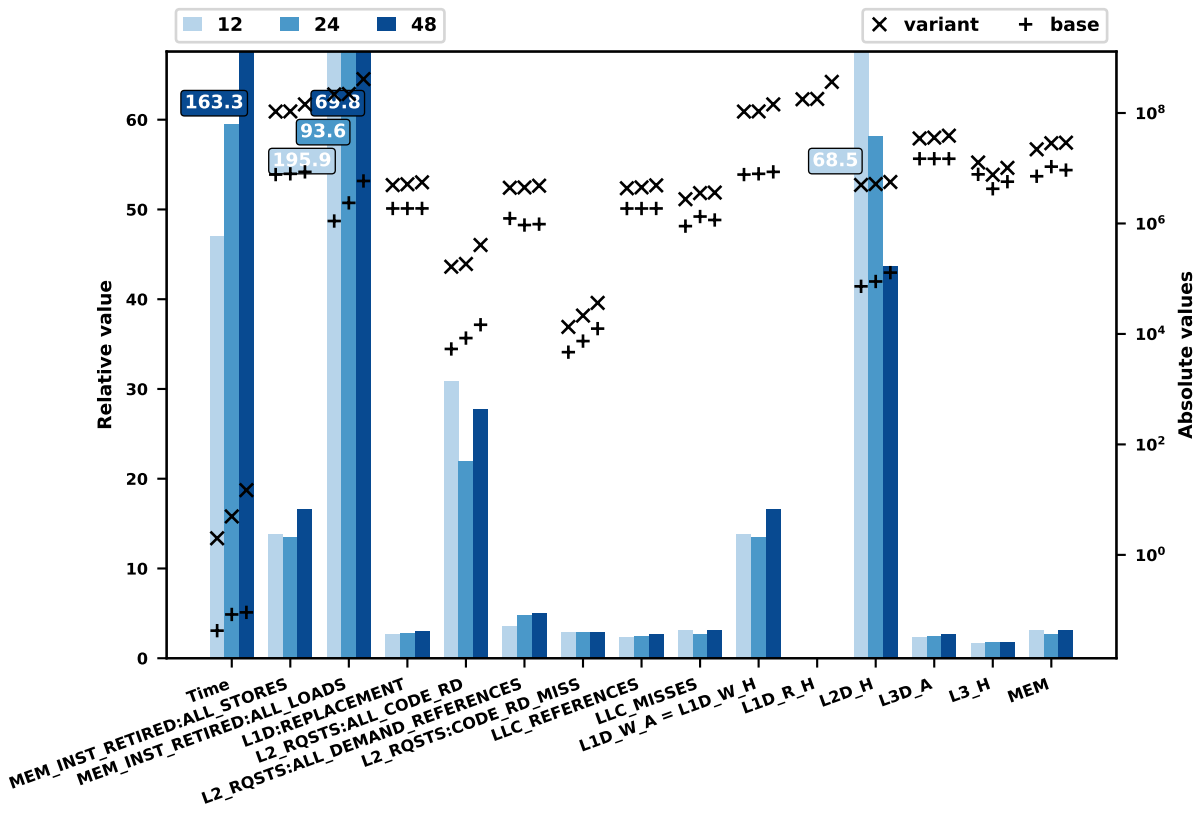

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion3

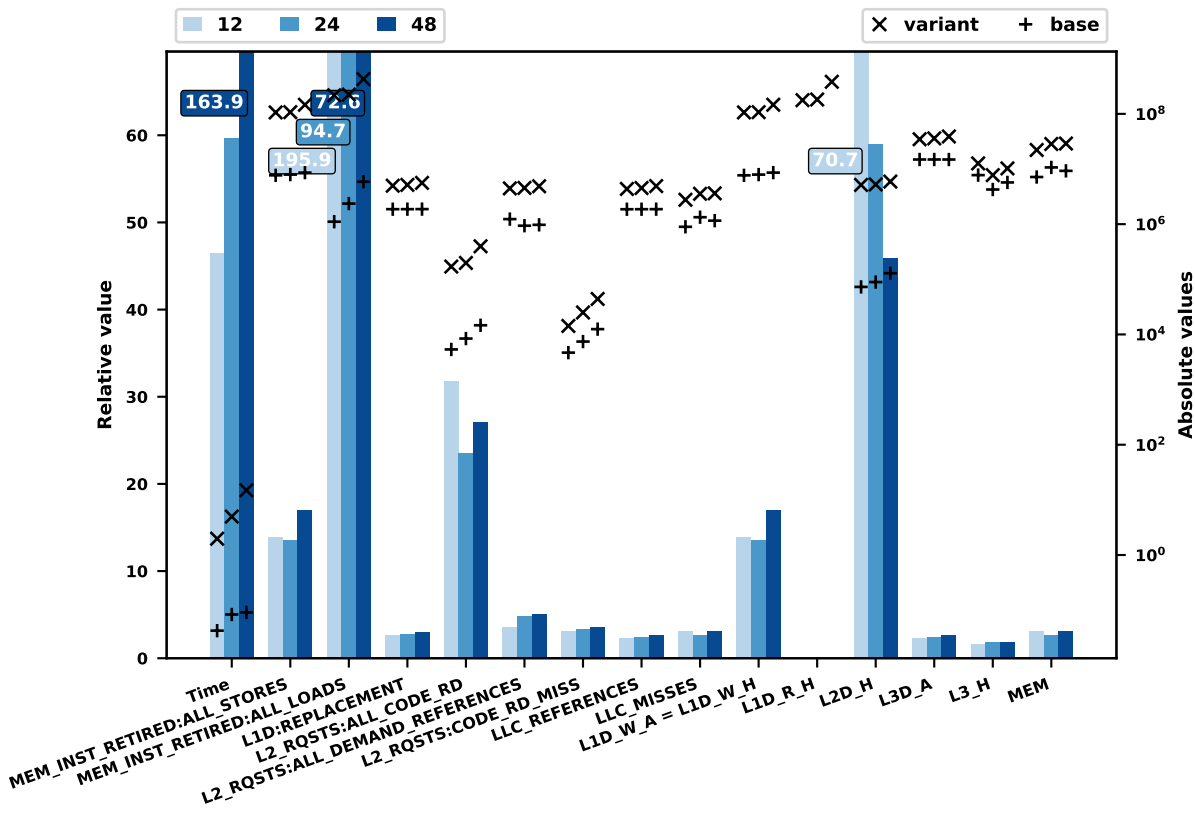

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion3

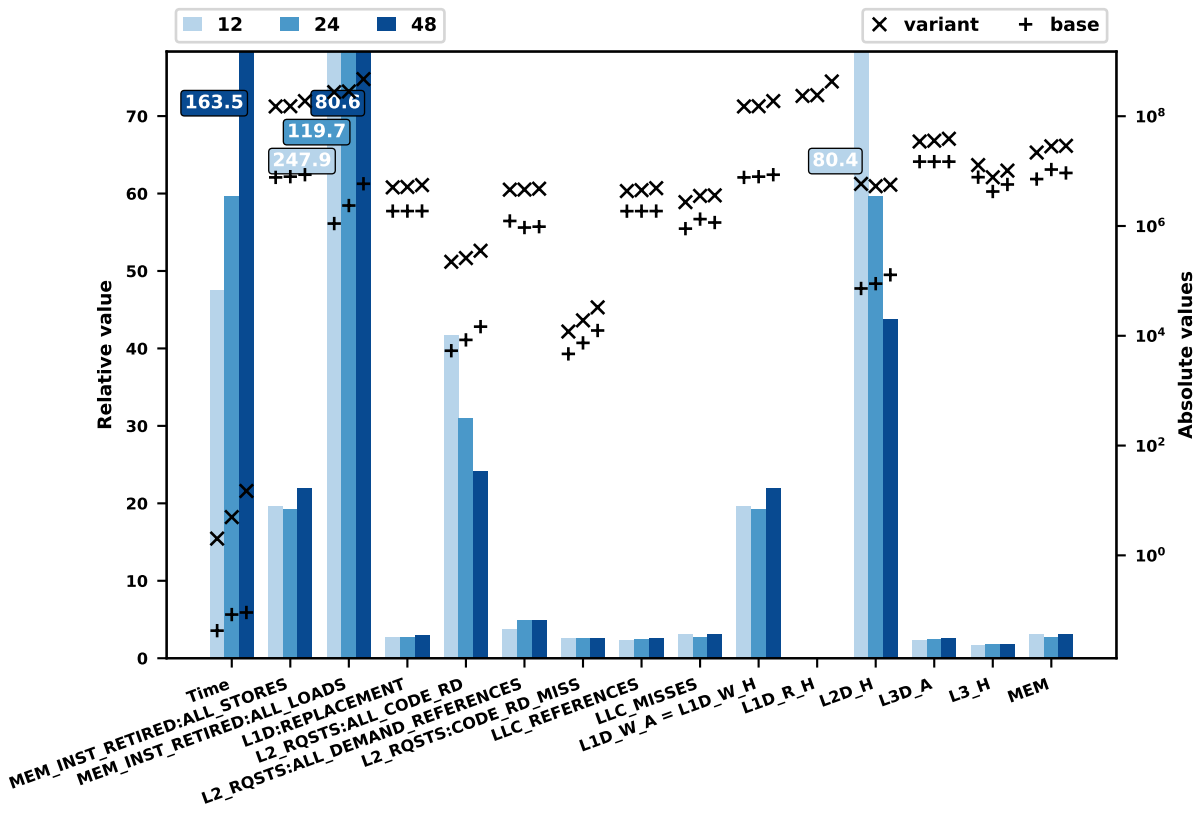

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion4

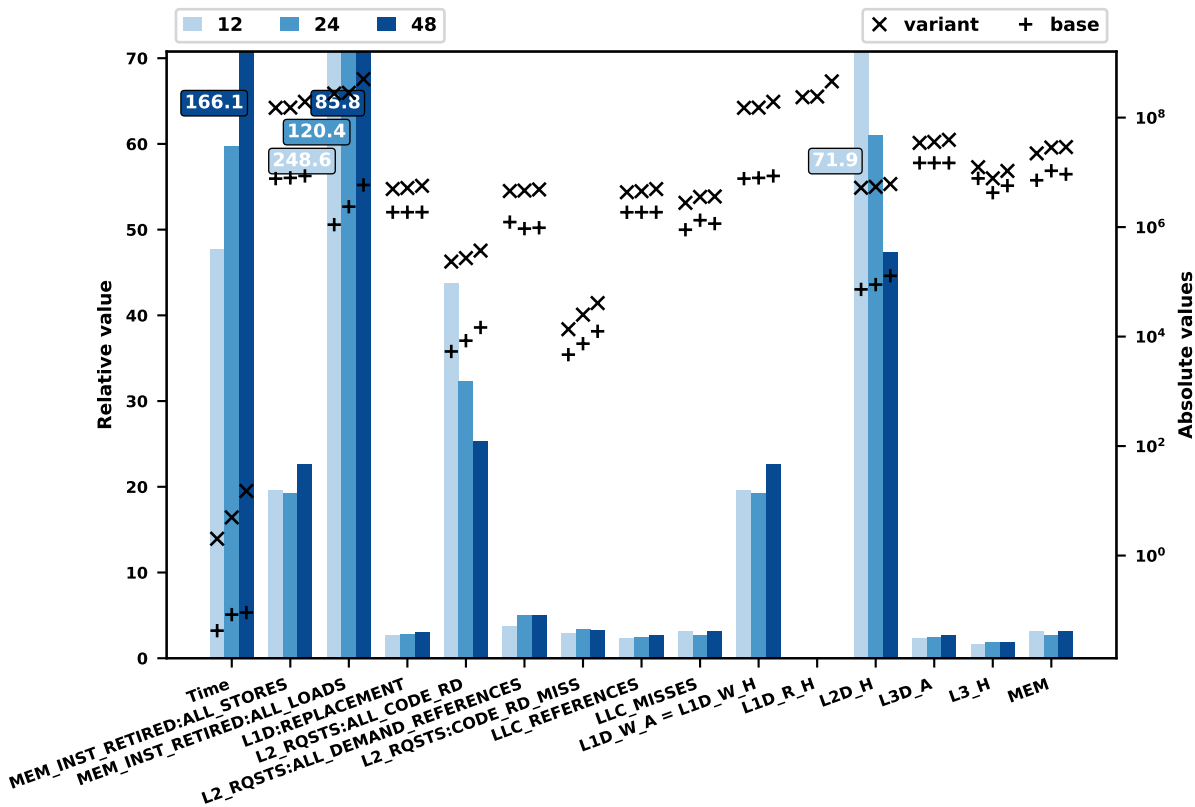

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion4

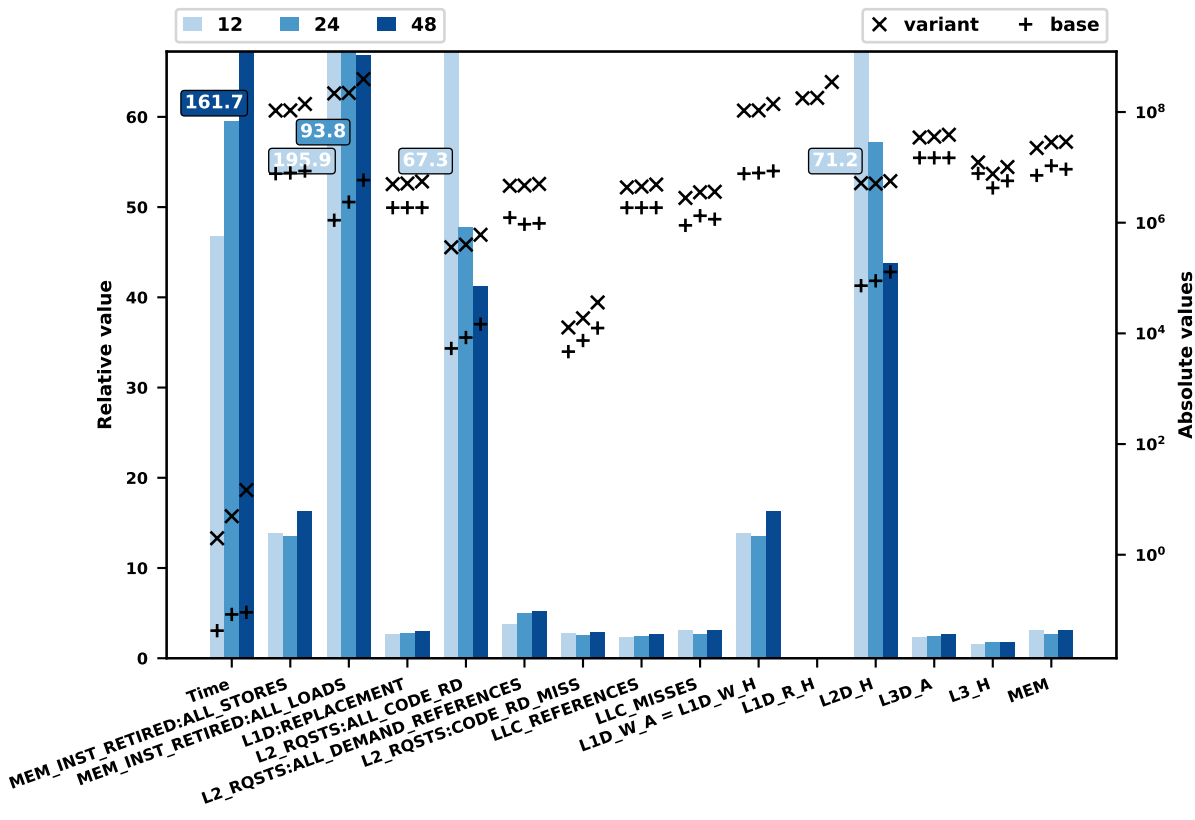

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion4

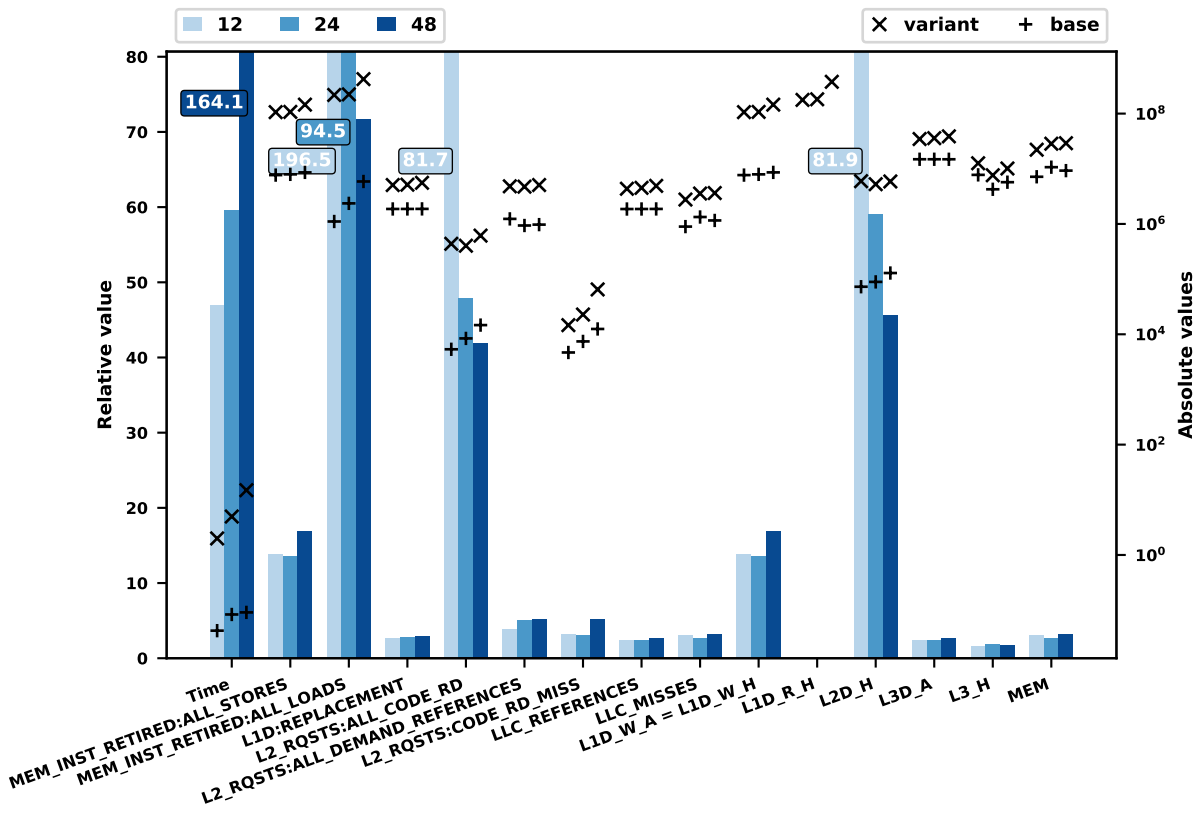

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion4

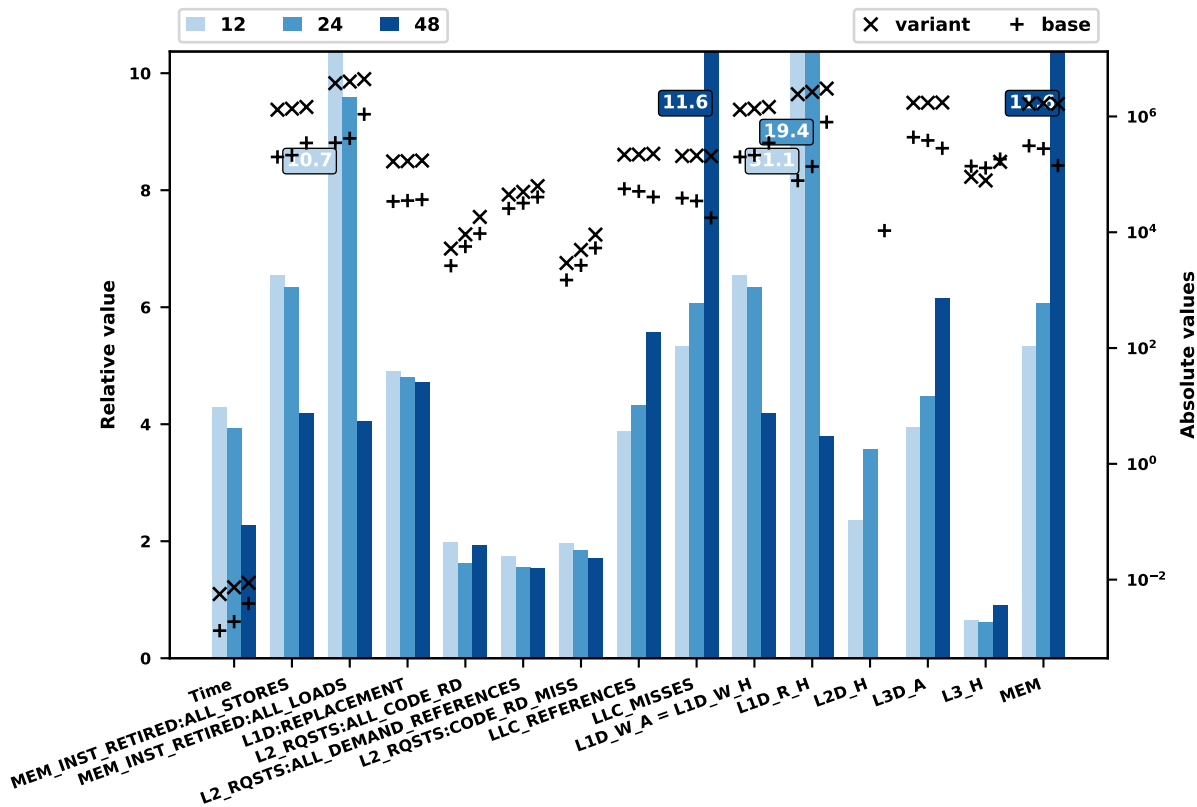

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion4

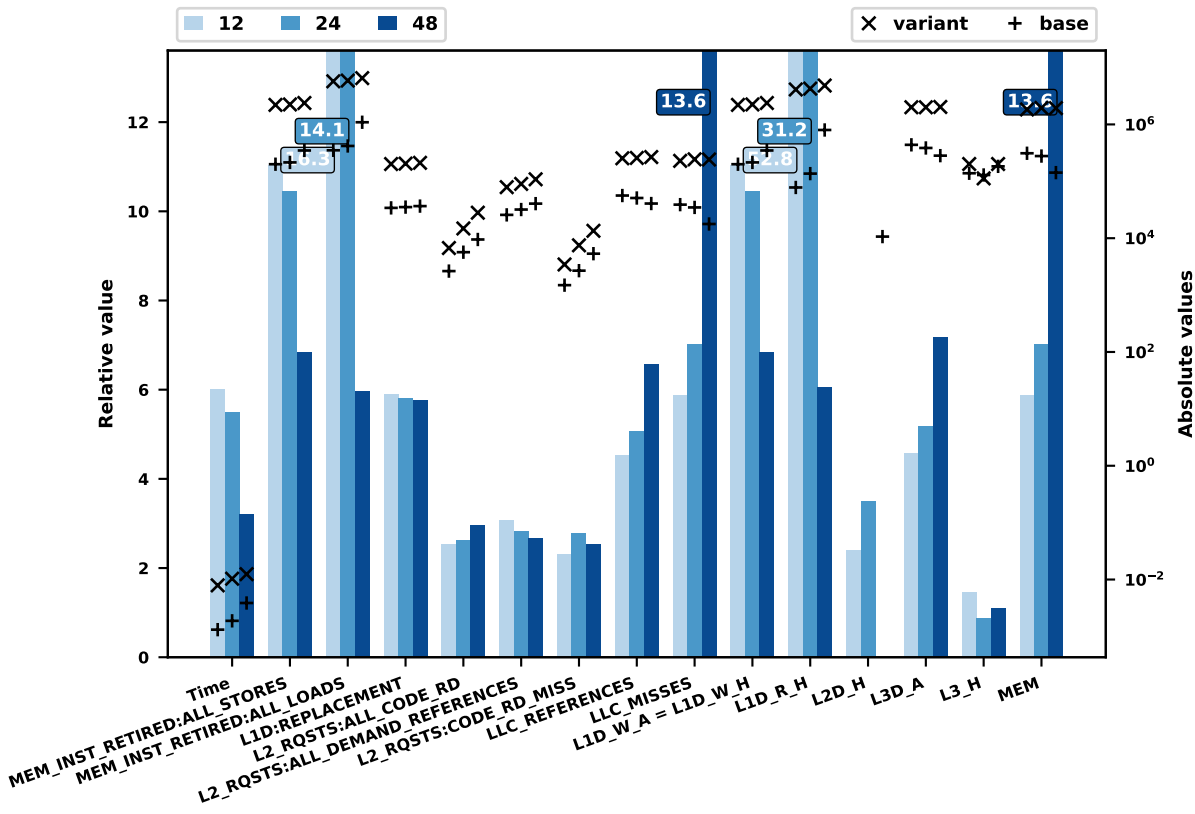

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion4

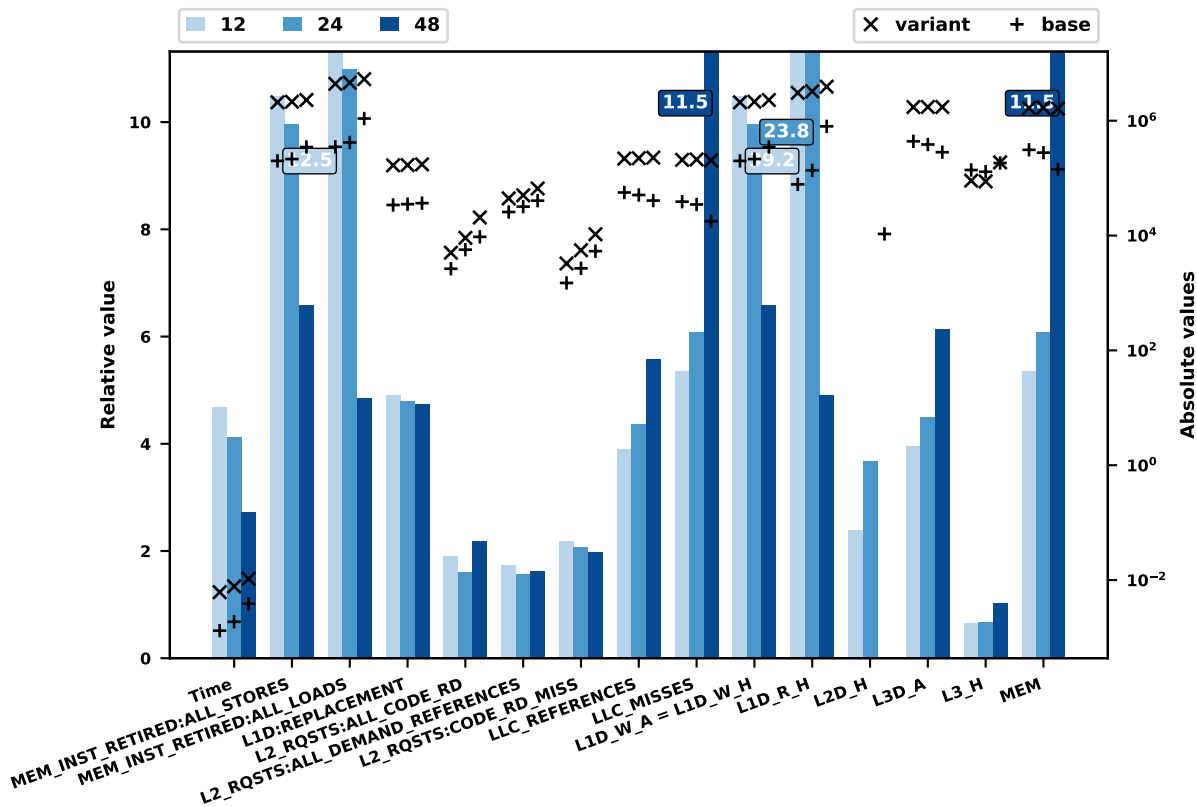

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion5

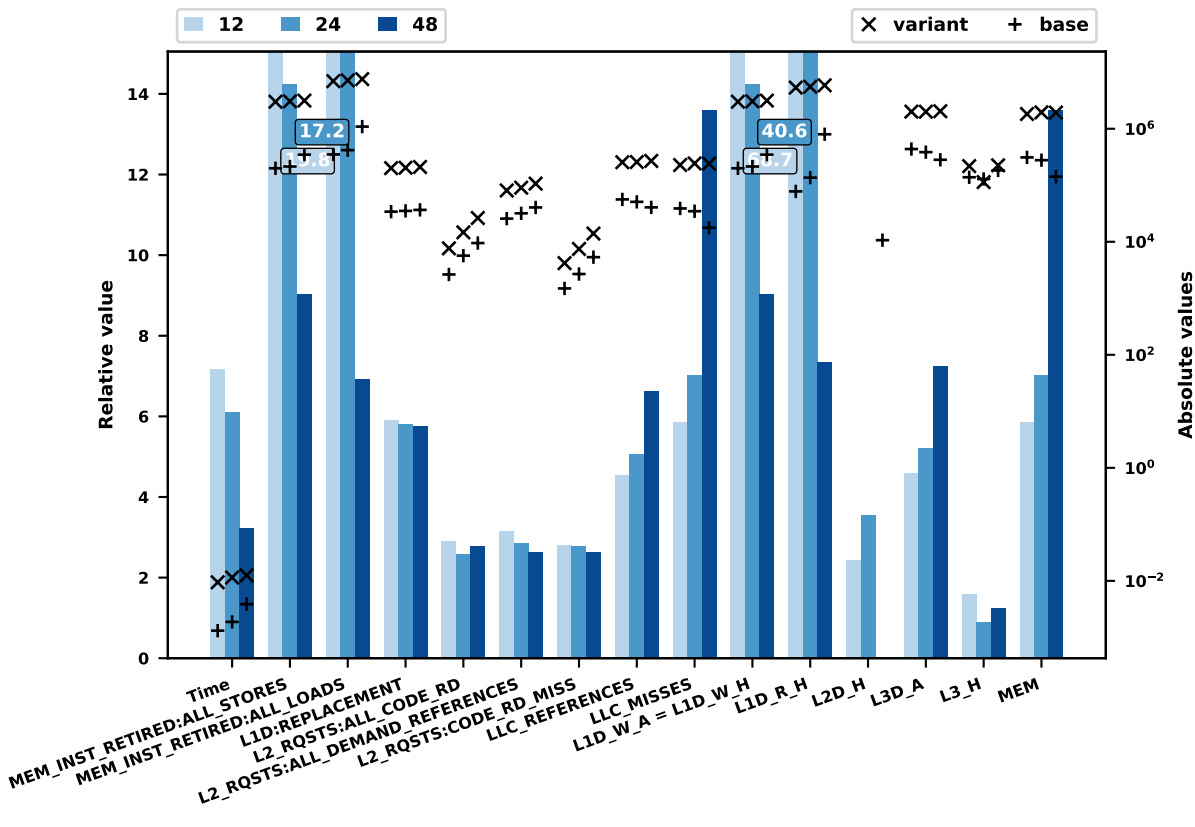

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion5

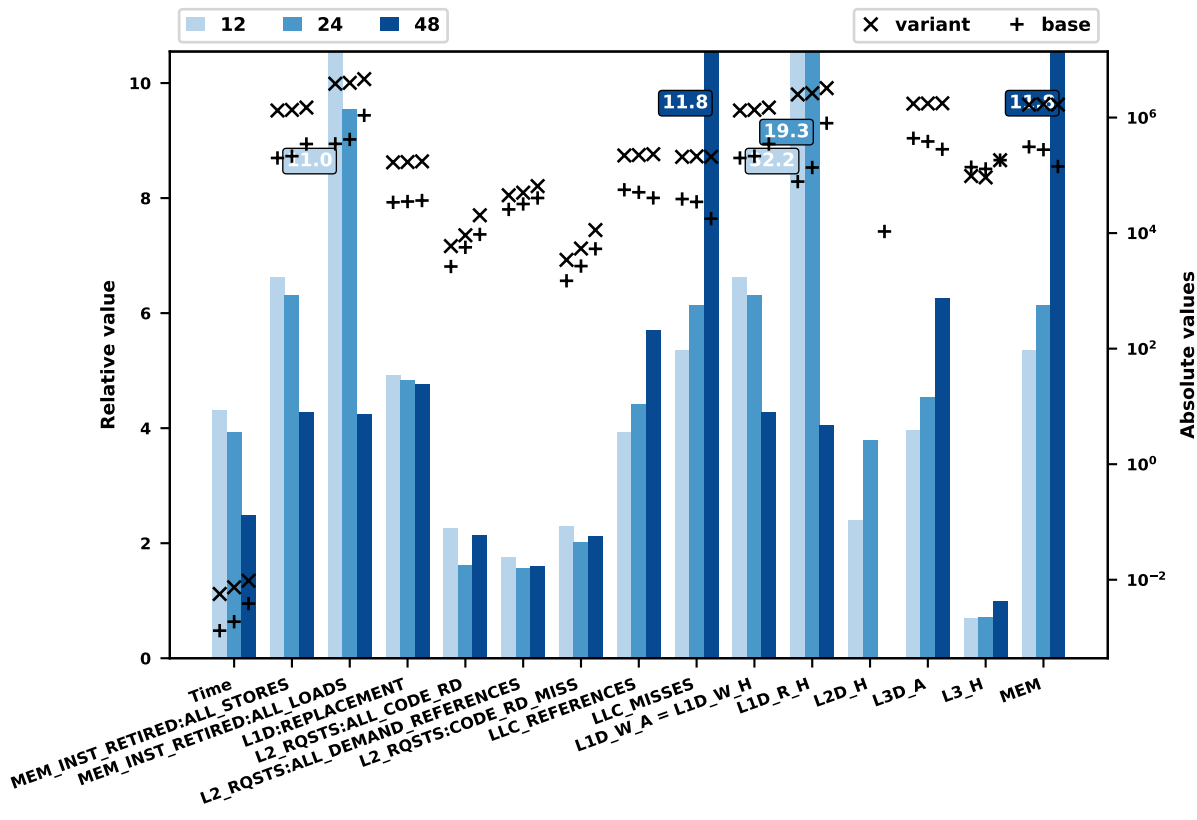

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion5

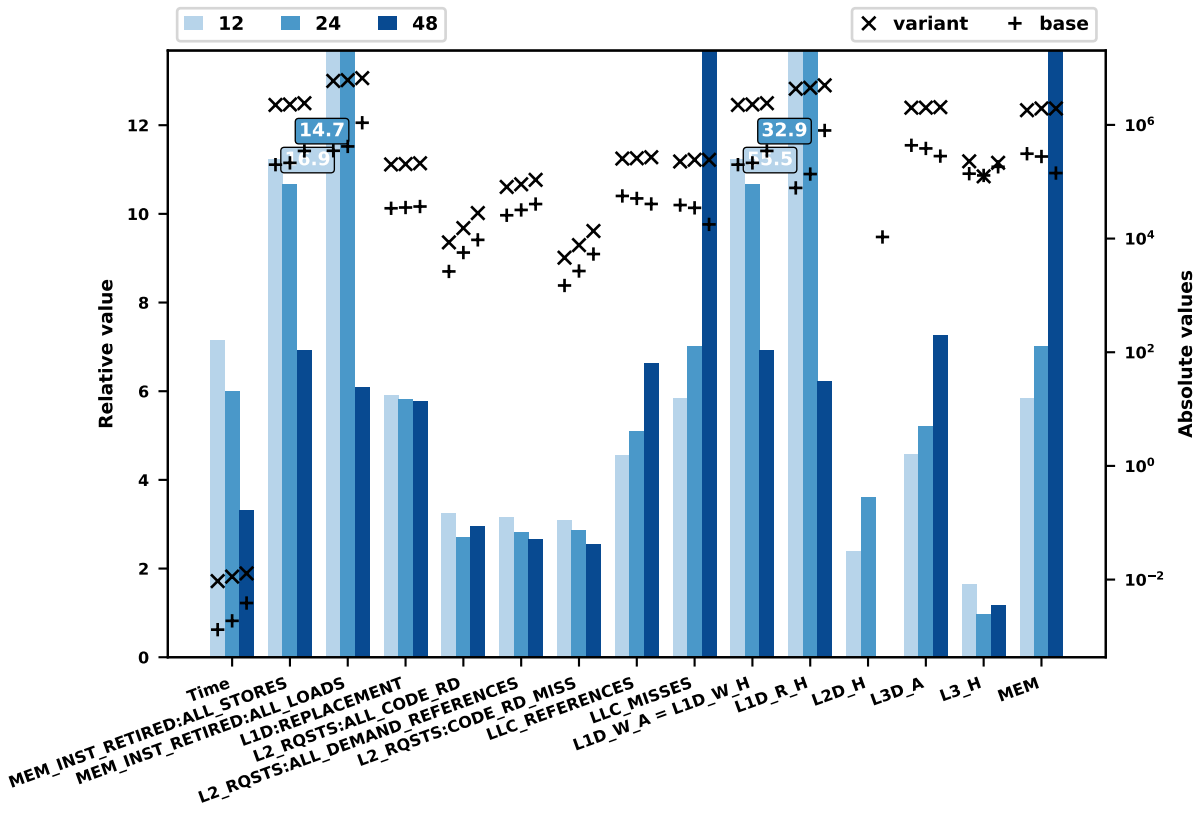

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion5

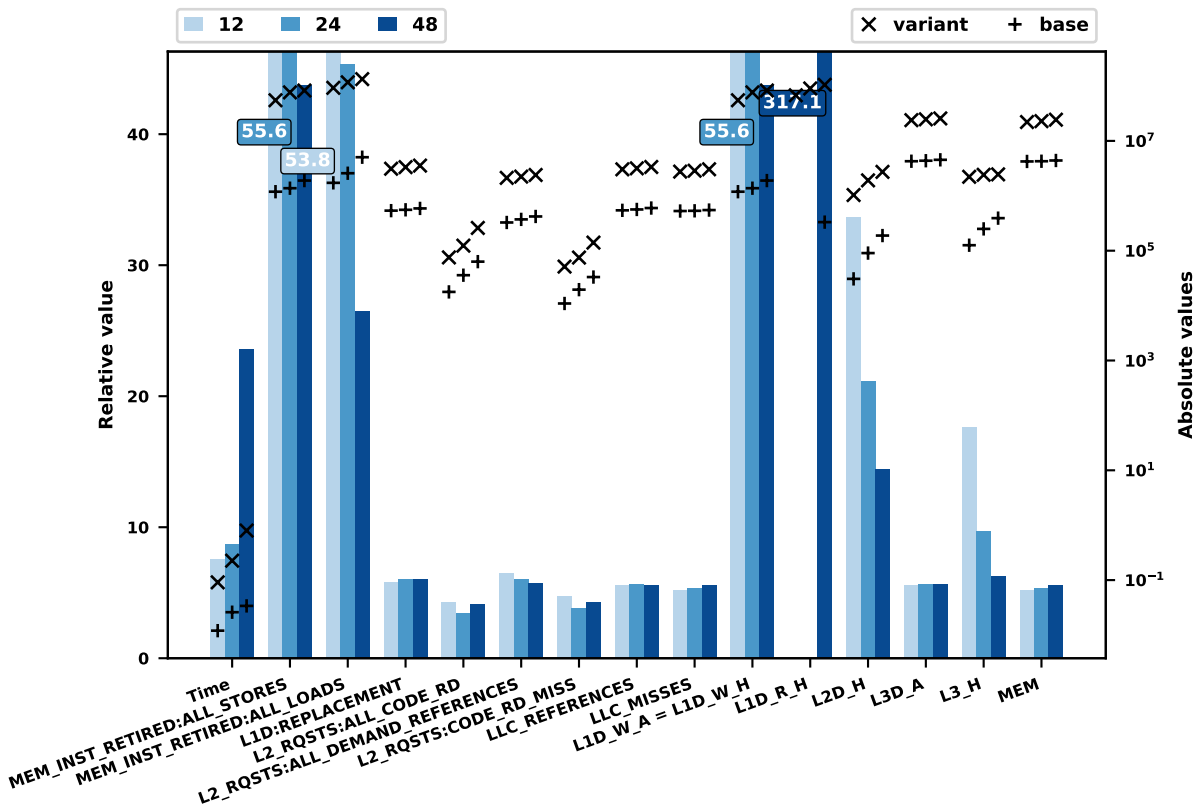

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion5

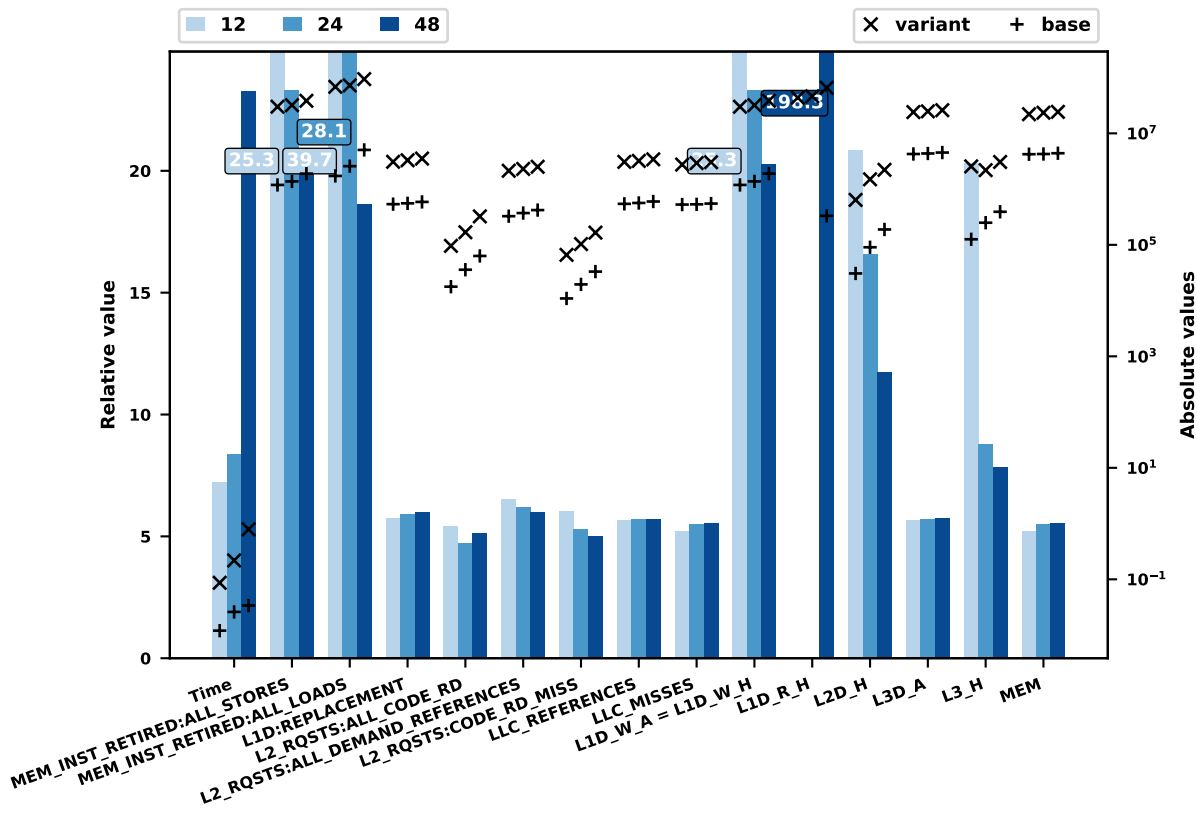

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion5

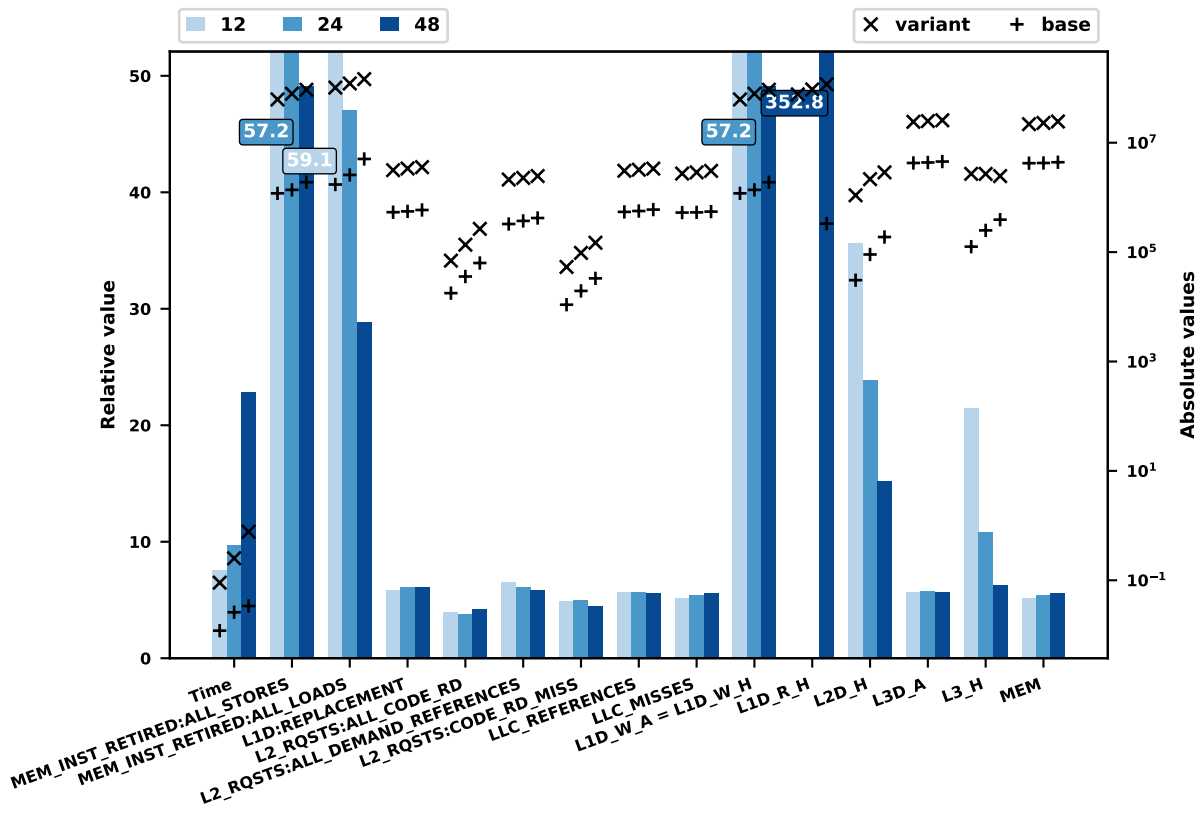

A. Comparing 351.bwaves-tsan-noread variant with base for region ImpITaskRegion6

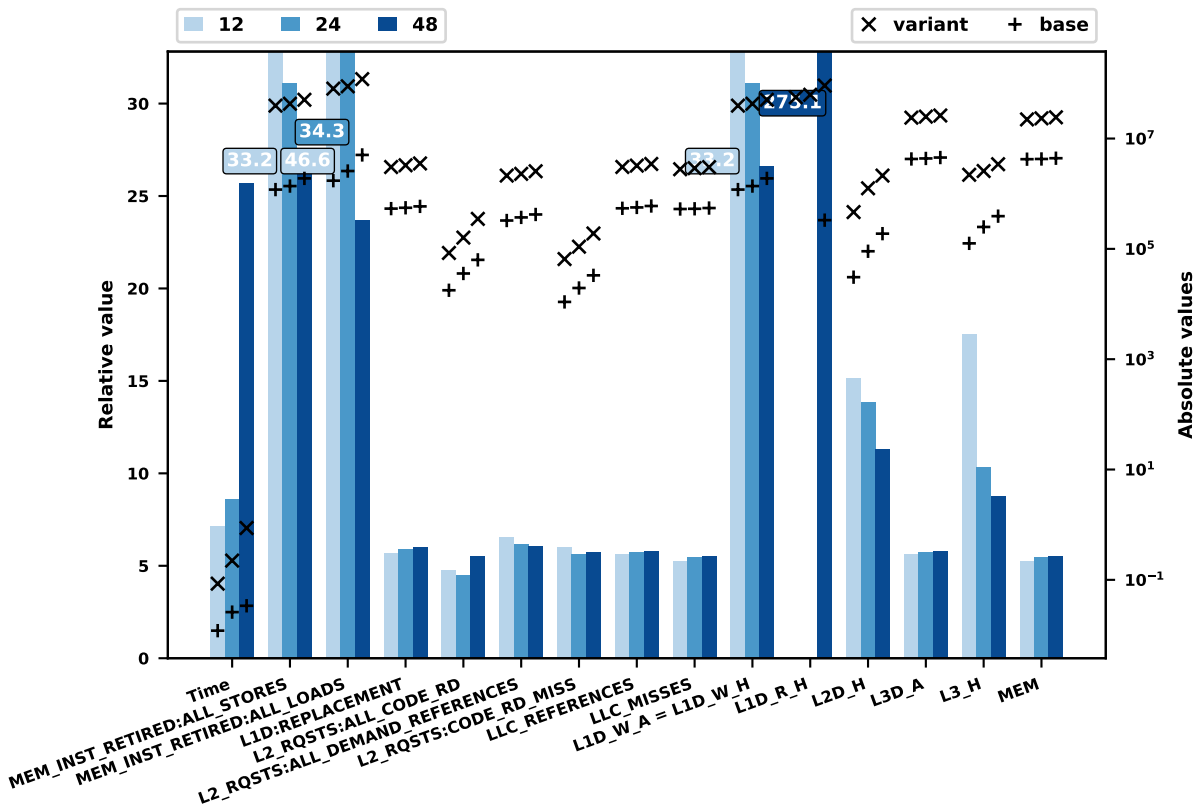

A. Comparing 351.bwaves-archer-noread variant with base for region ImpITaskRegion6

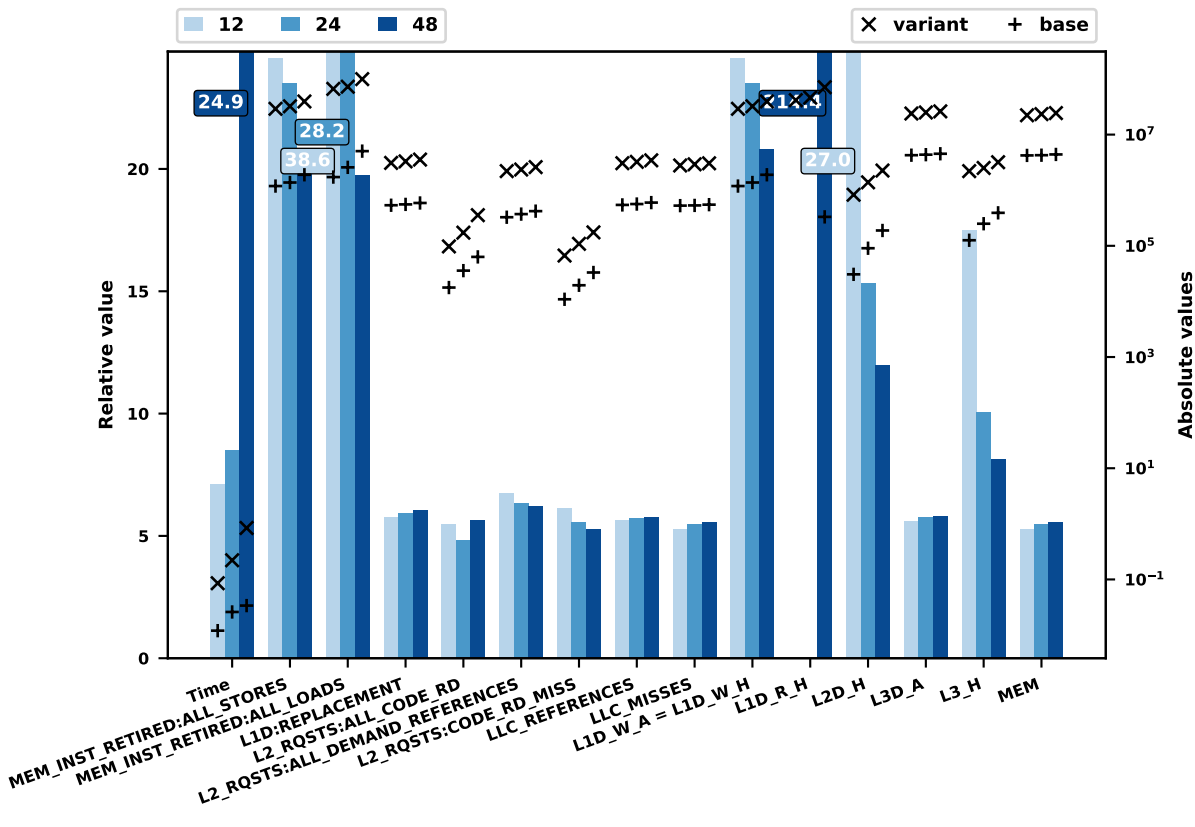

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImpITaskRegion6

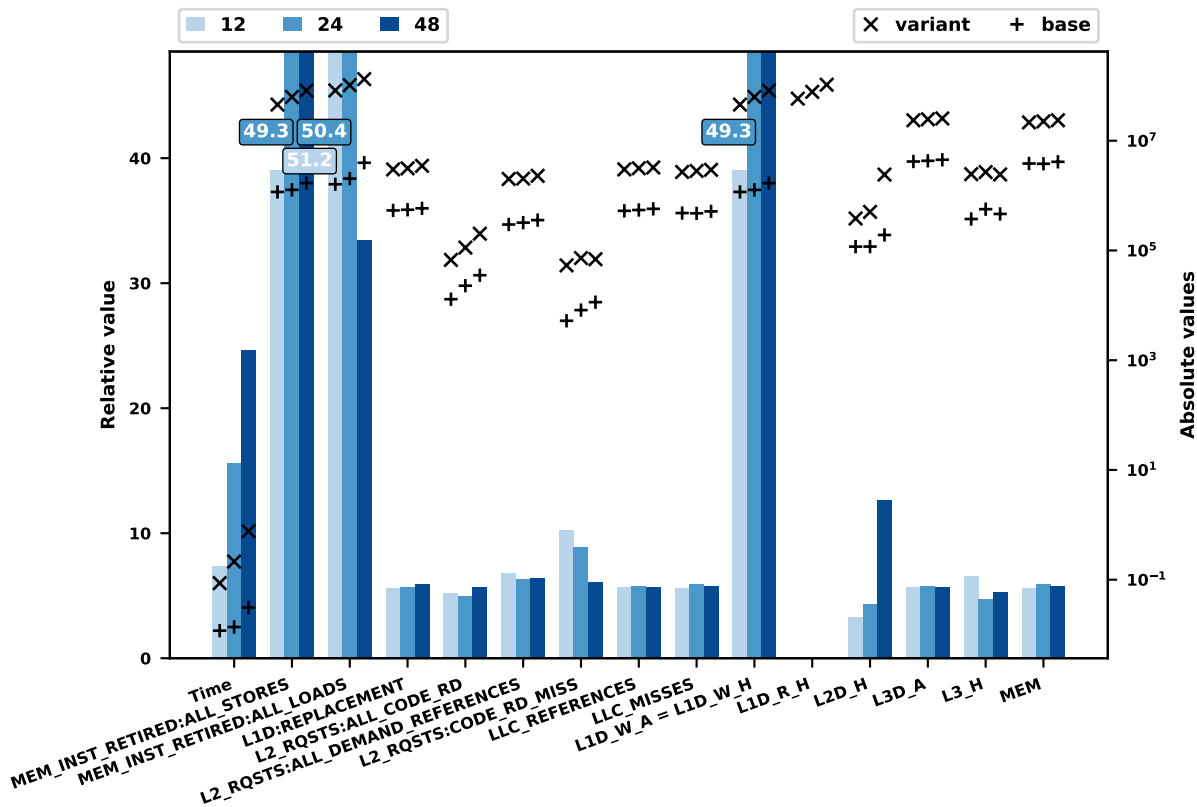

**A. Comparing 351.bwaves-archer-sampling variant
with base for region ImpITaskRegion6**

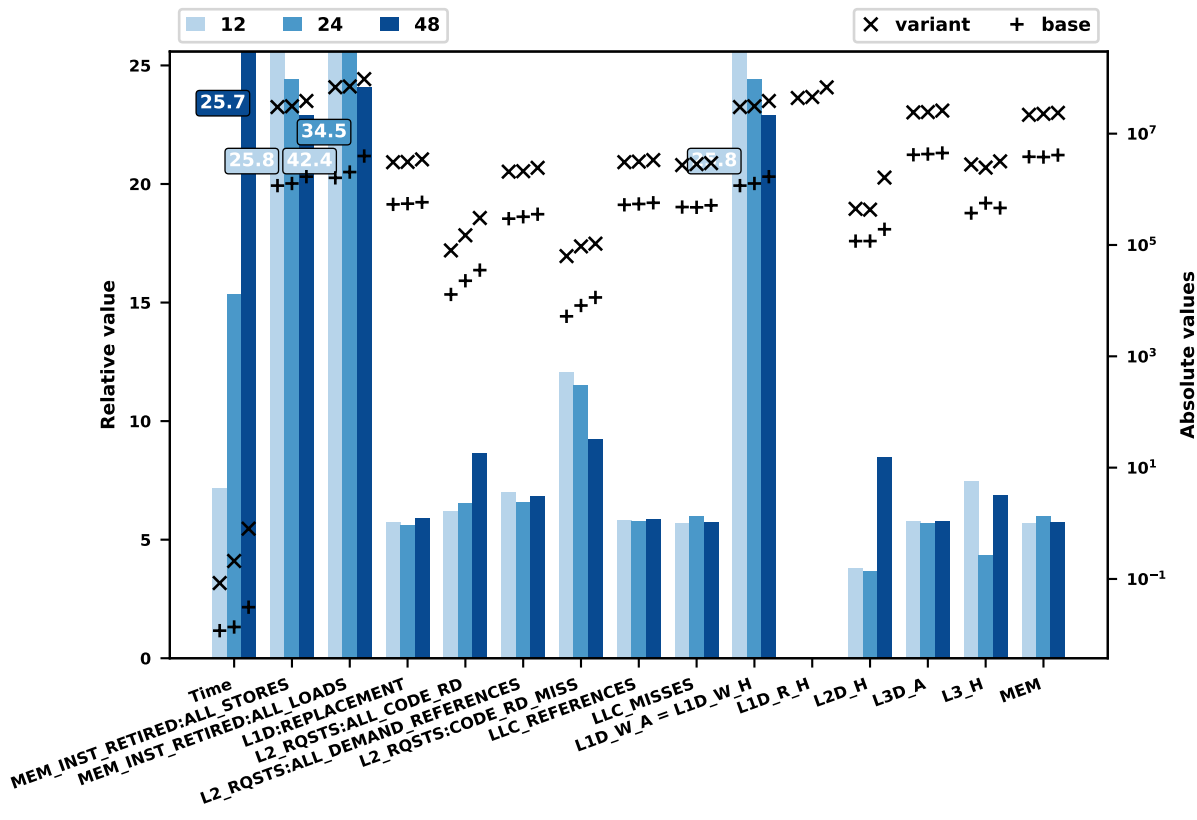

A. Comparing 351.bwaves-archer variant with base for region ImpITaskRegion6

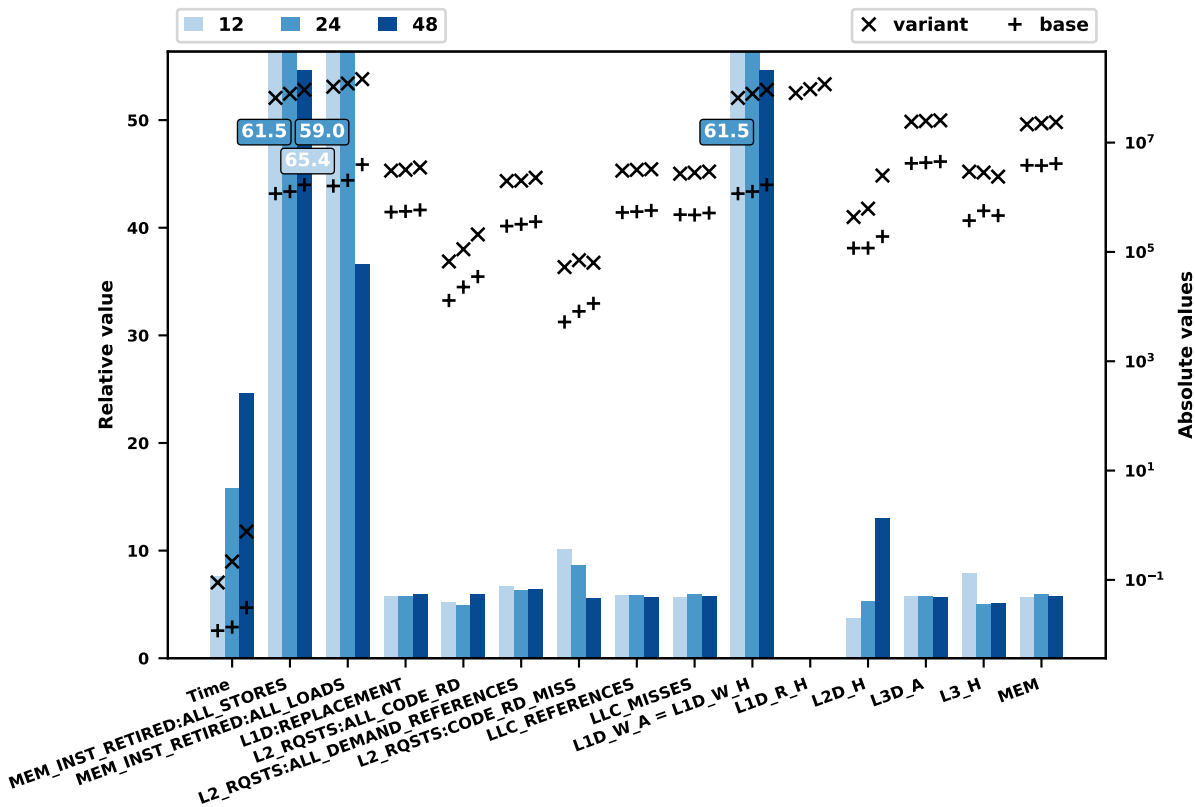

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion7

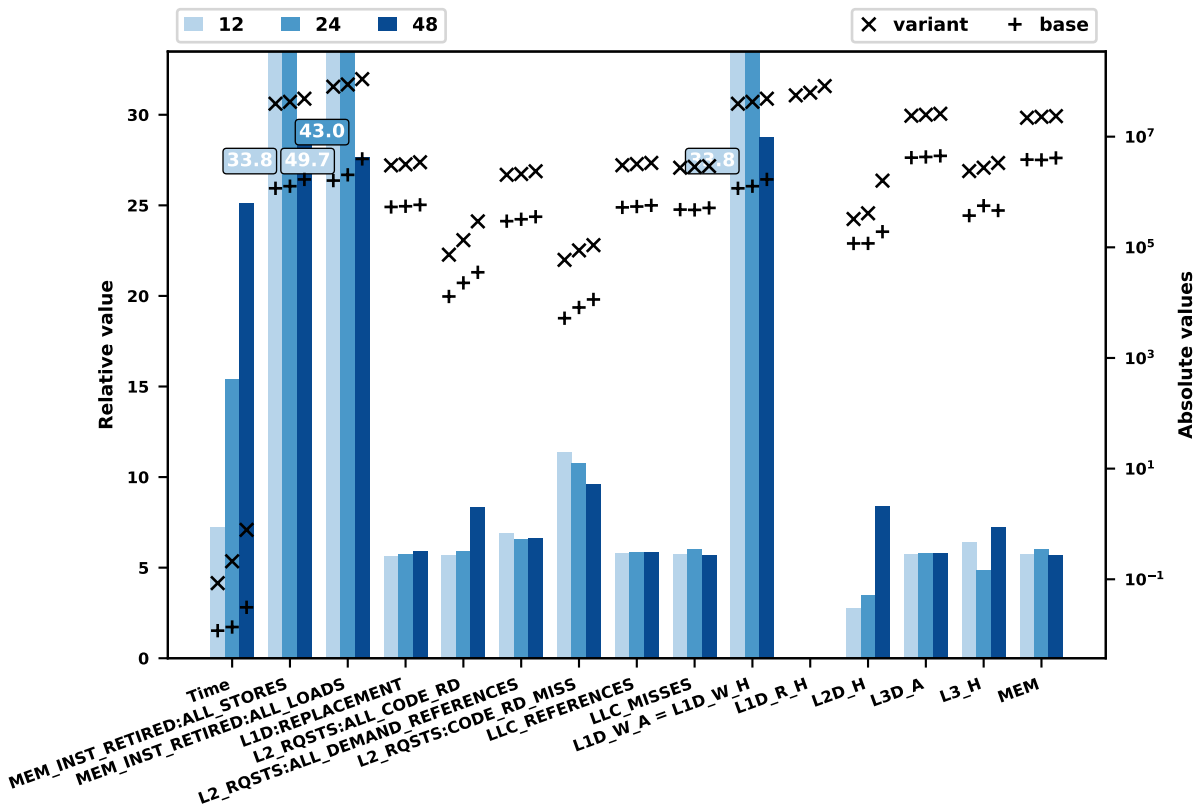

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion7

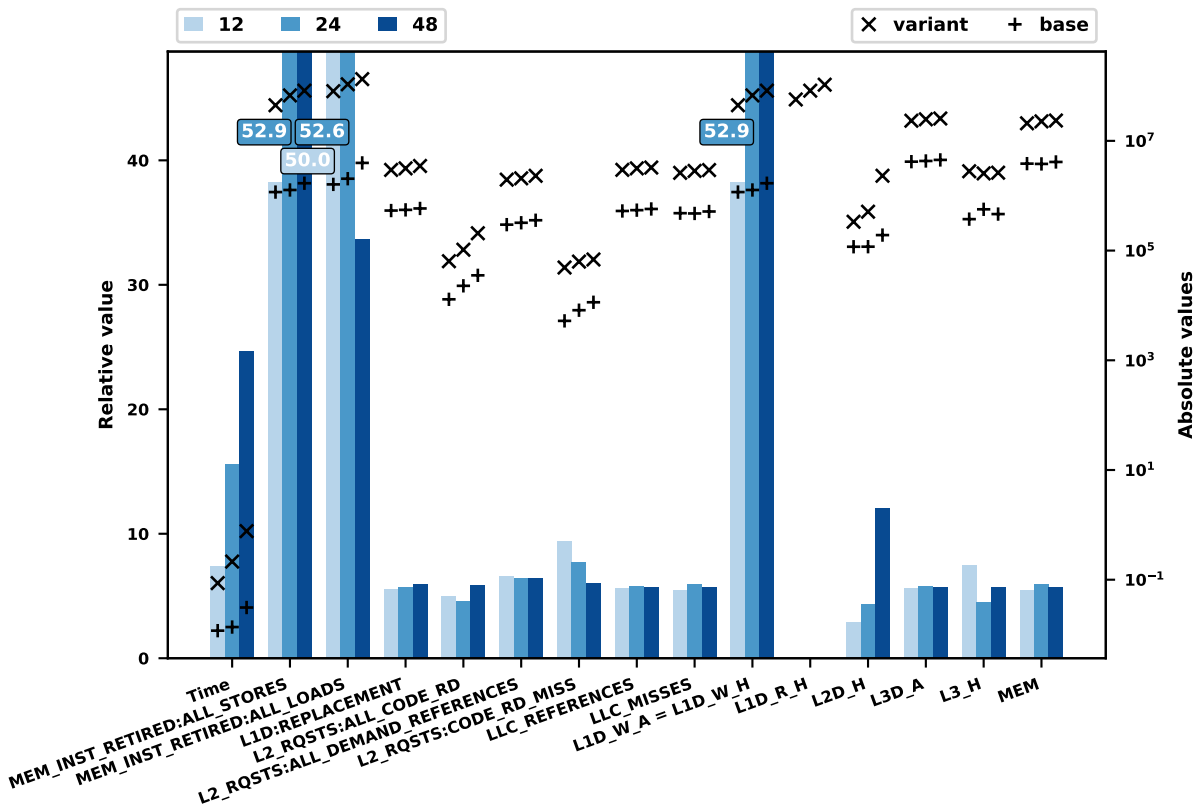

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImpITaskRegion7

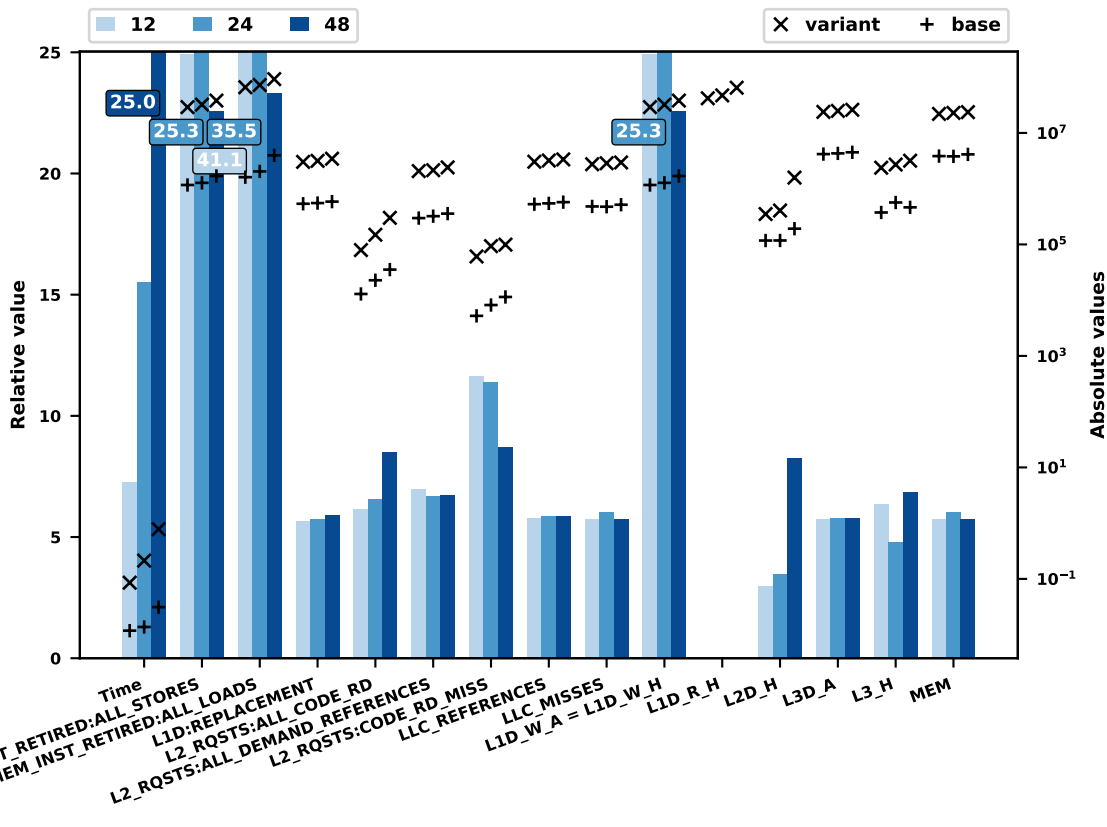

A. Comparing 351.bwaves-archer-sampling variant with base for region ImpITaskRegion7

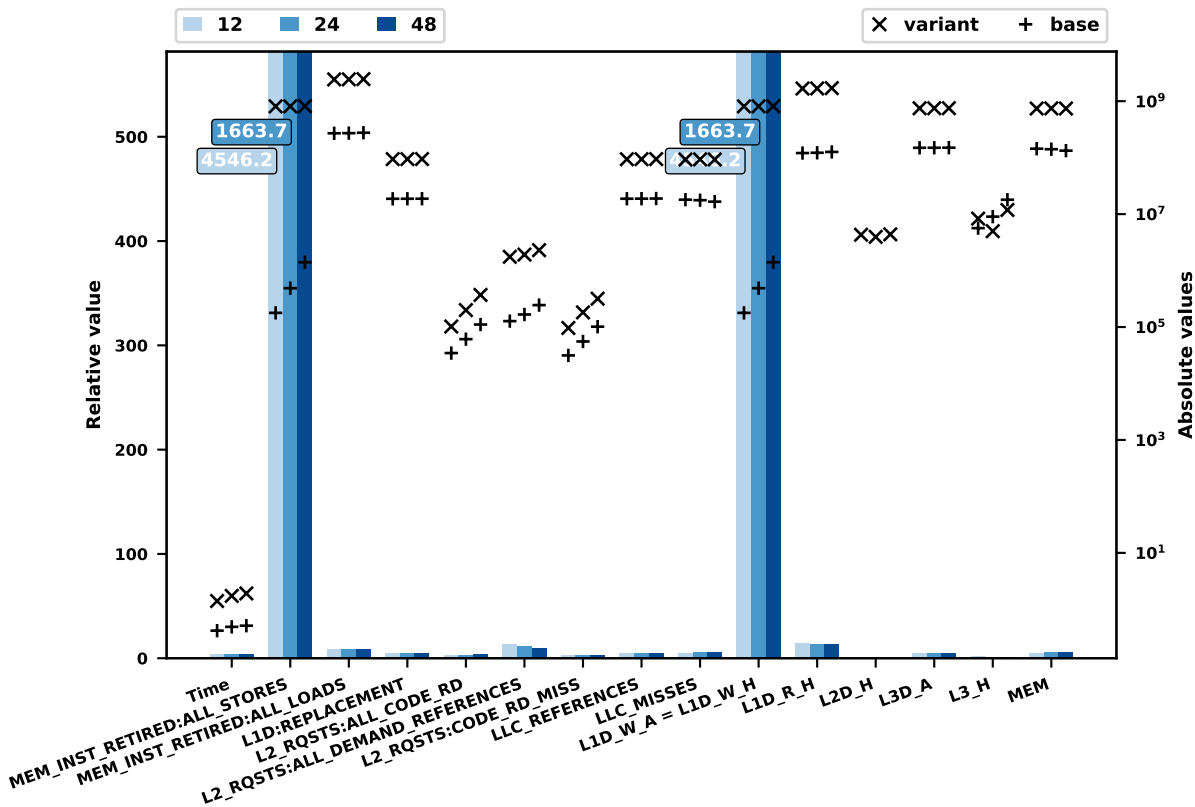

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion7

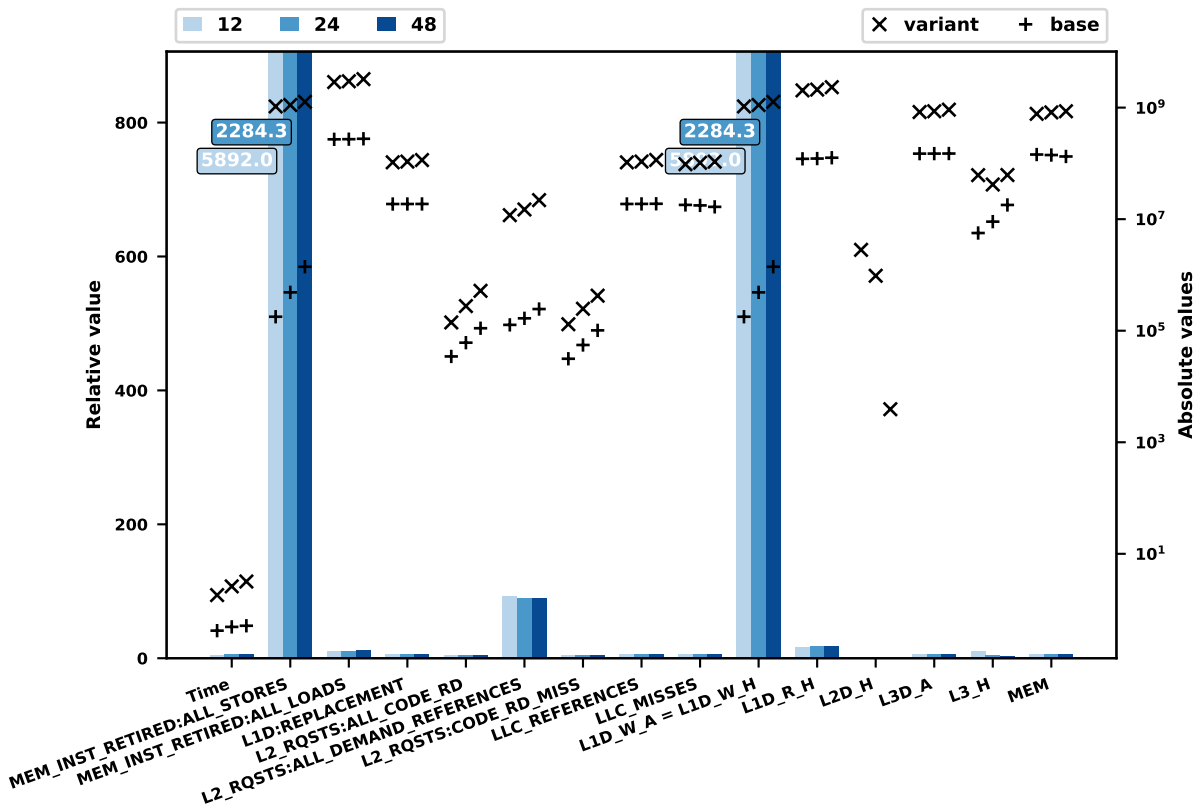

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion7

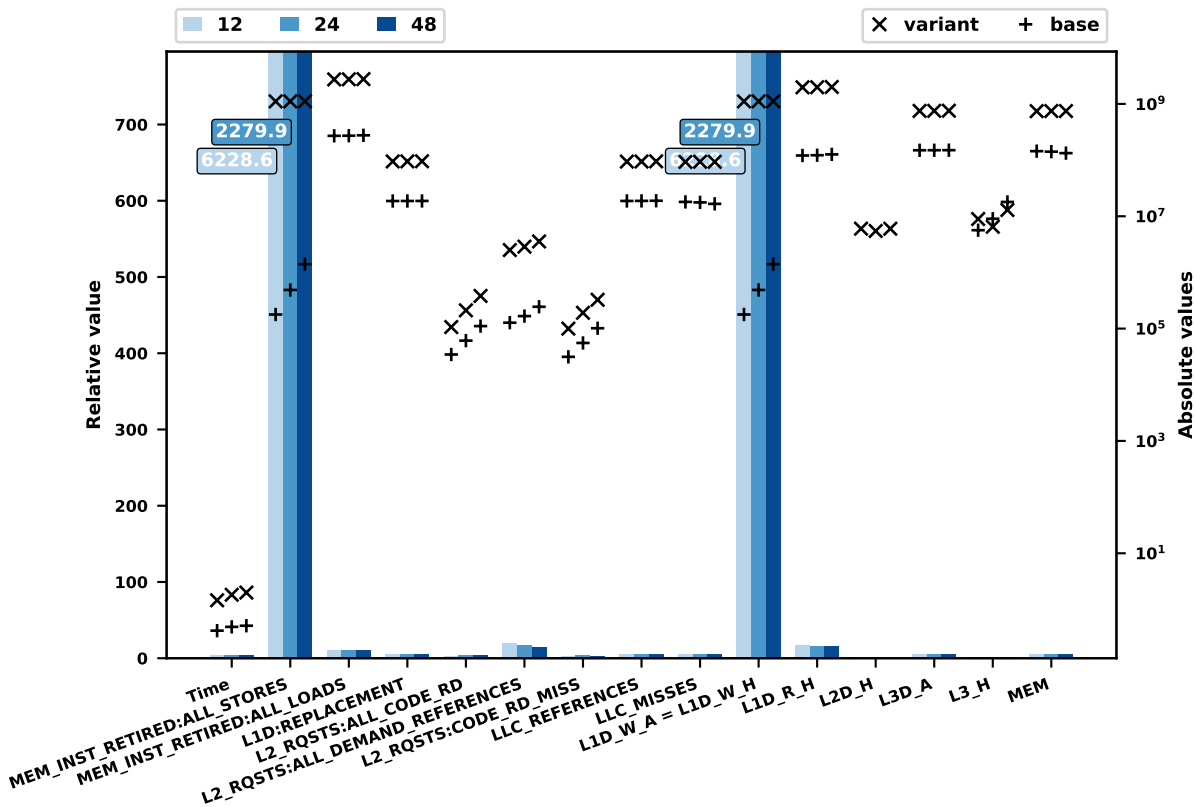

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion8

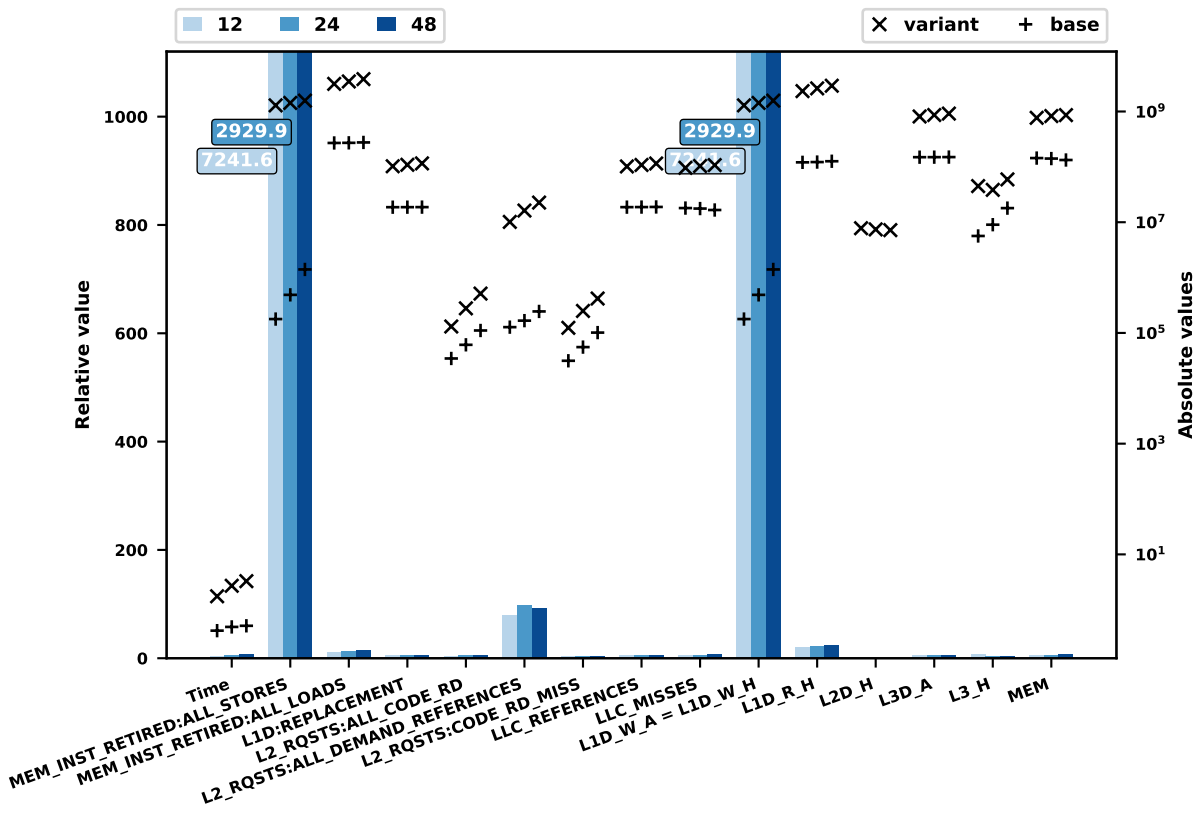

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion8

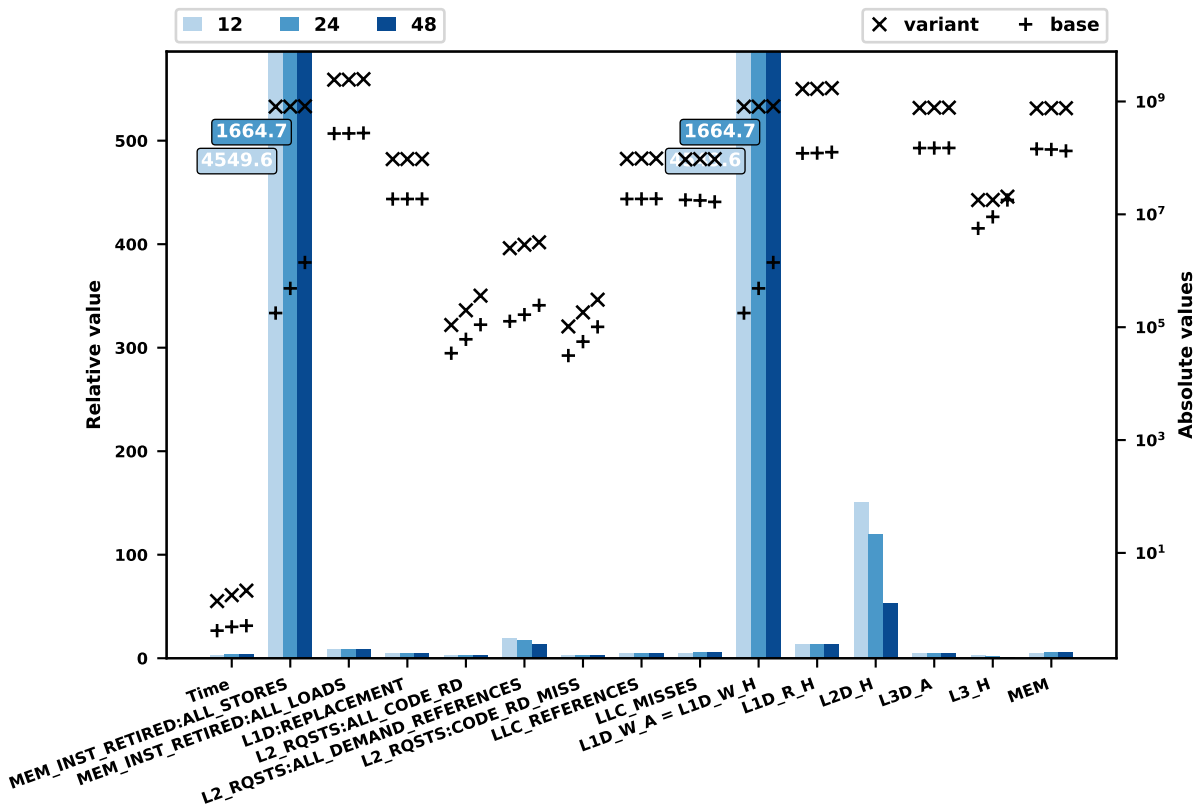

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion8

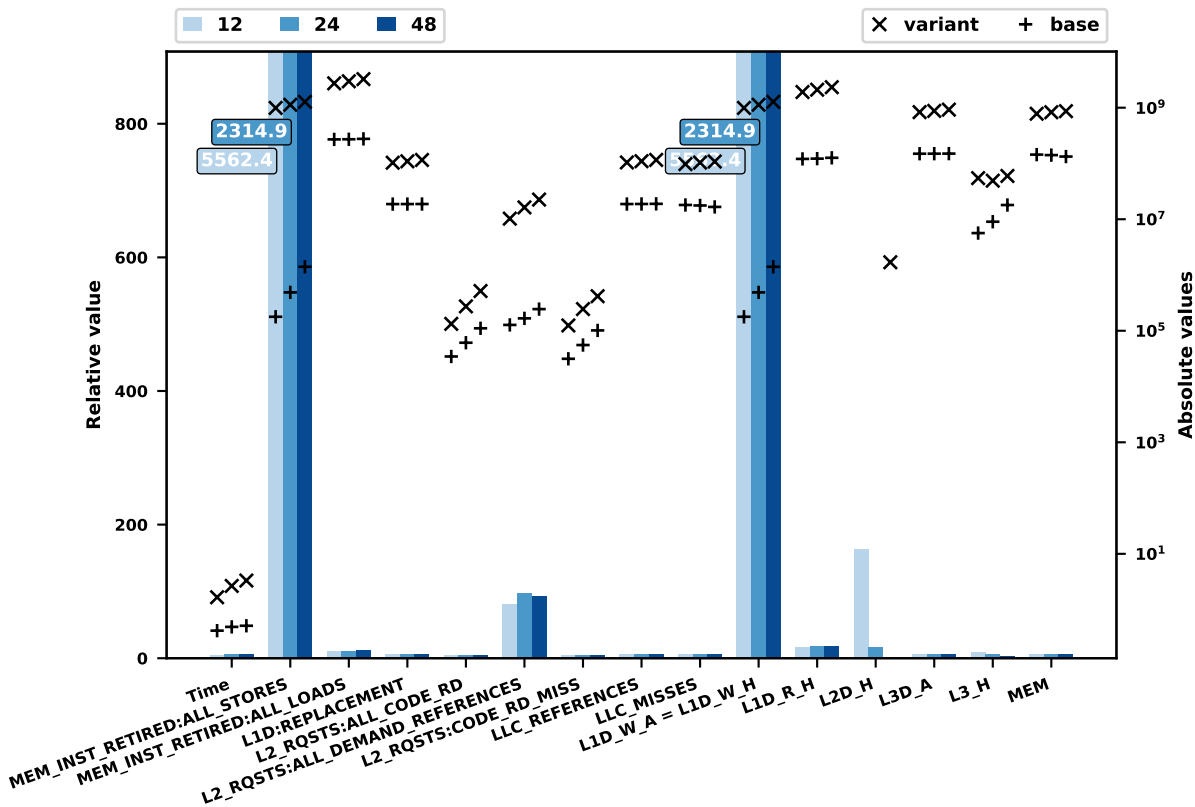

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion8

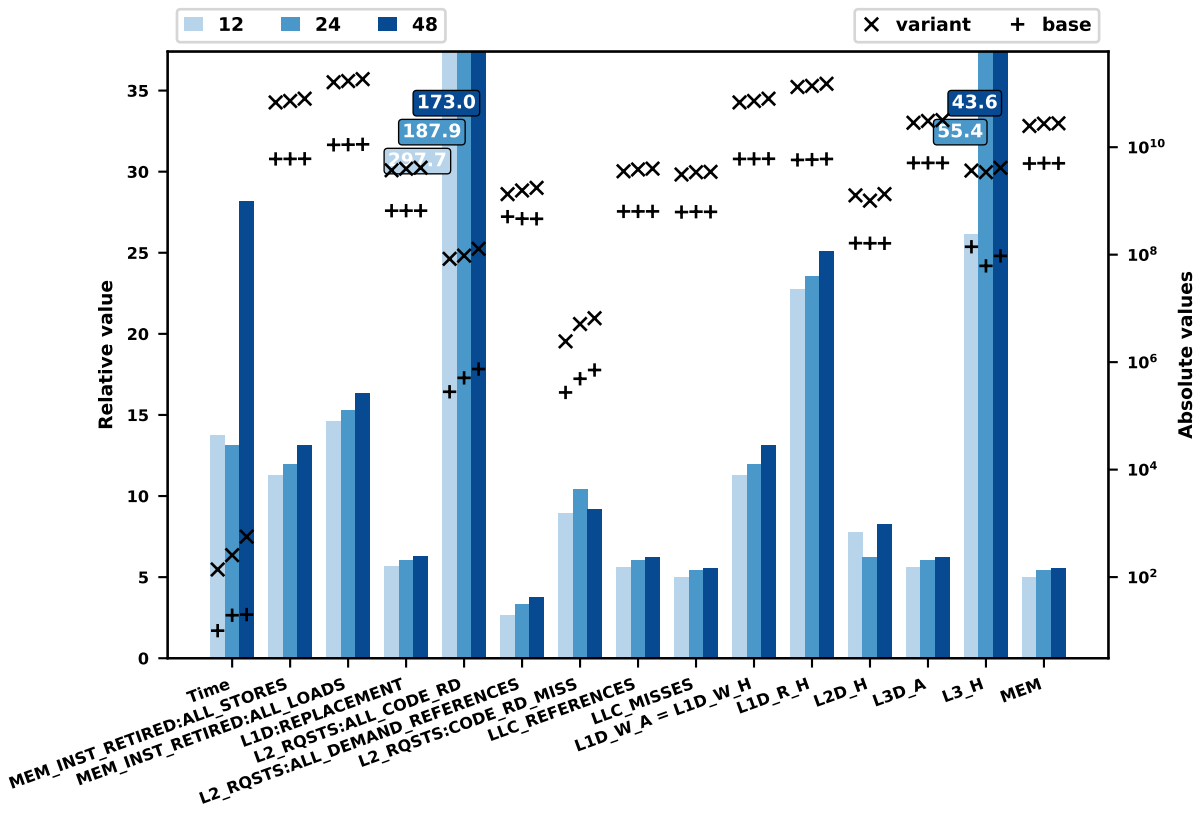

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion8

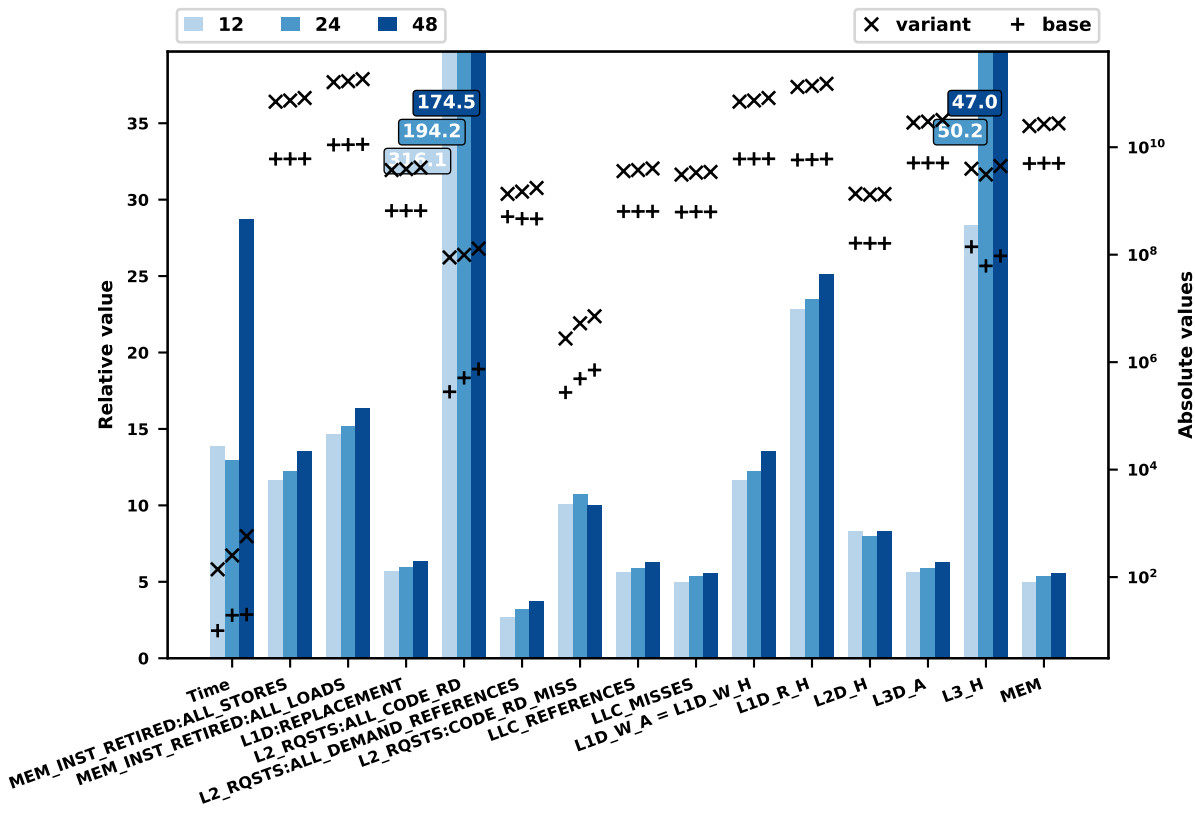

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion8

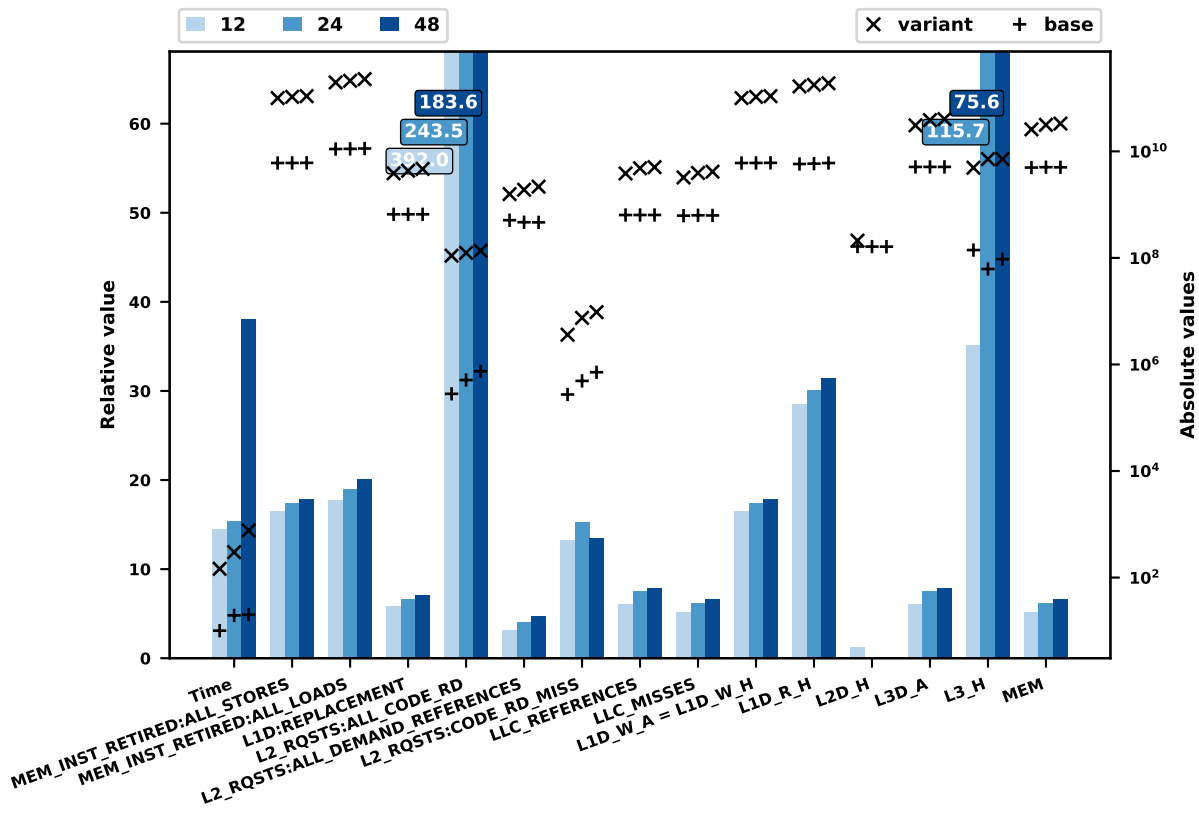

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion9

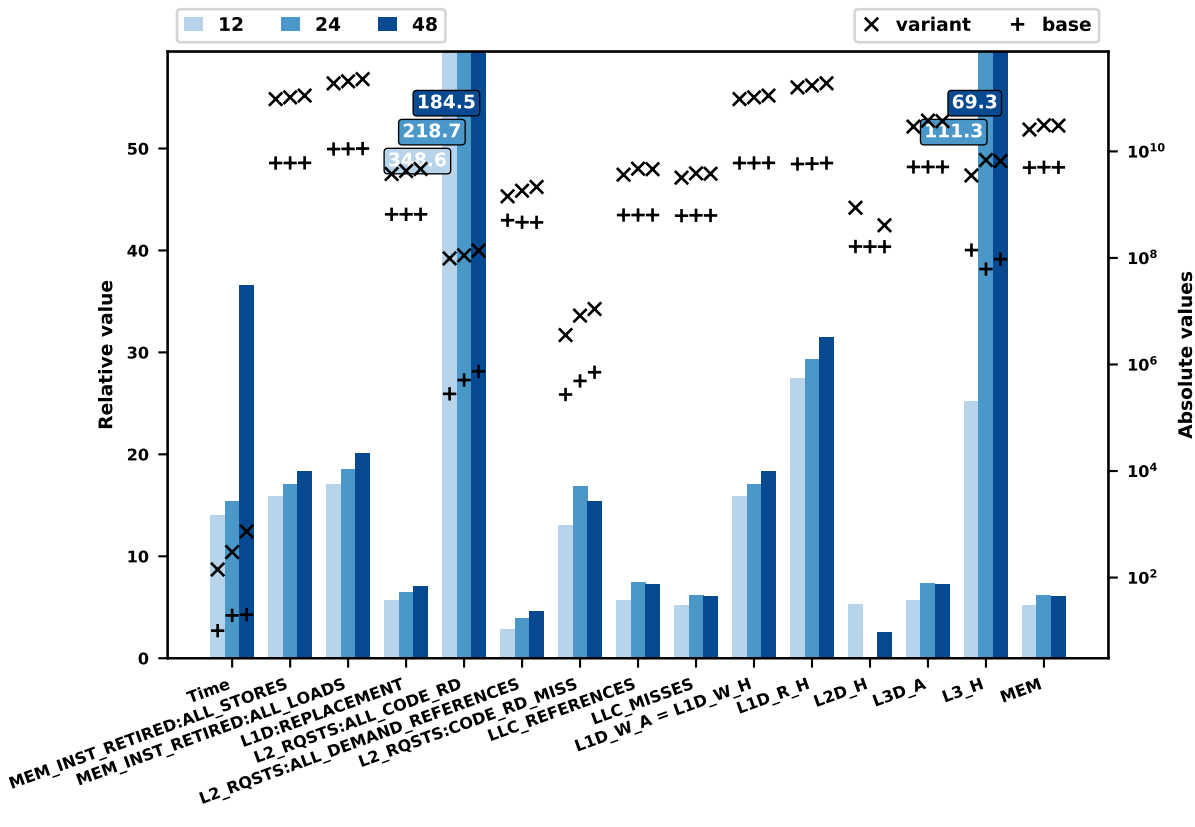

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion9

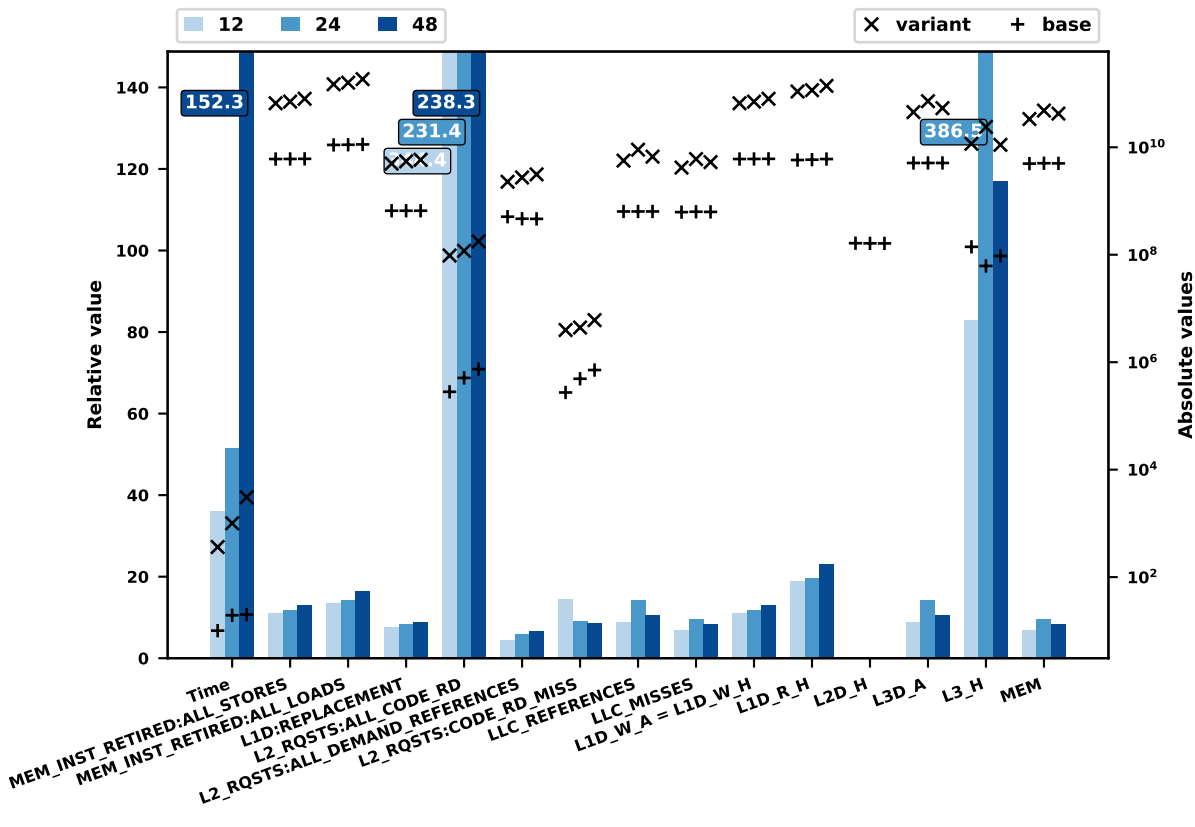

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion9

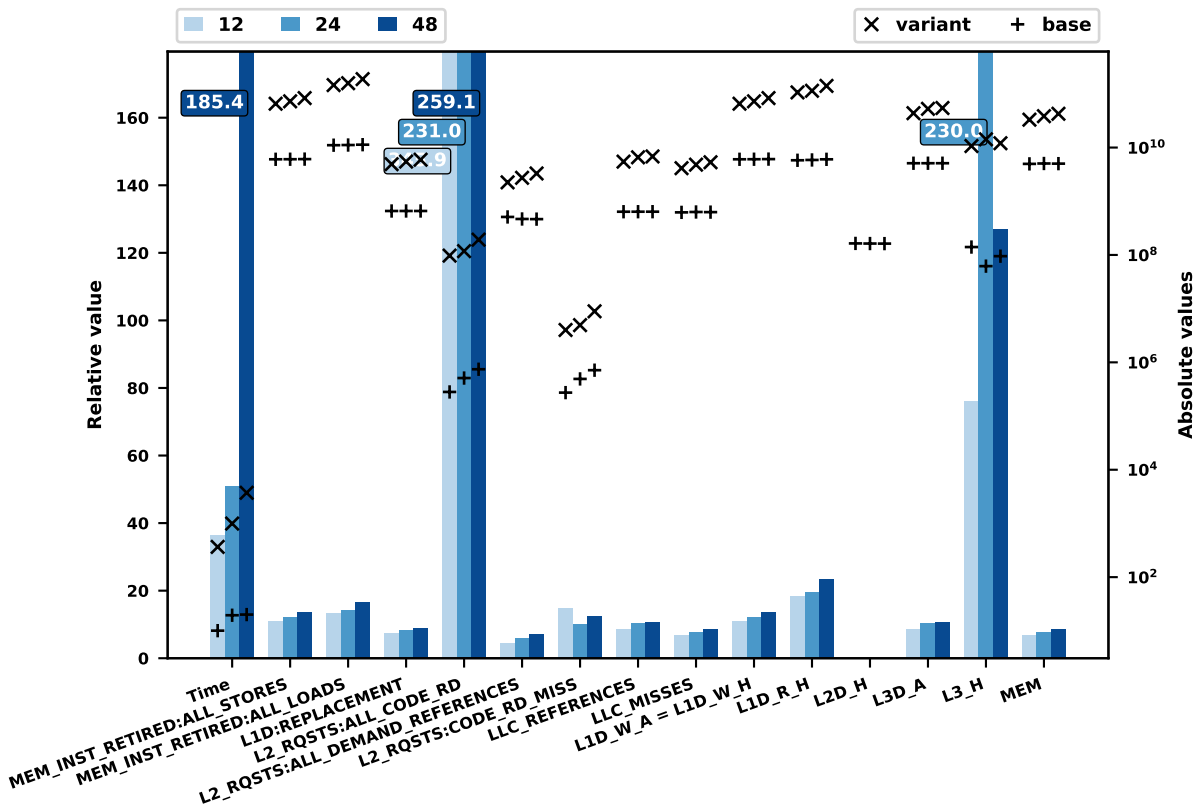

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion9

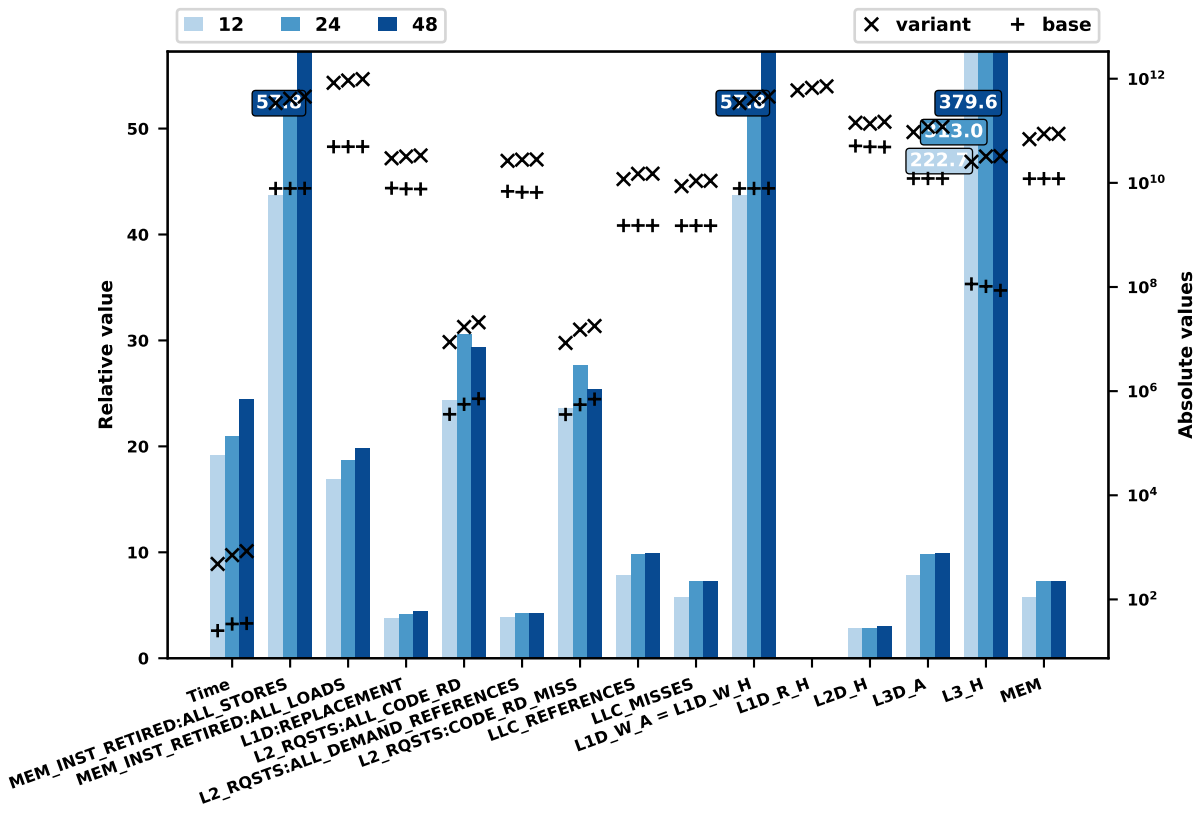

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion9

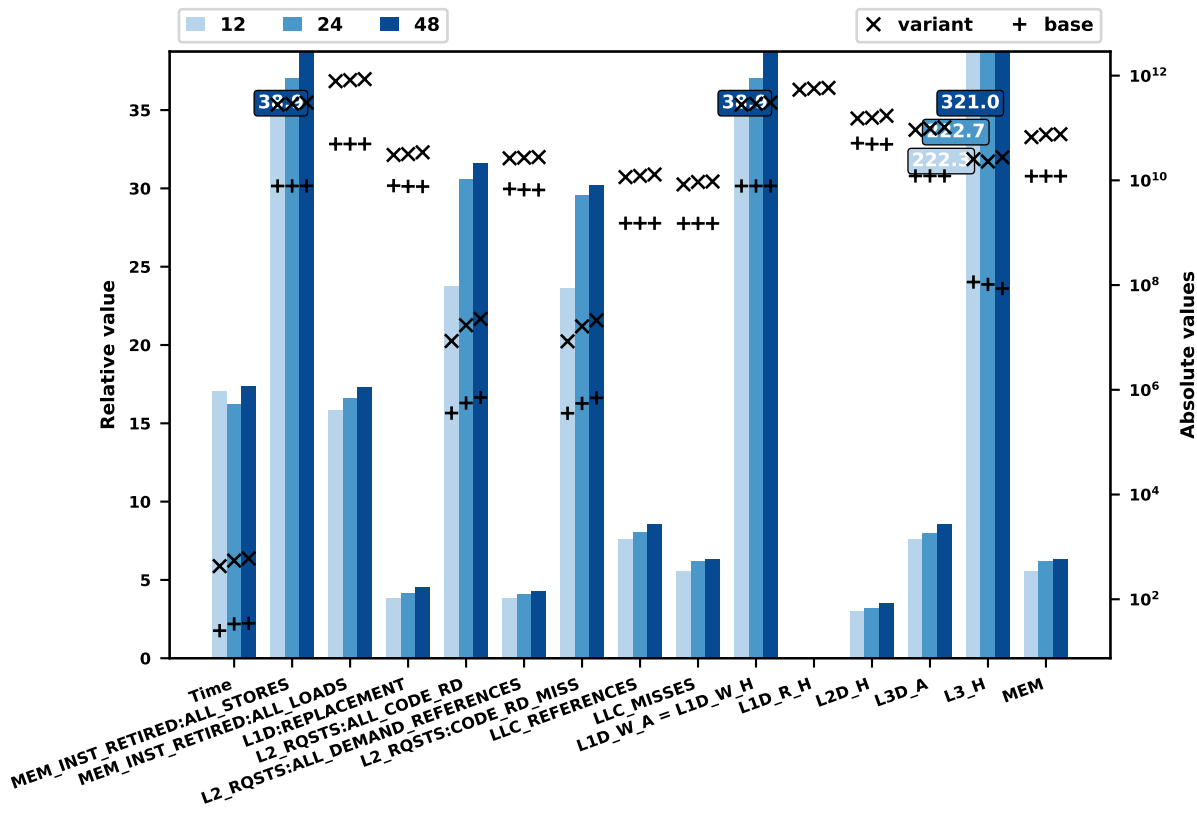

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion9

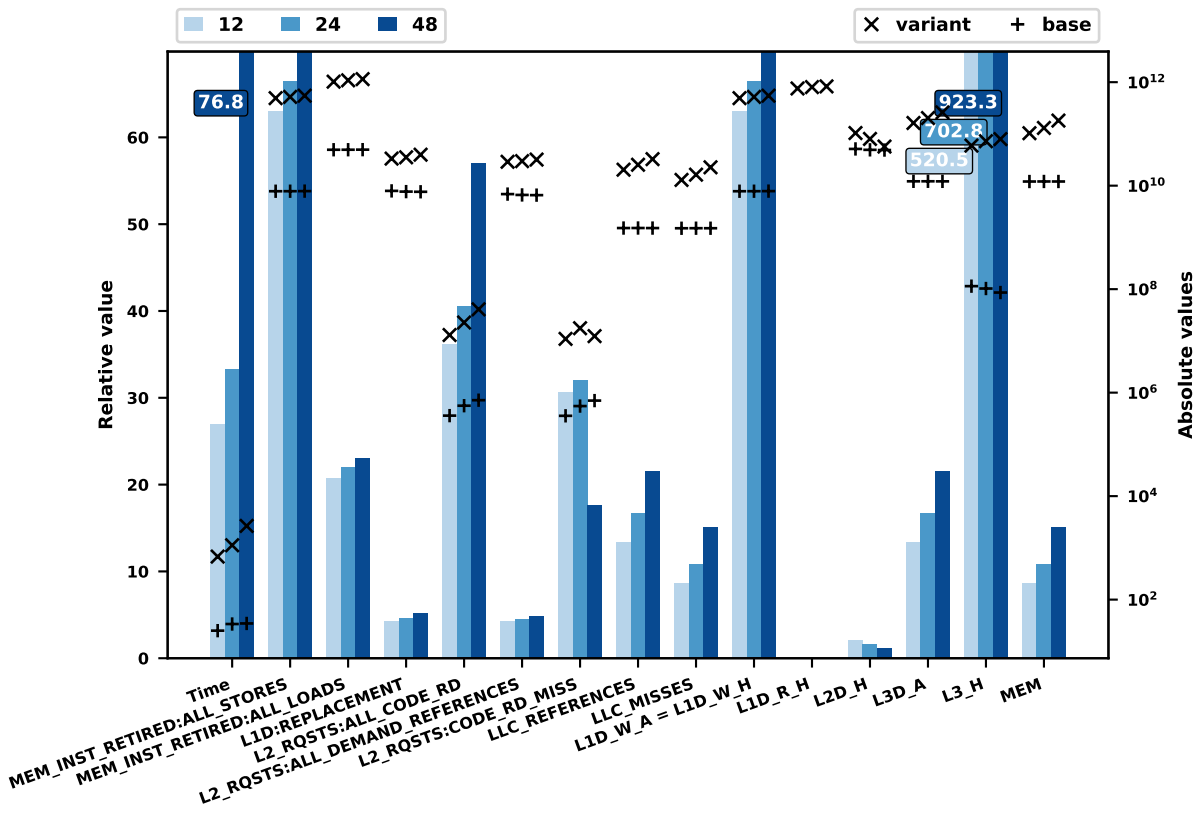

**A. Comparing 351.bwaves-tsan-noread variant
with base for region ImplTaskRegion10**

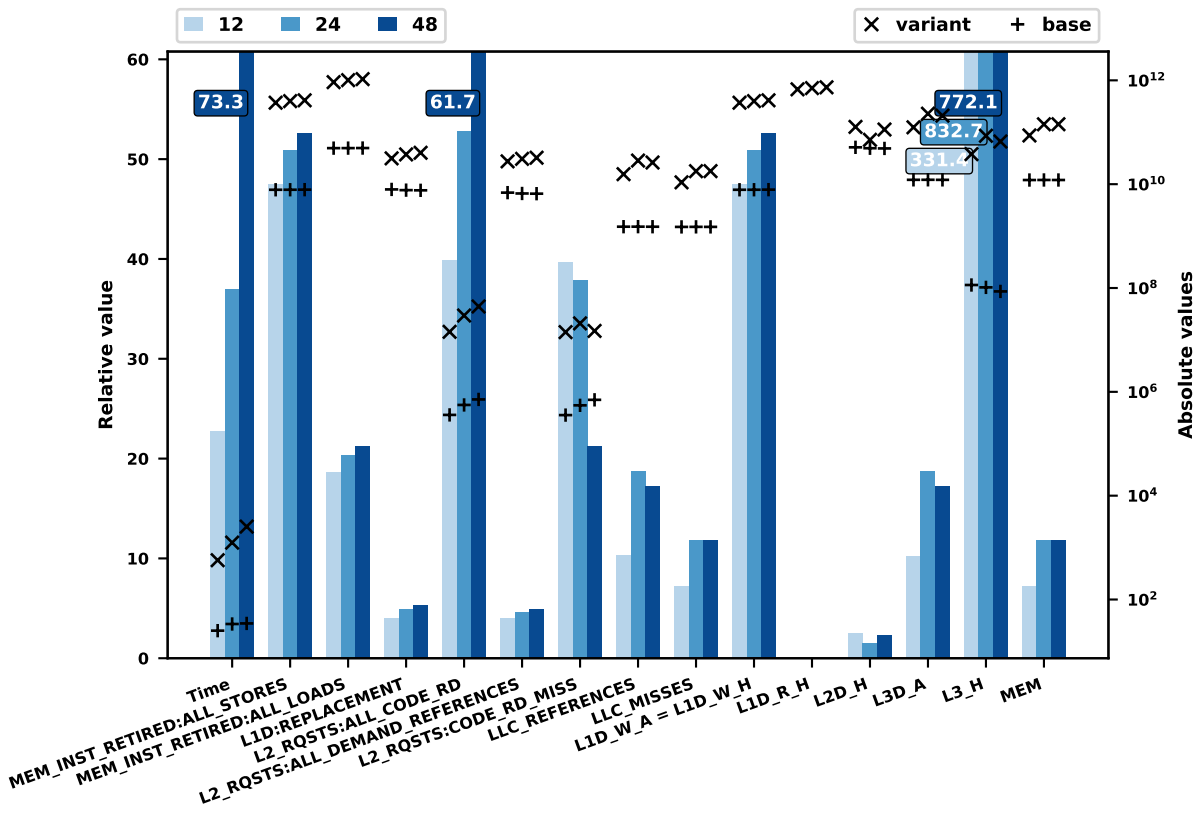

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion10

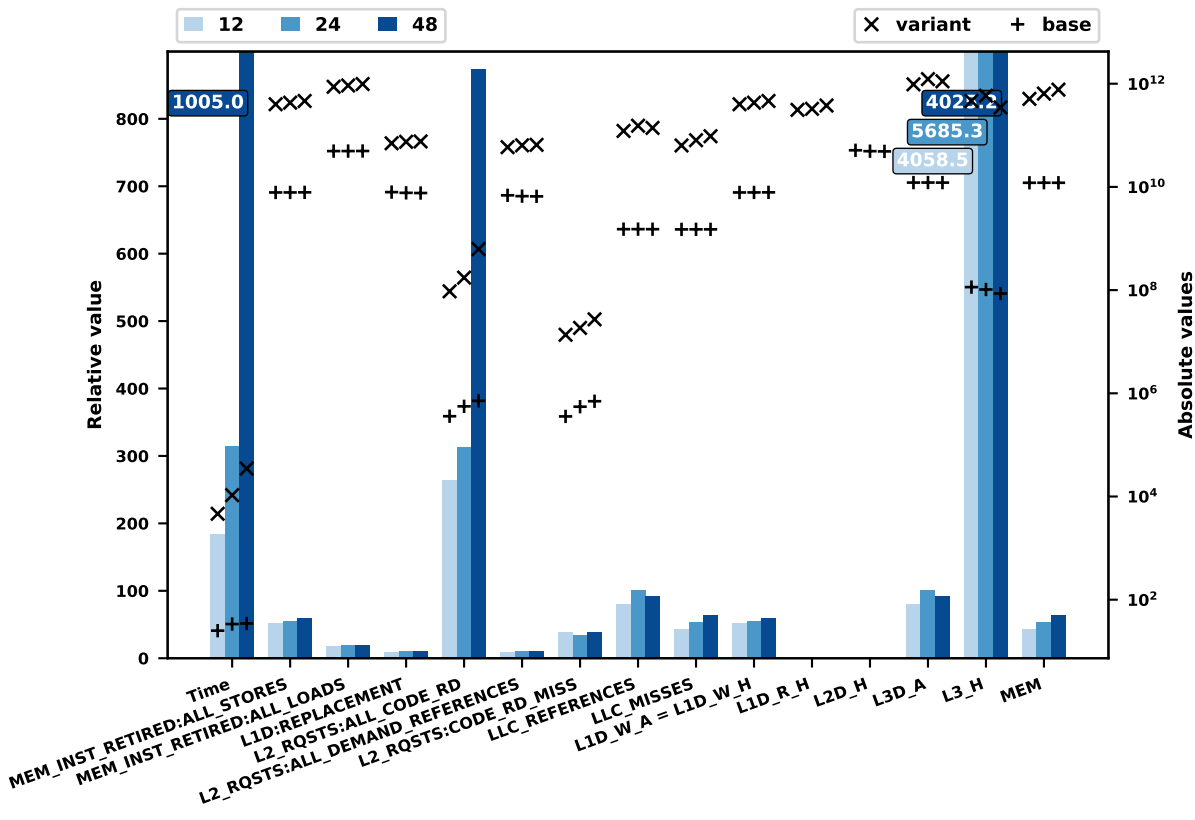

**A. Comparing 351.bwaves-tsan-sampling variant
with base for region ImplTaskRegion10**

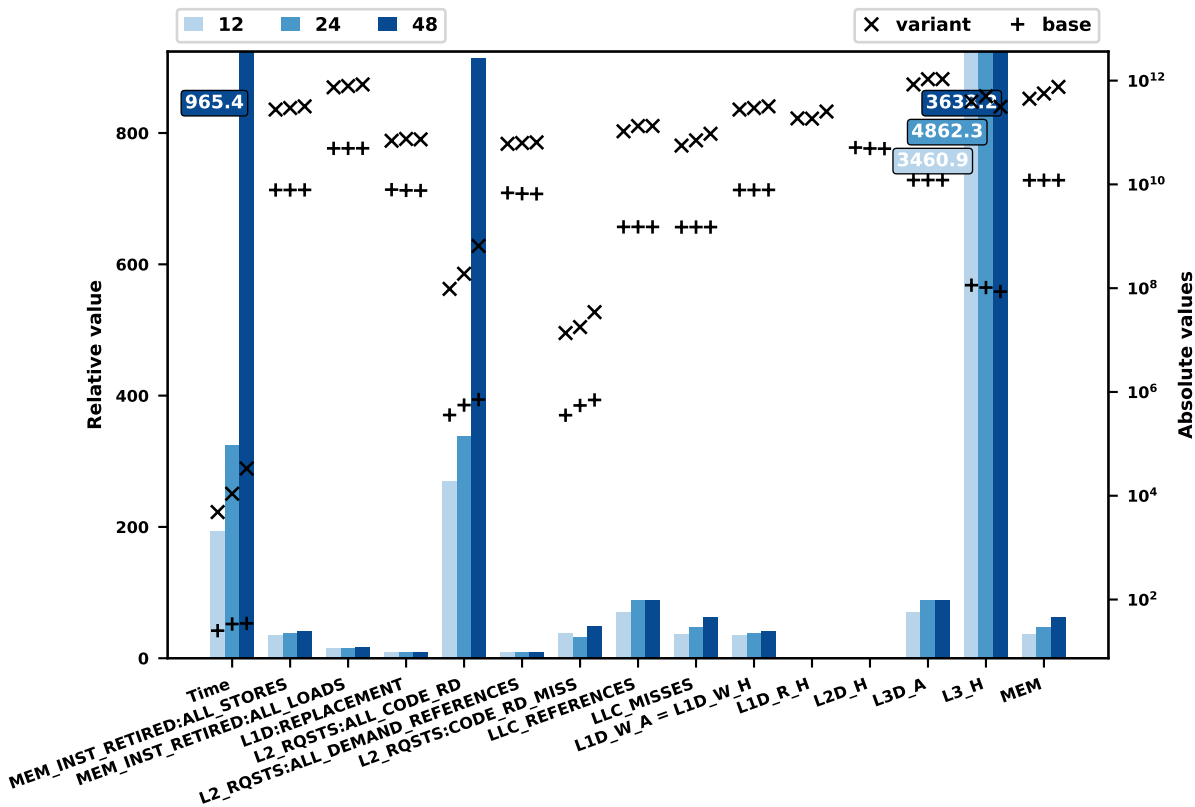

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion10

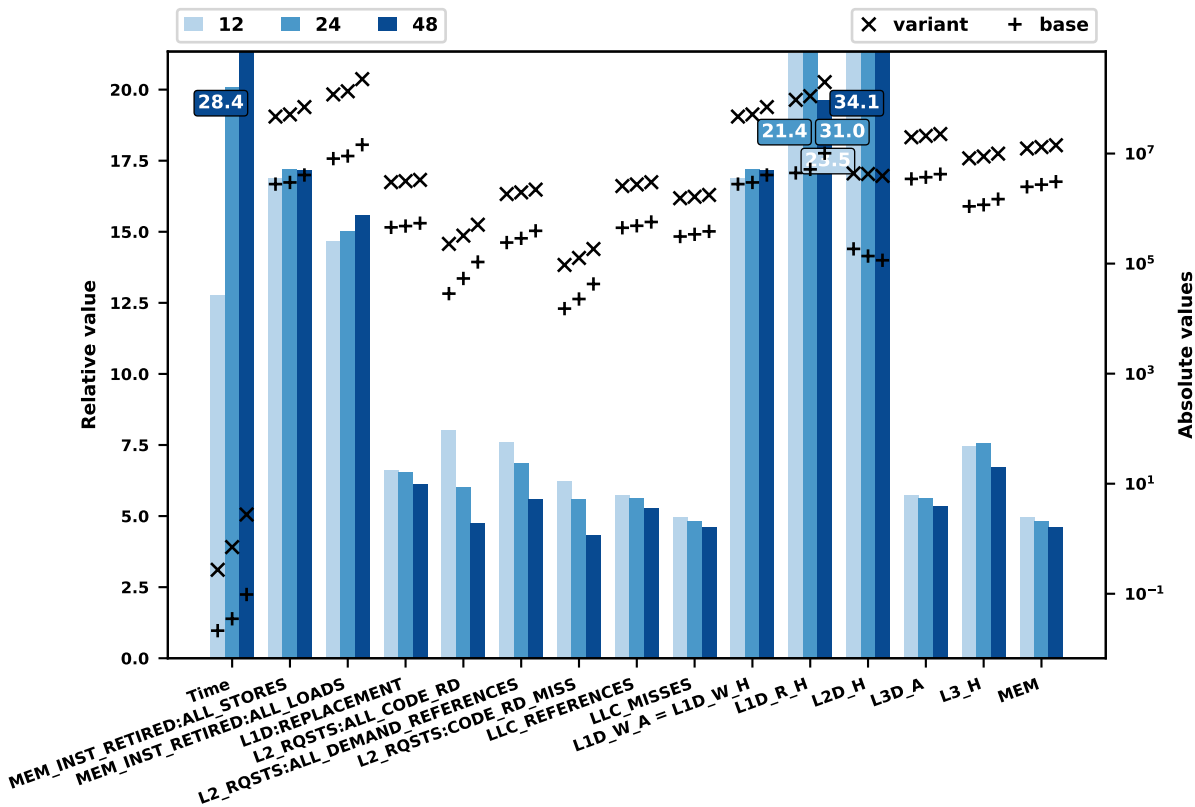

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion10

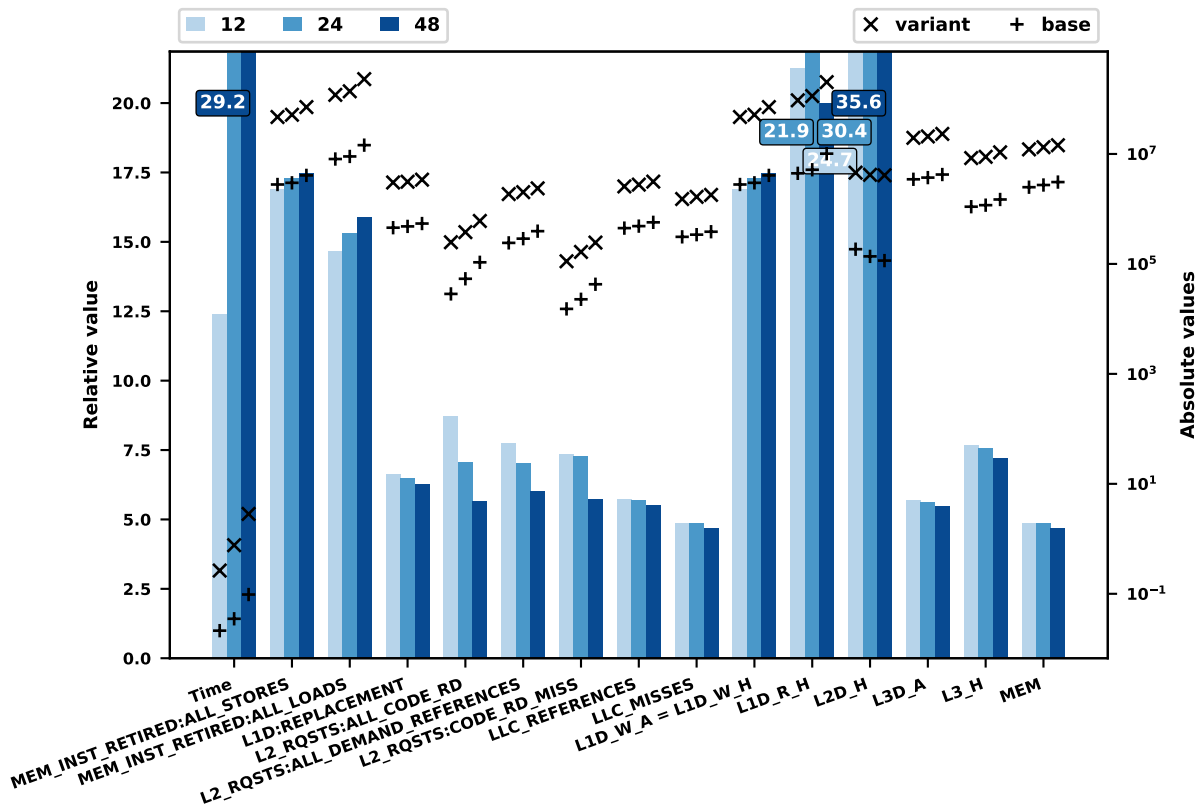

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion10

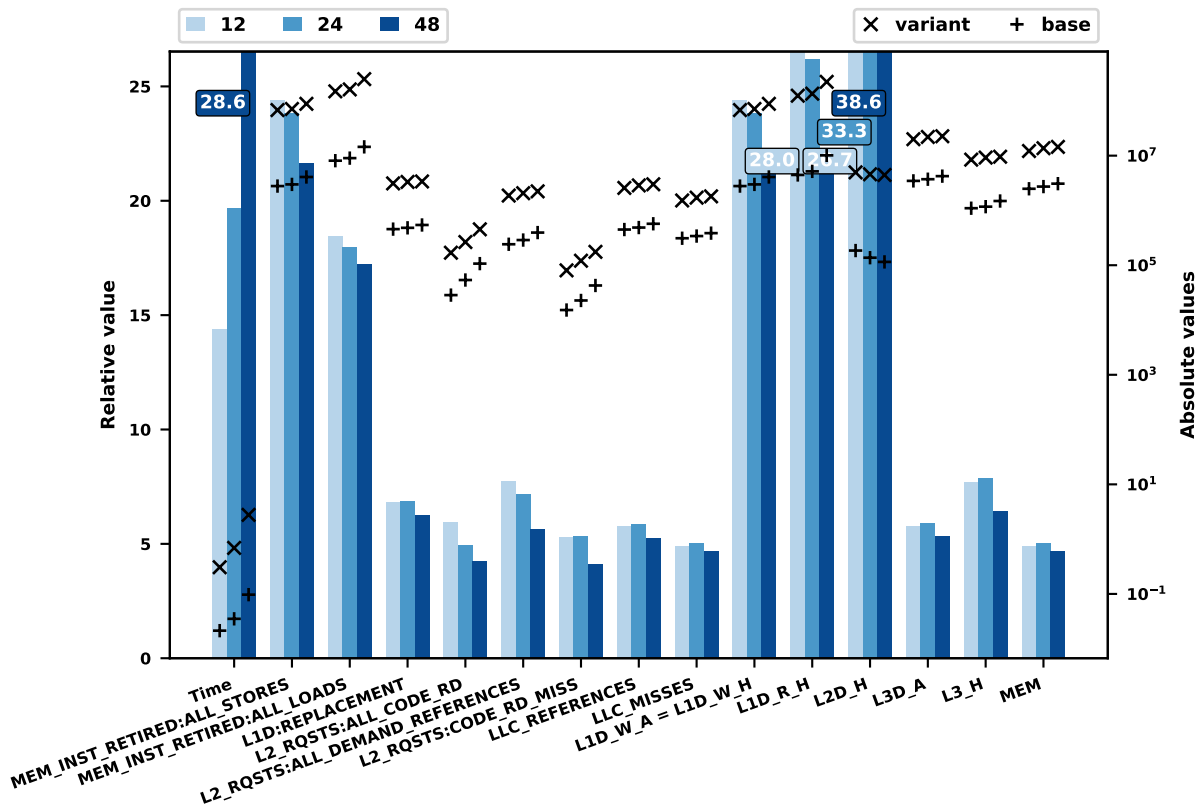

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion11

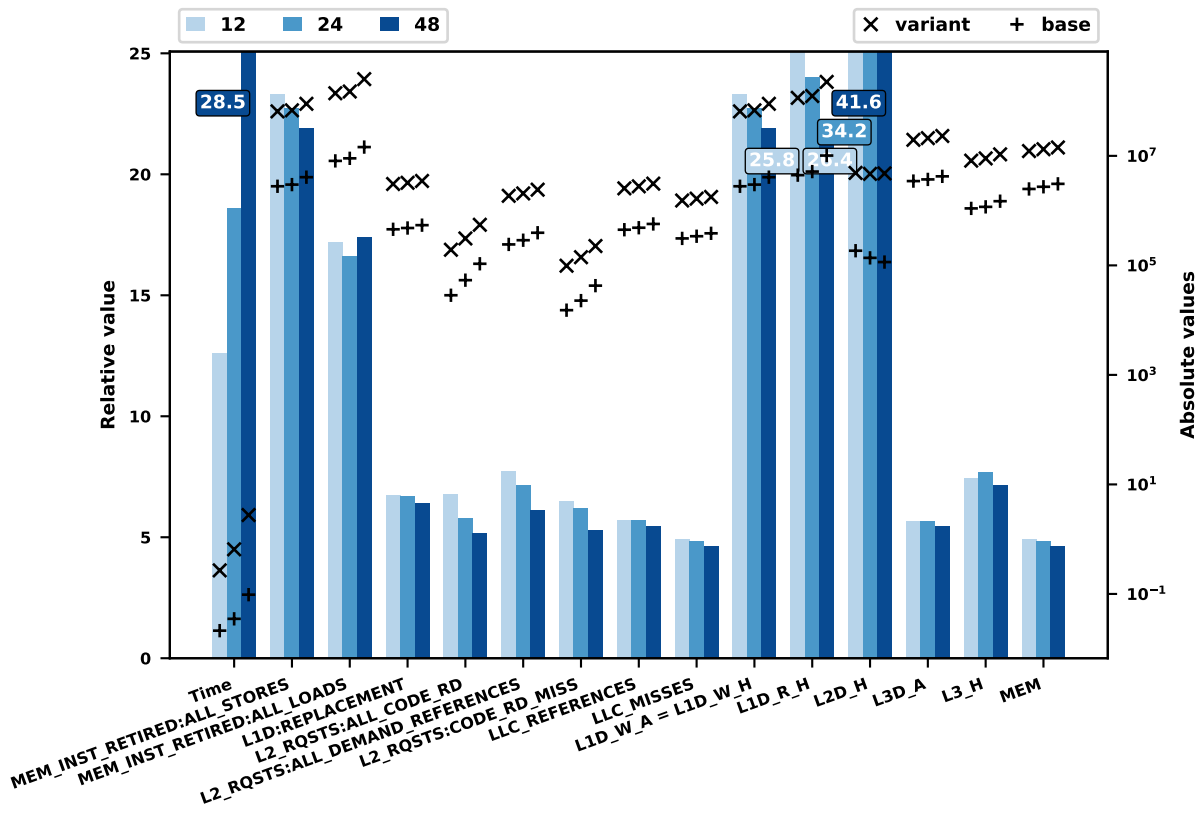

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion11

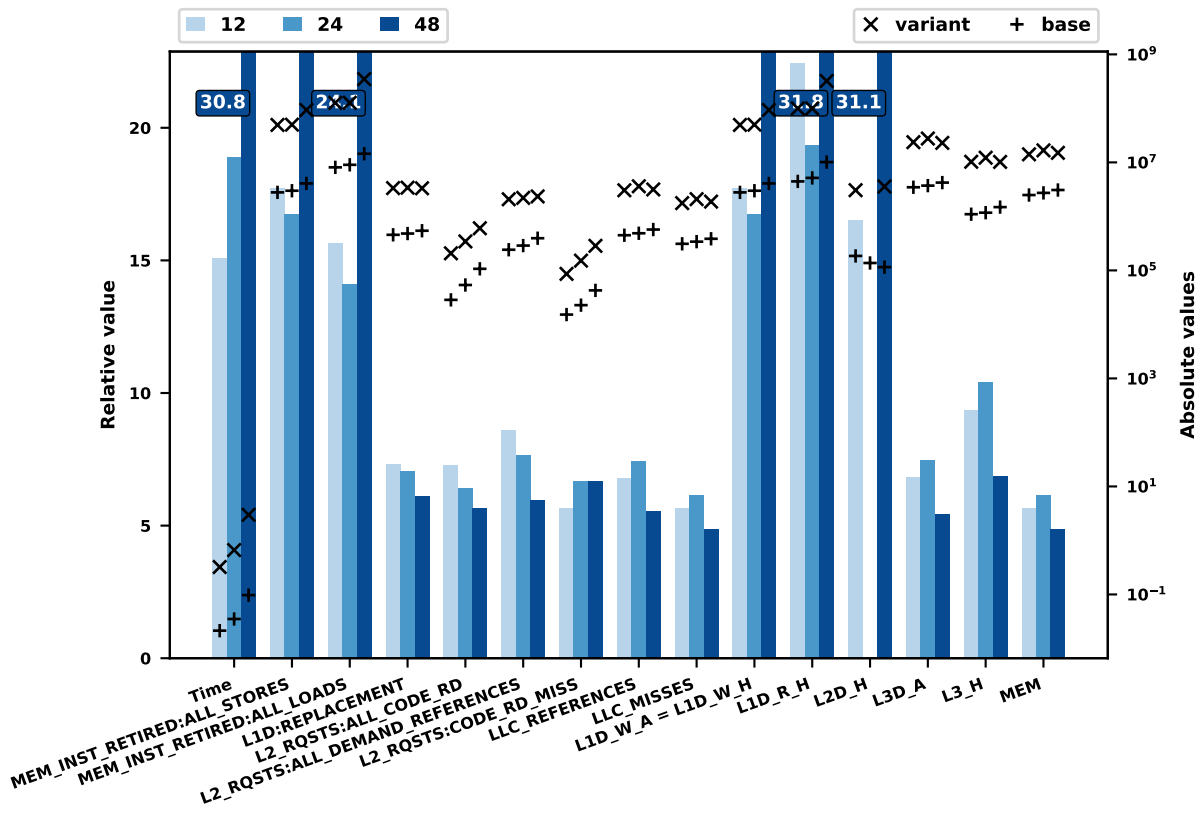

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion11

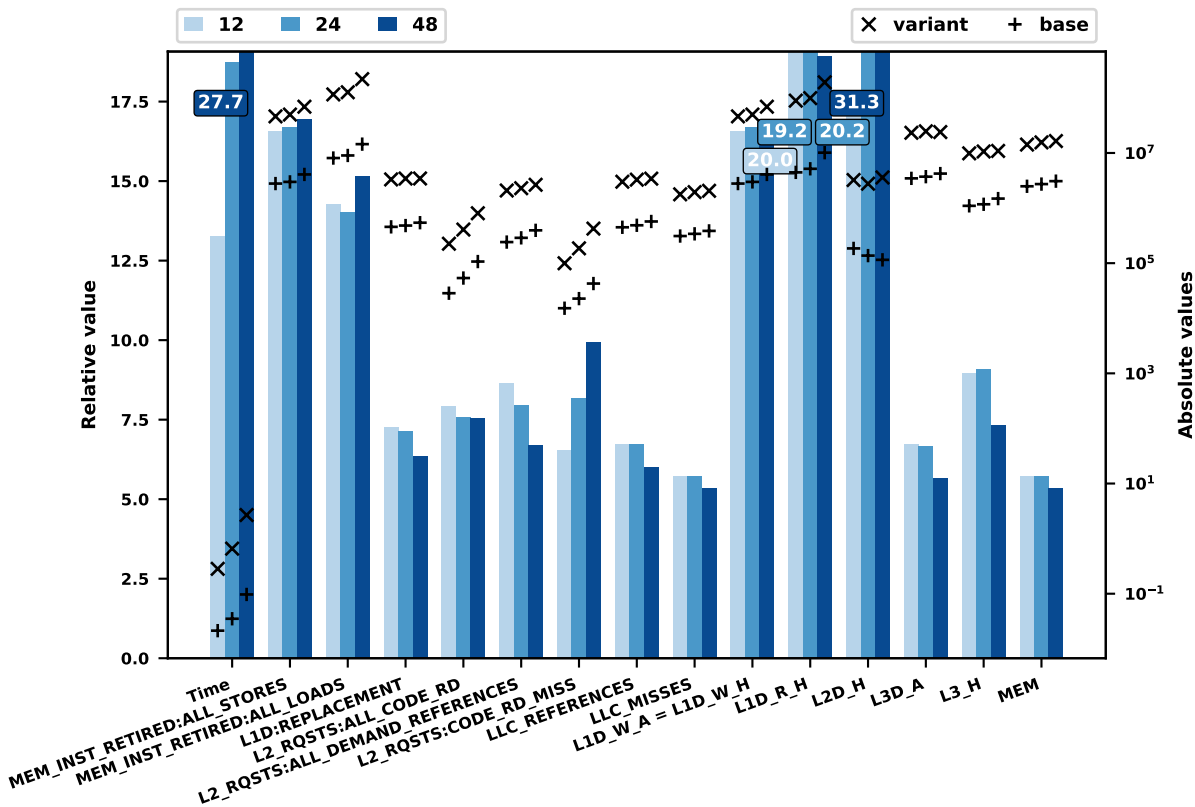

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion11

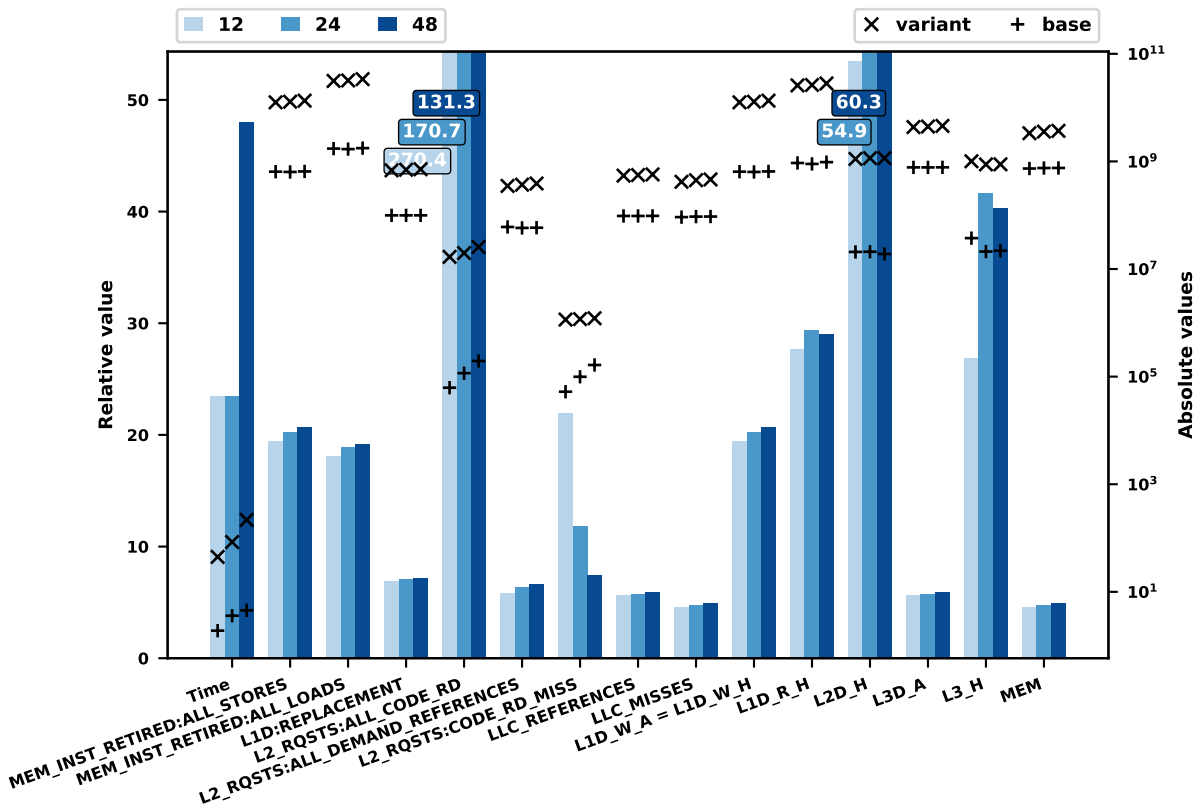

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion11

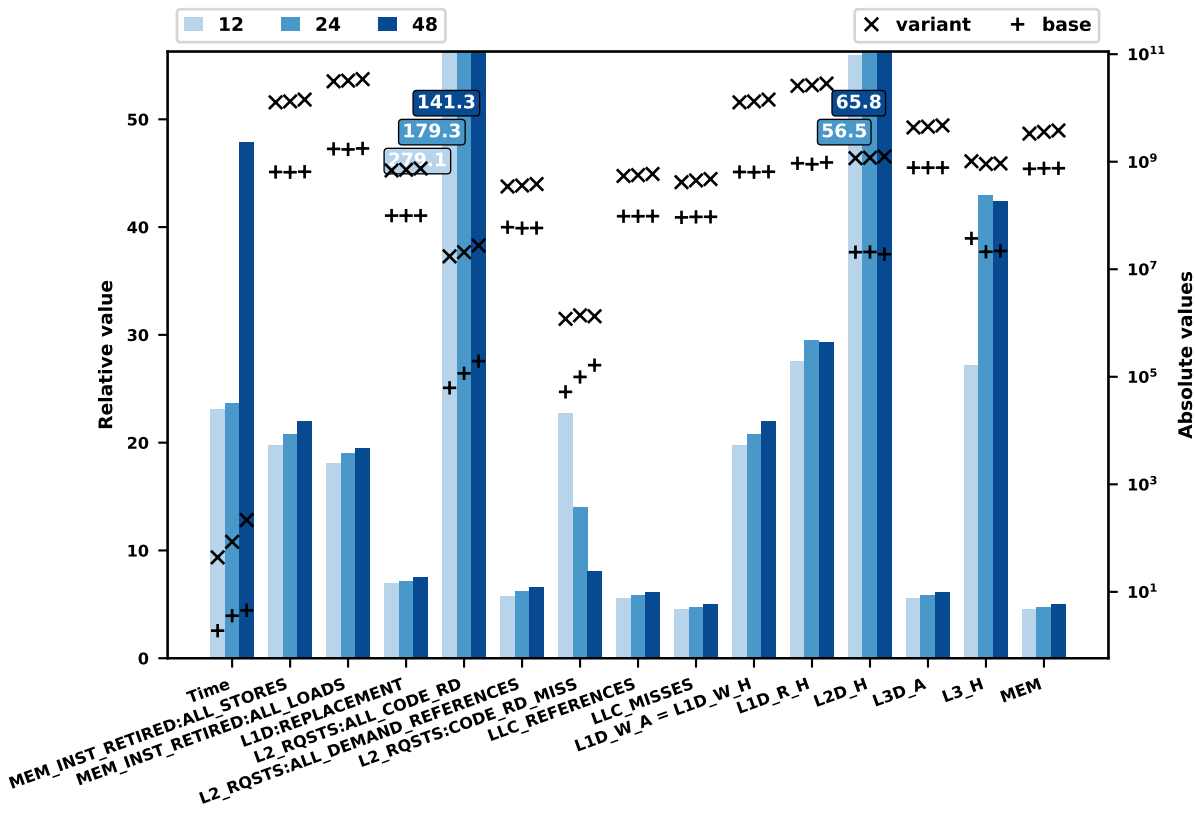

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion11

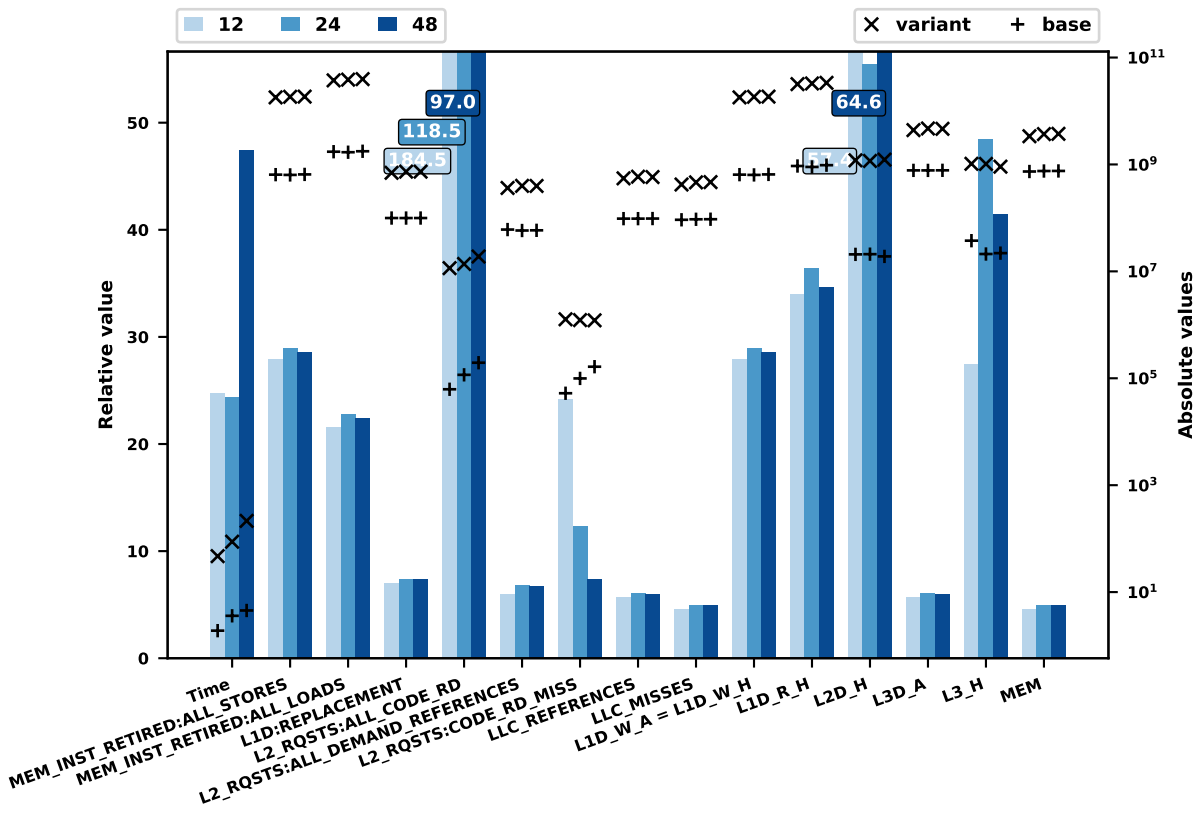

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion12

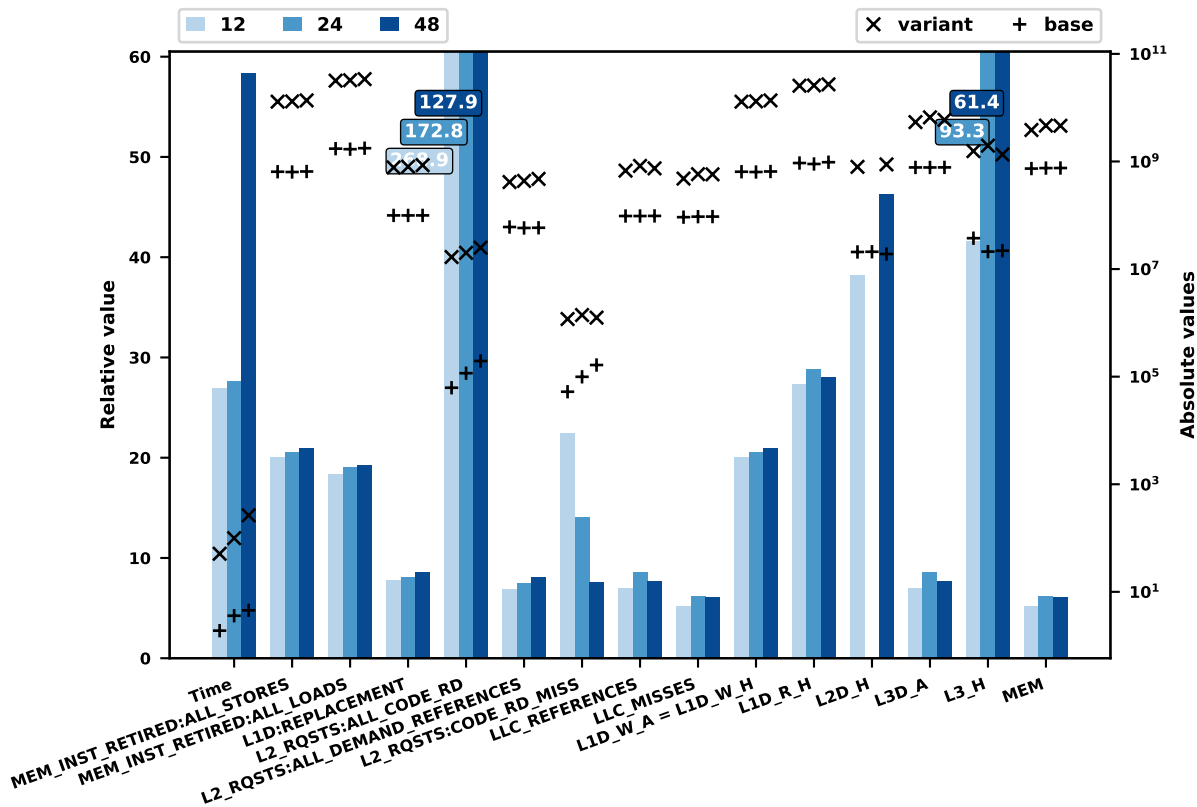

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion12

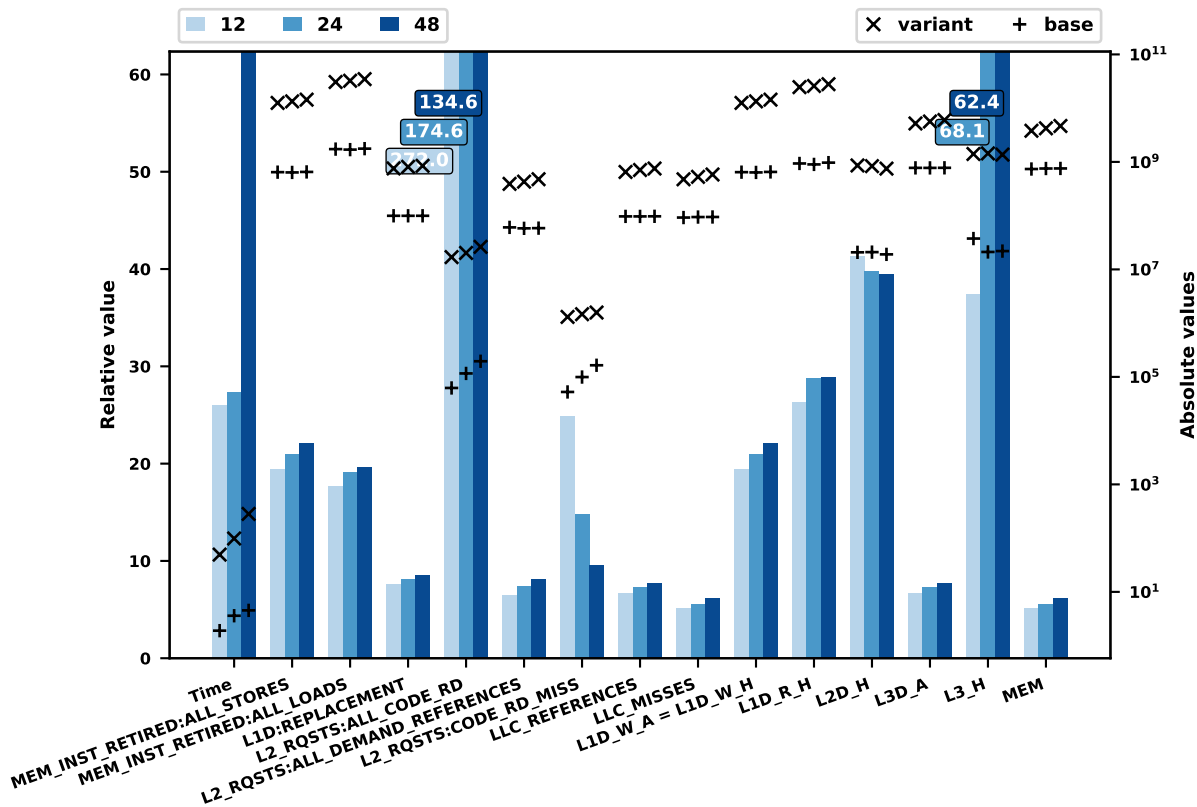

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion12

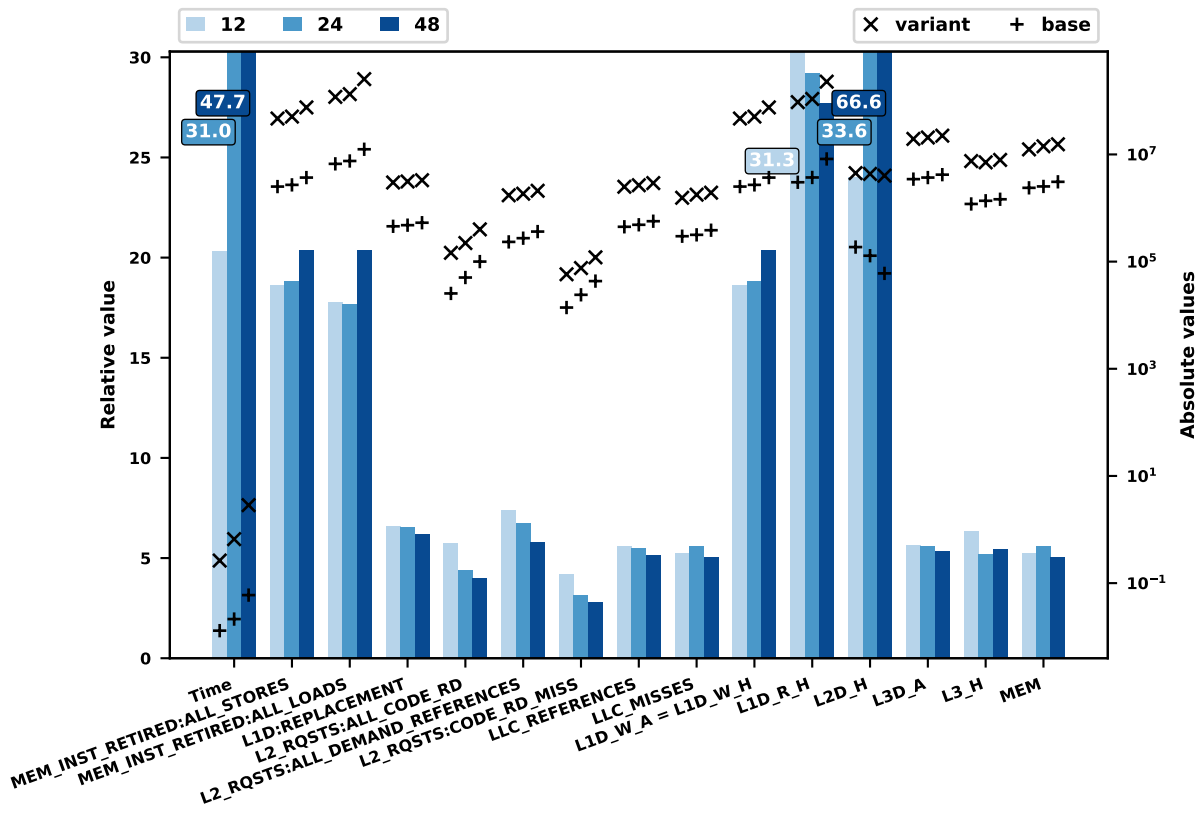

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion12

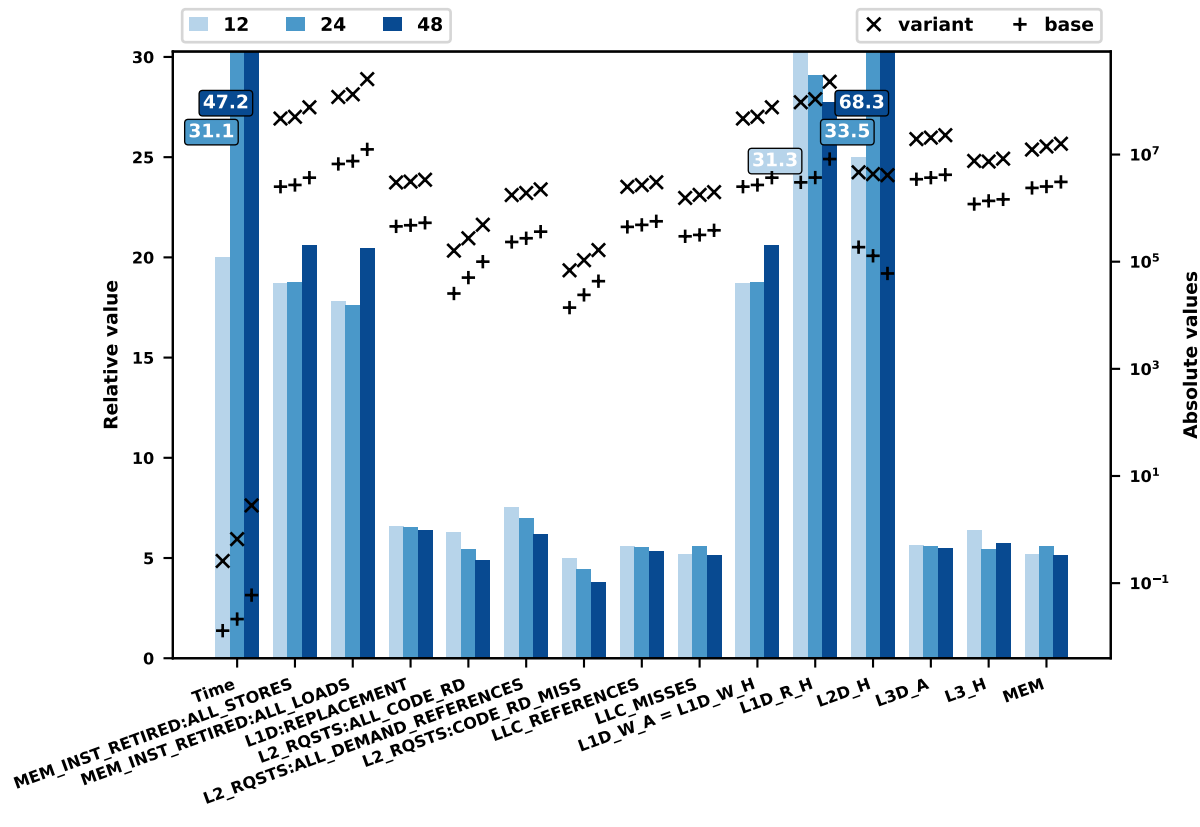

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion12

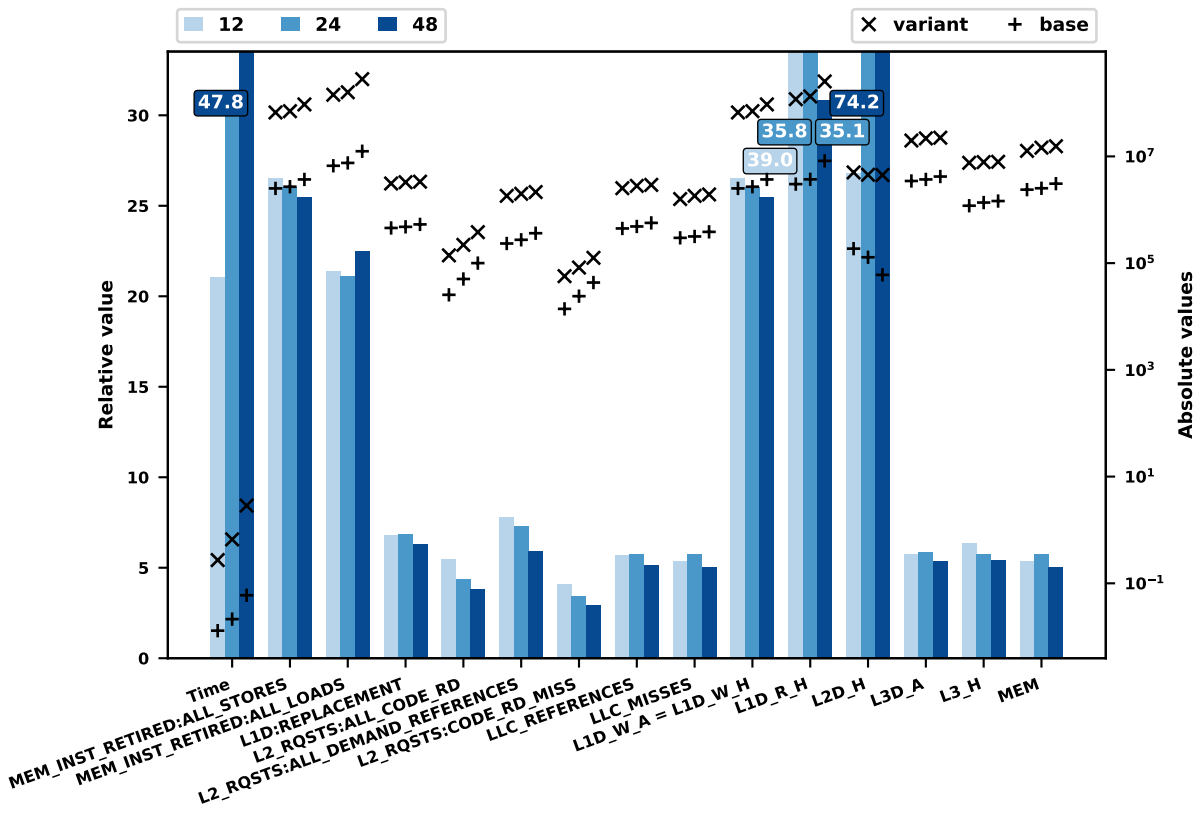

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion13

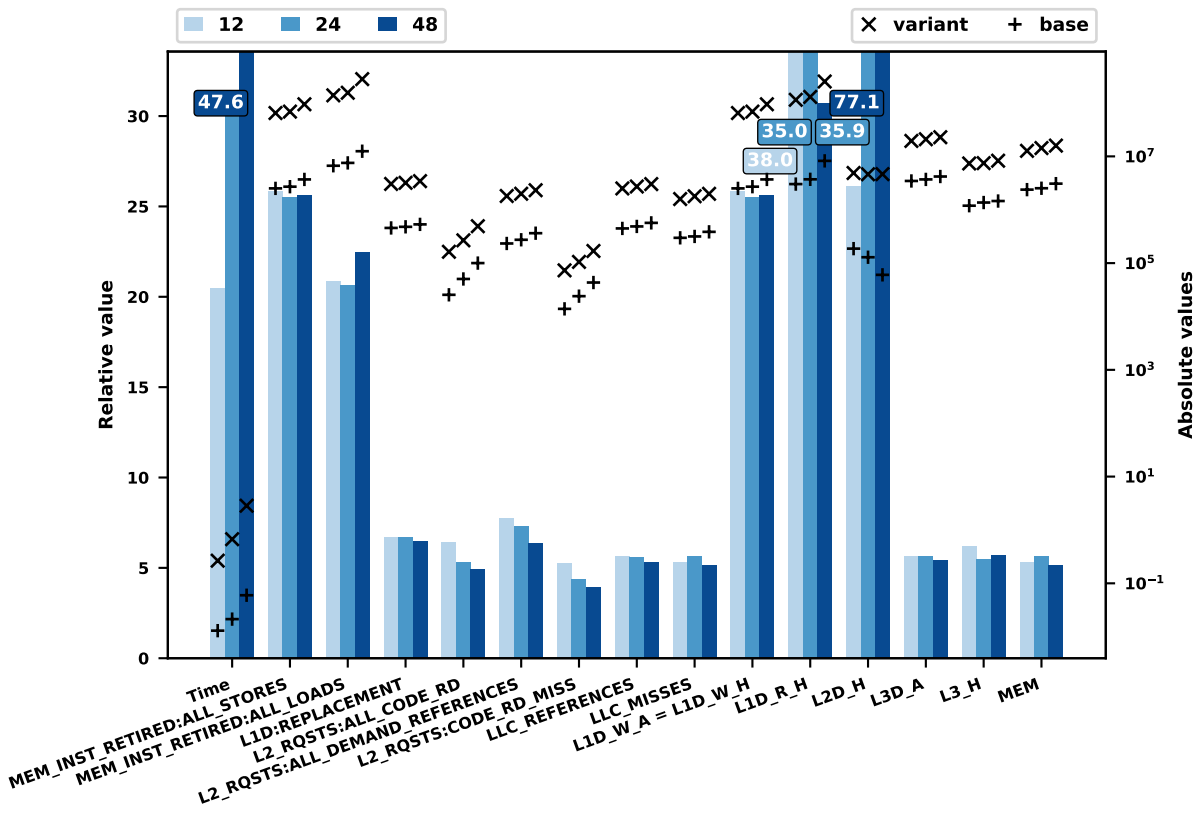

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion13

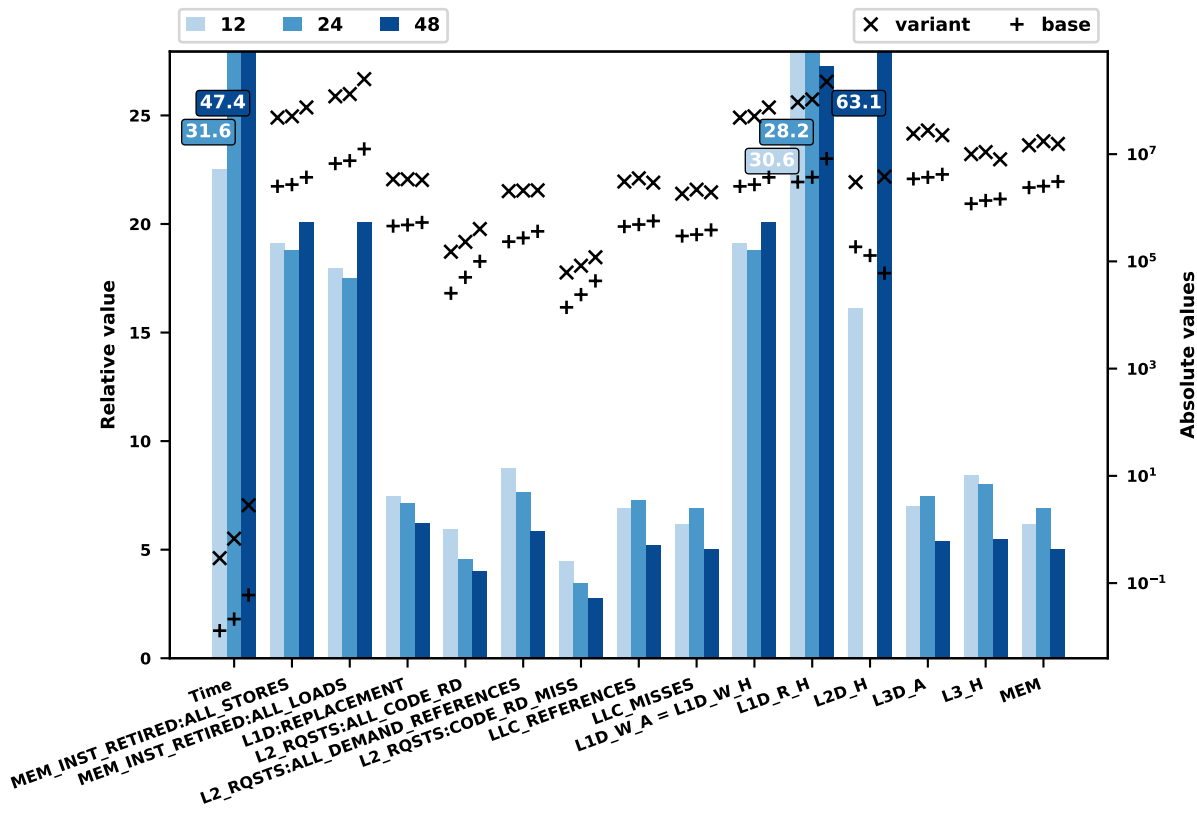

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion13

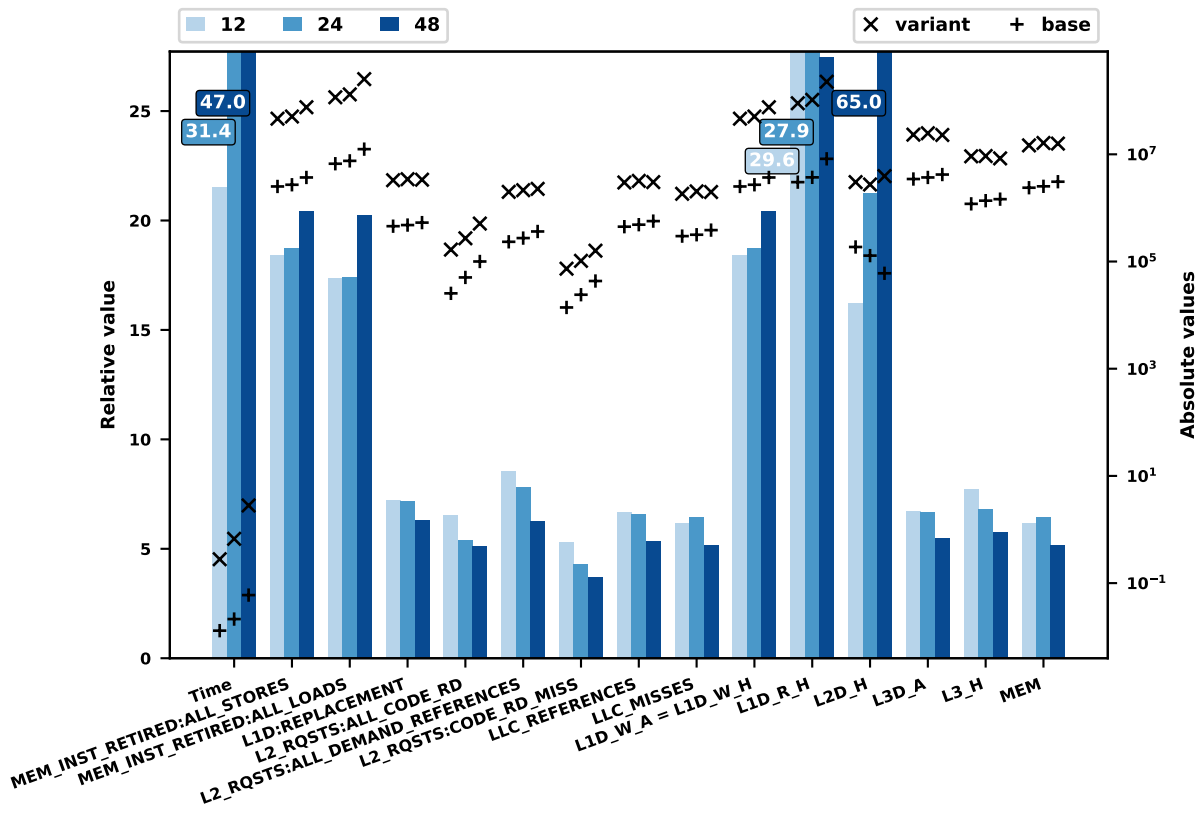

**A. Comparing 351.bwaves-archer-sampling variant
with base for region ImplTaskRegion13**

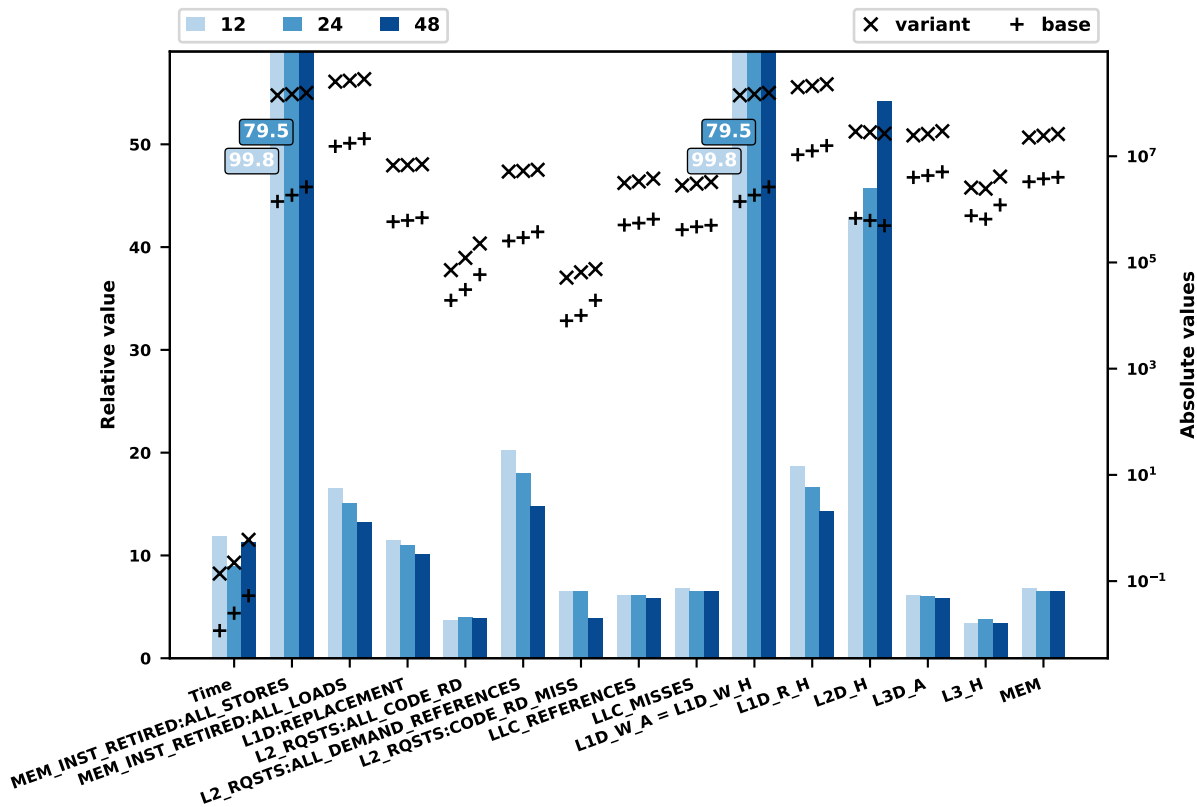

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion13

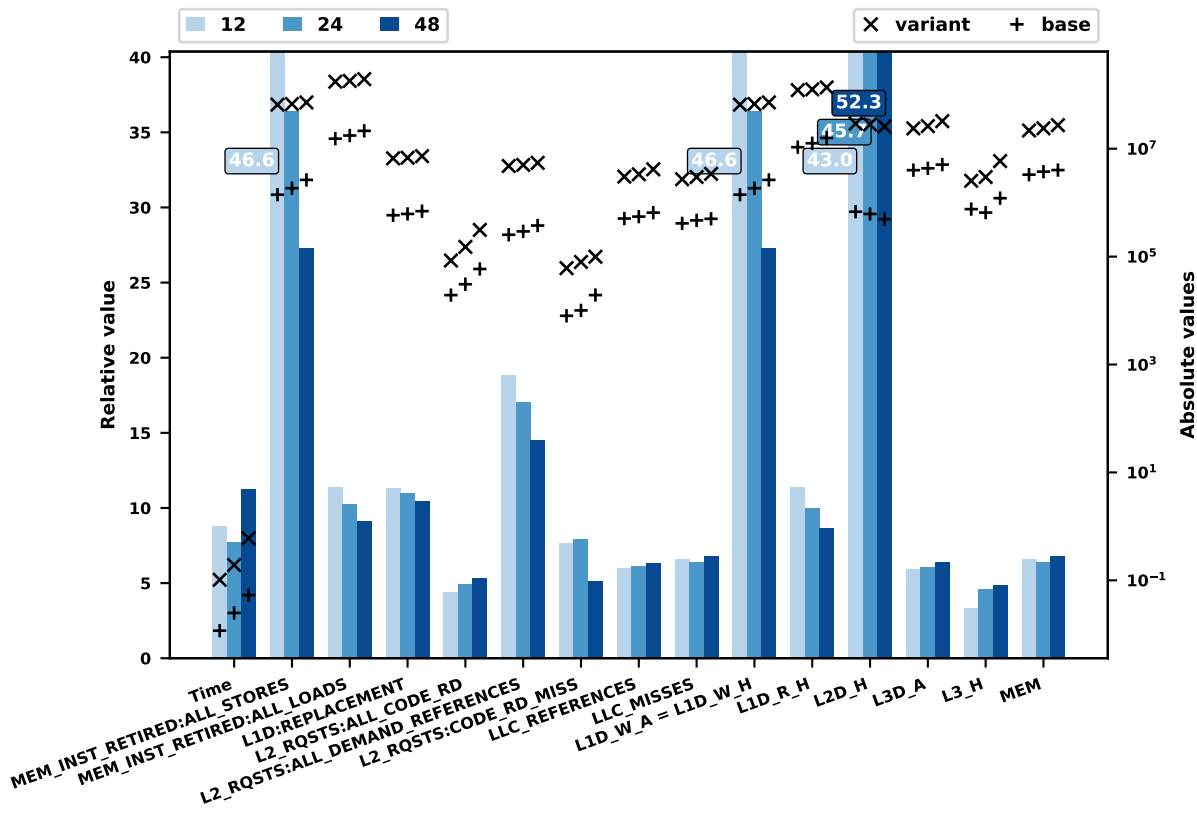

**A. Comparing 351.bwaves-archer variant
with base for region ImplTaskRegion13**

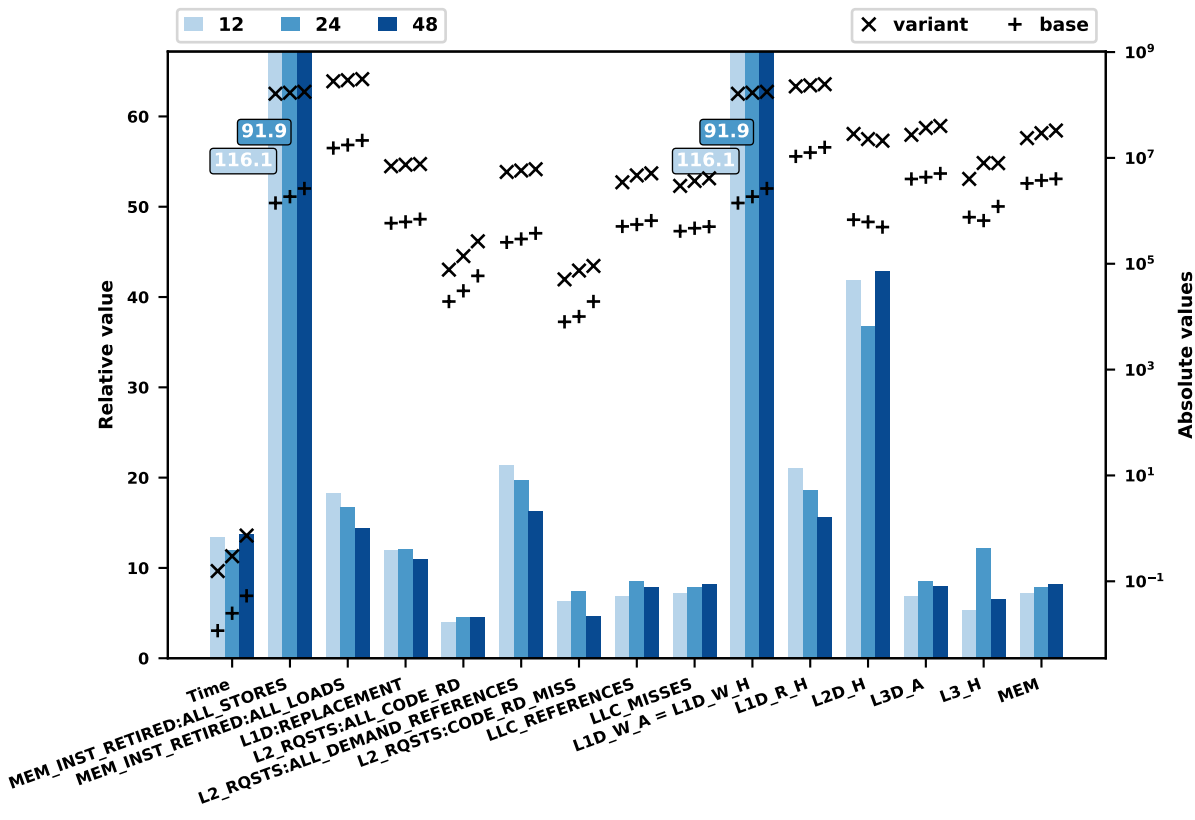

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion14

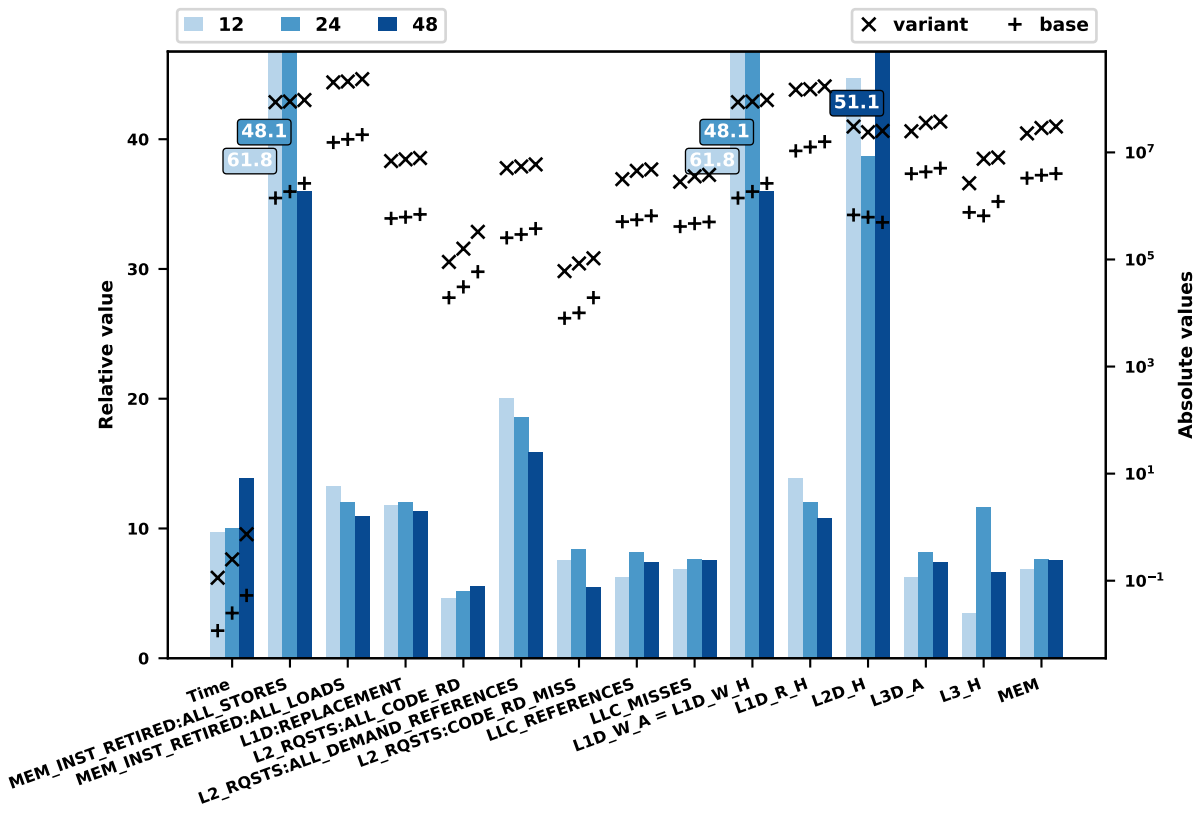

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion14

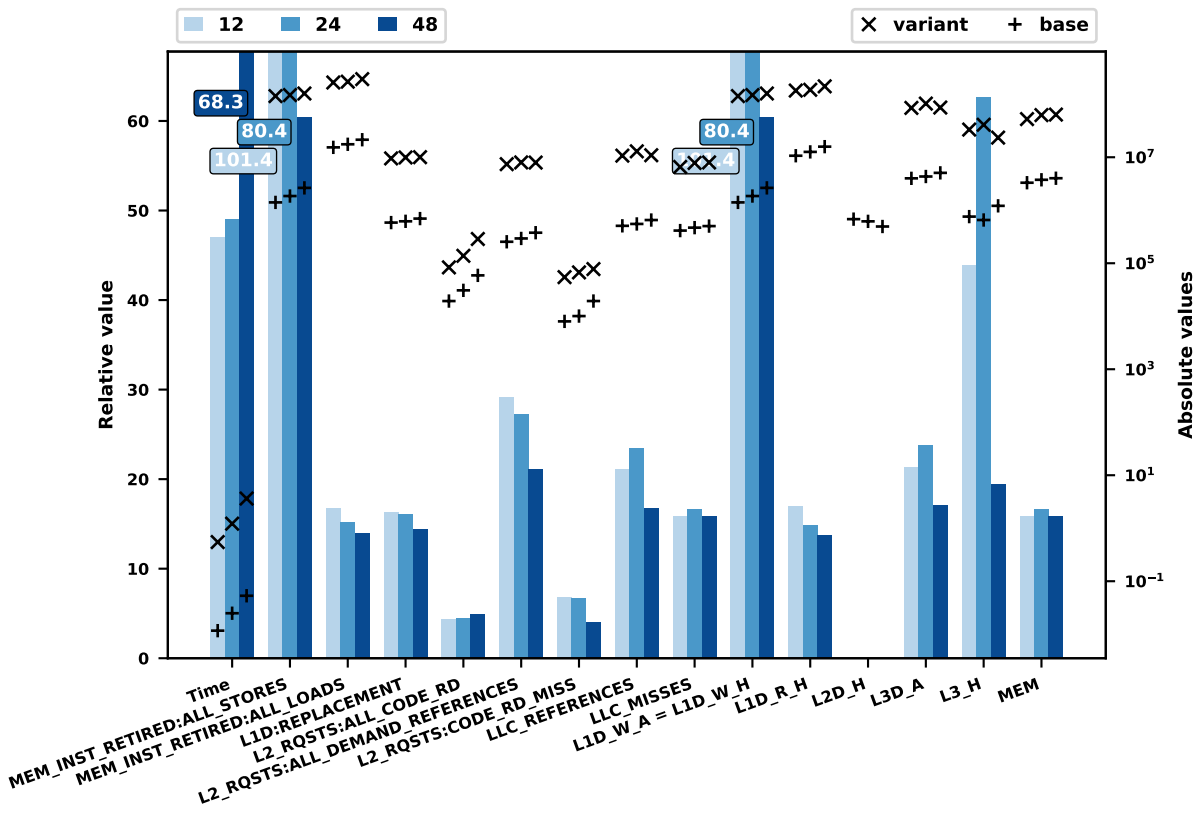

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion14

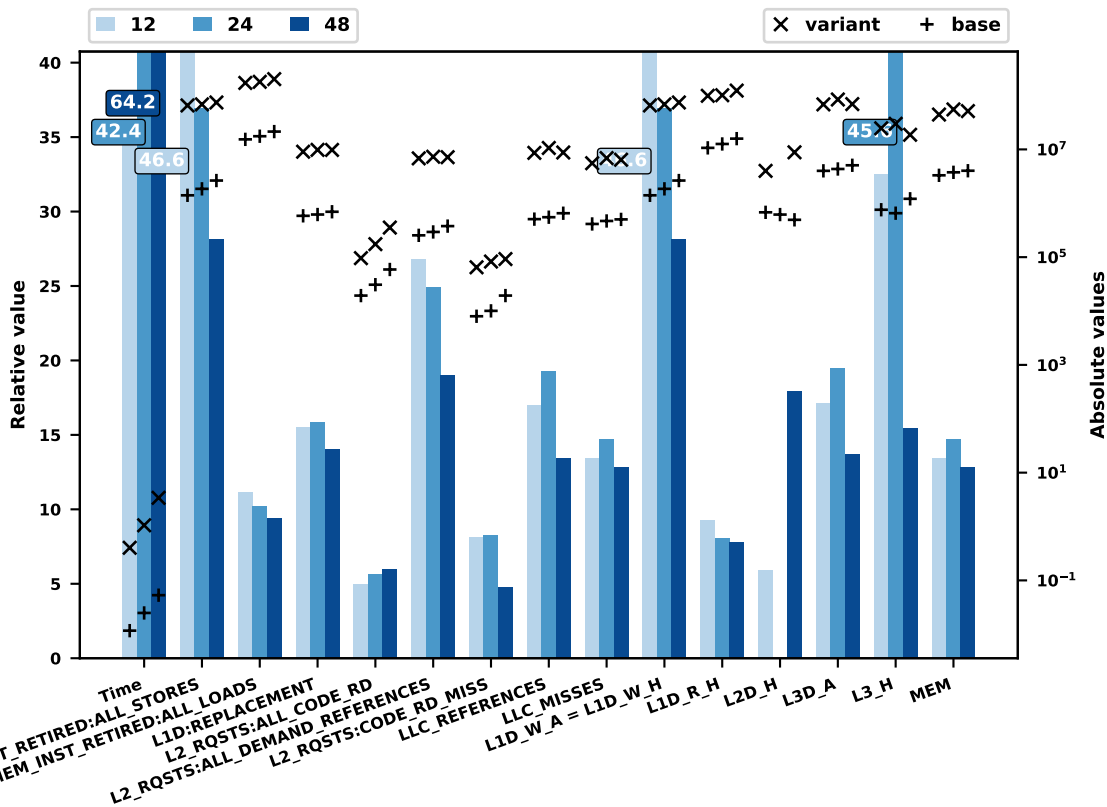

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion14

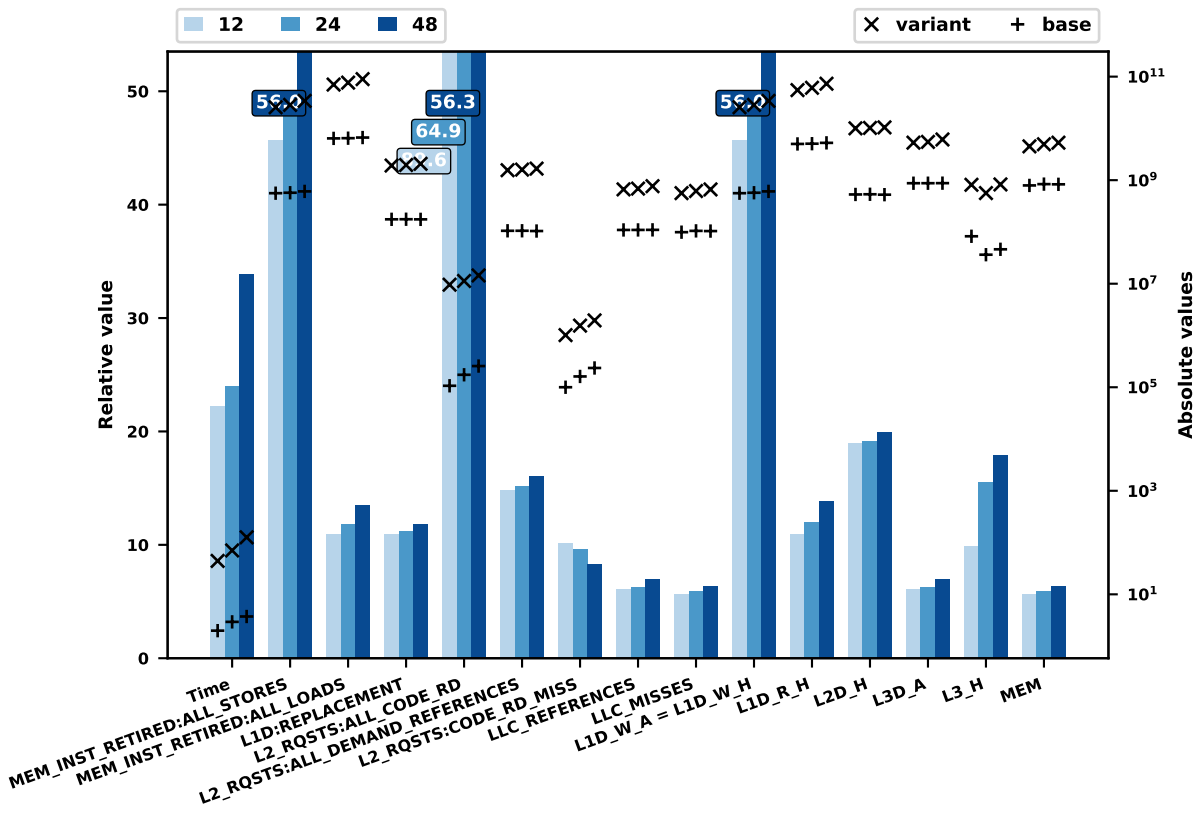

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion14

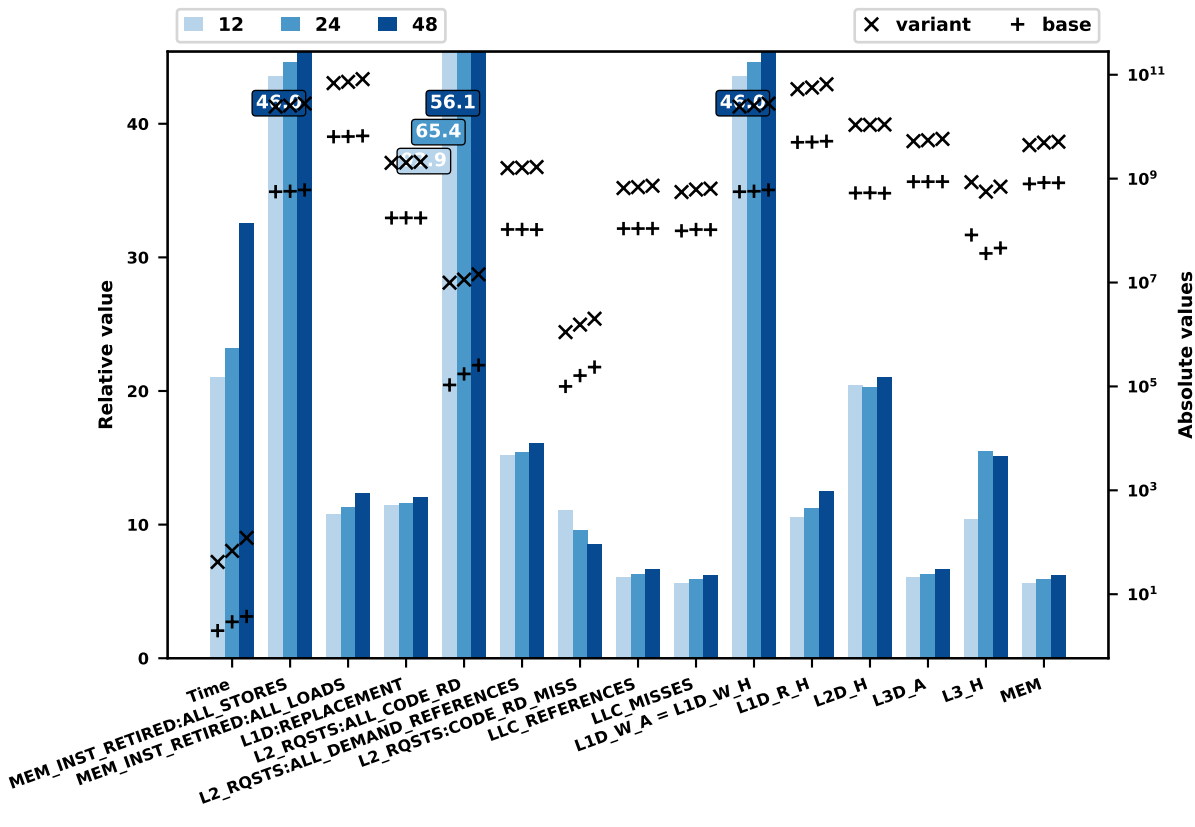

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion14

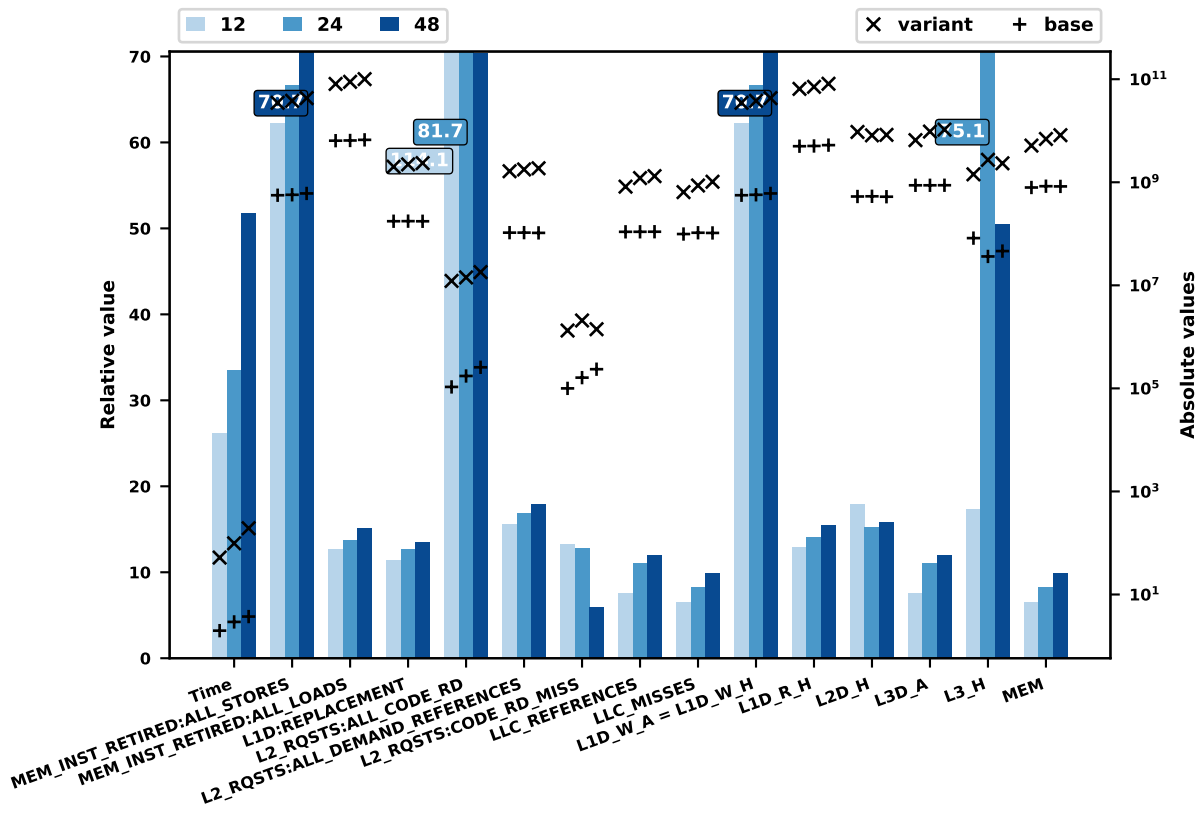

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion15

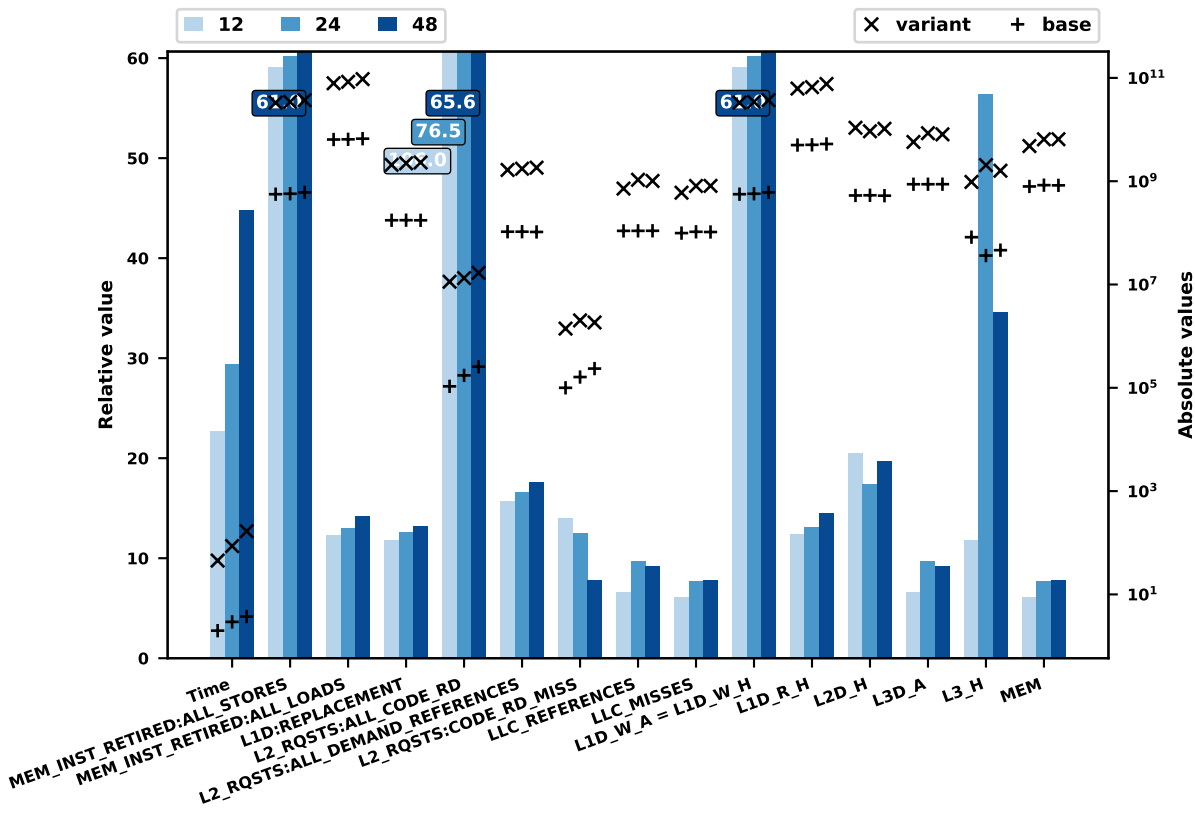

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion15

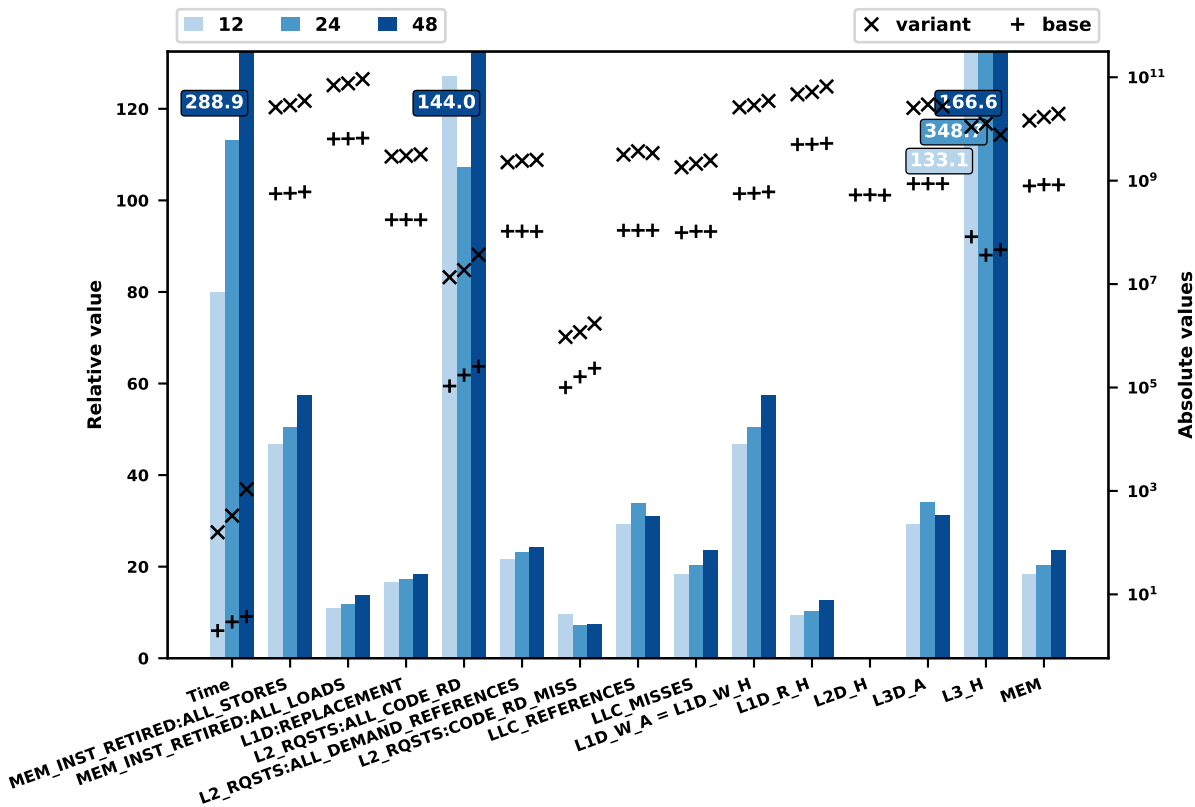

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion15

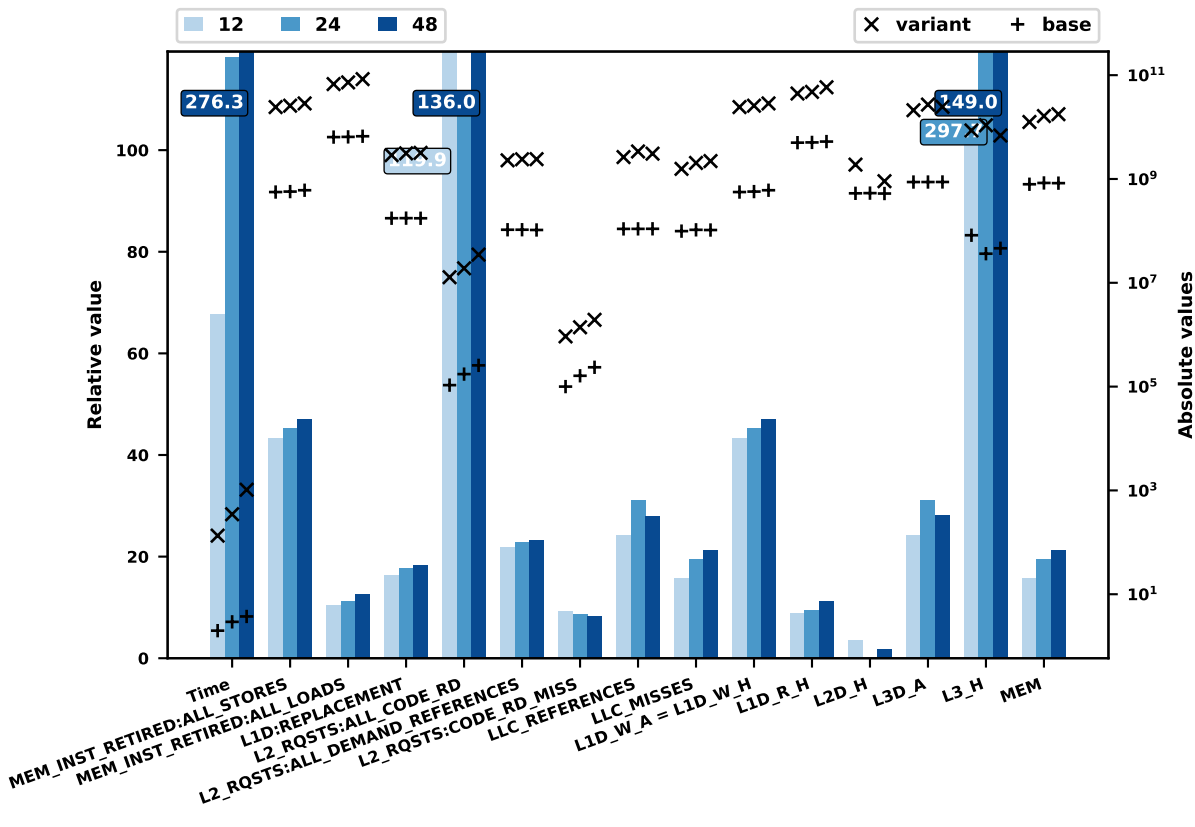

**A. Comparing 351.bwaves-archer-sampling variant
with base for region ImplTaskRegion15**

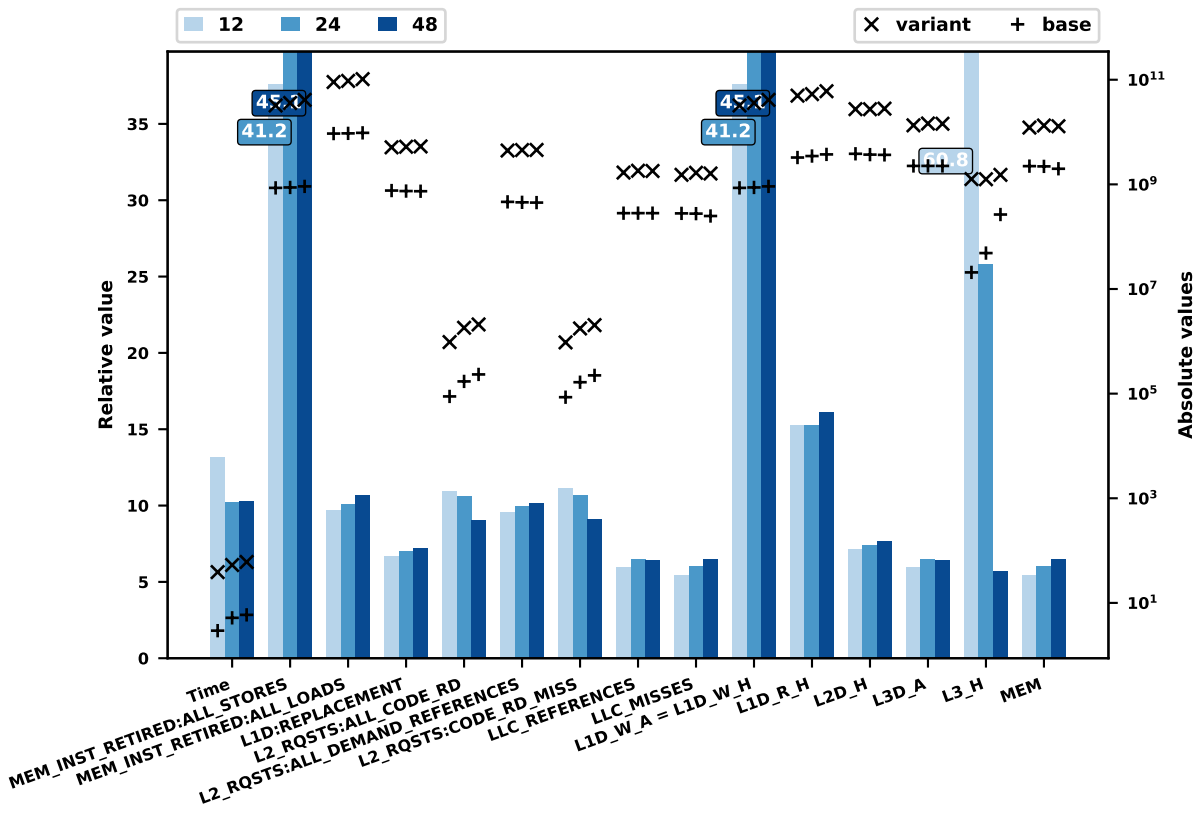

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion15

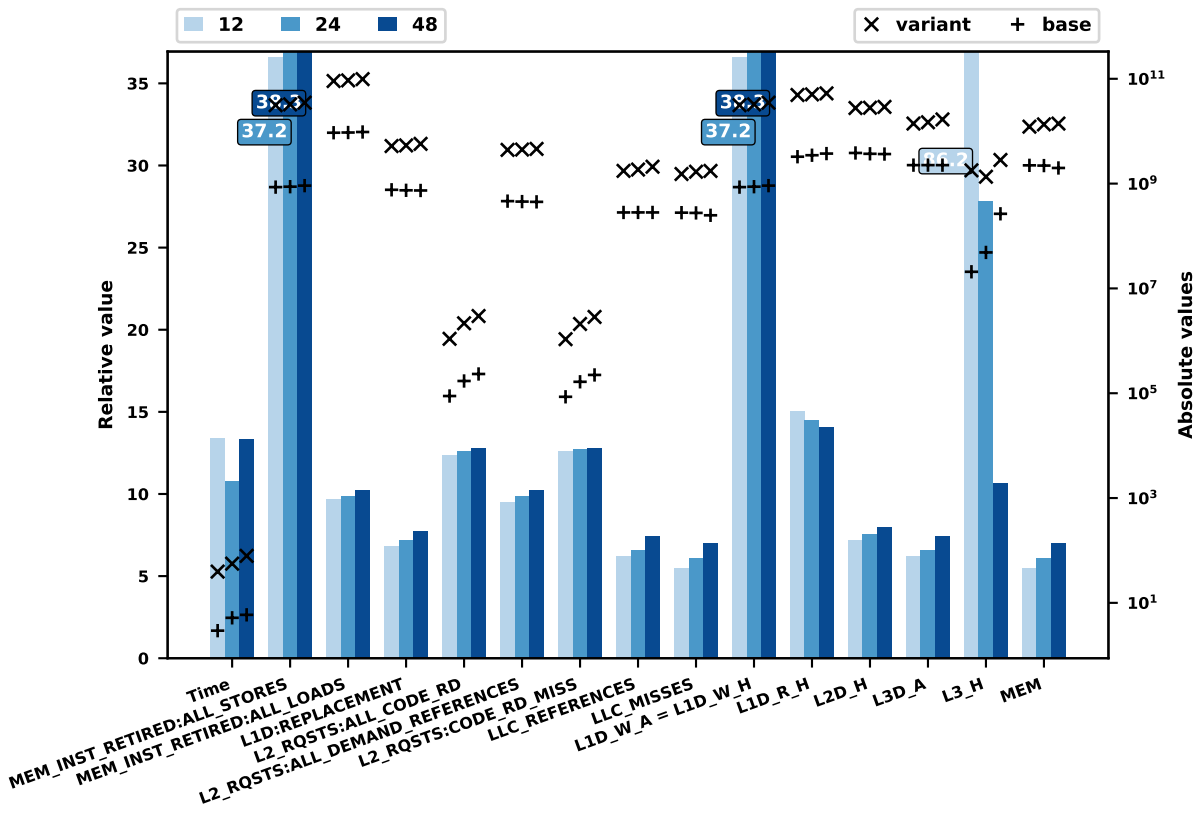

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion15

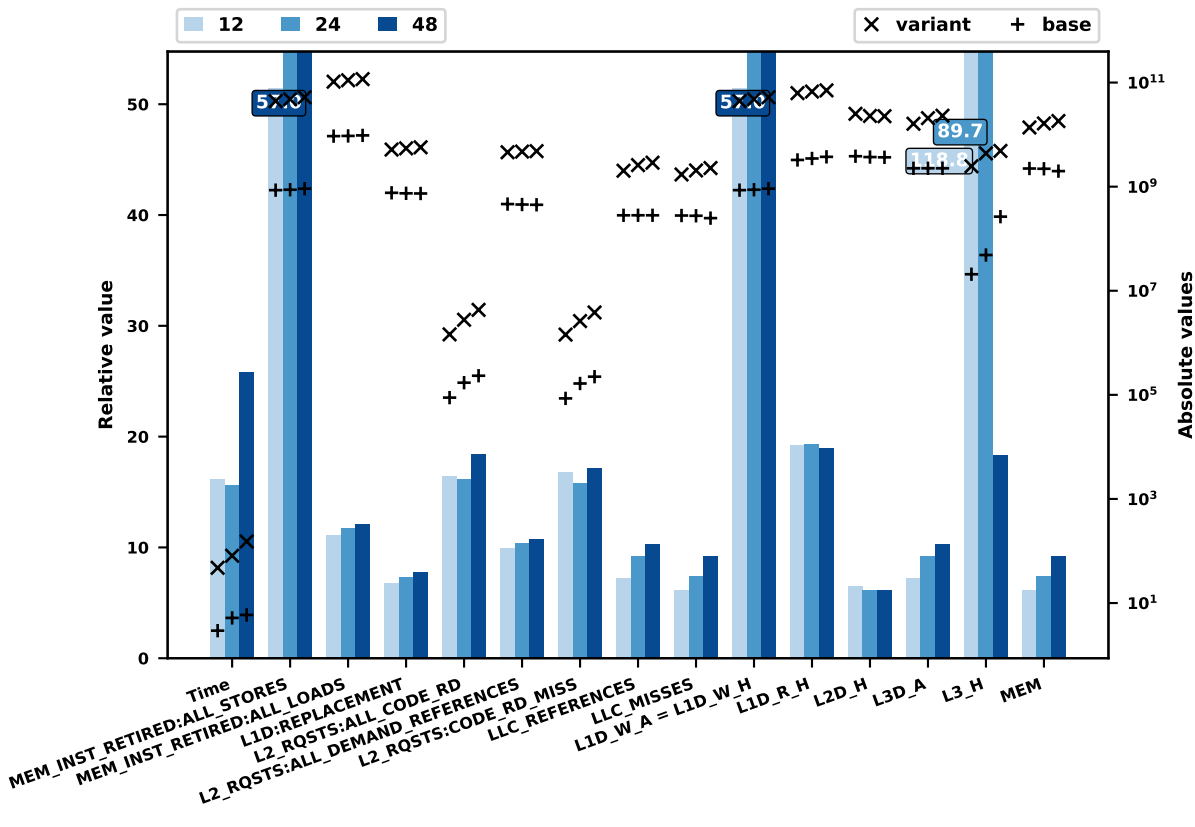

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion16

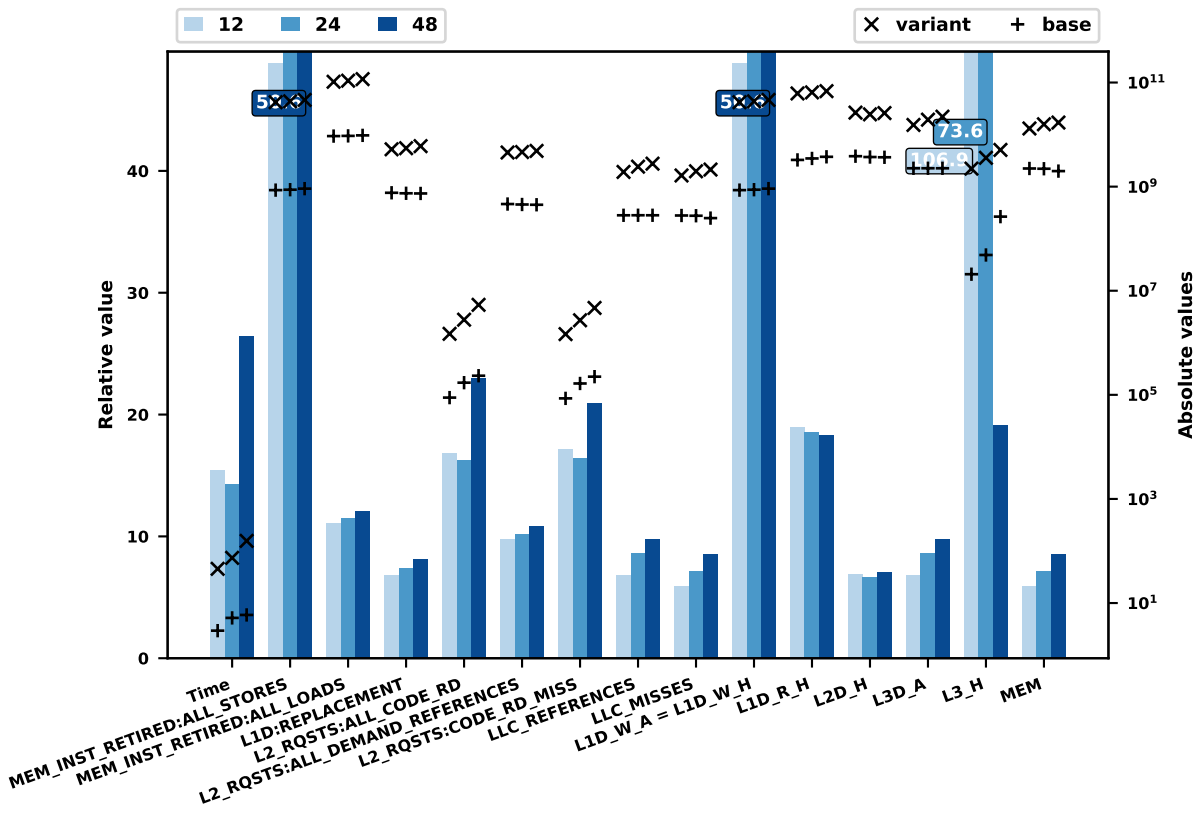

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion16

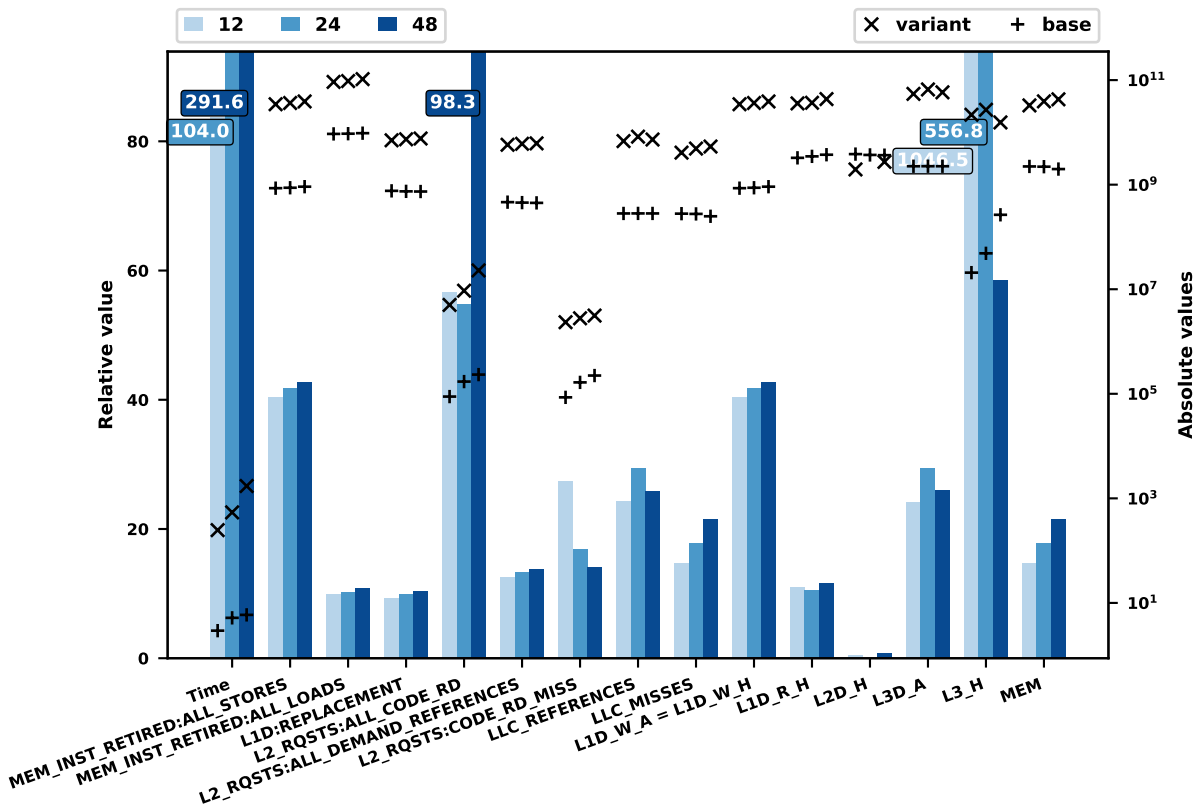

**A. Comparing 351.bwaves-tsan-sampling variant
with base for region ImplTaskRegion16**

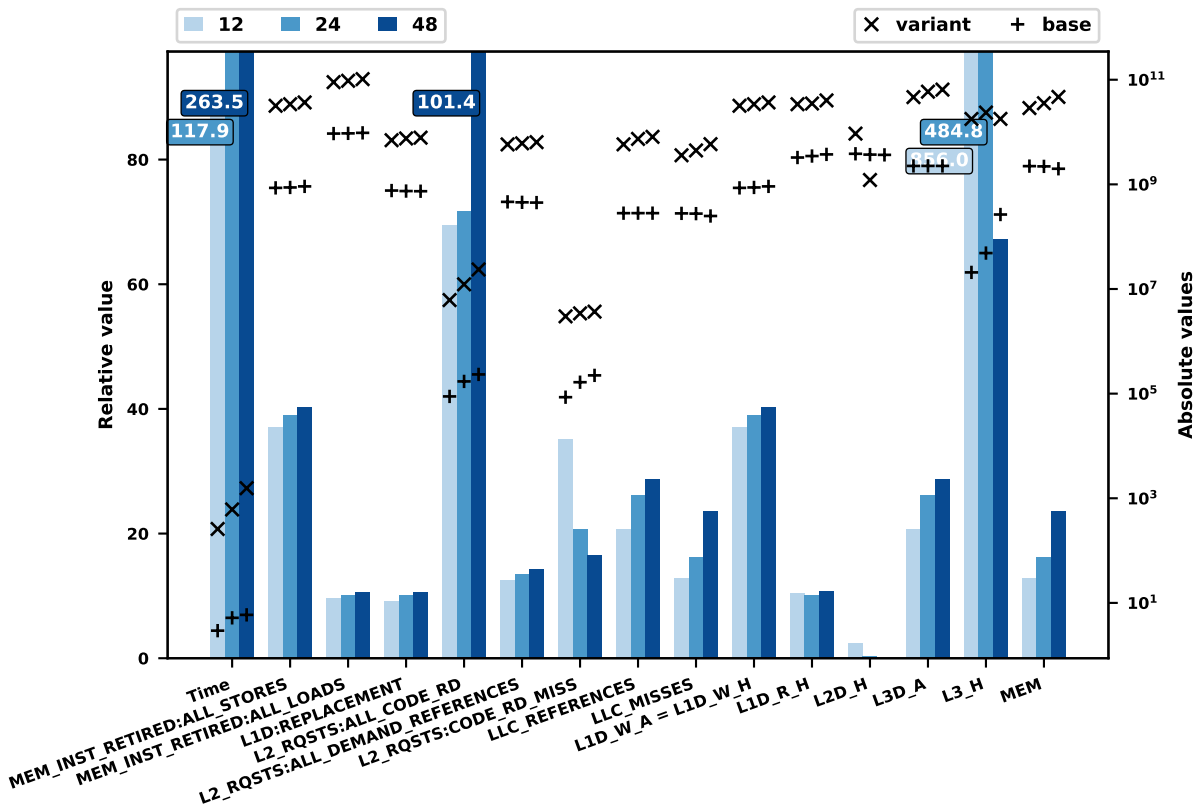

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion16

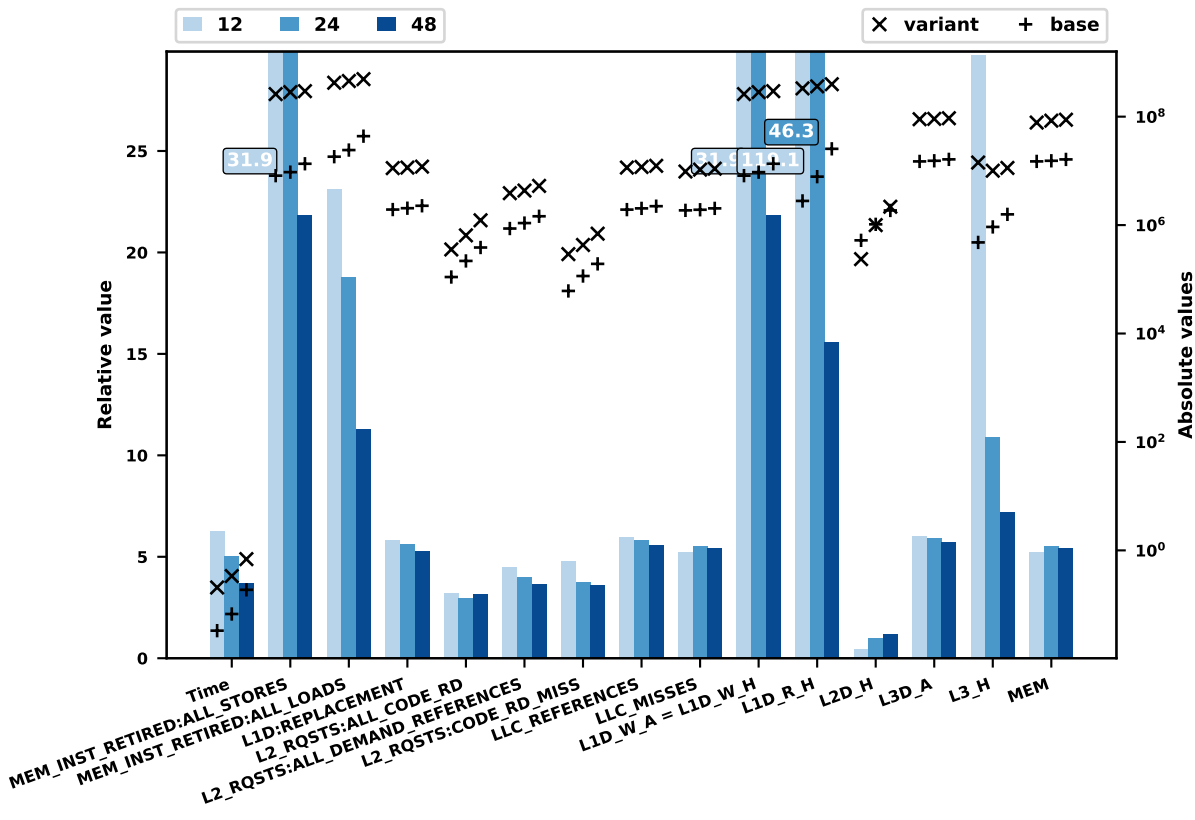

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion16

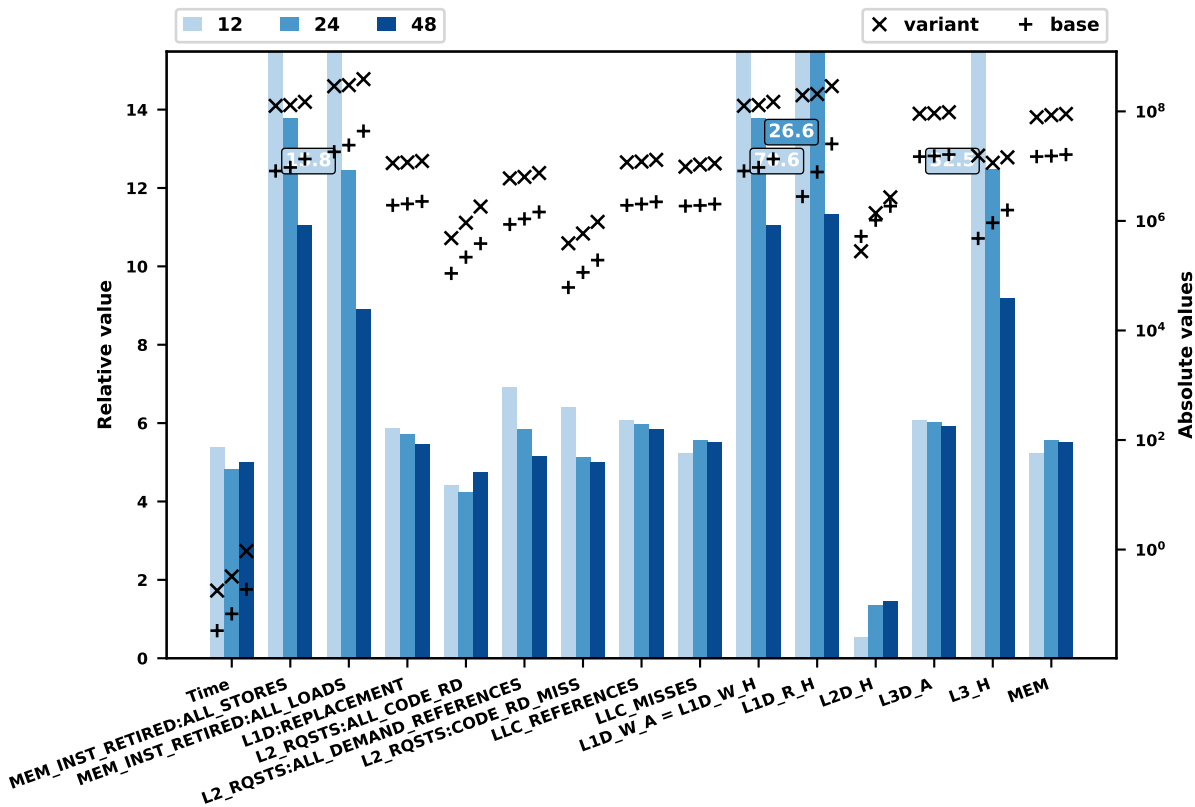

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion16

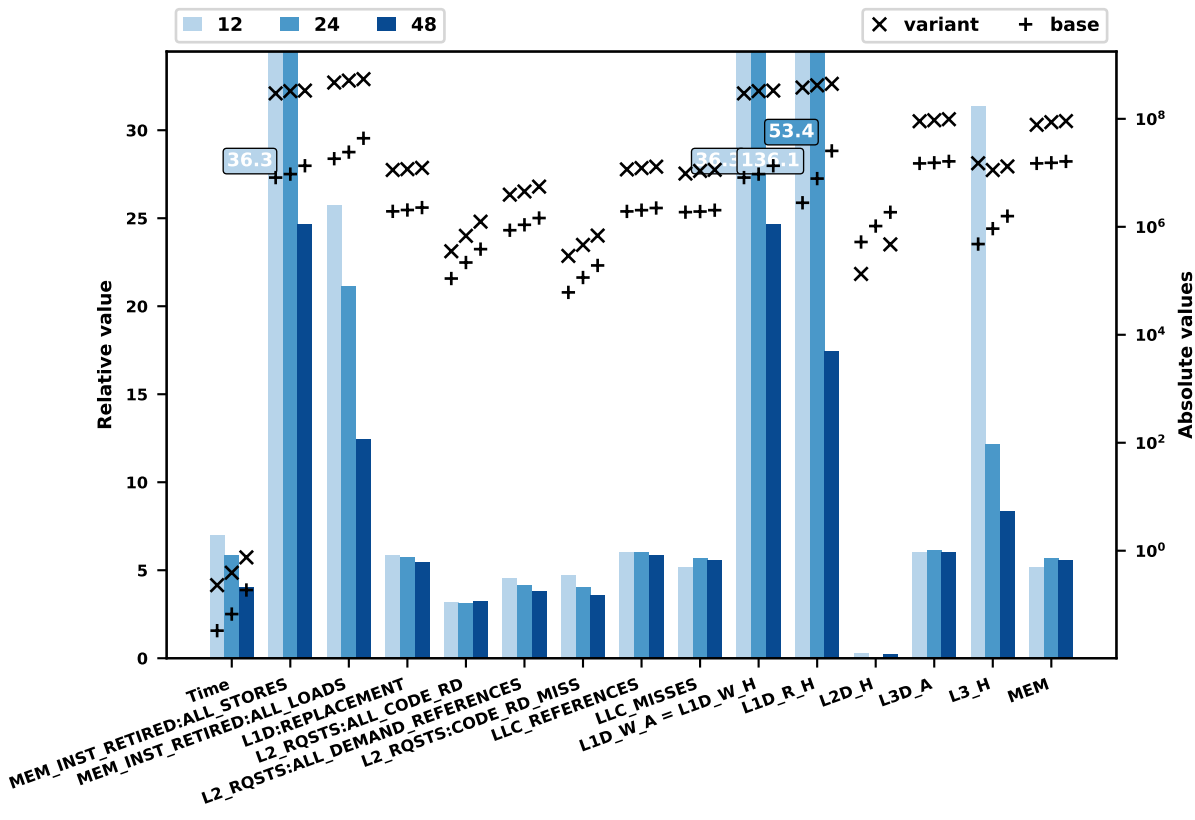

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion17

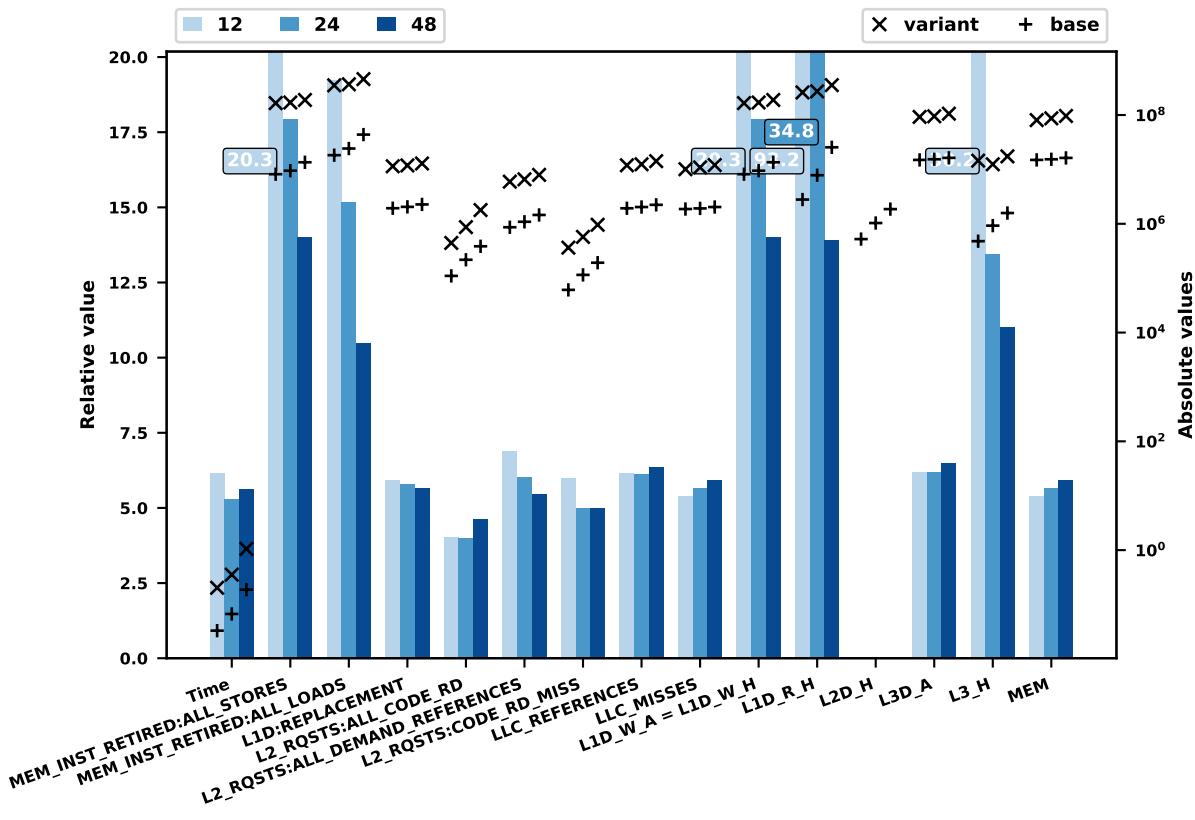

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion17

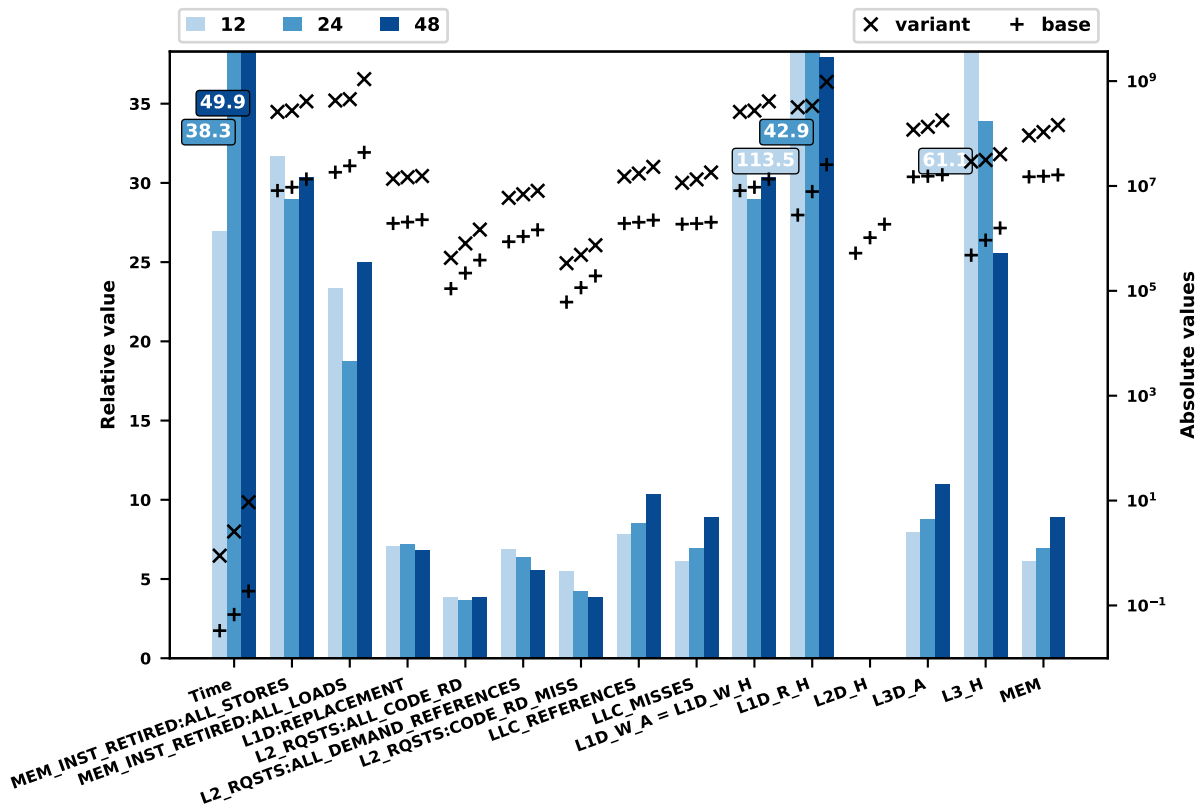

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion17

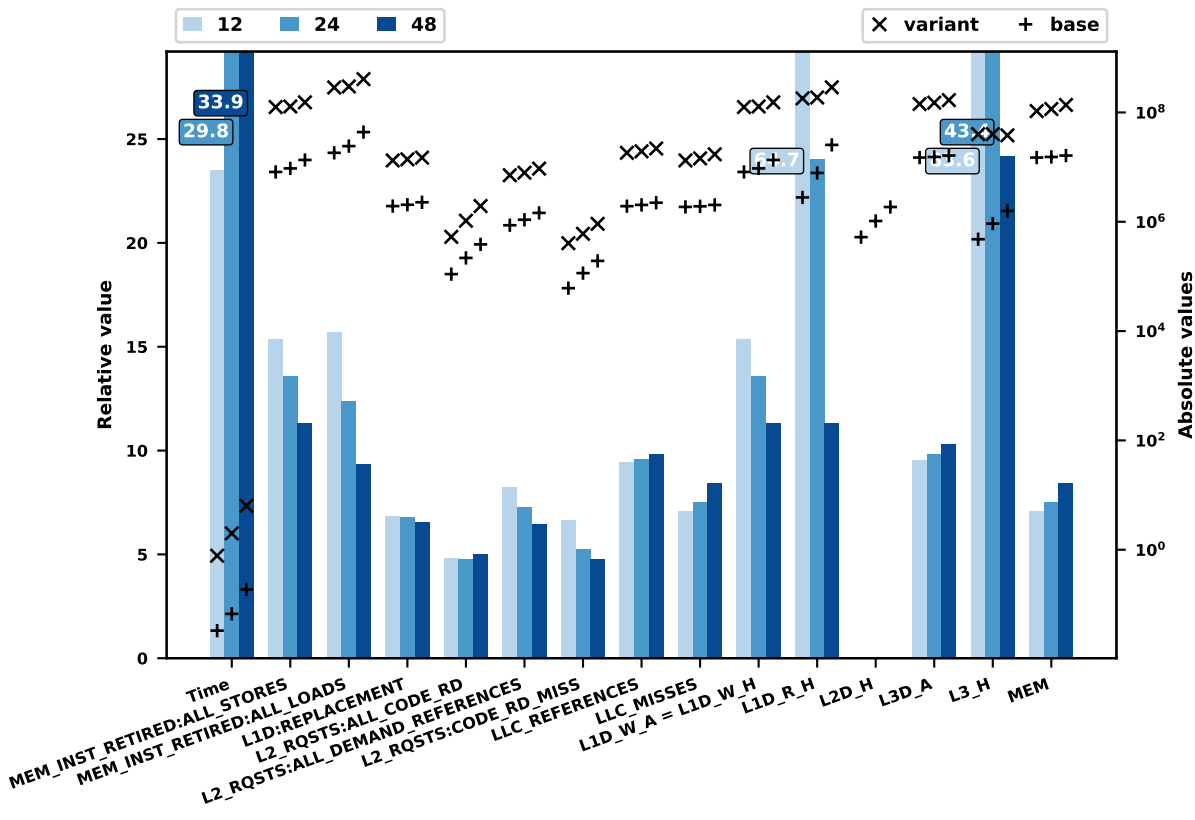

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion17

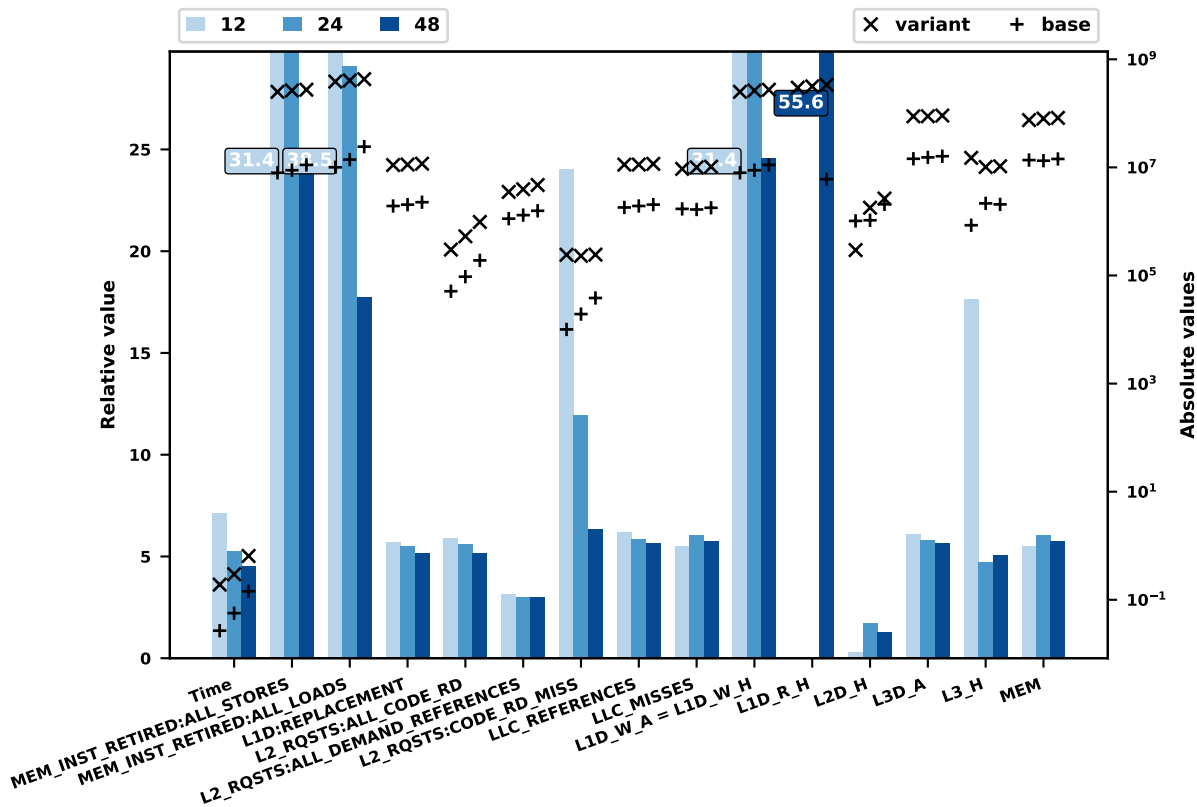

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion17

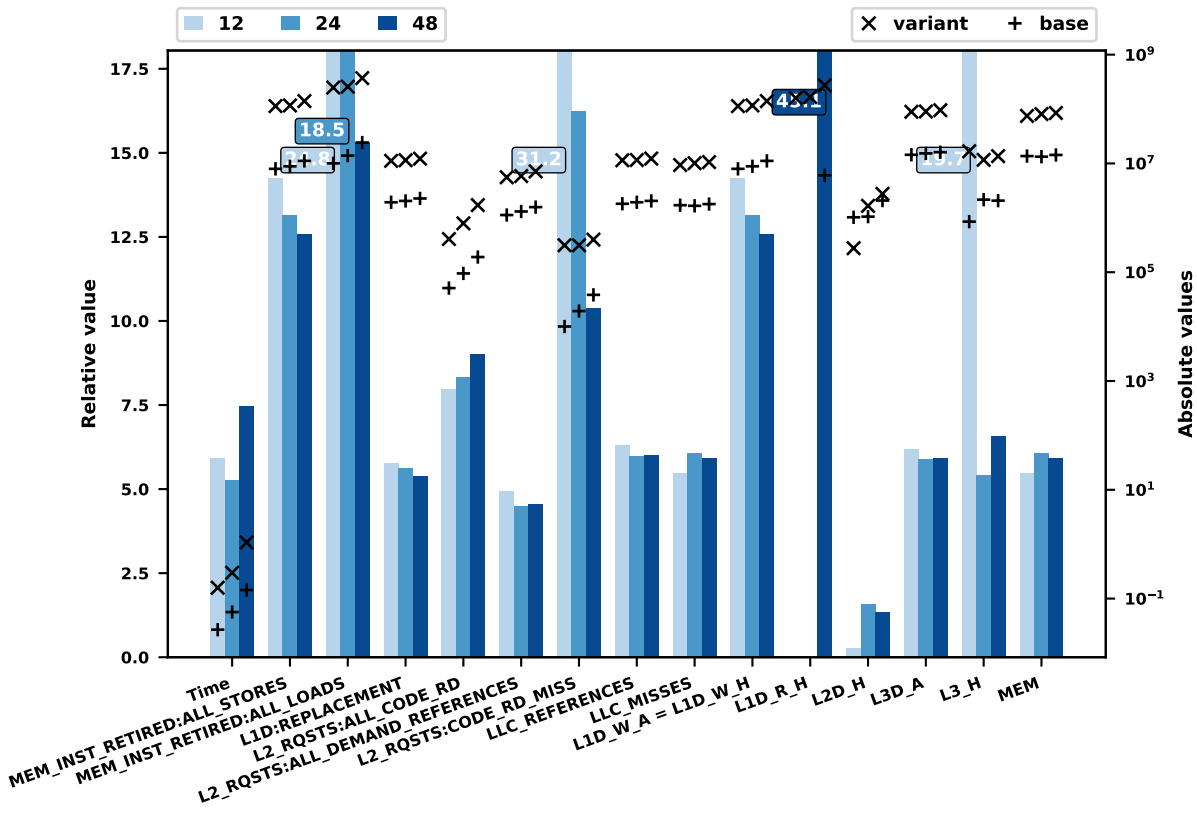

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion17

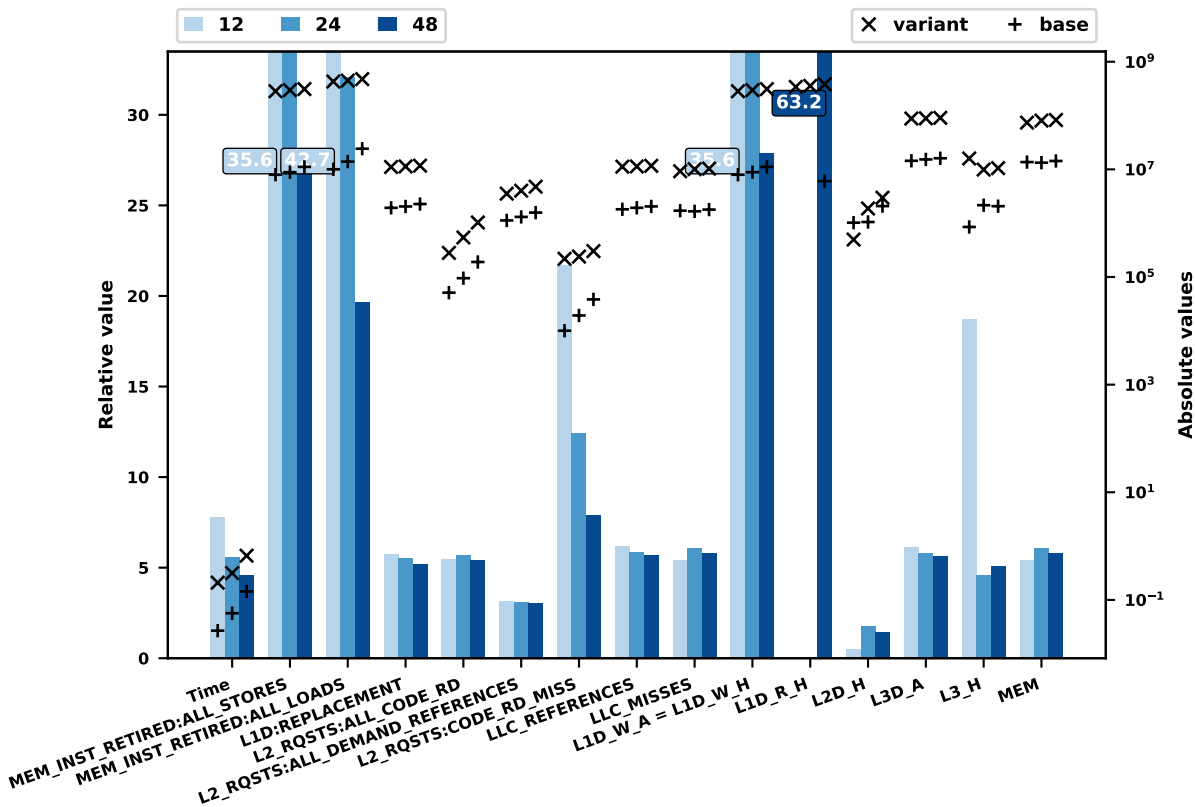

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion18

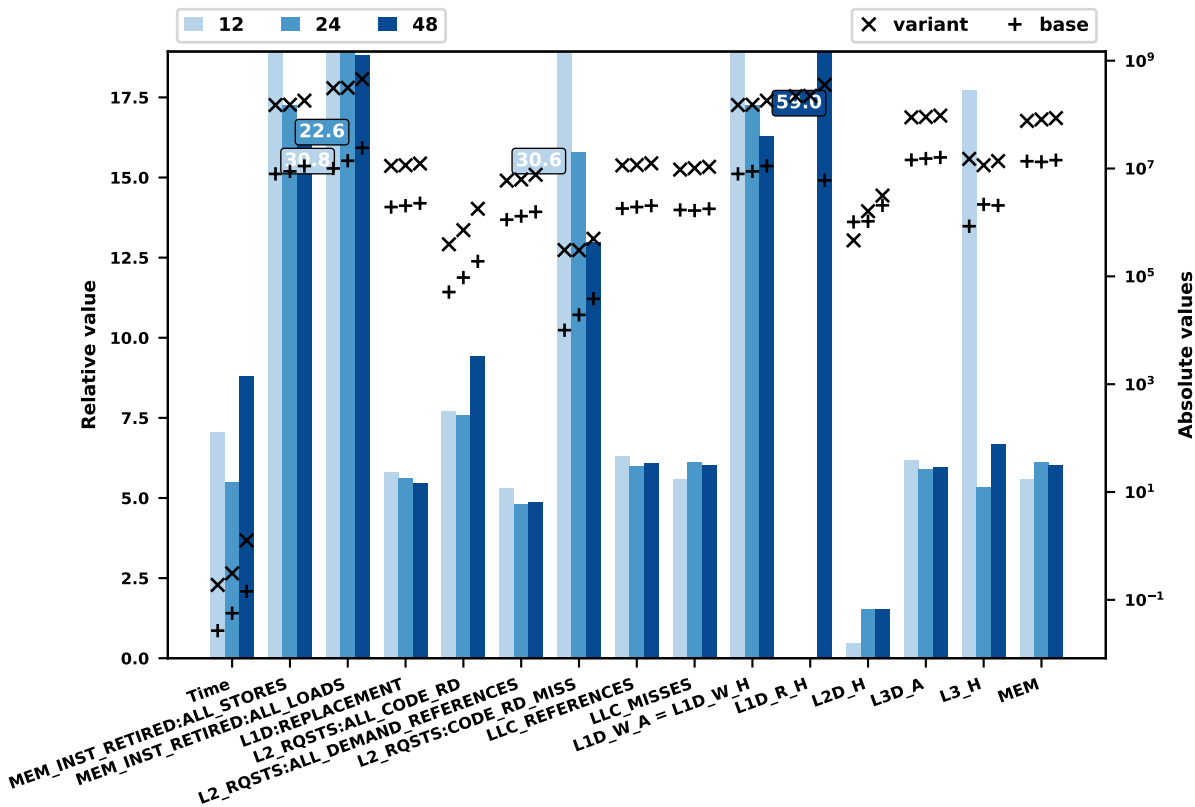

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion18

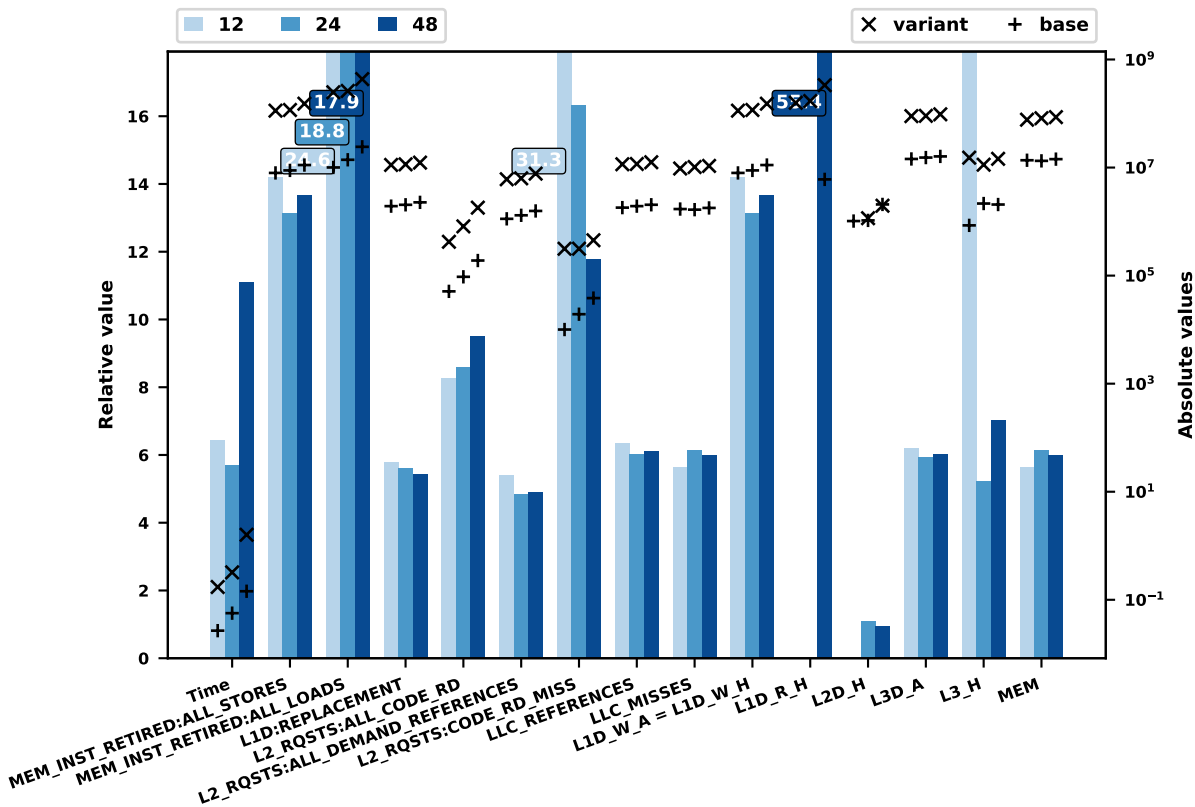

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion18

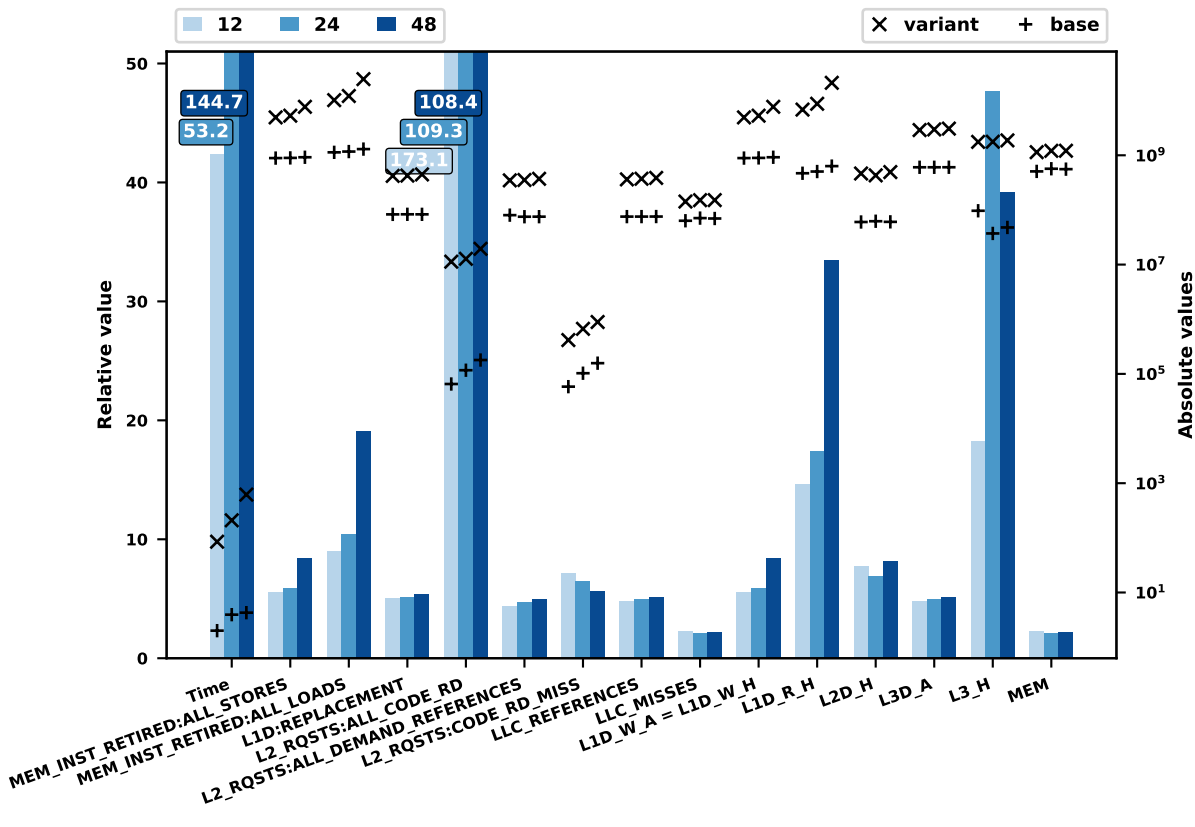

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion18

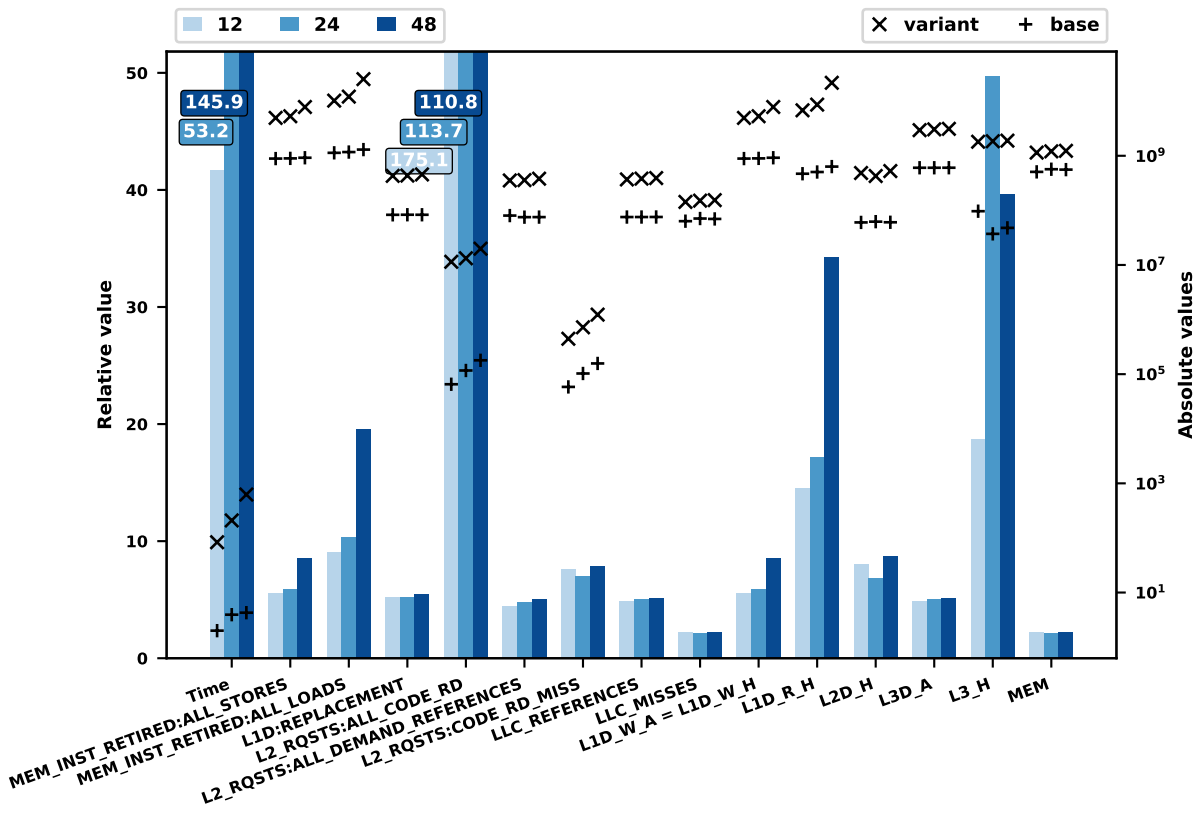

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion18

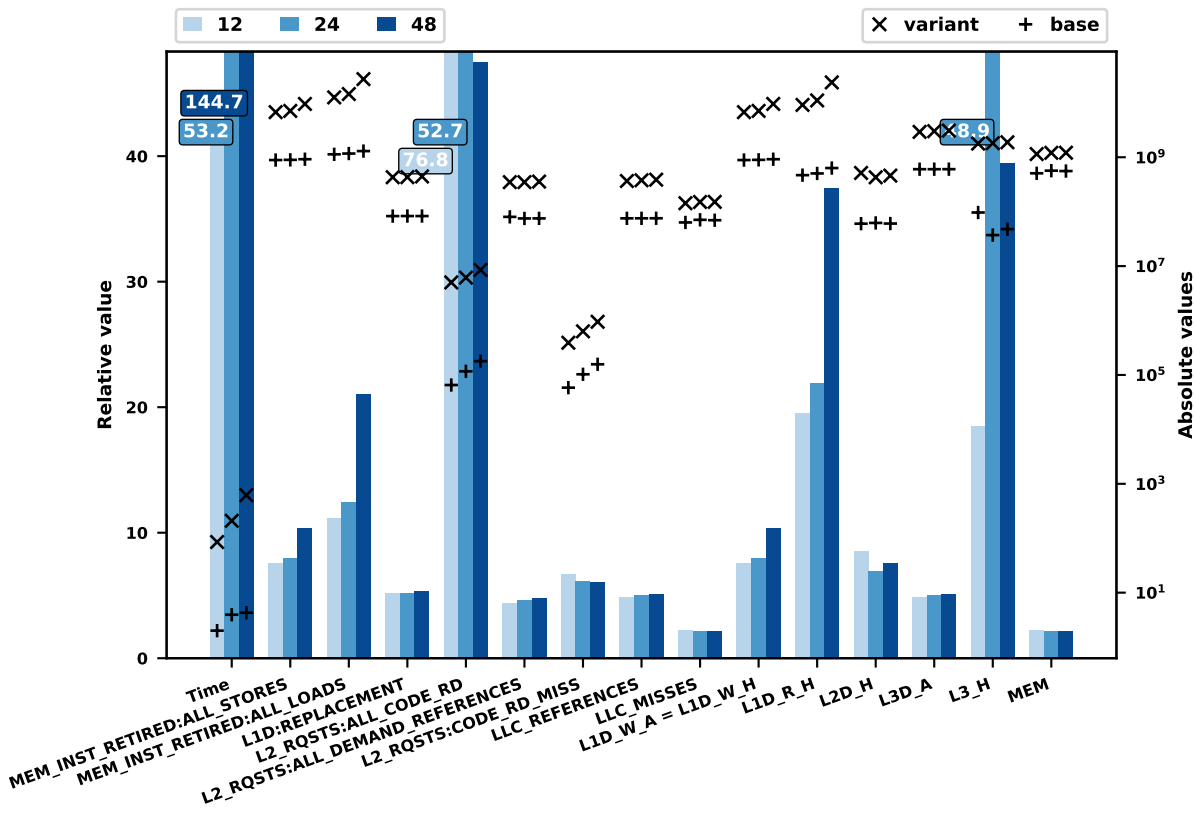

**A. Comparing 351.bwaves-tsan-noread variant
with base for region ImplTaskRegion19**

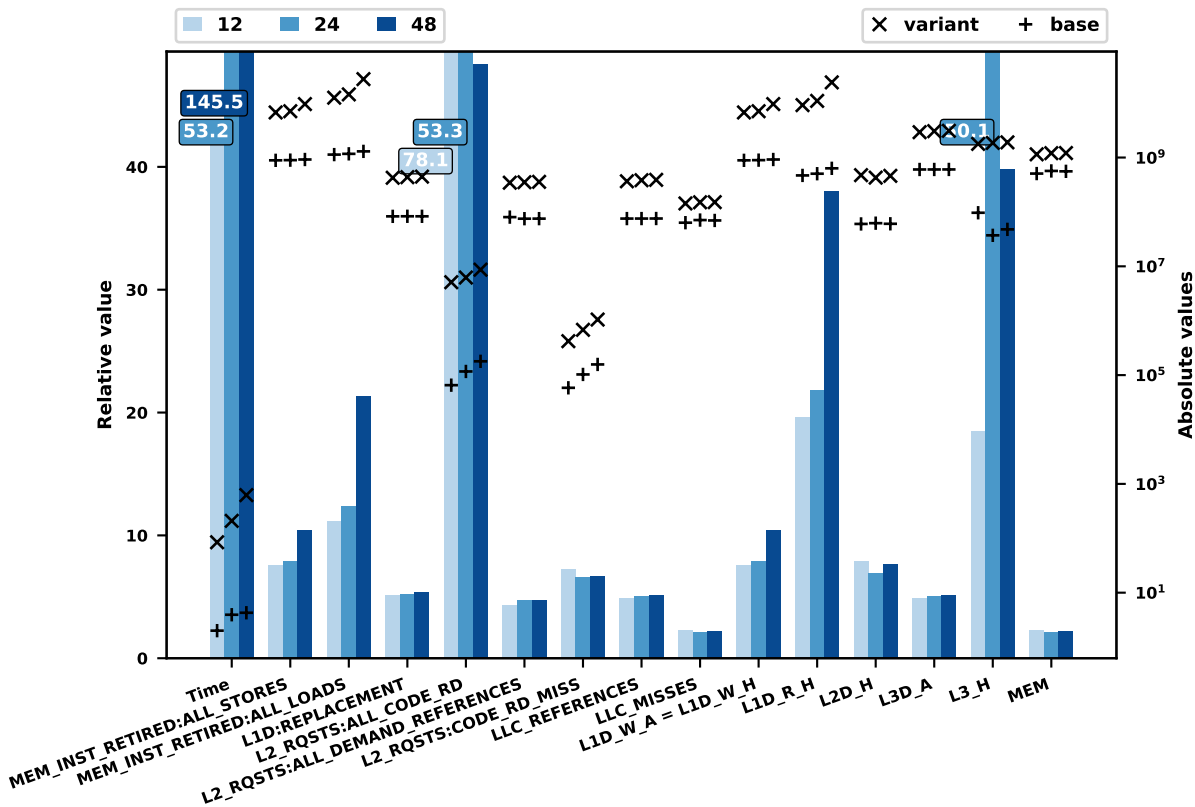

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion19

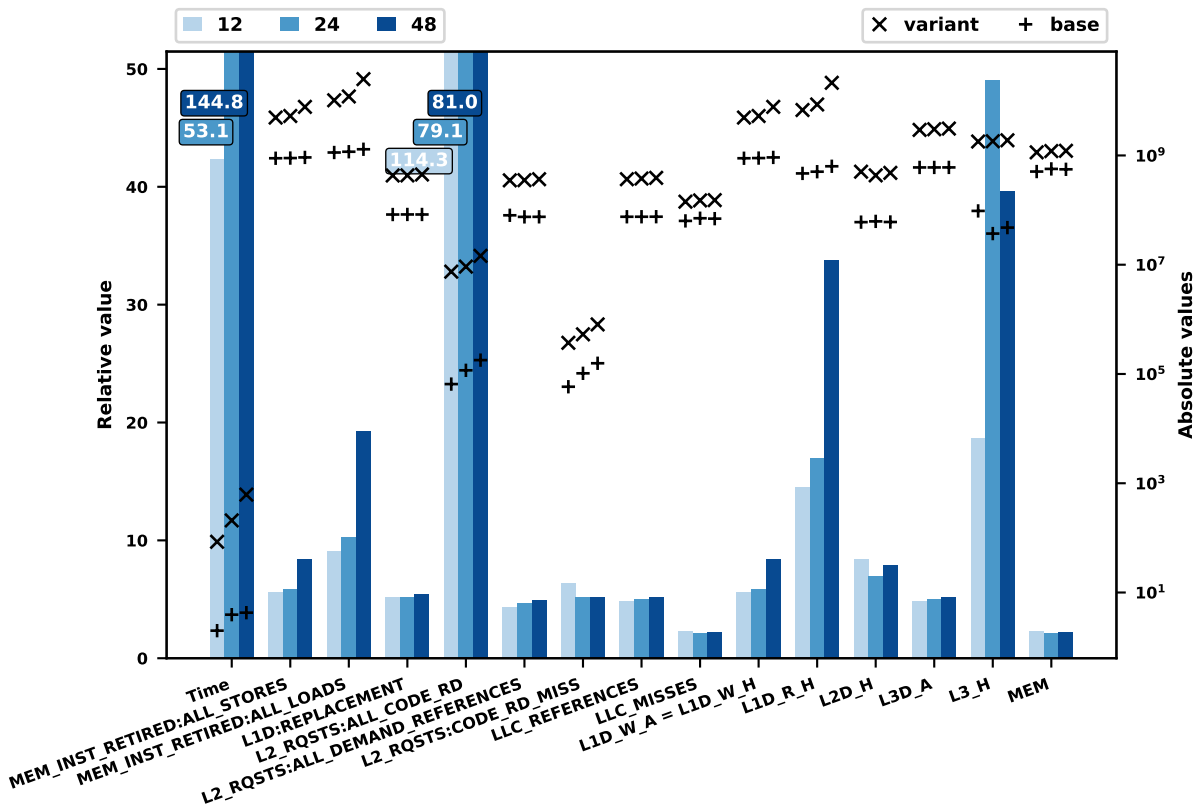

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion19

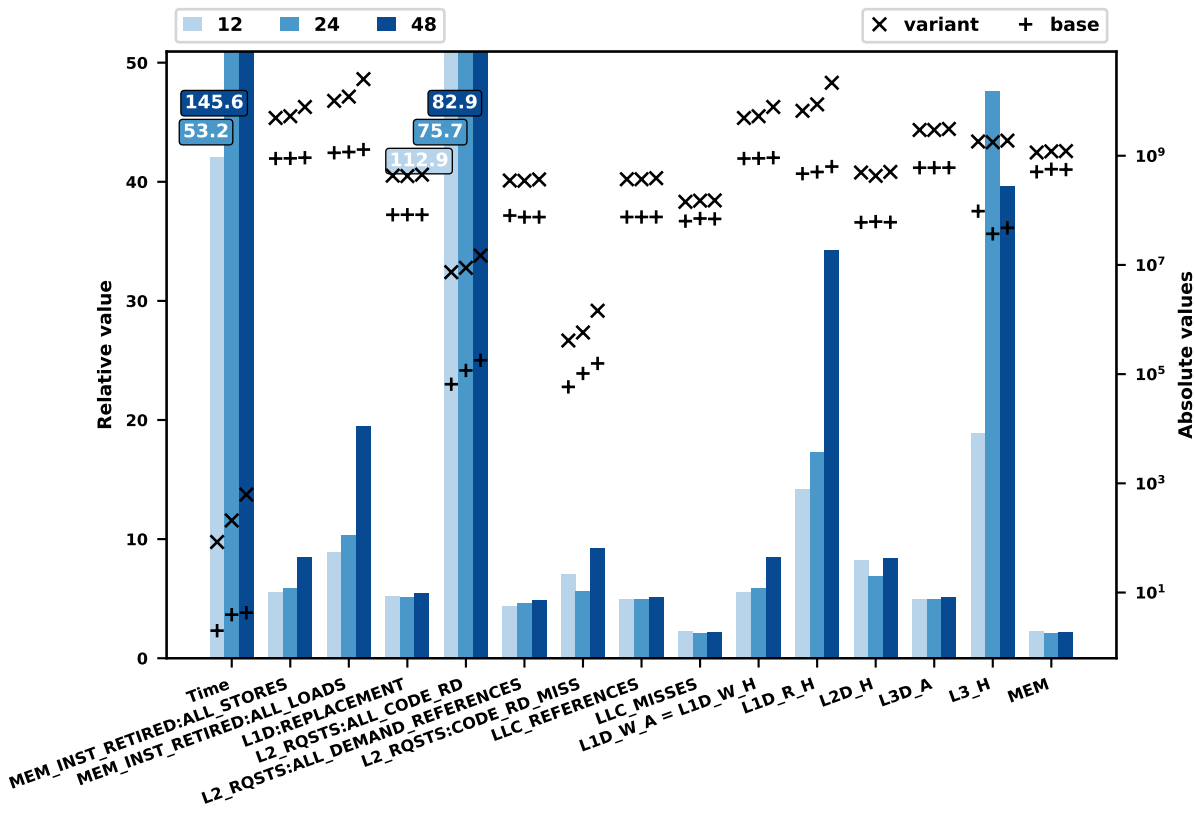

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion19

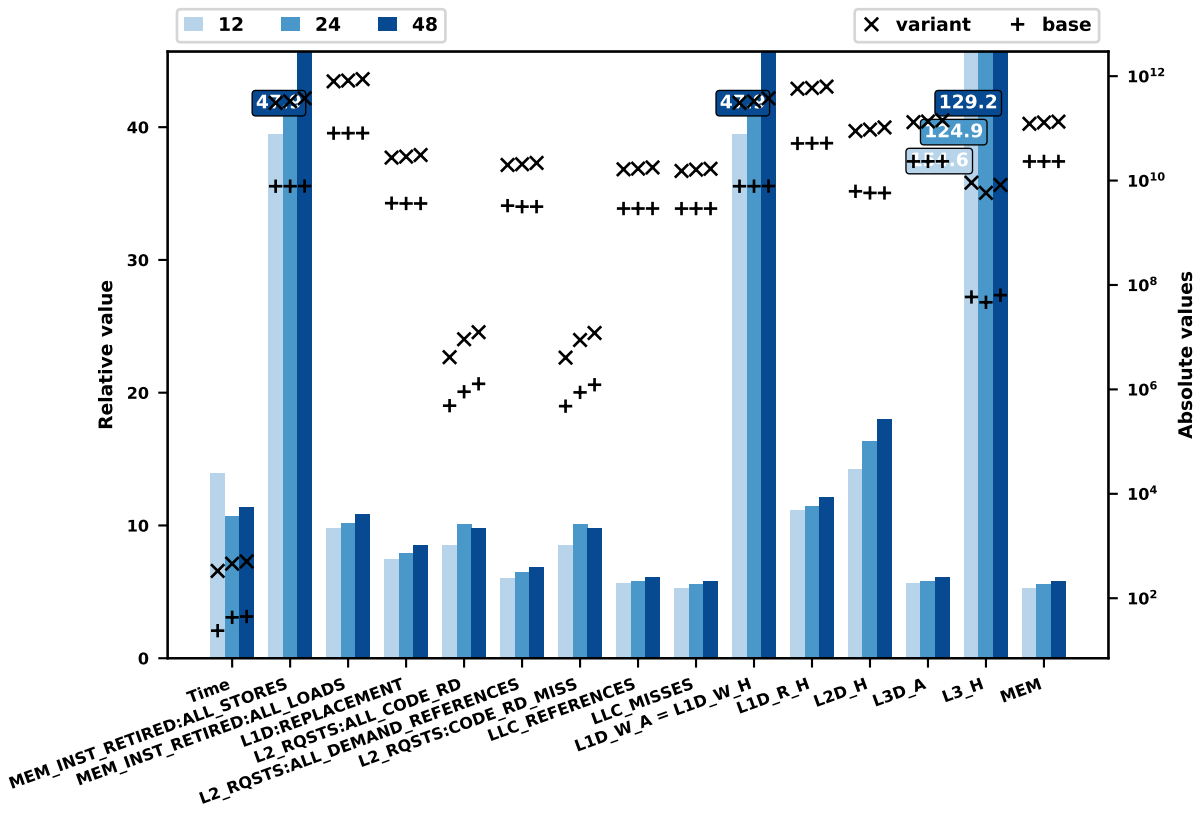

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion19

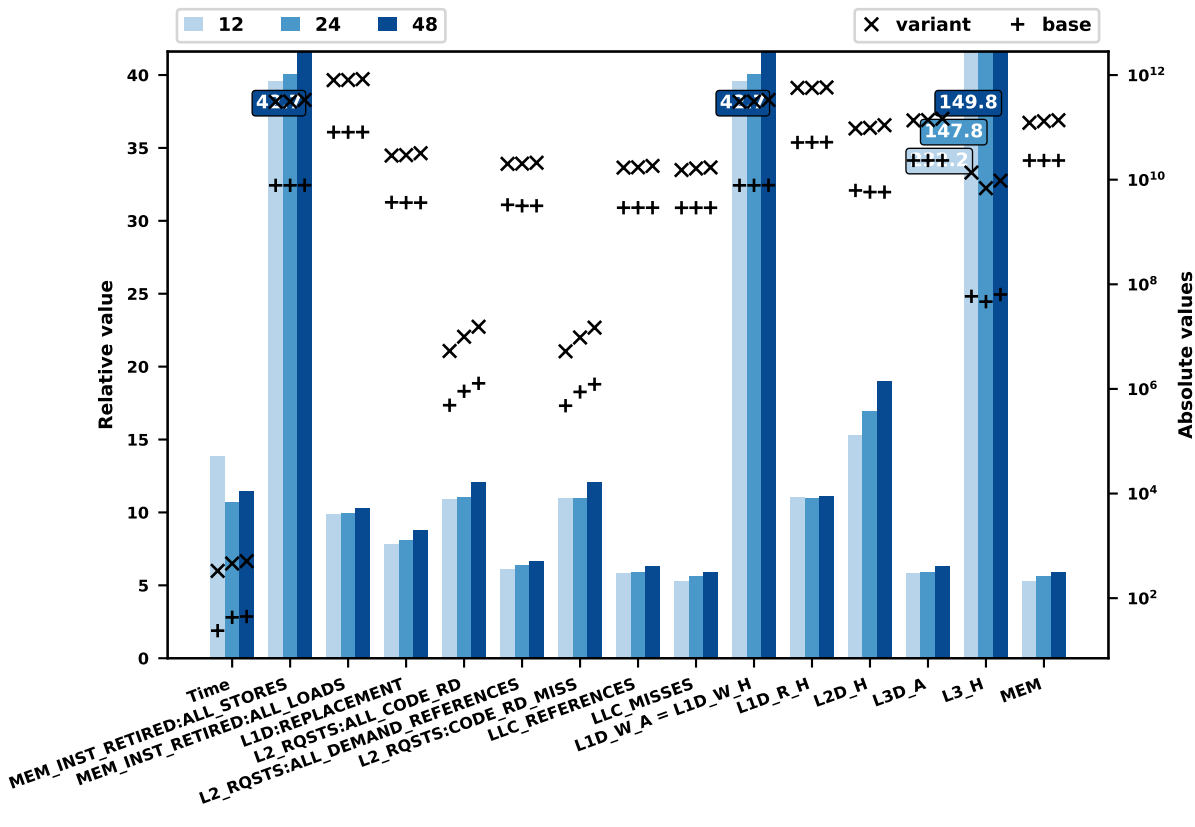

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion19

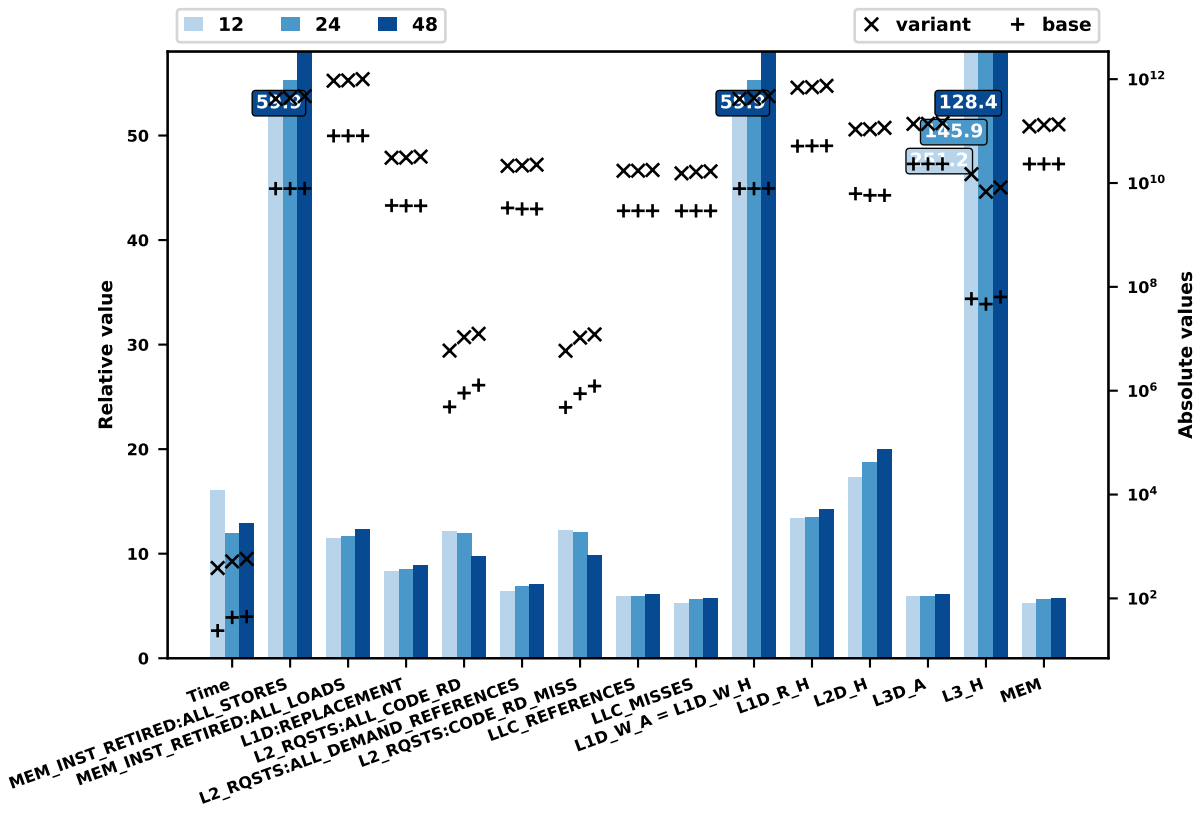

**A. Comparing 351.bwaves-tsan-noread variant
with base for region ImplTaskRegion20**

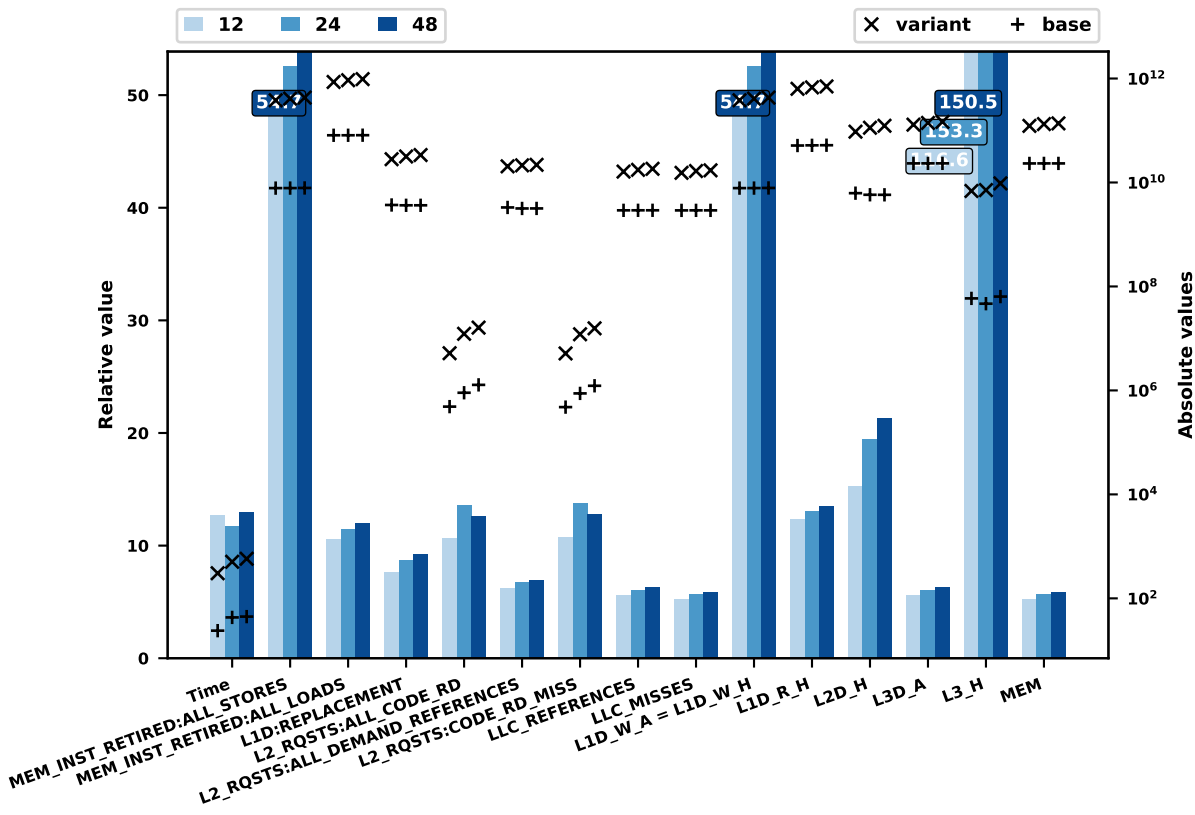

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion20

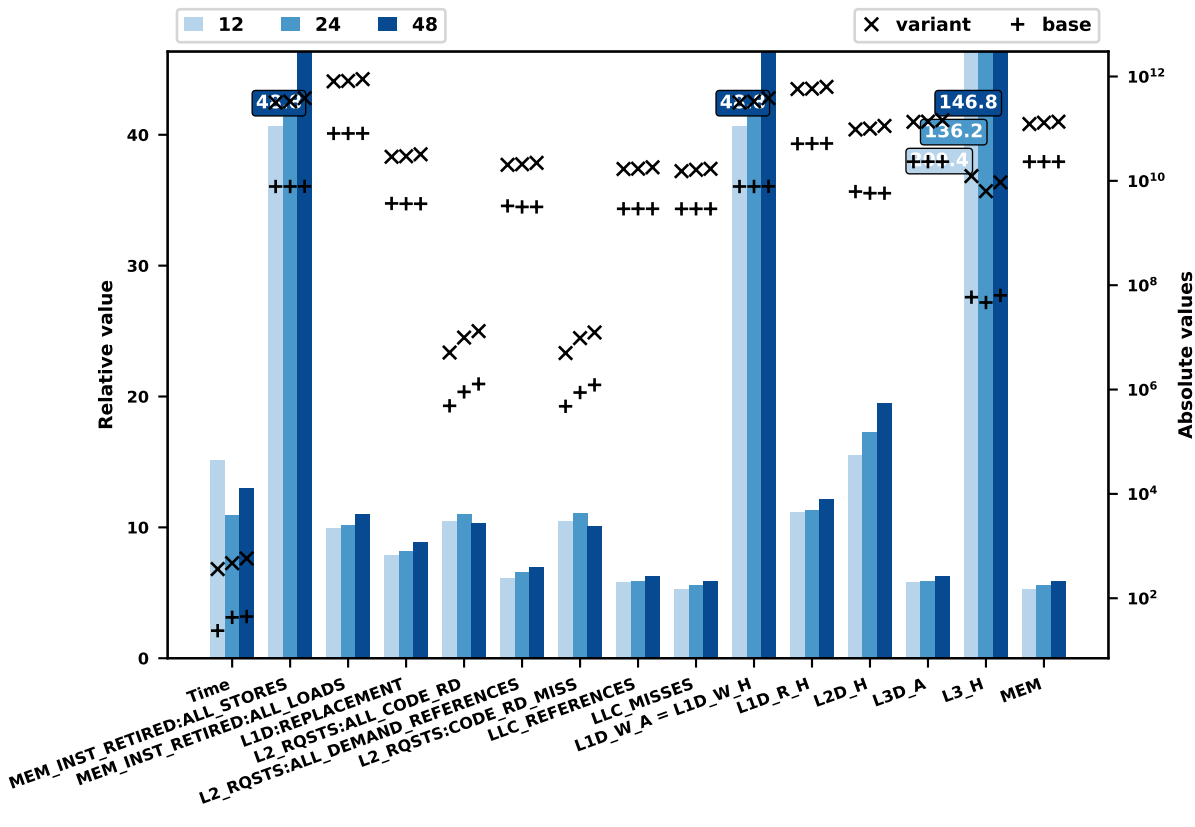

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion20

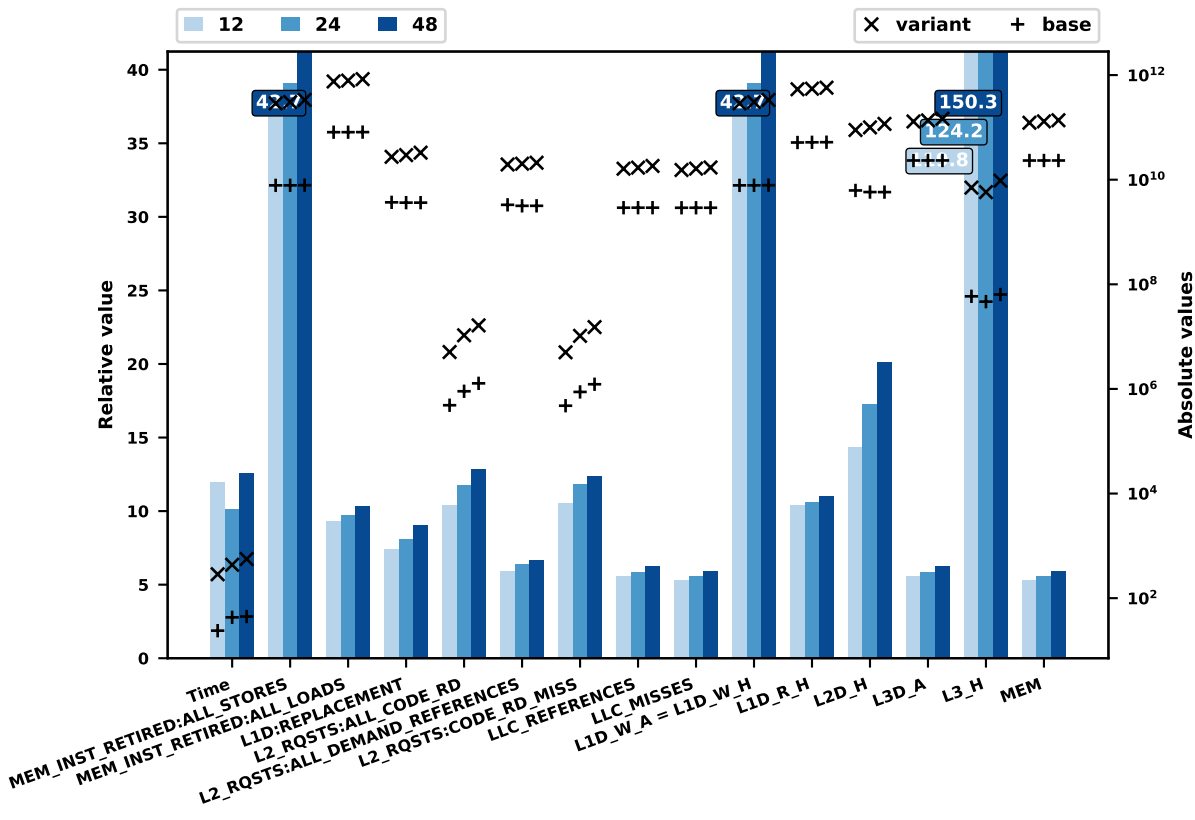

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion20

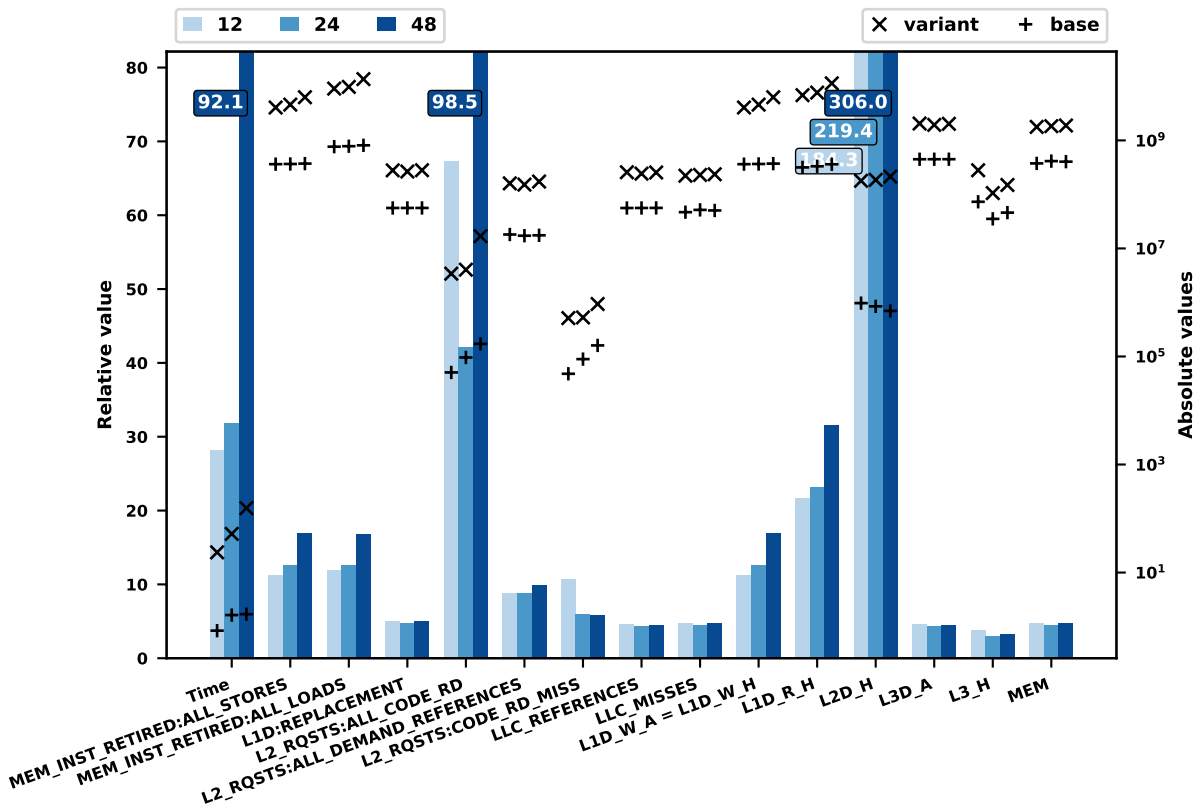

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion20

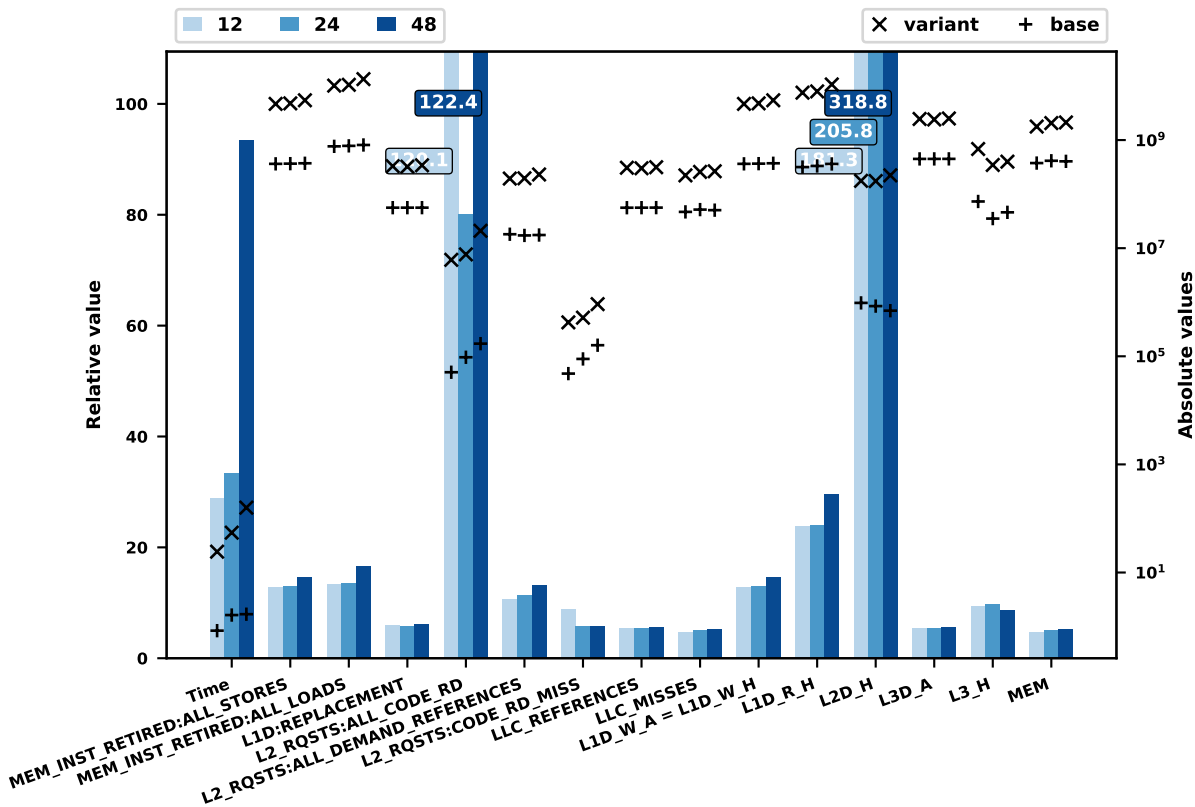

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion20

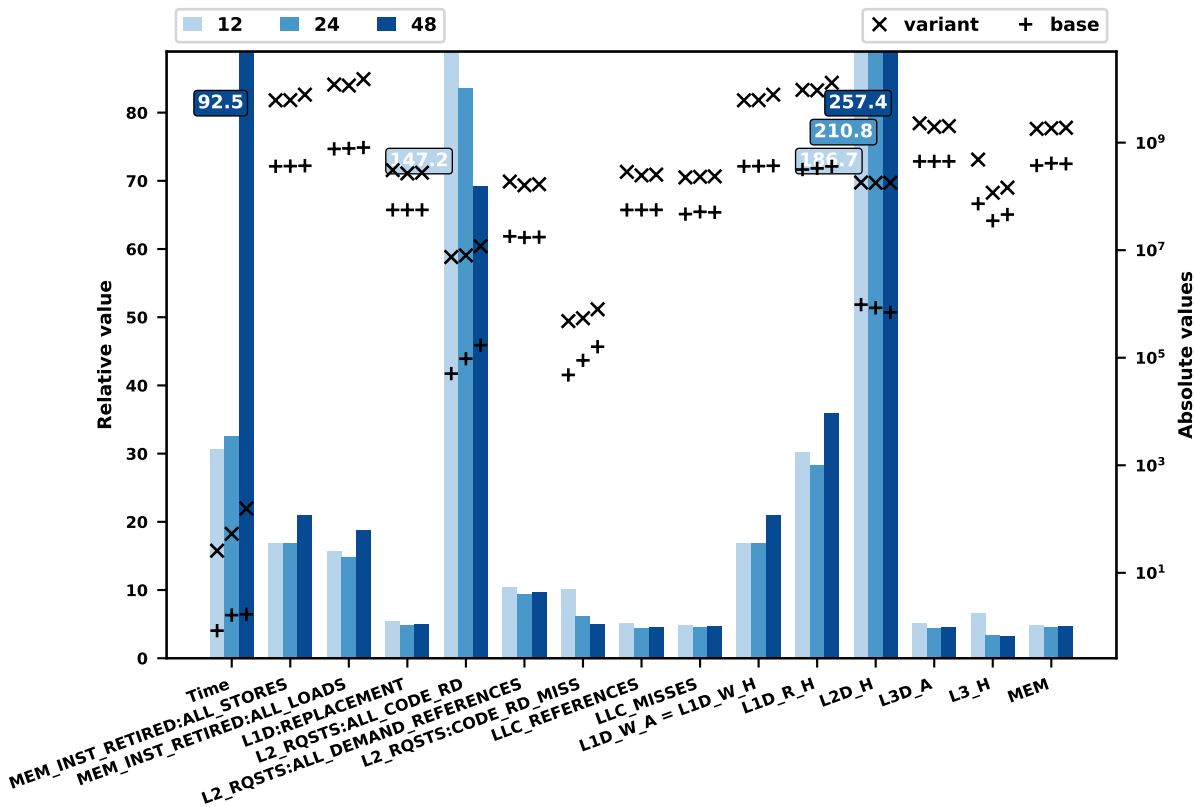

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion21

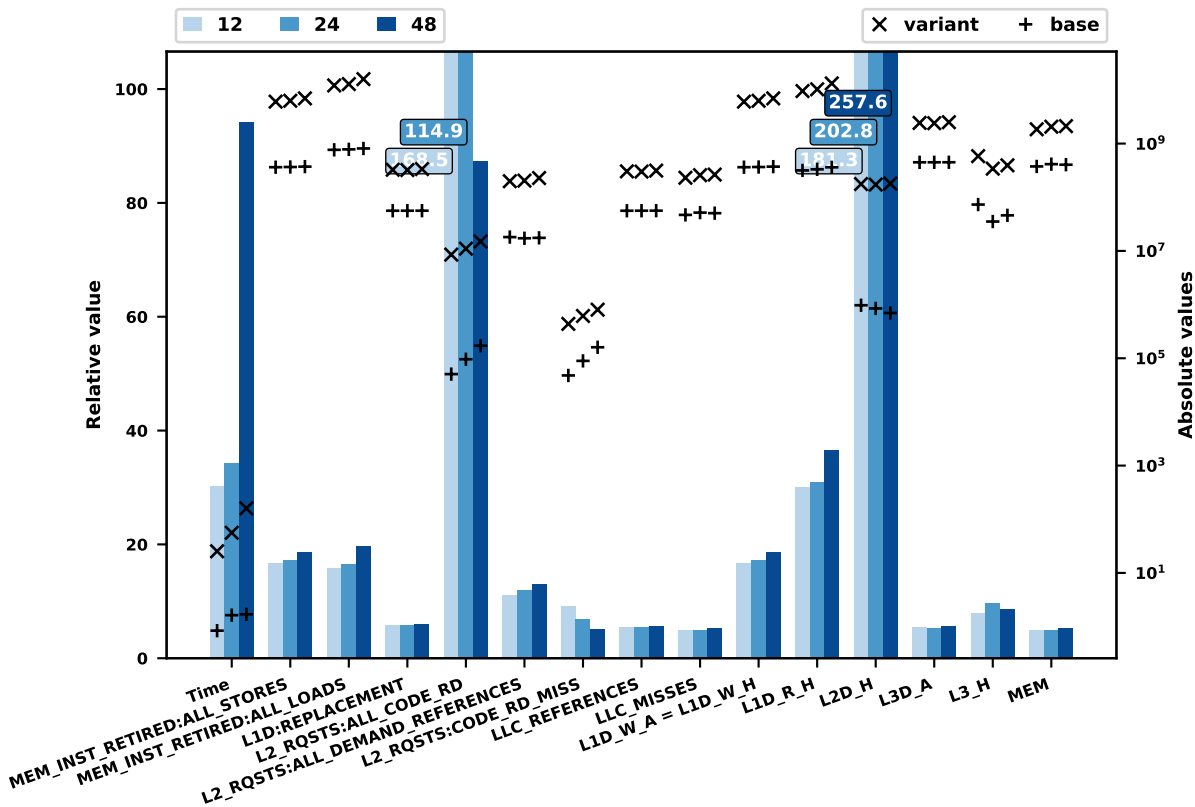

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion21

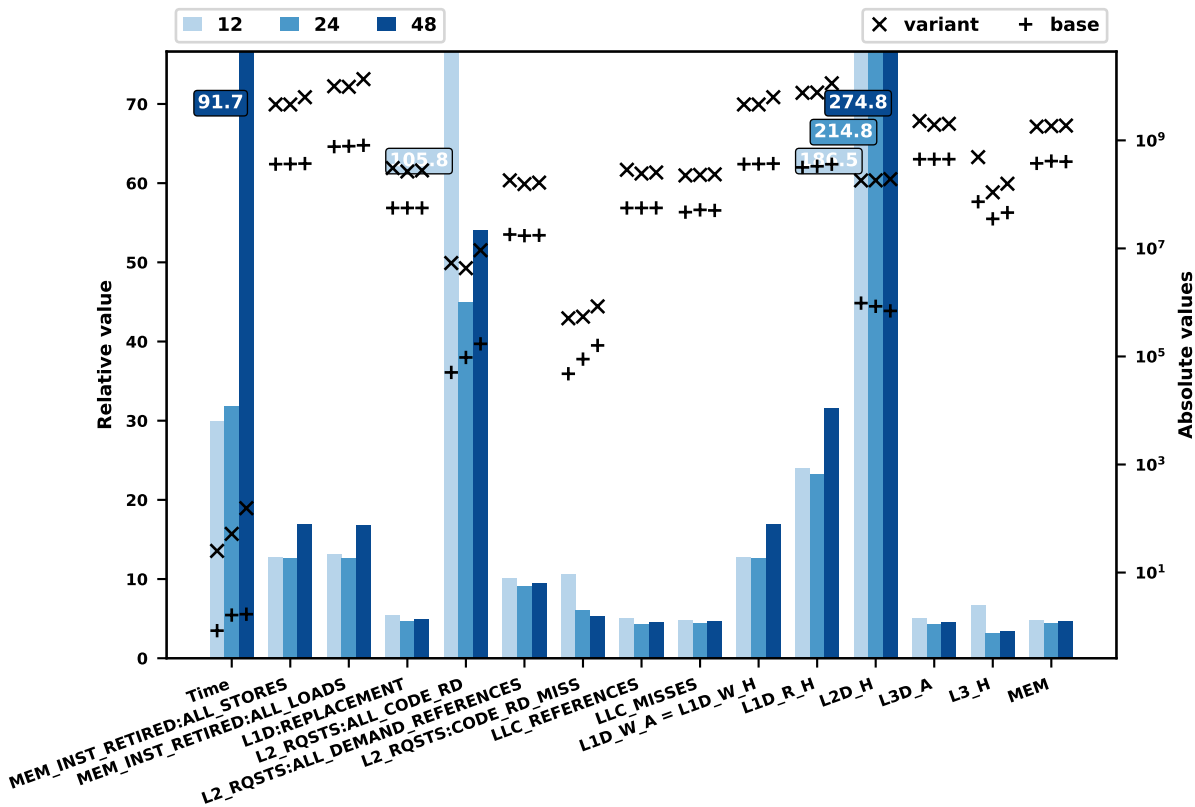

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion21

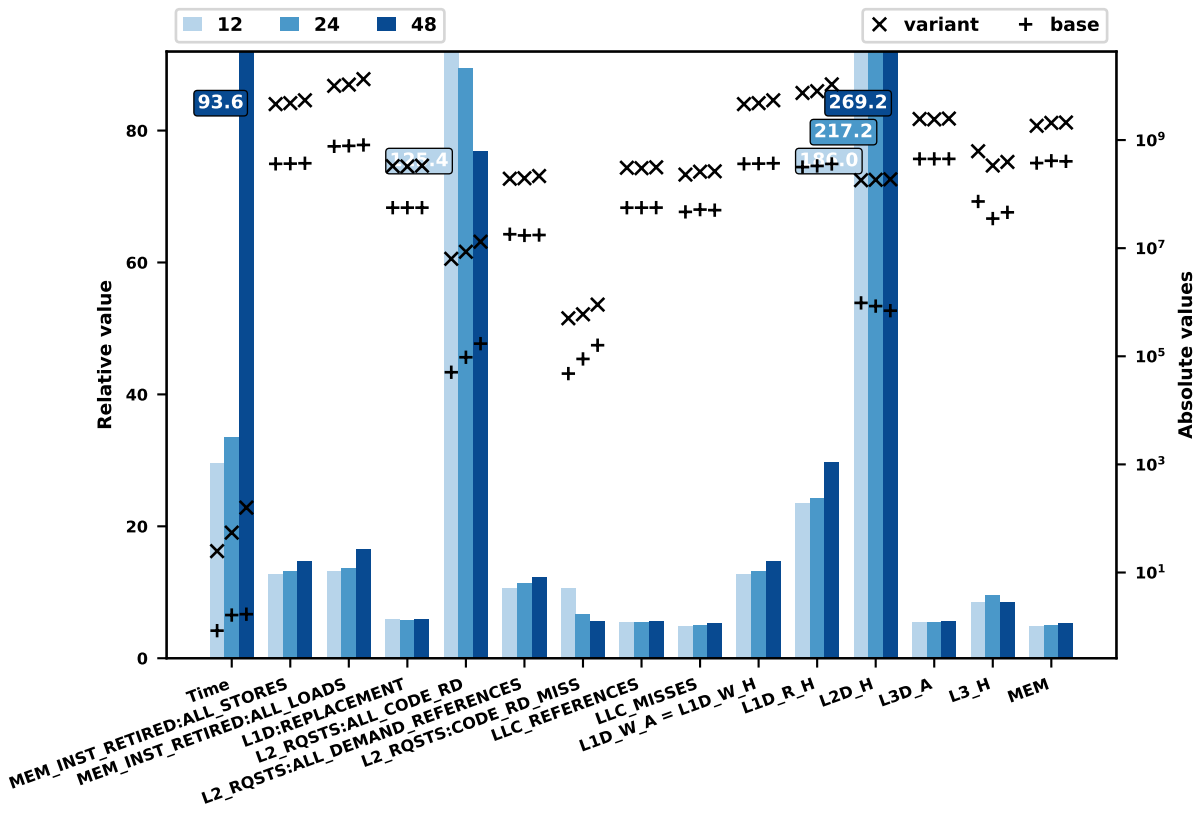

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion21

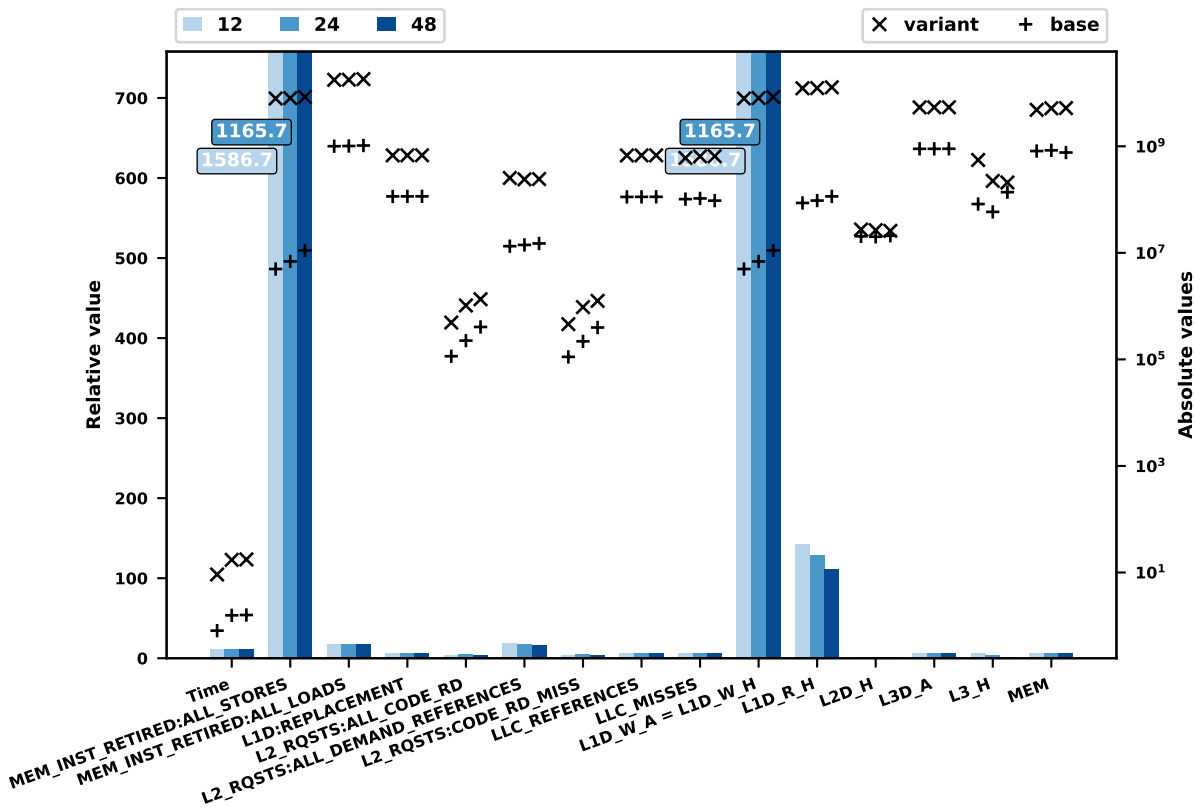

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion21

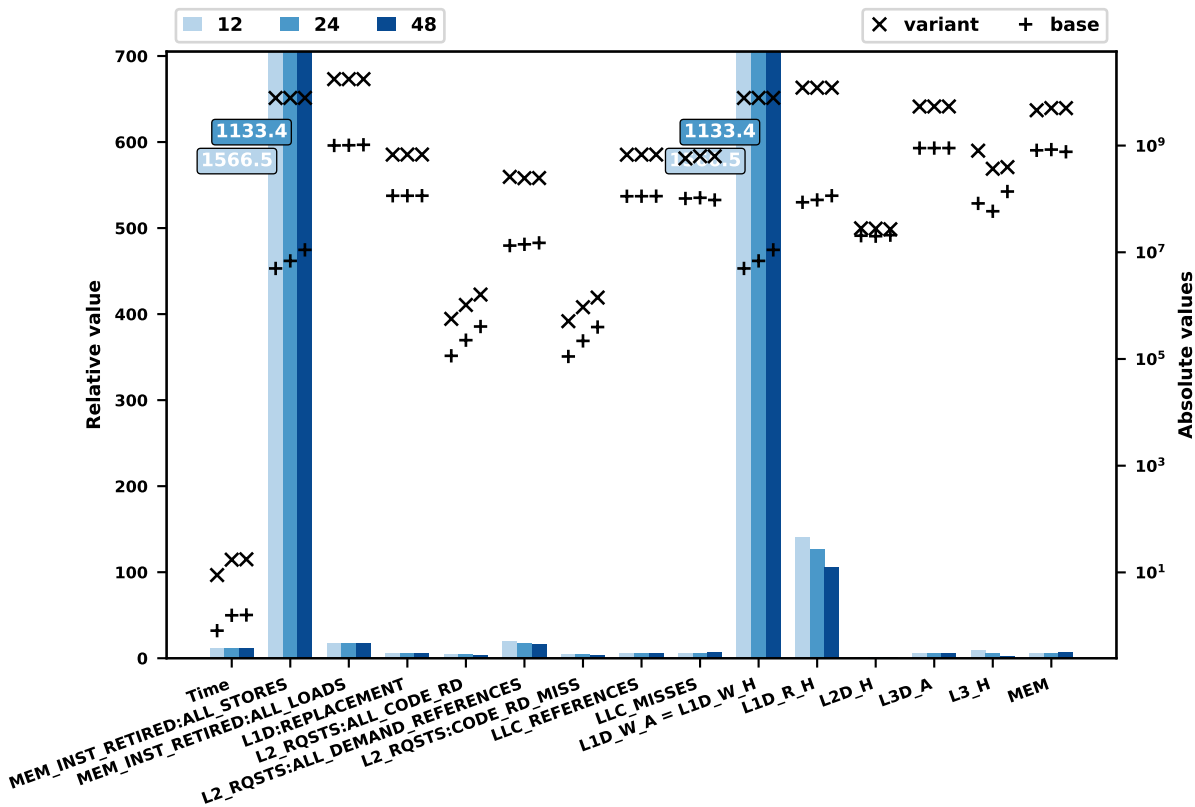

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion21

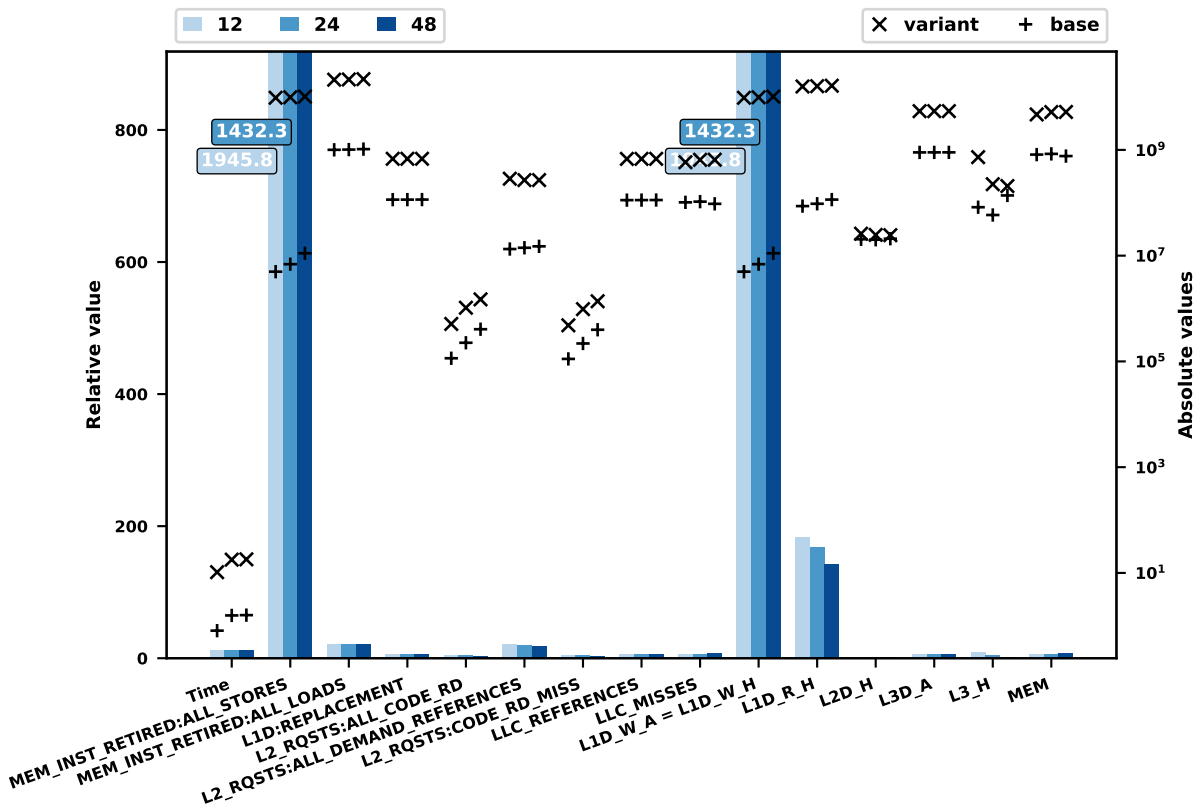

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion22

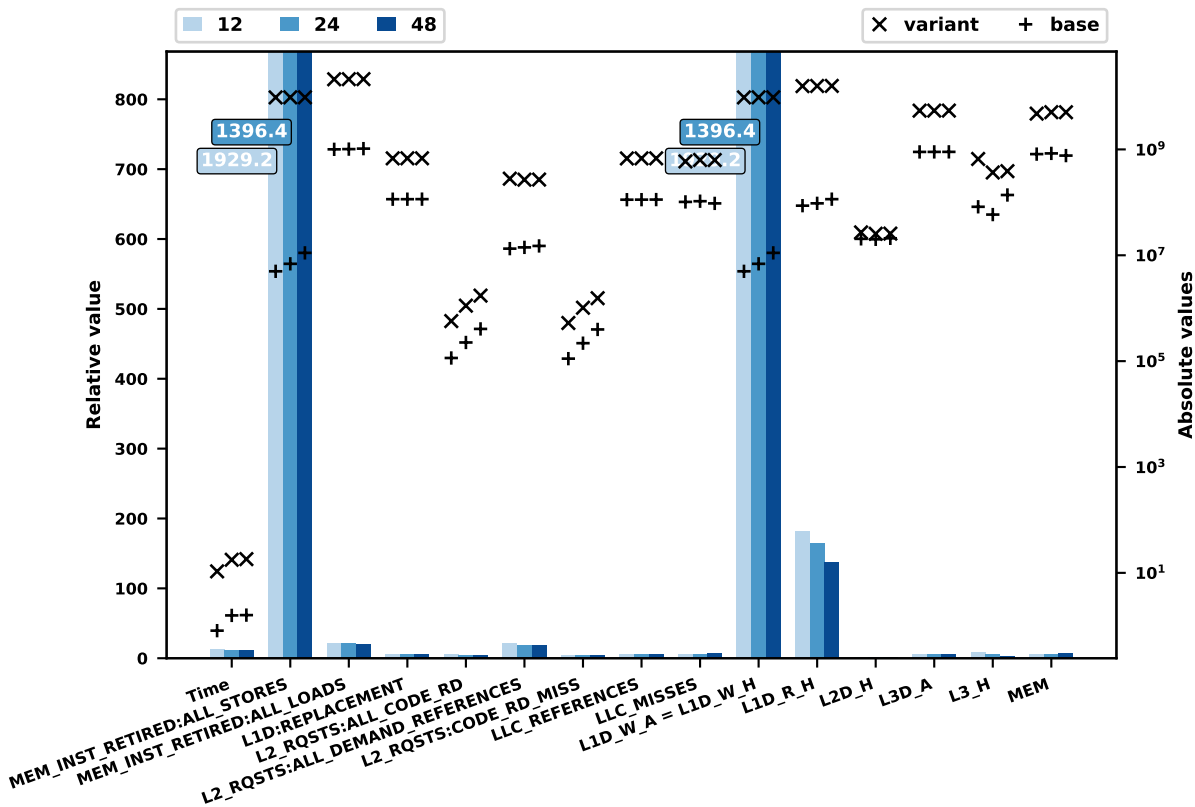

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion22

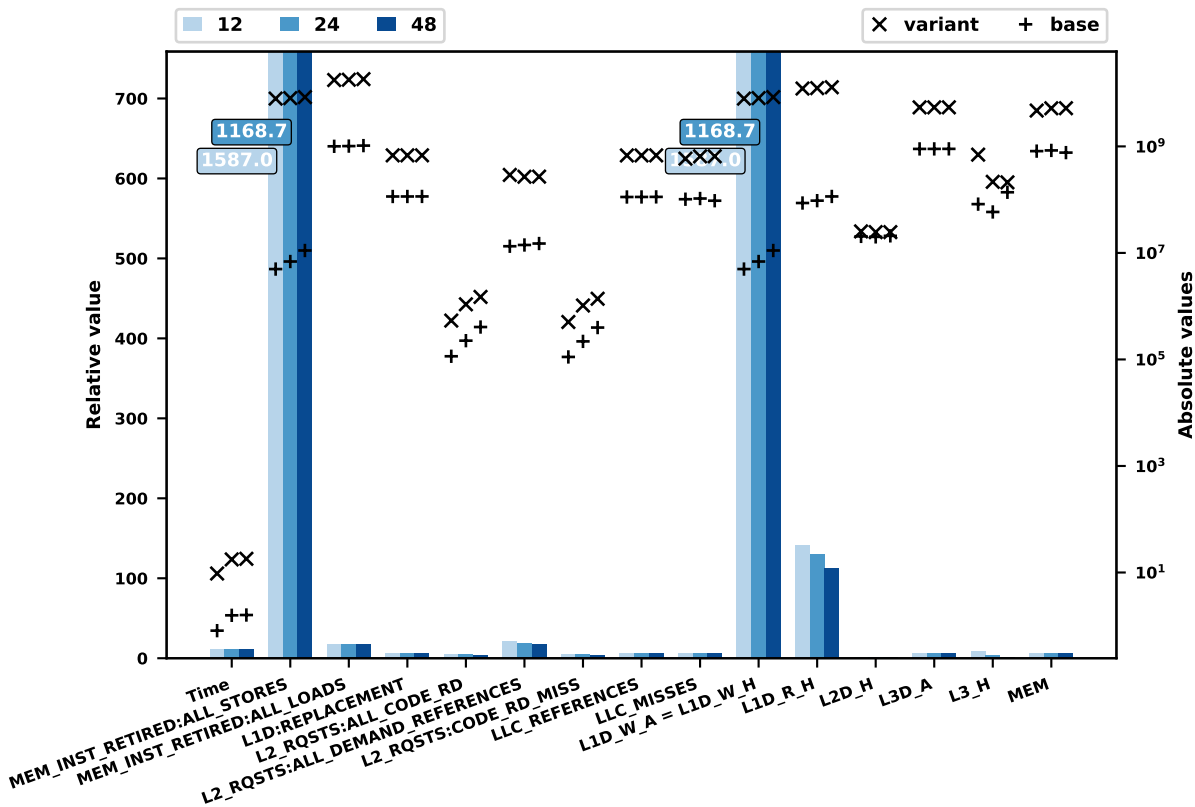

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion22

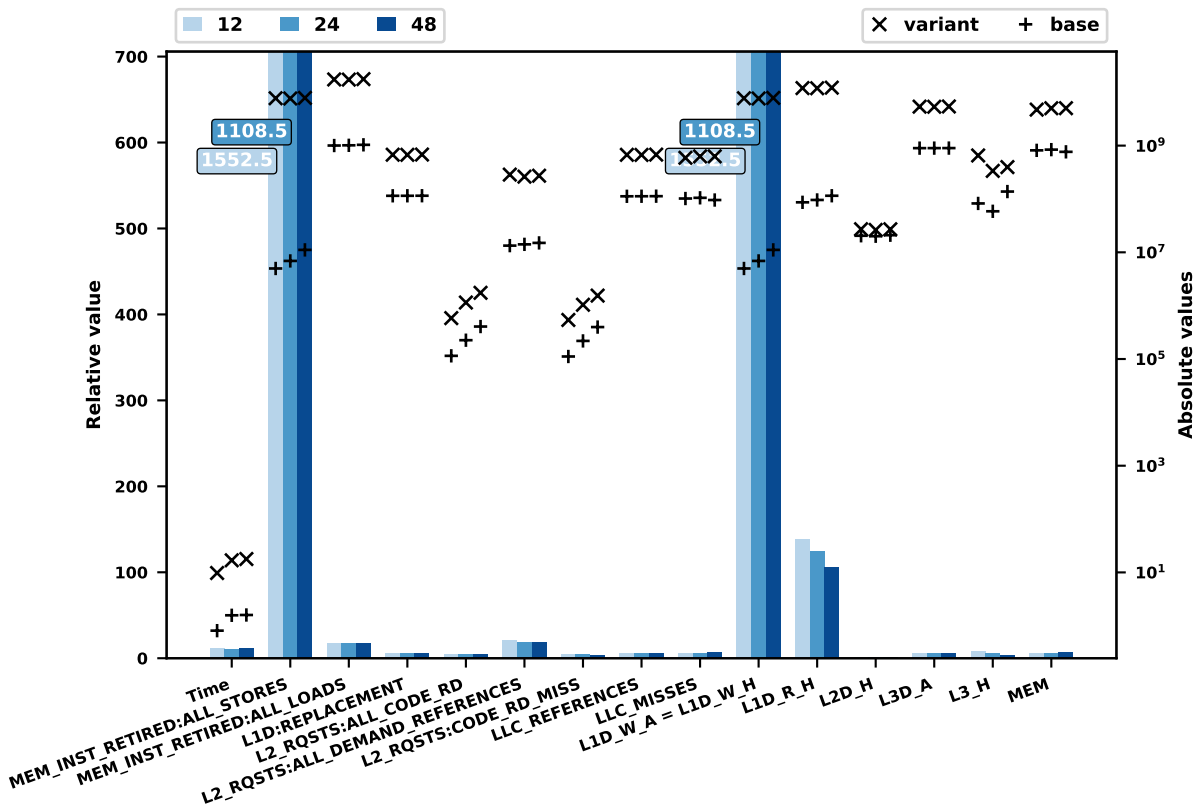

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion22

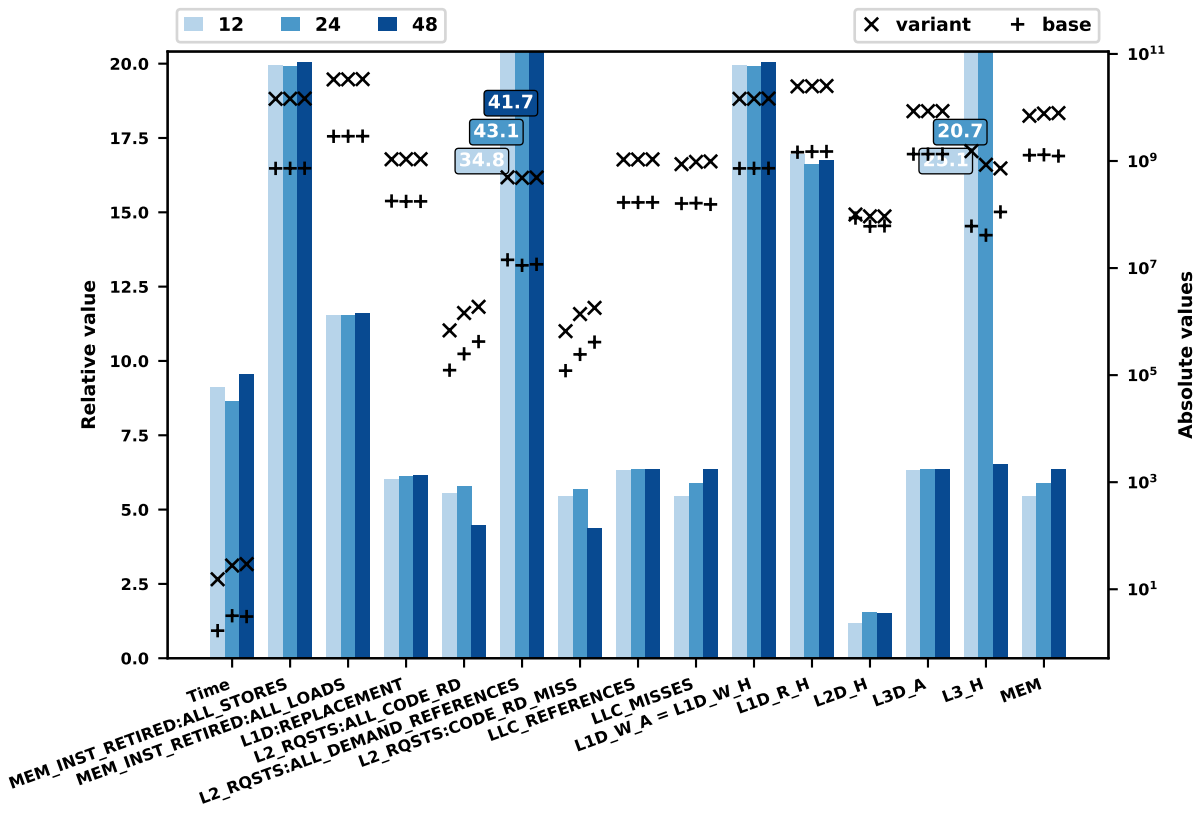

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion22

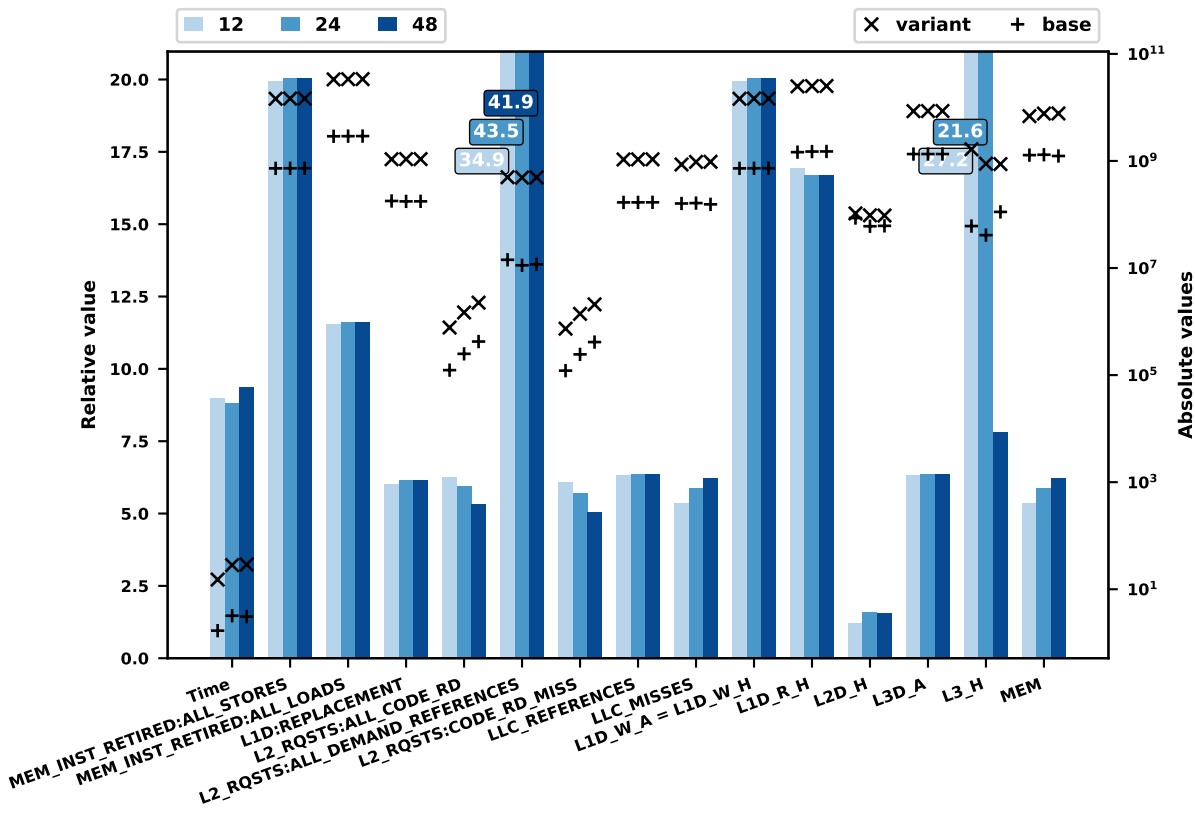

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion22

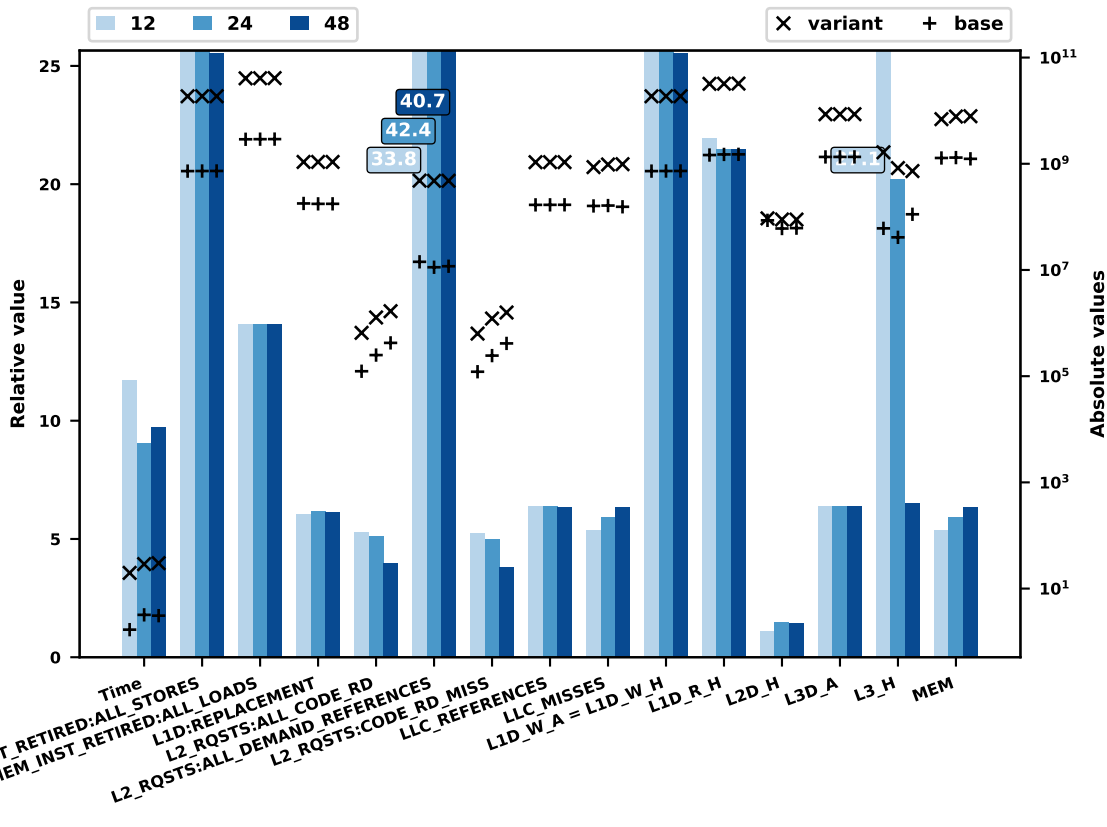

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion23

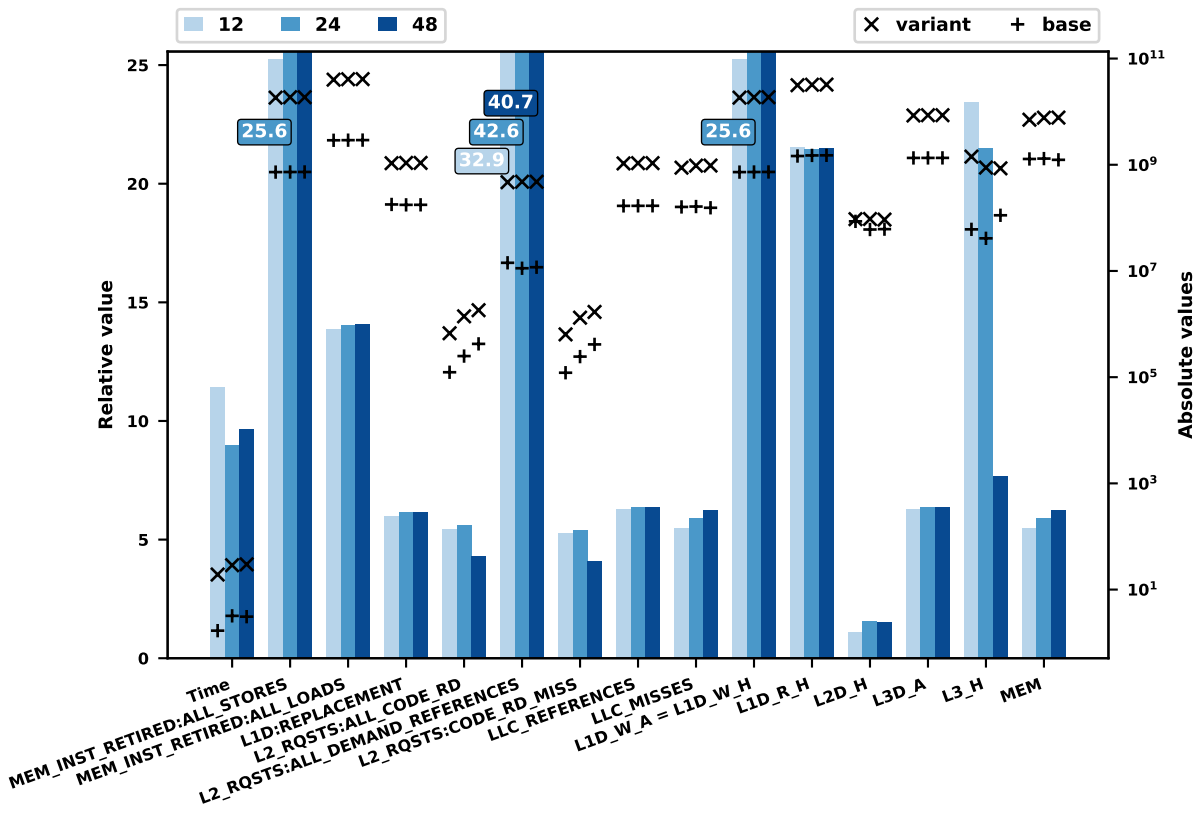

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion23

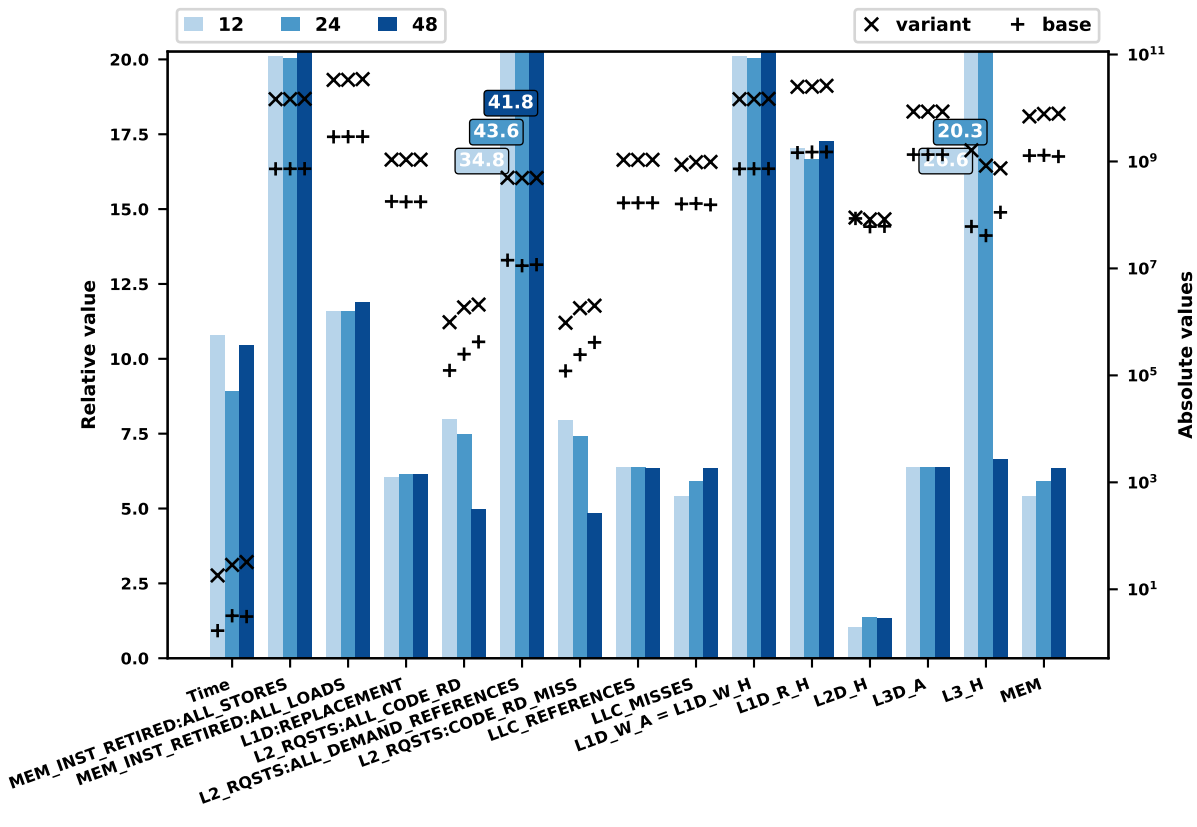

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion23

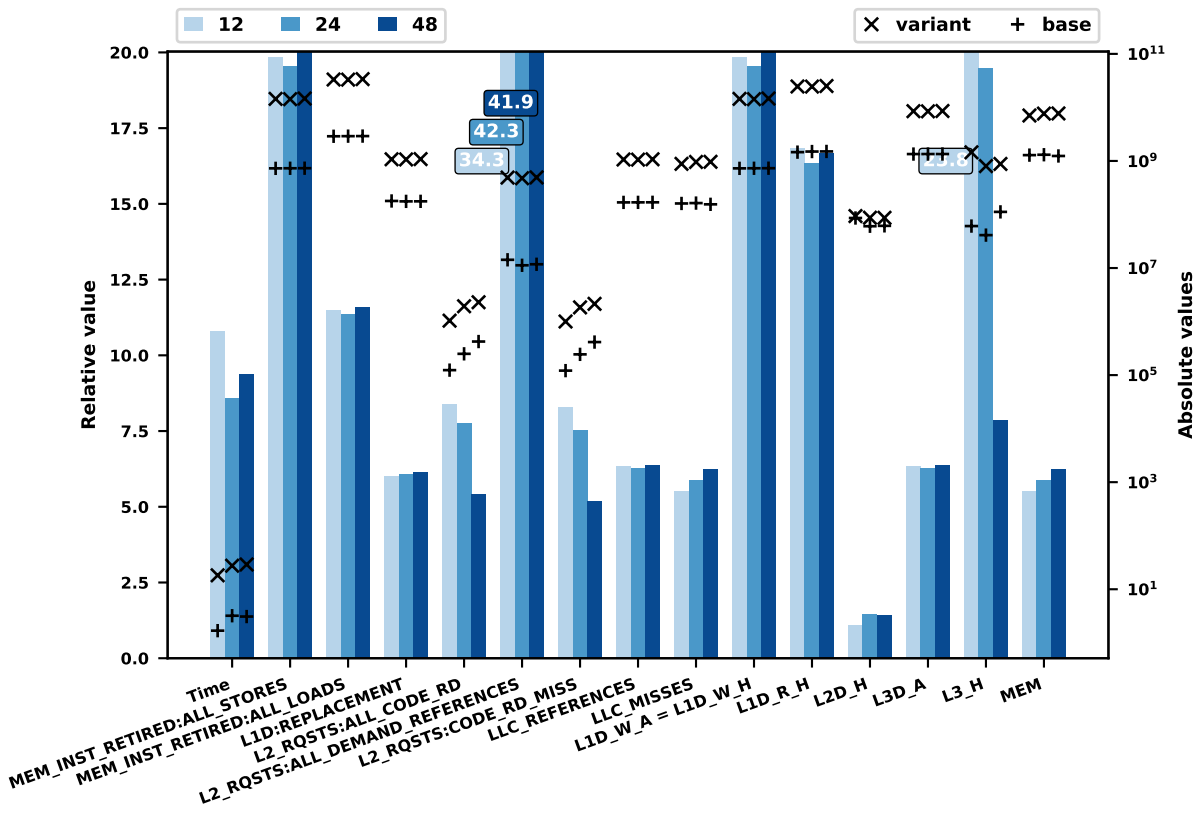

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion23

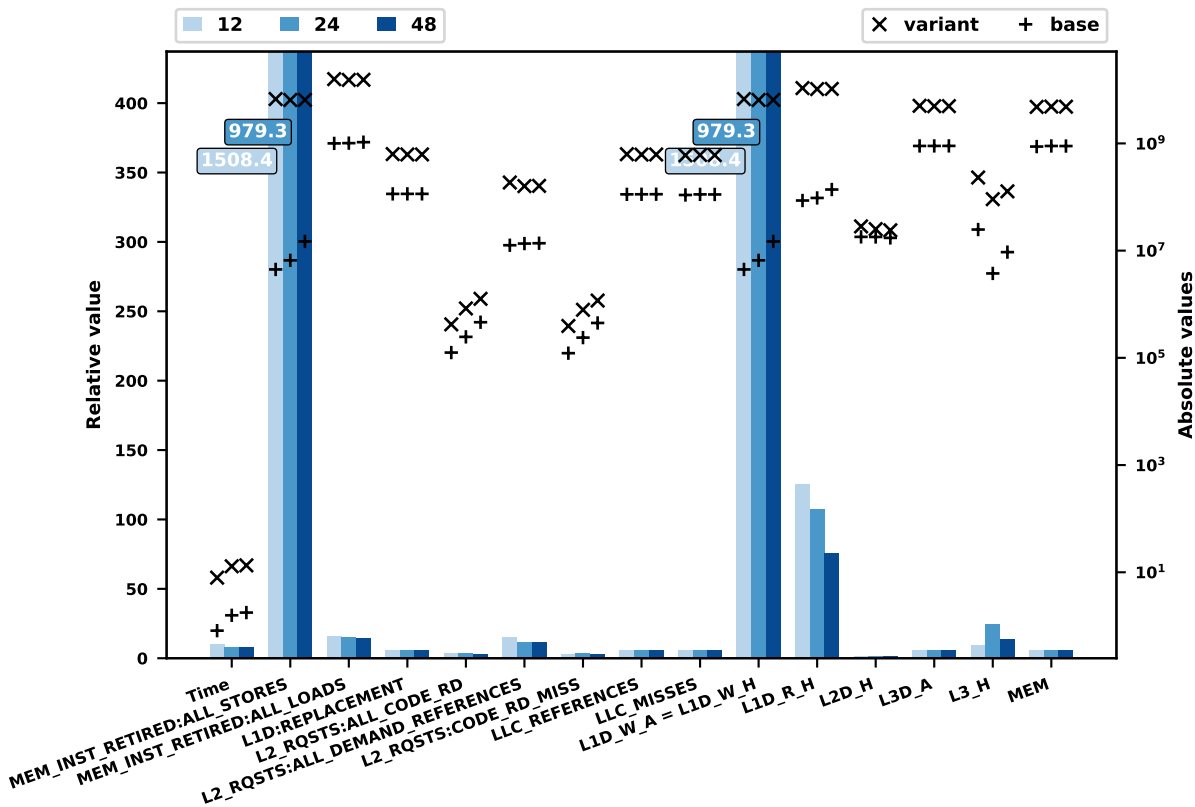

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion23

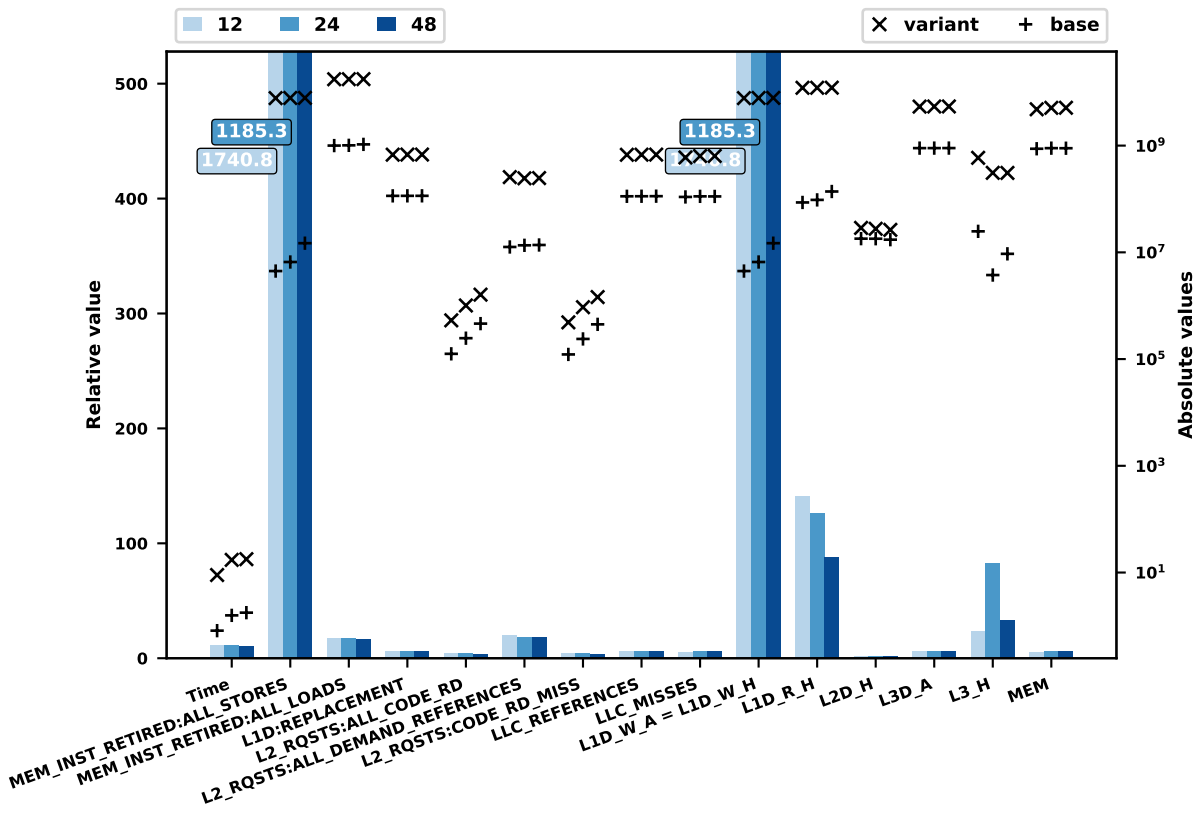

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion23

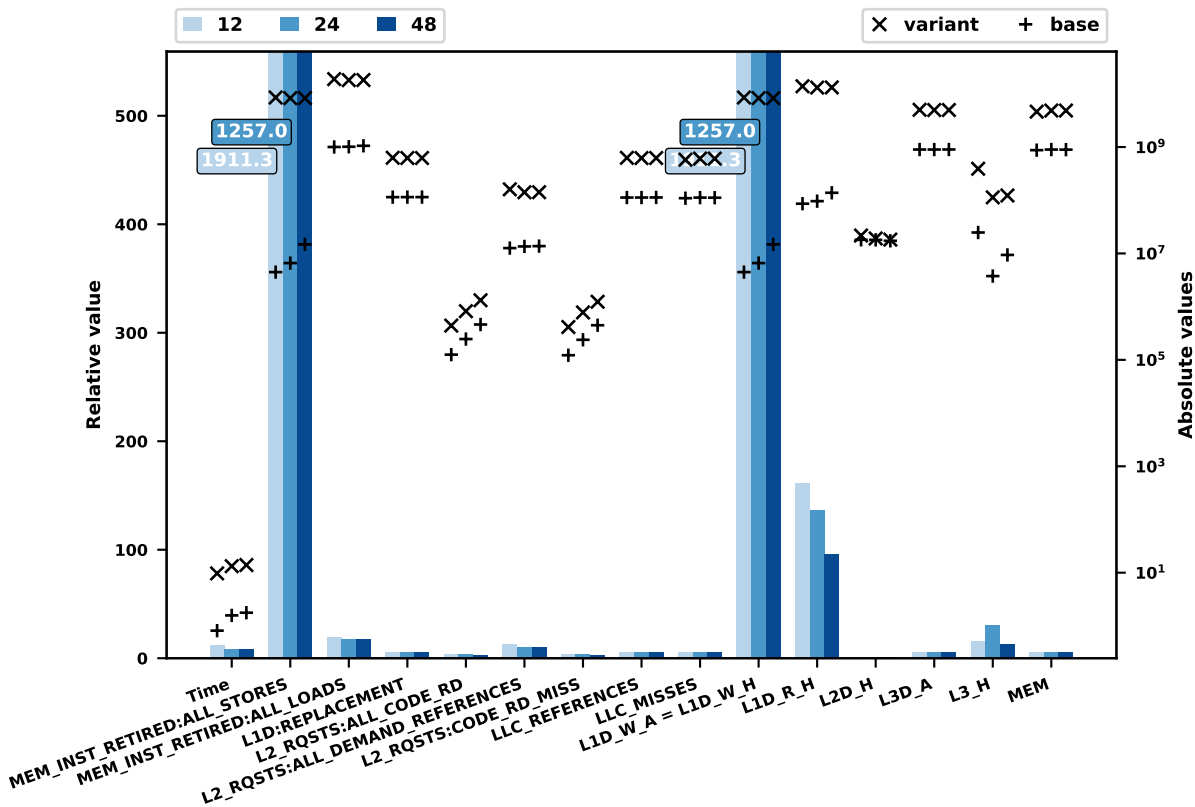

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion24

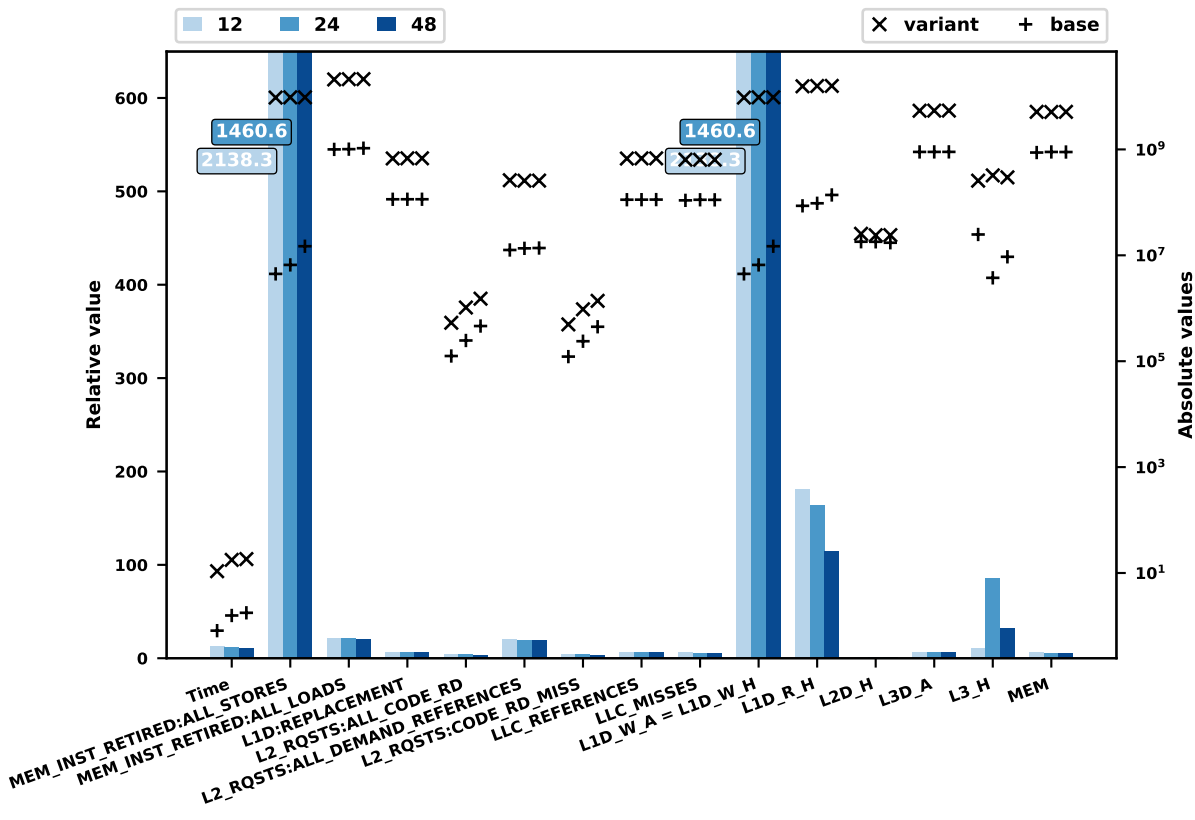

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion24

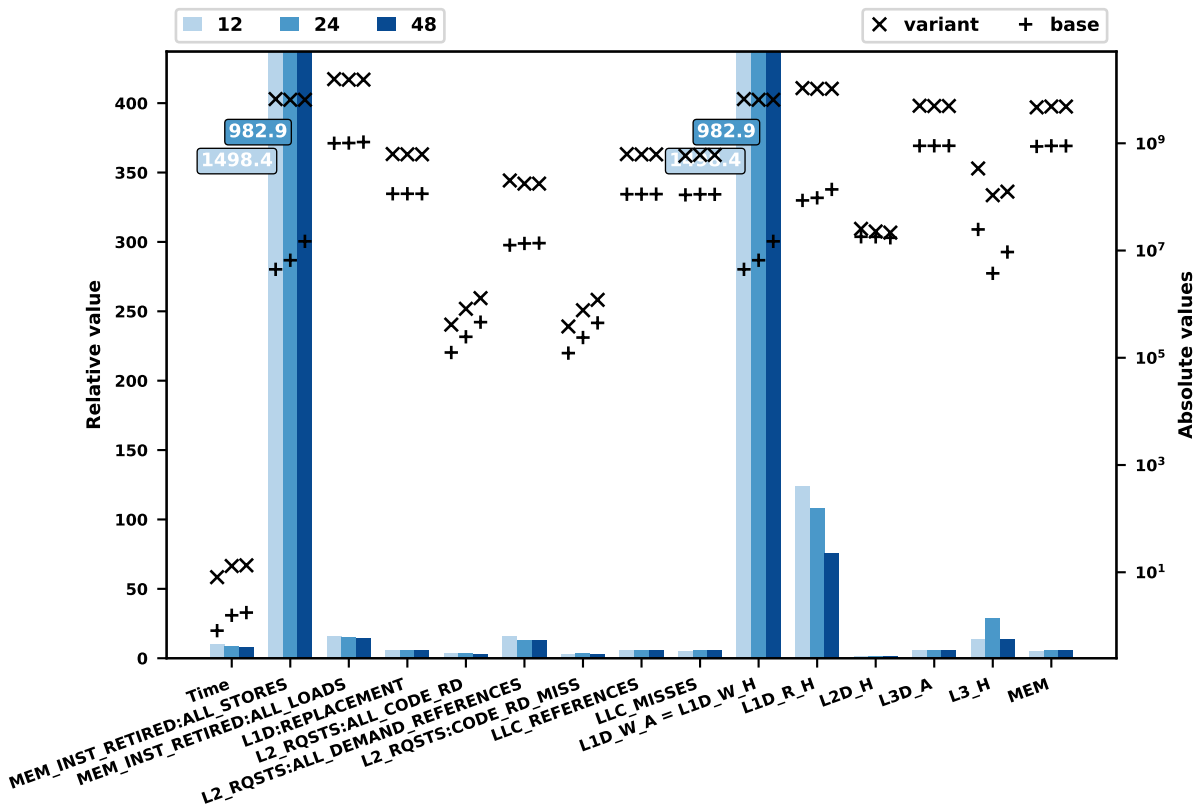

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion24

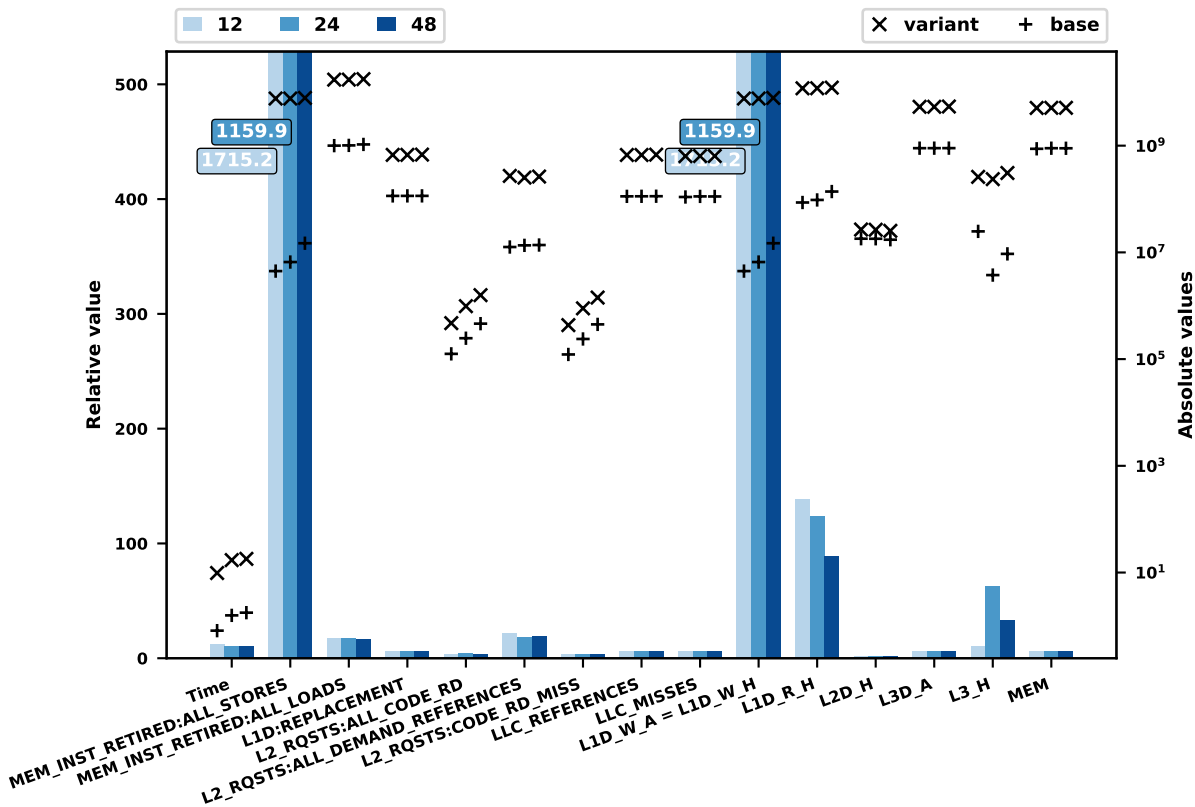

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion24

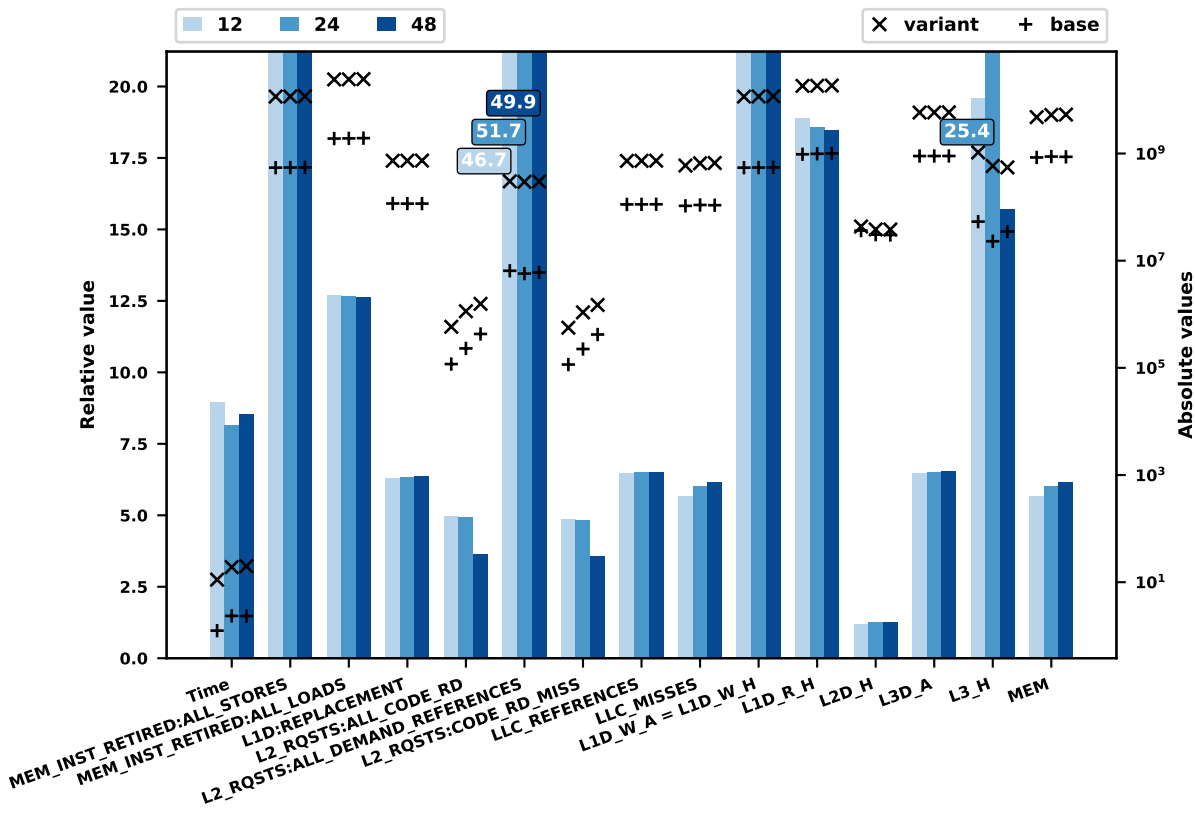

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion24

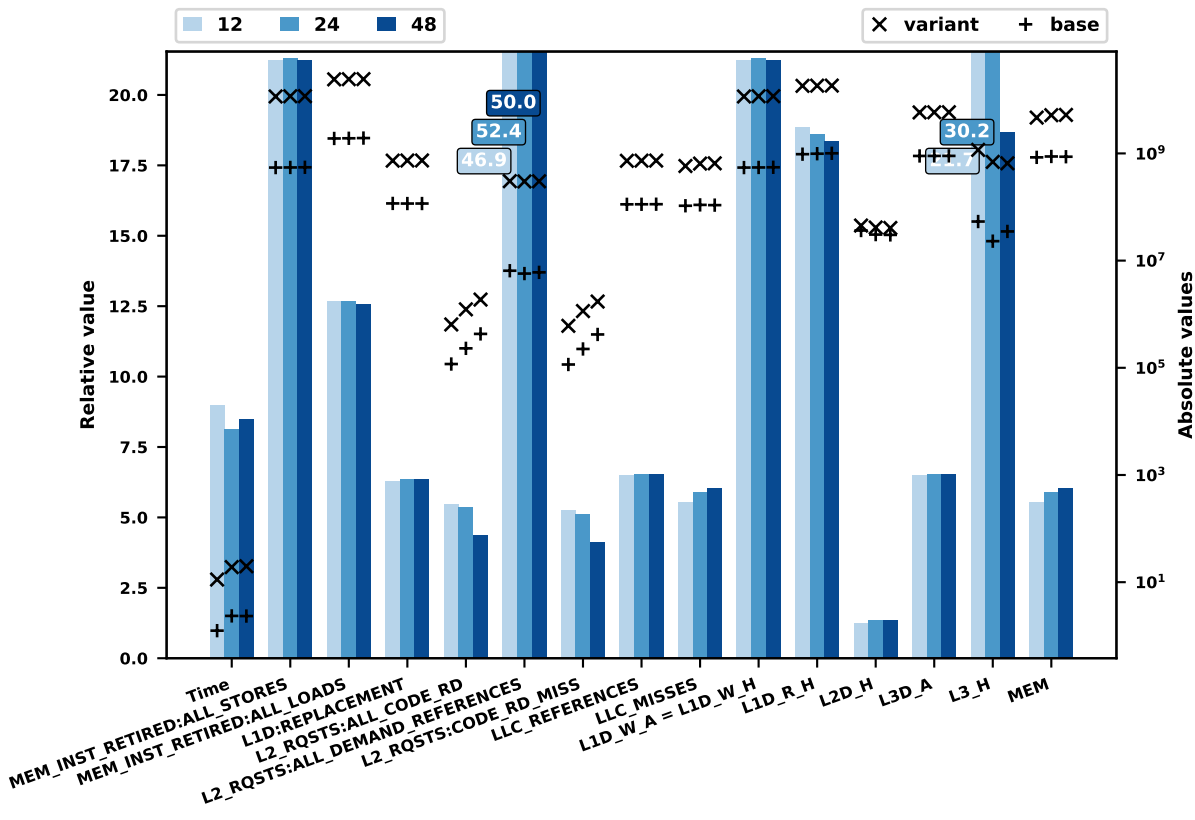

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion24

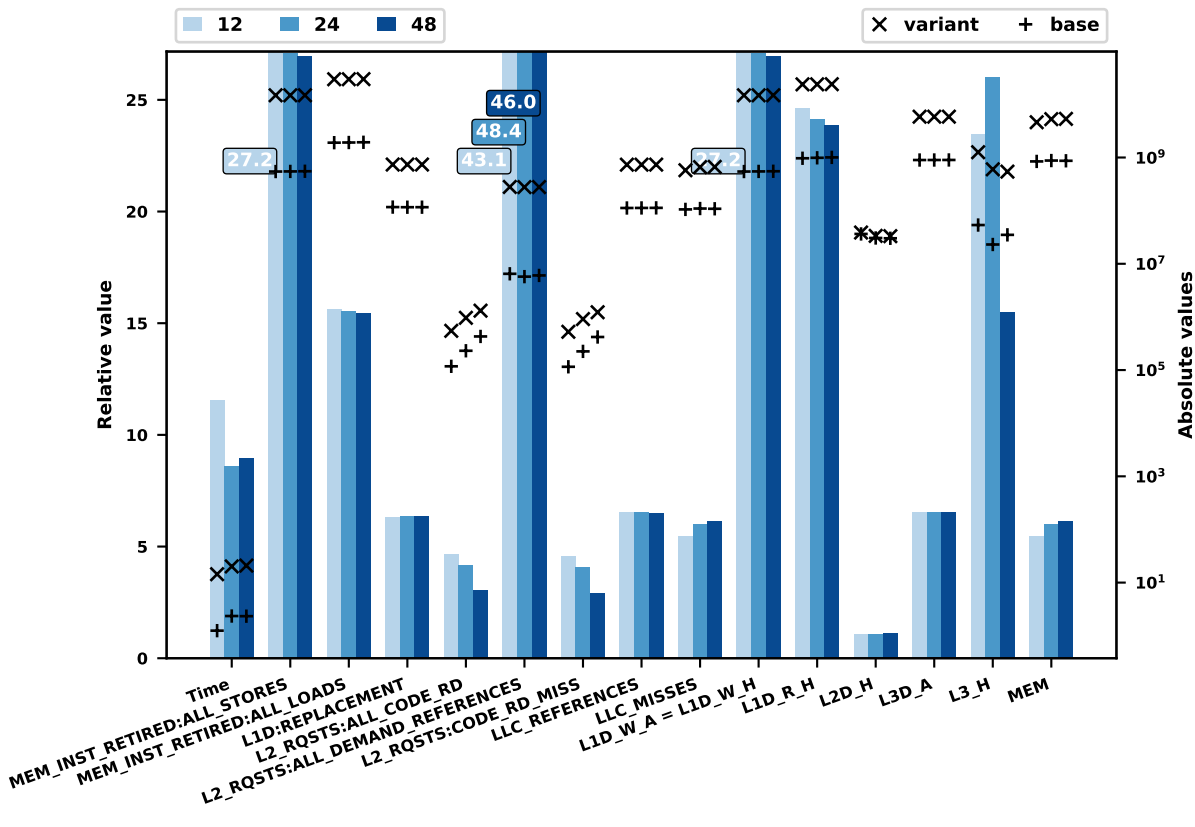

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion25

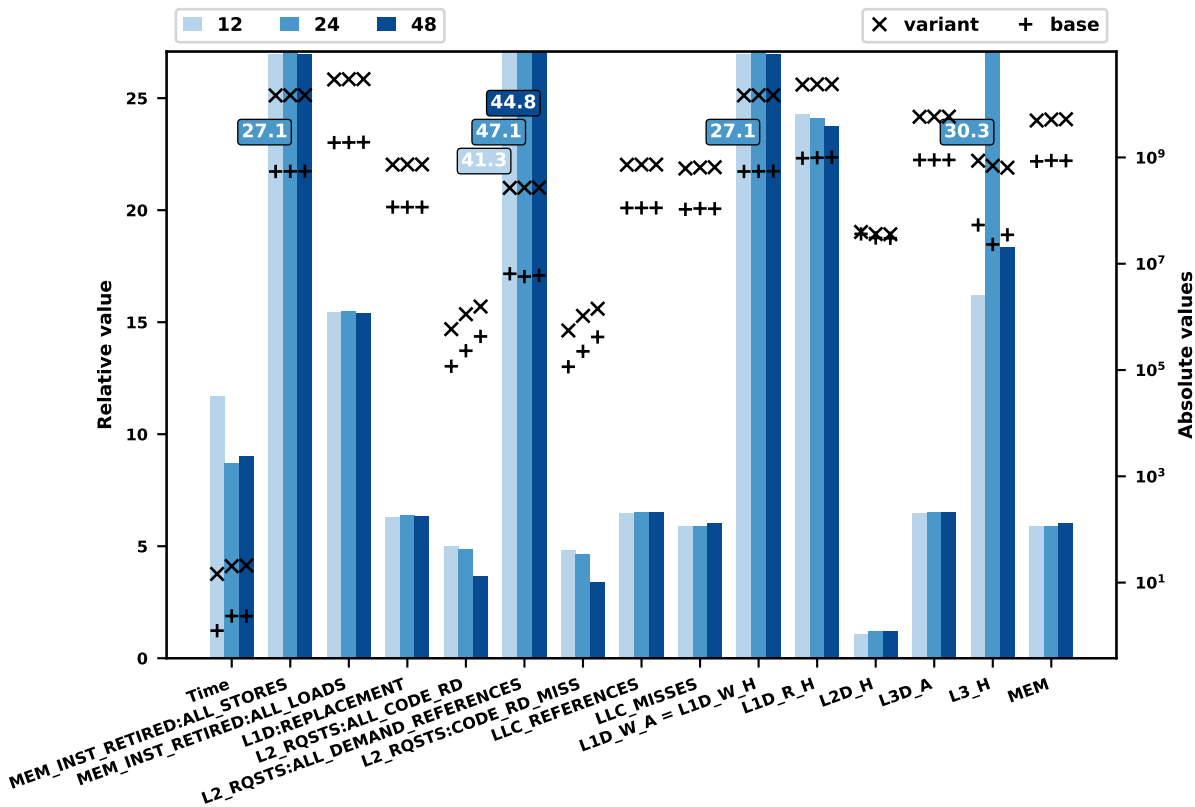

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion25

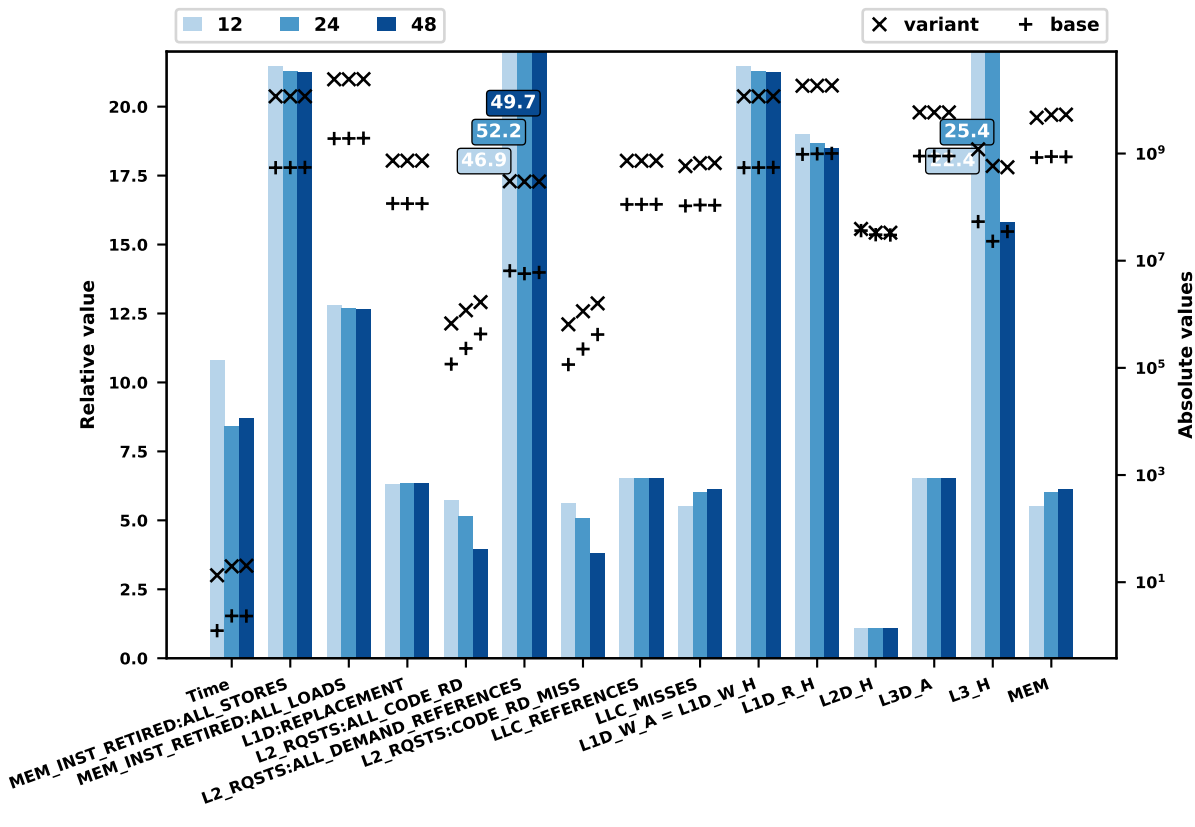

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion25

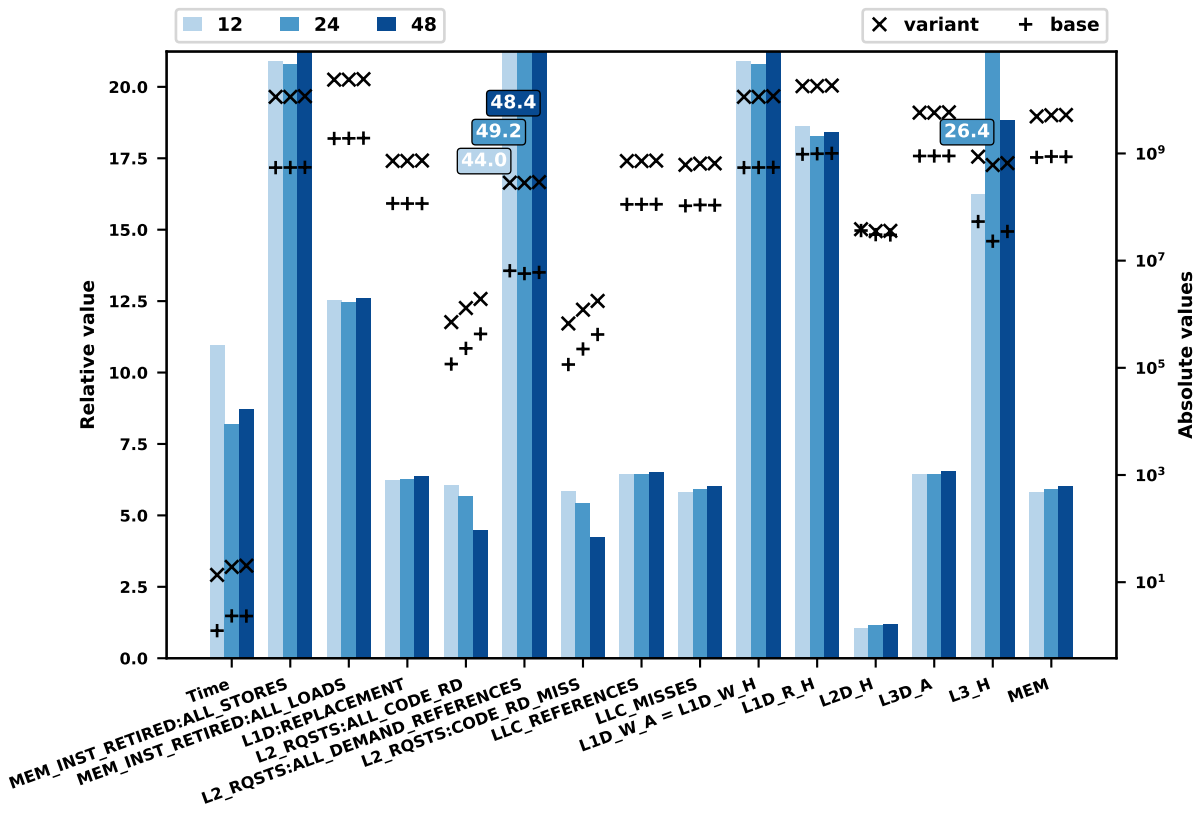

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion25

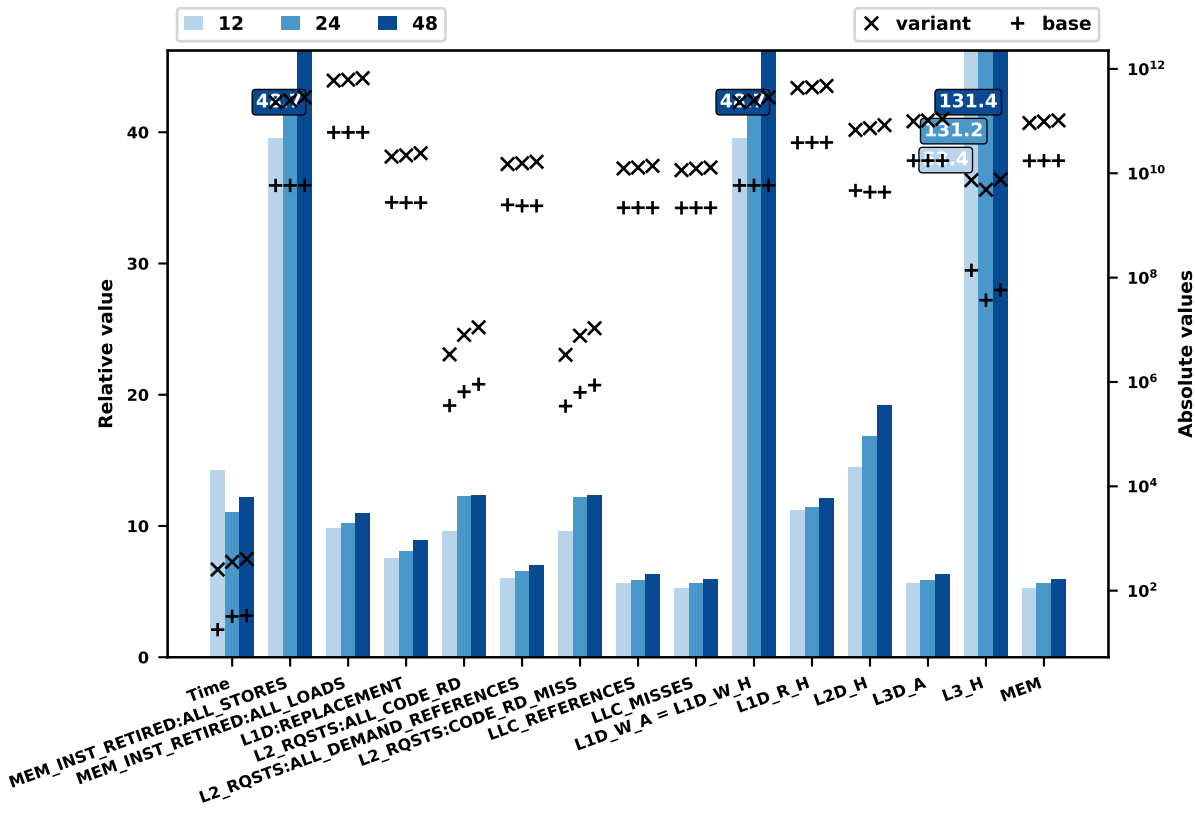

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion25

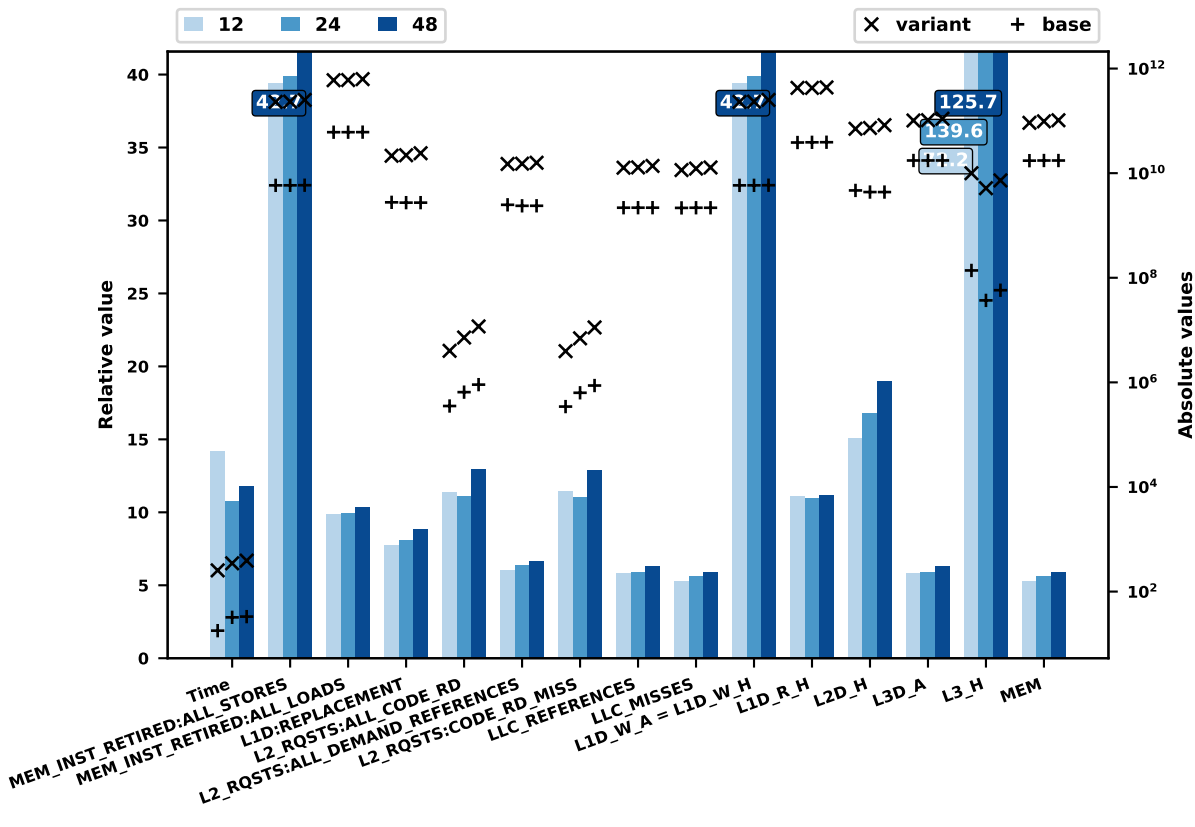

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion25

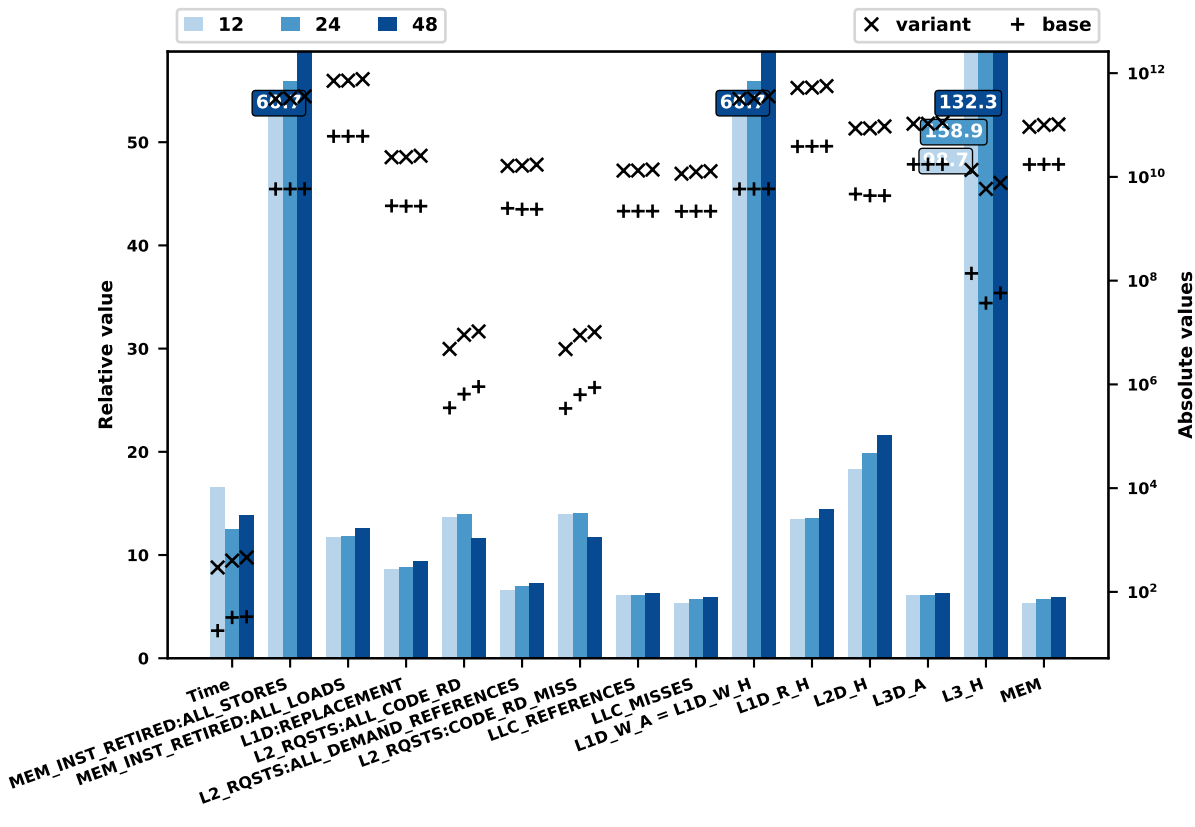

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion26

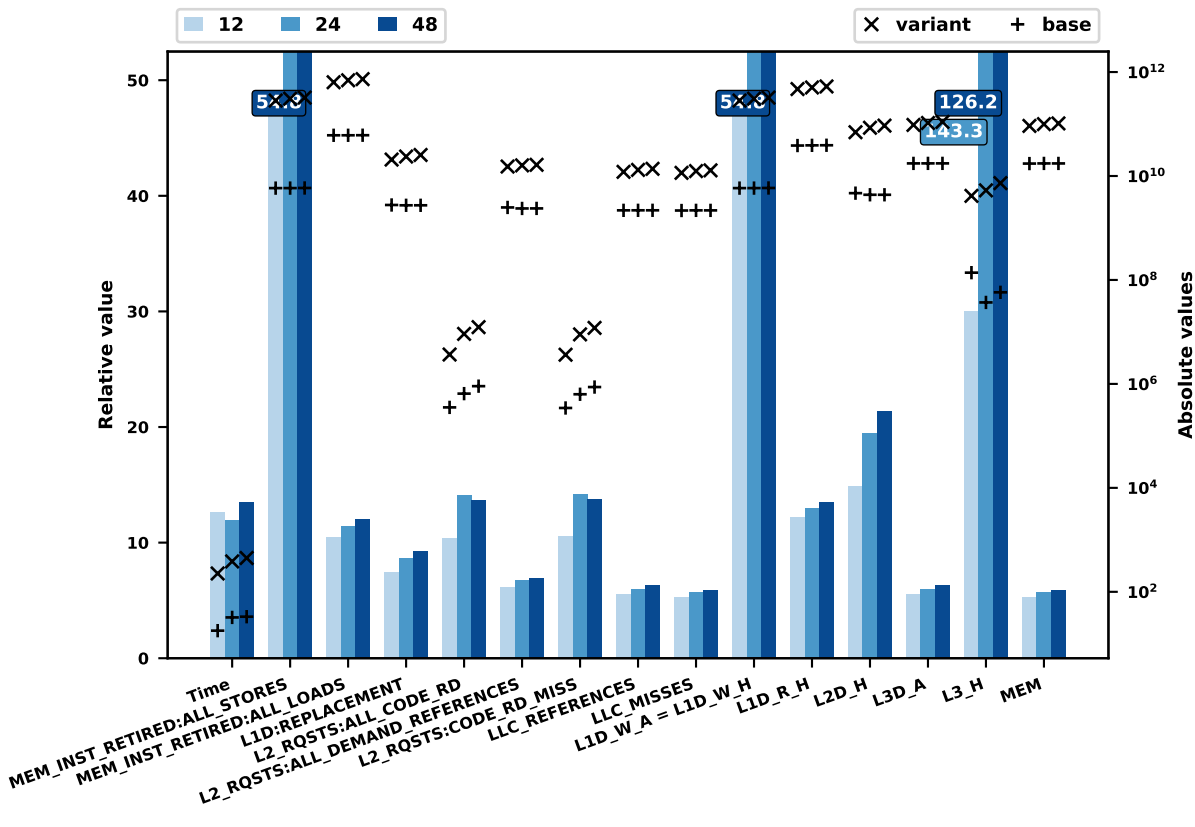

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion26

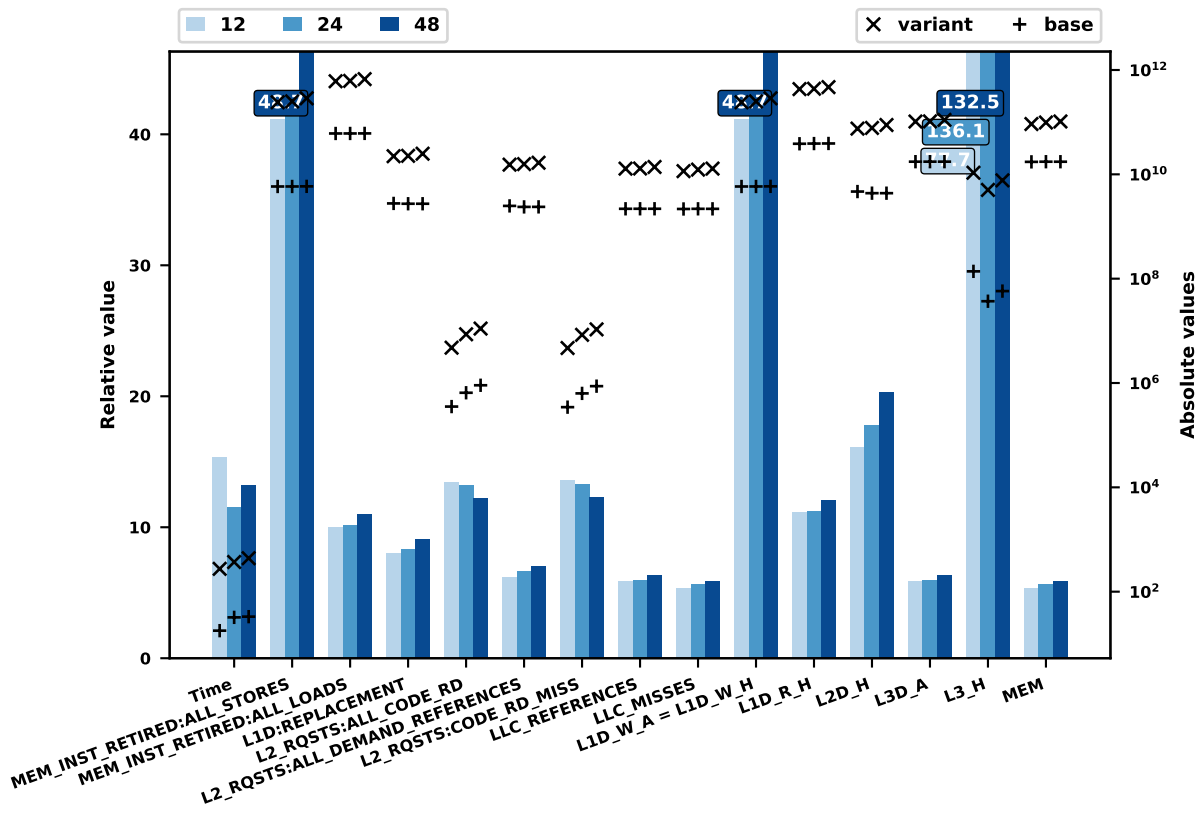

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion26

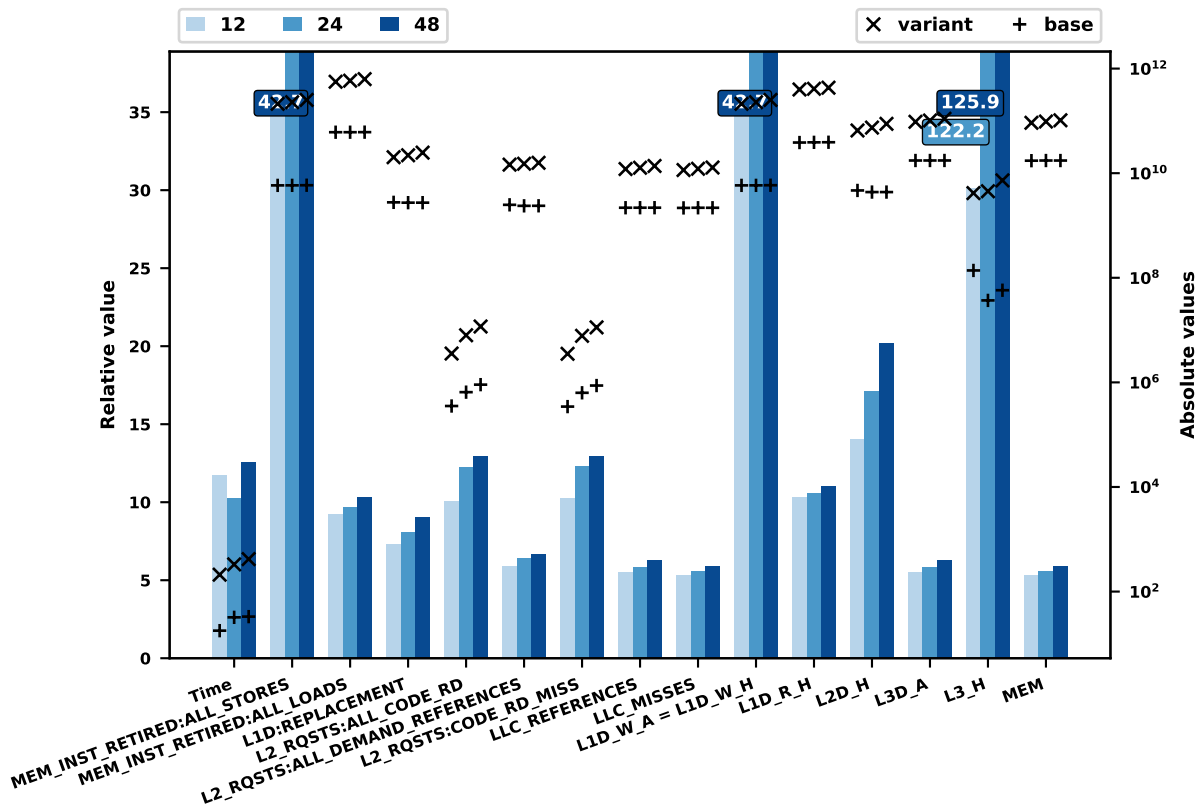

**A. Comparing 351.bwaves-archer-sampling variant
with base for region ImplTaskRegion26**

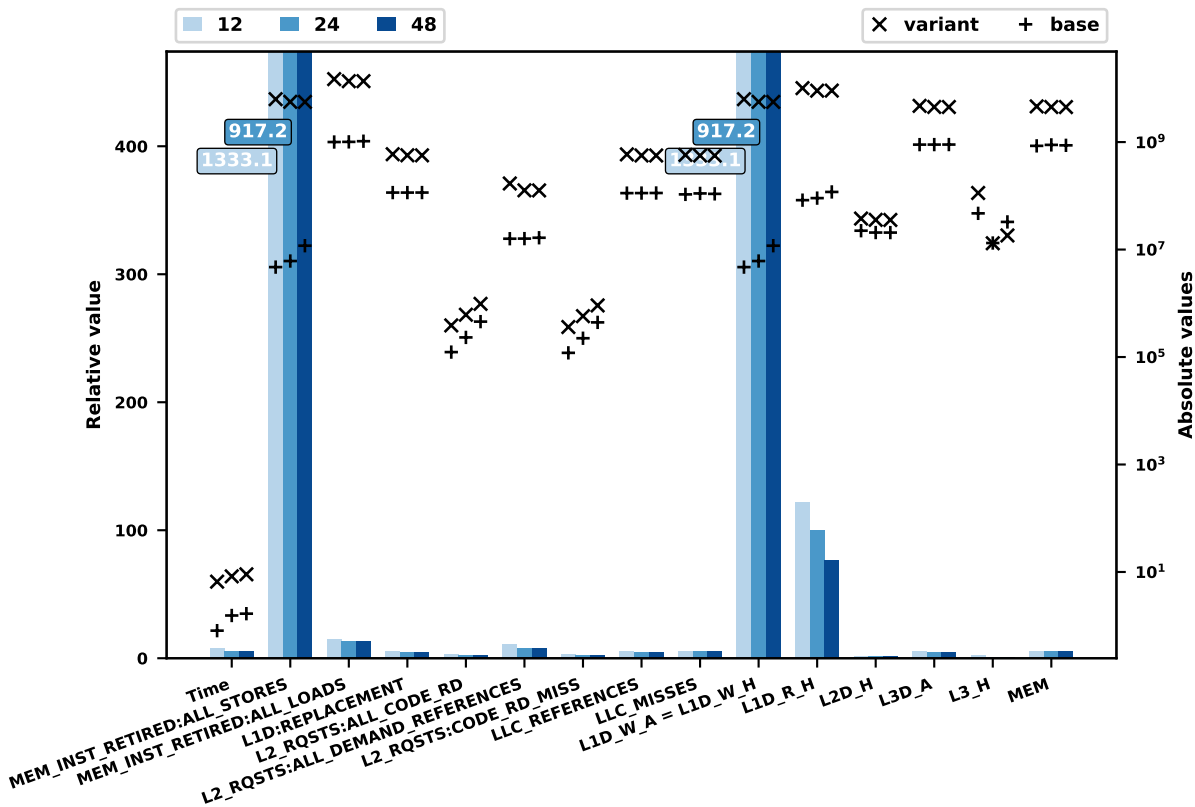

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion26

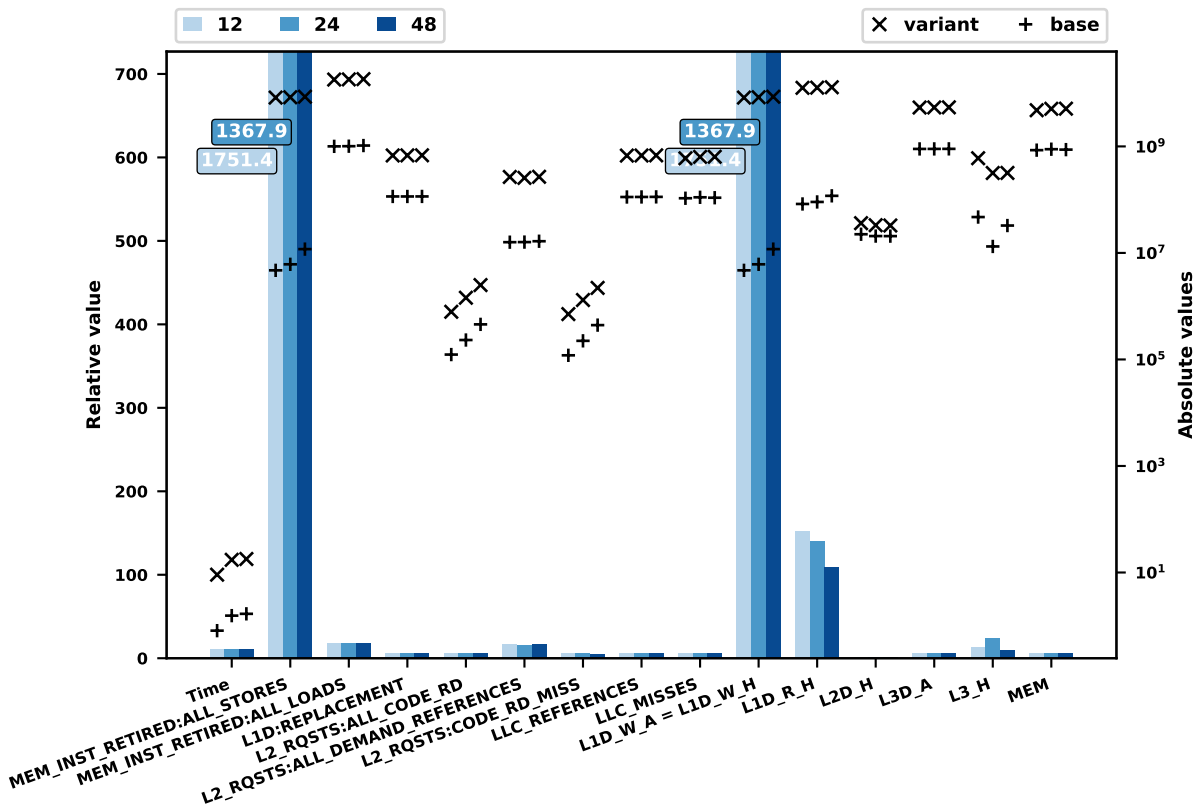

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion26

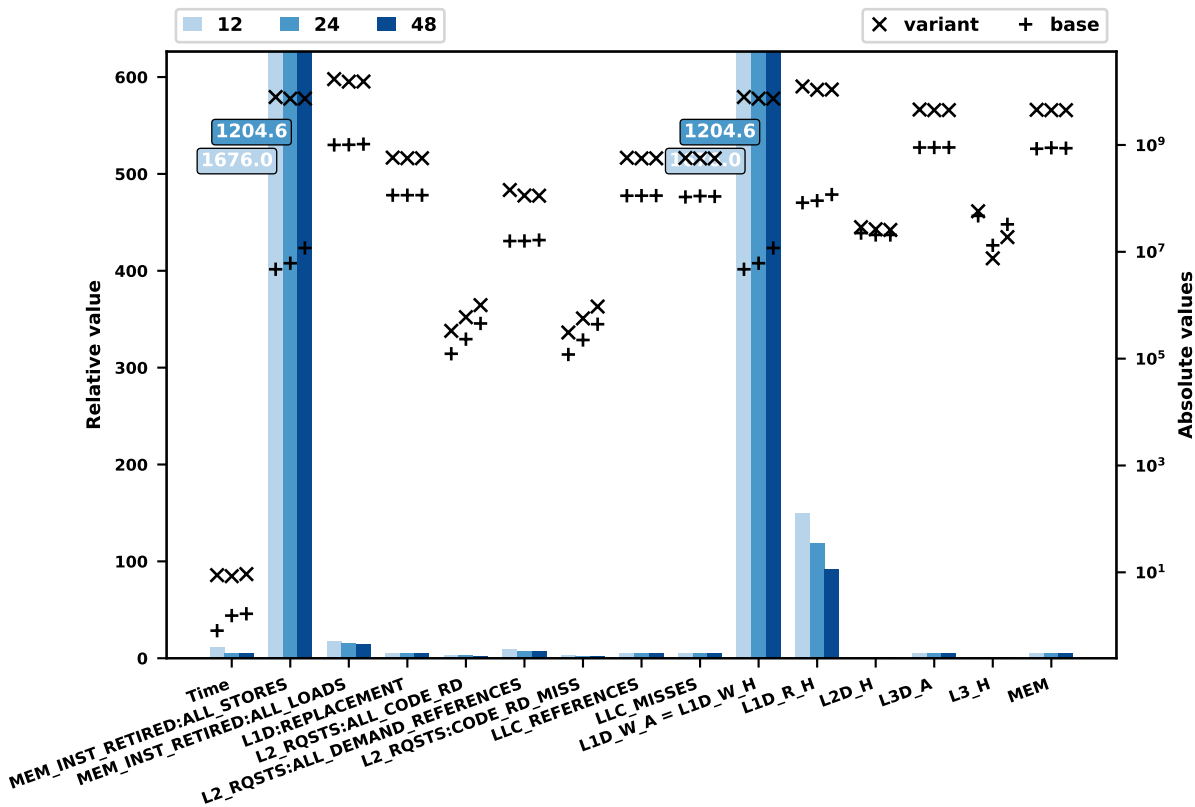

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion27

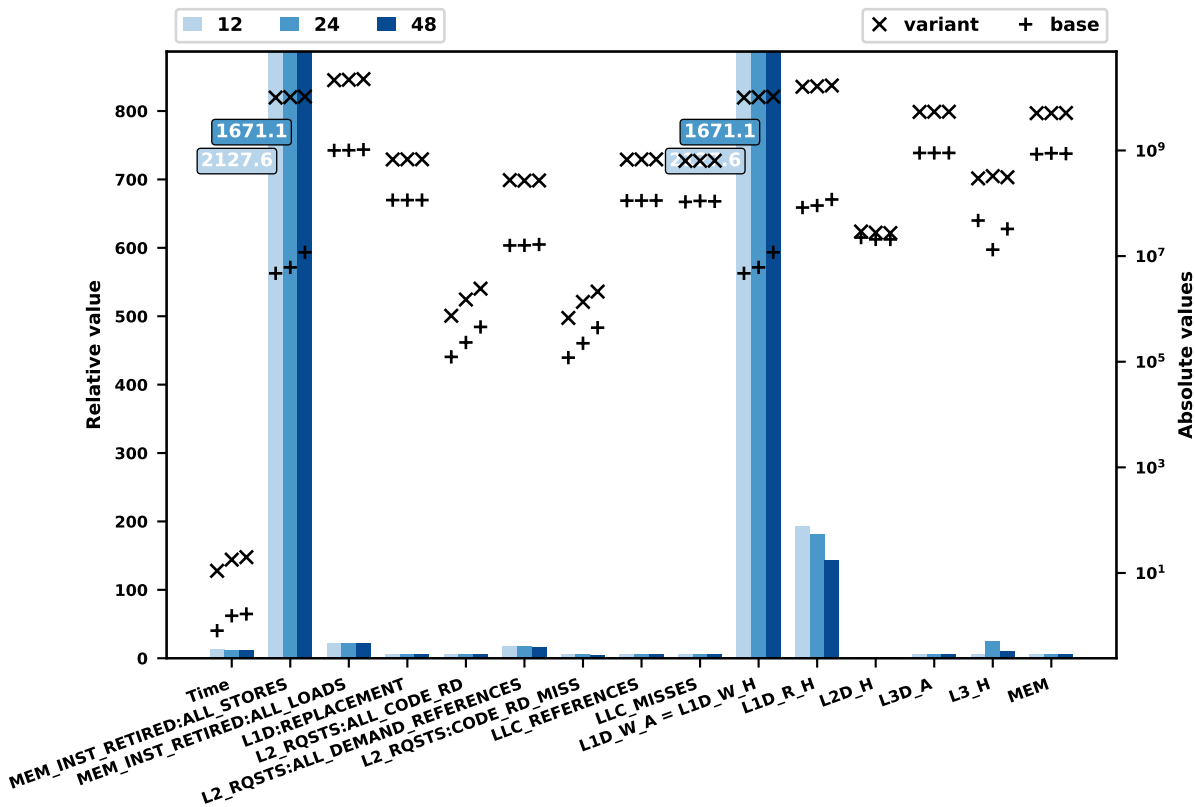

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion27

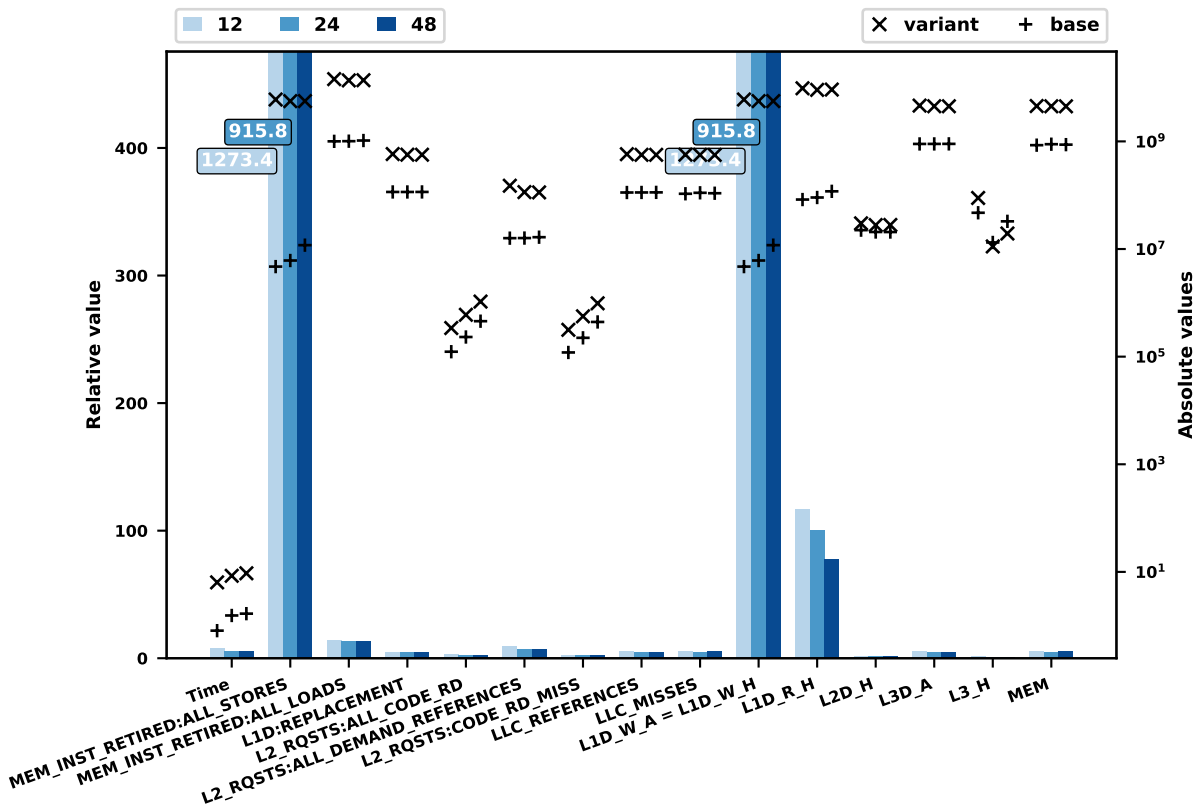

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion27

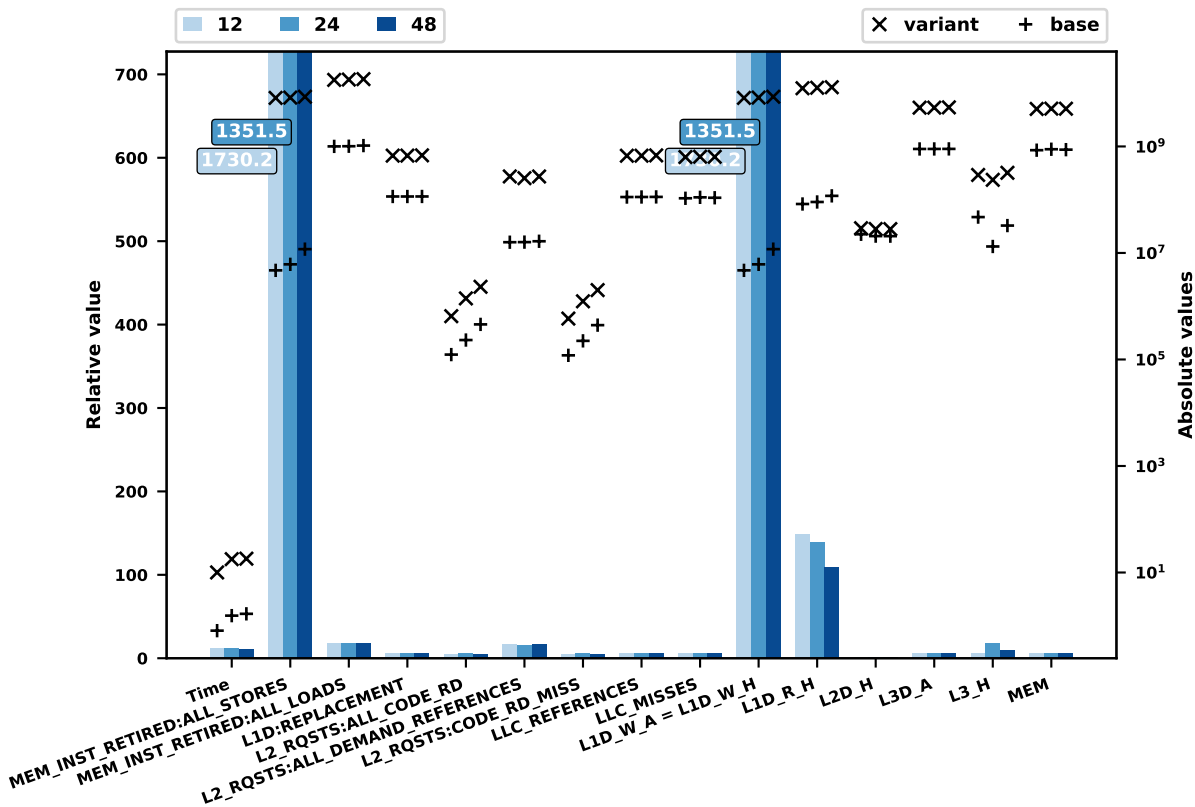

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion27

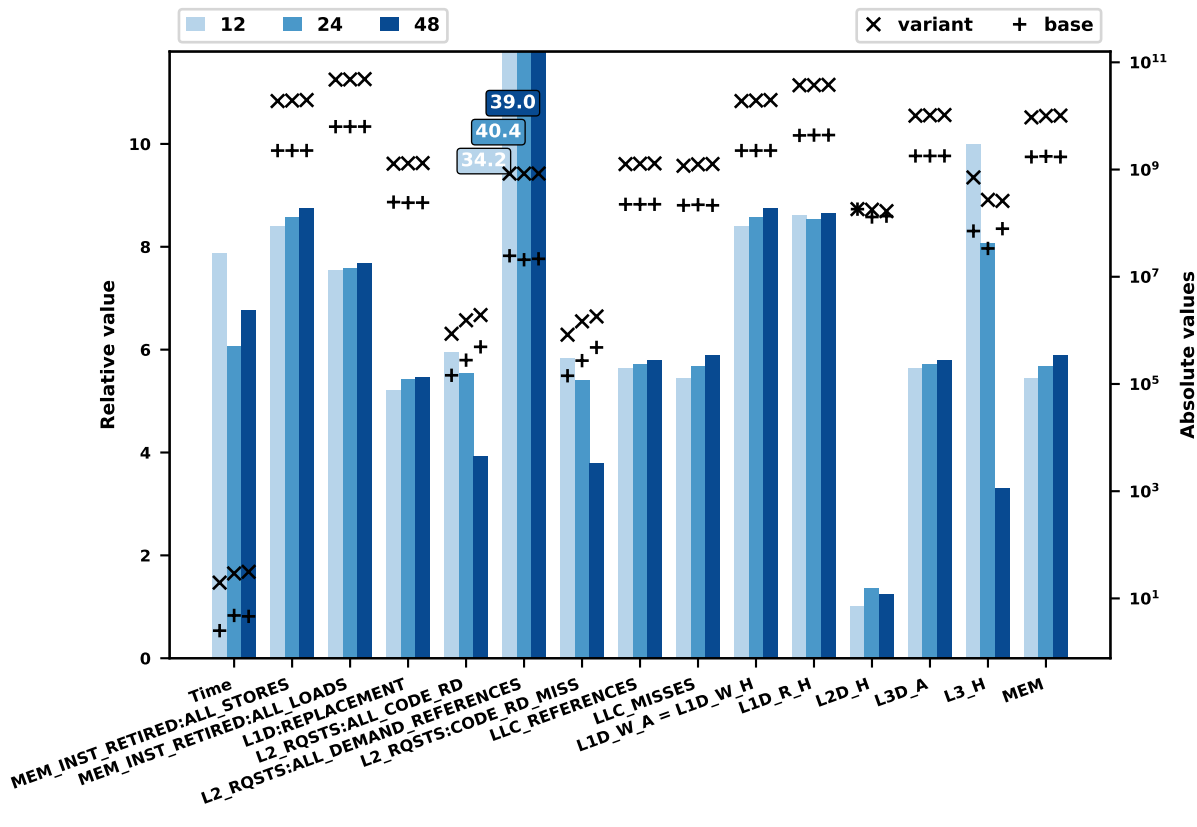

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion27

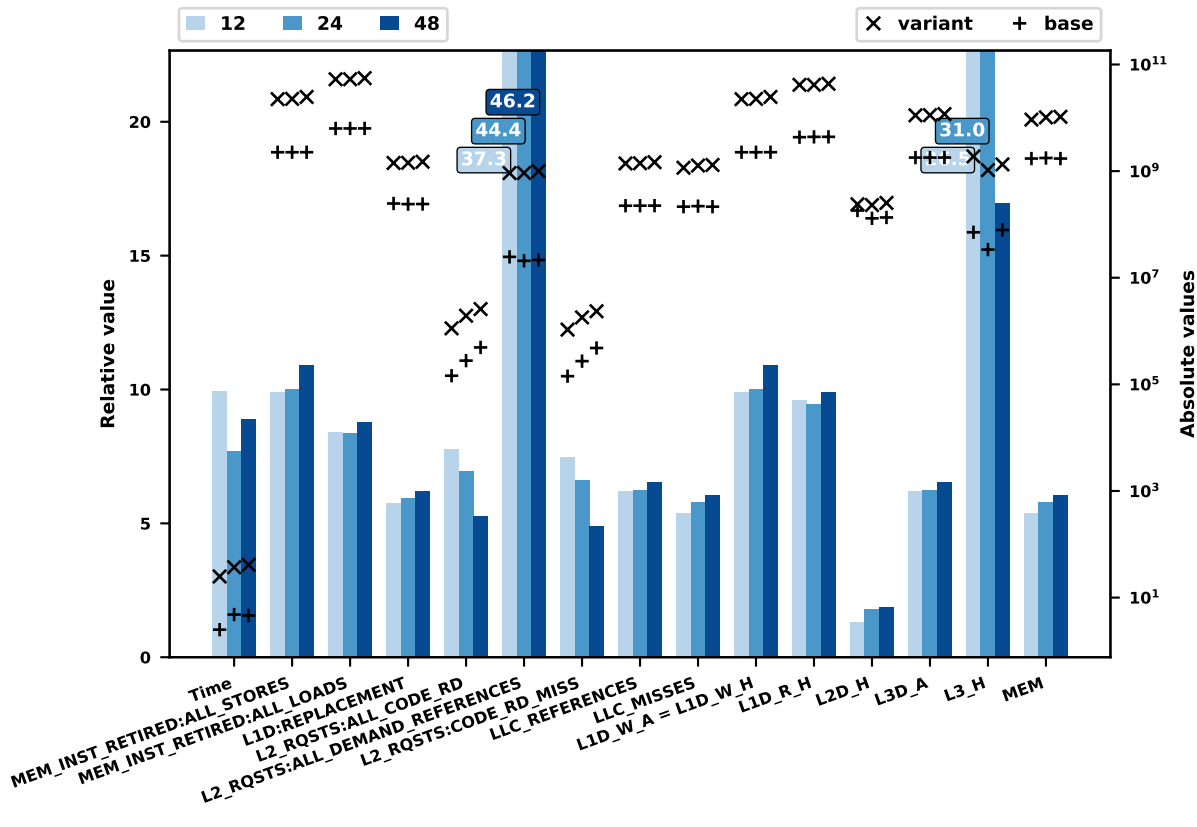

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion27

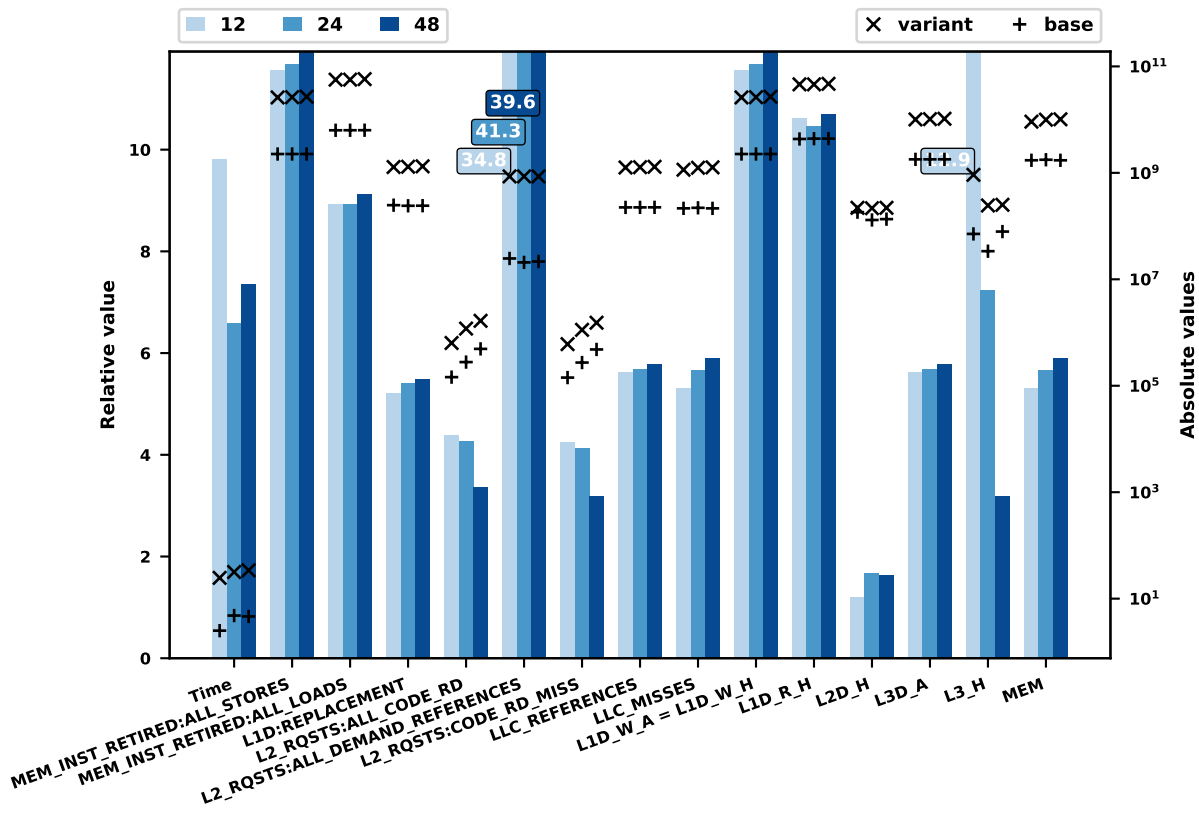

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion28

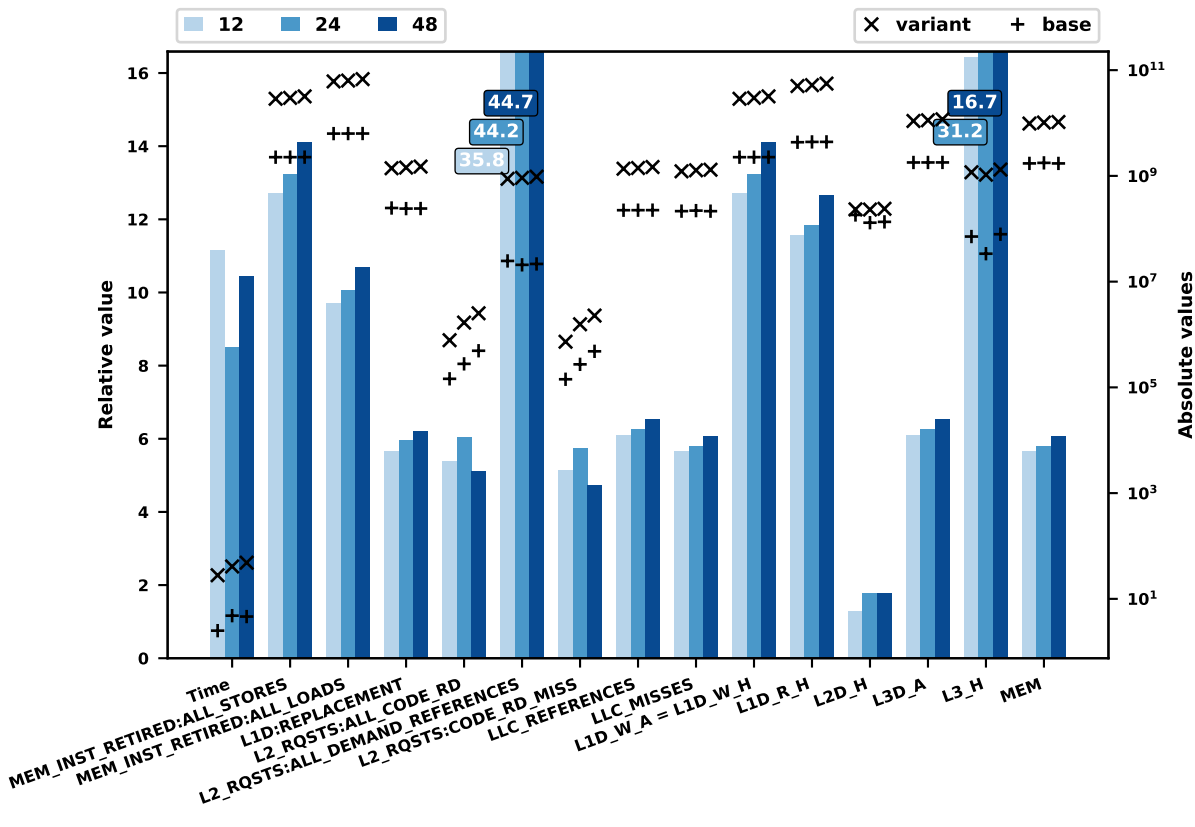

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion28

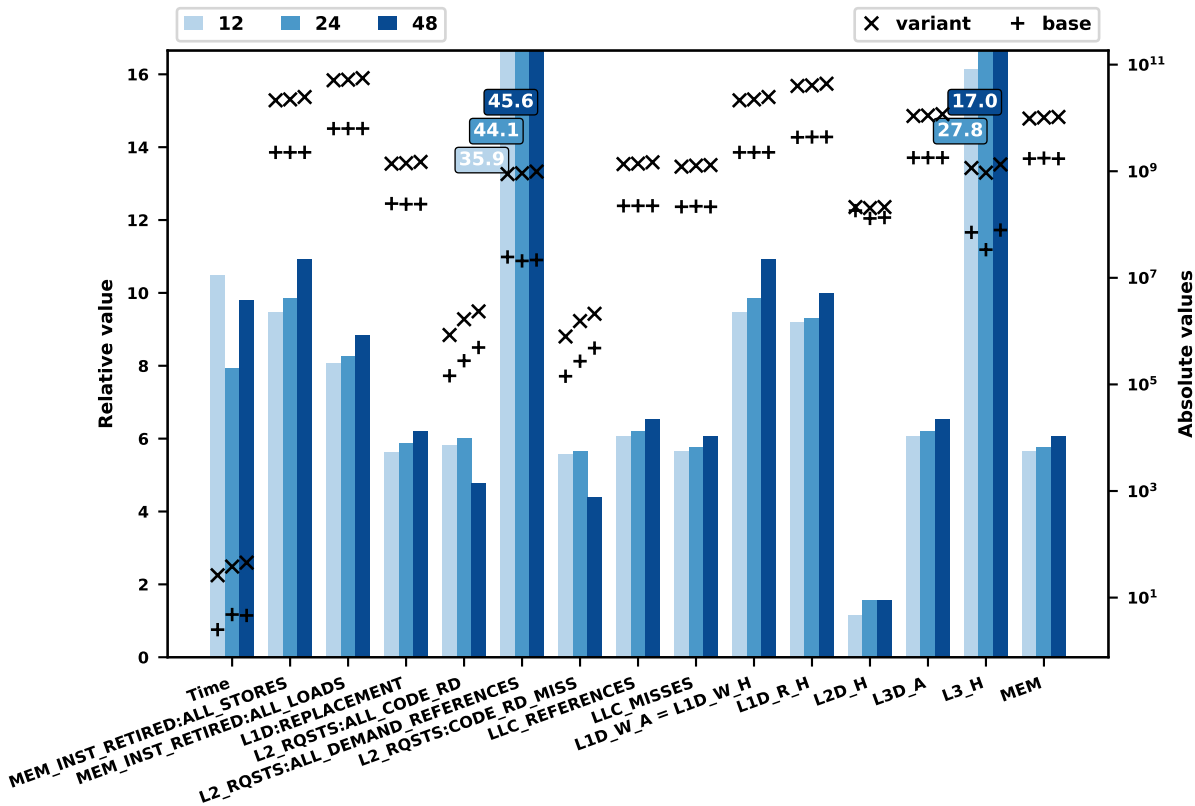

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion28

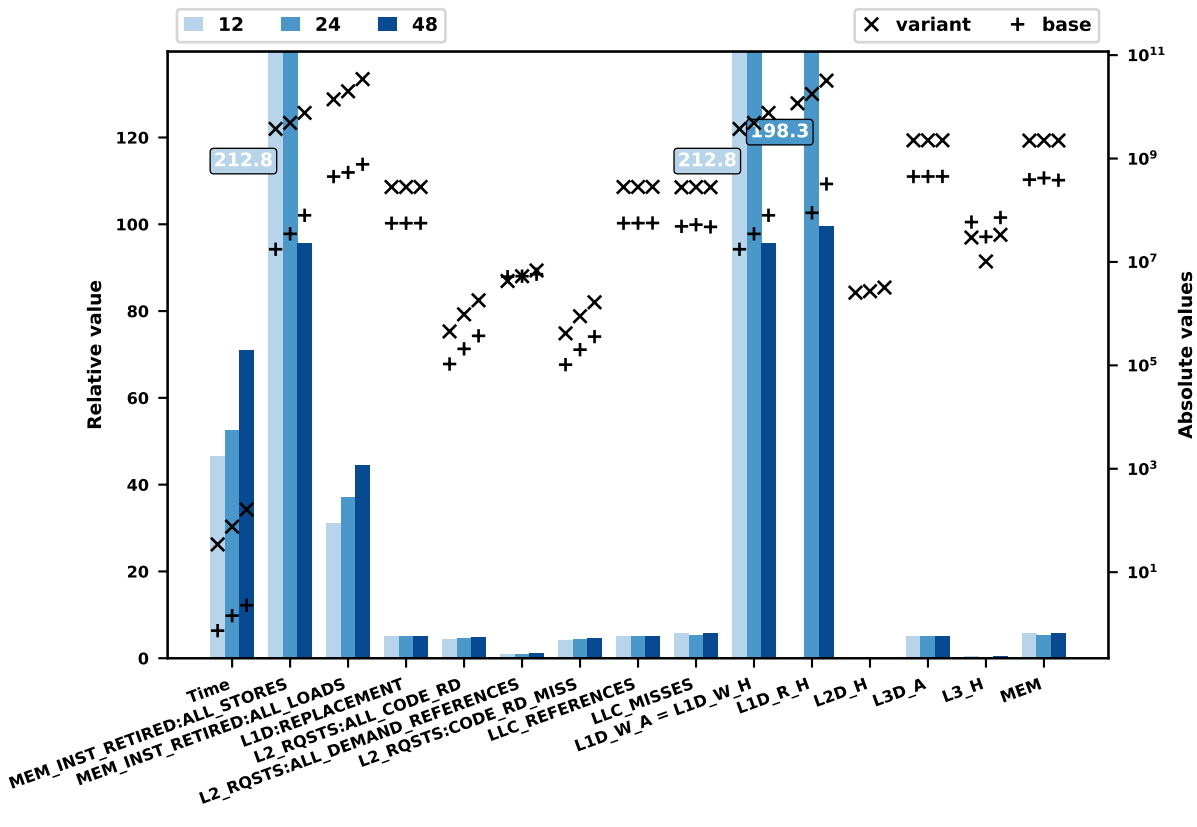

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion28

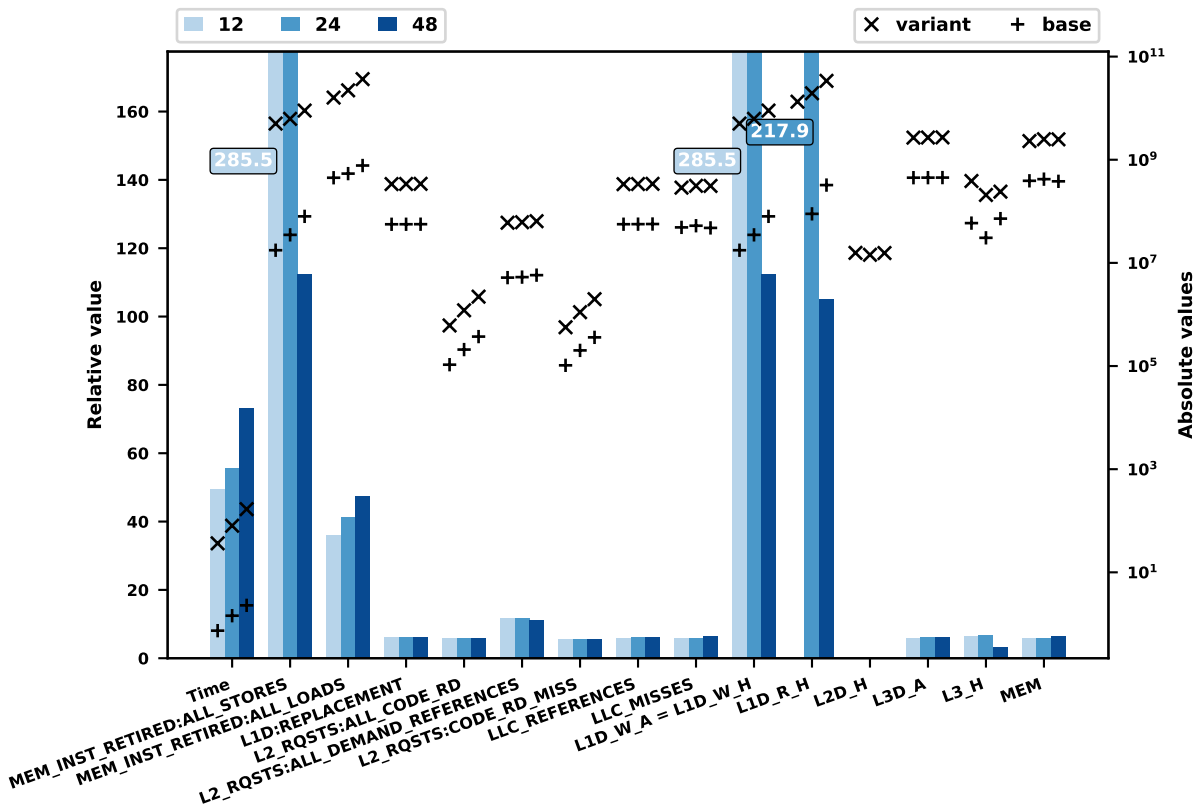

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion28

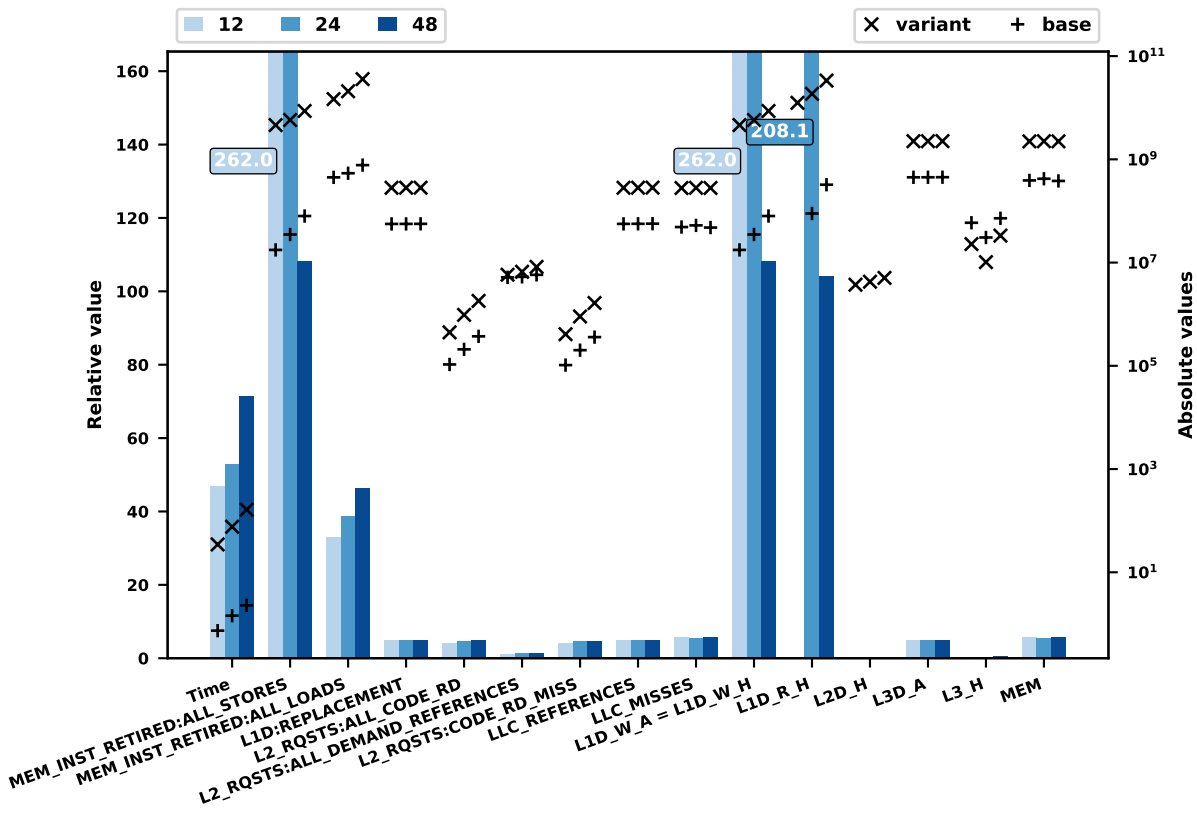

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion29

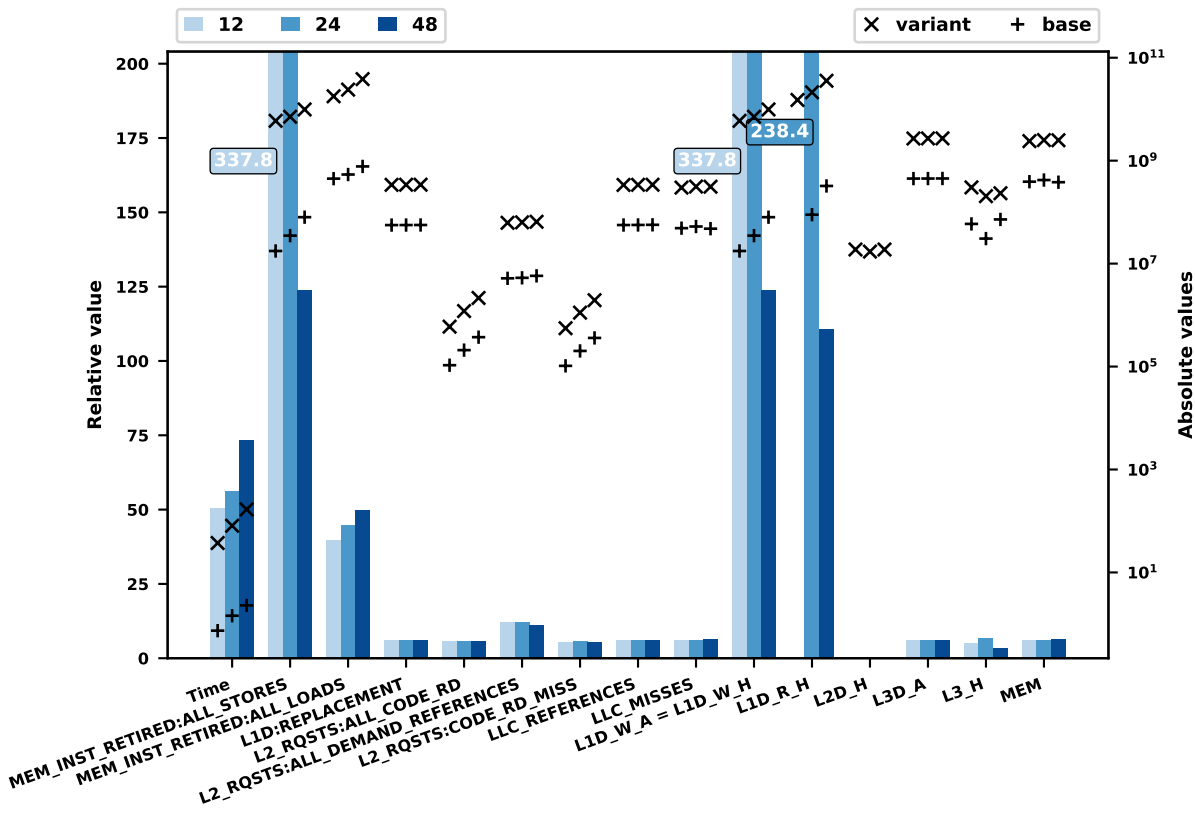

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion29

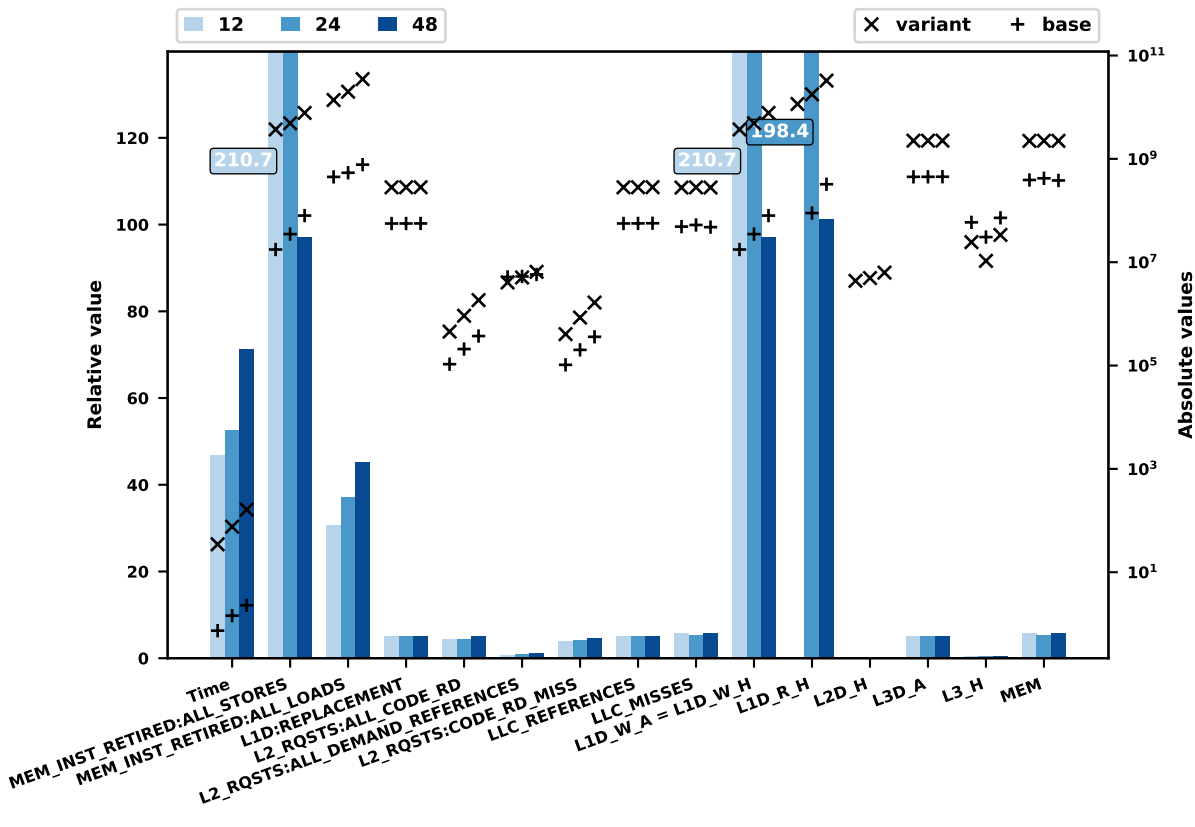

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion29

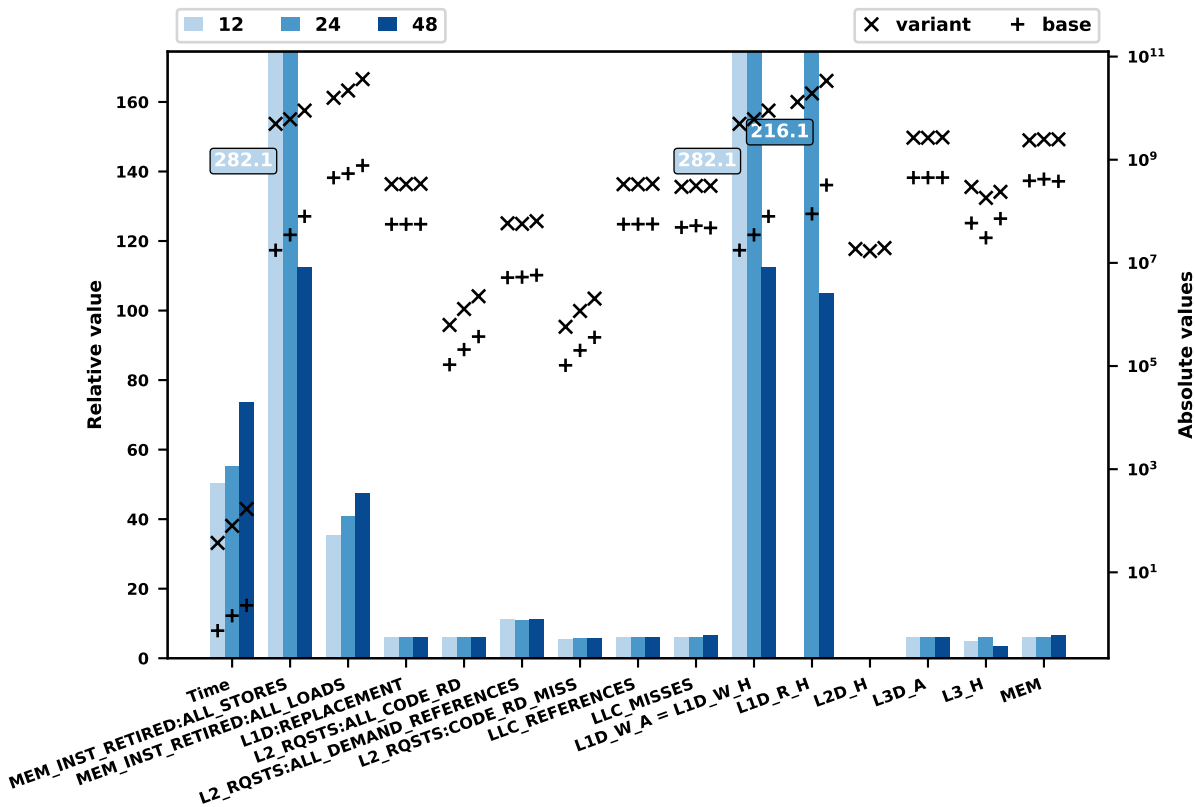

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion29

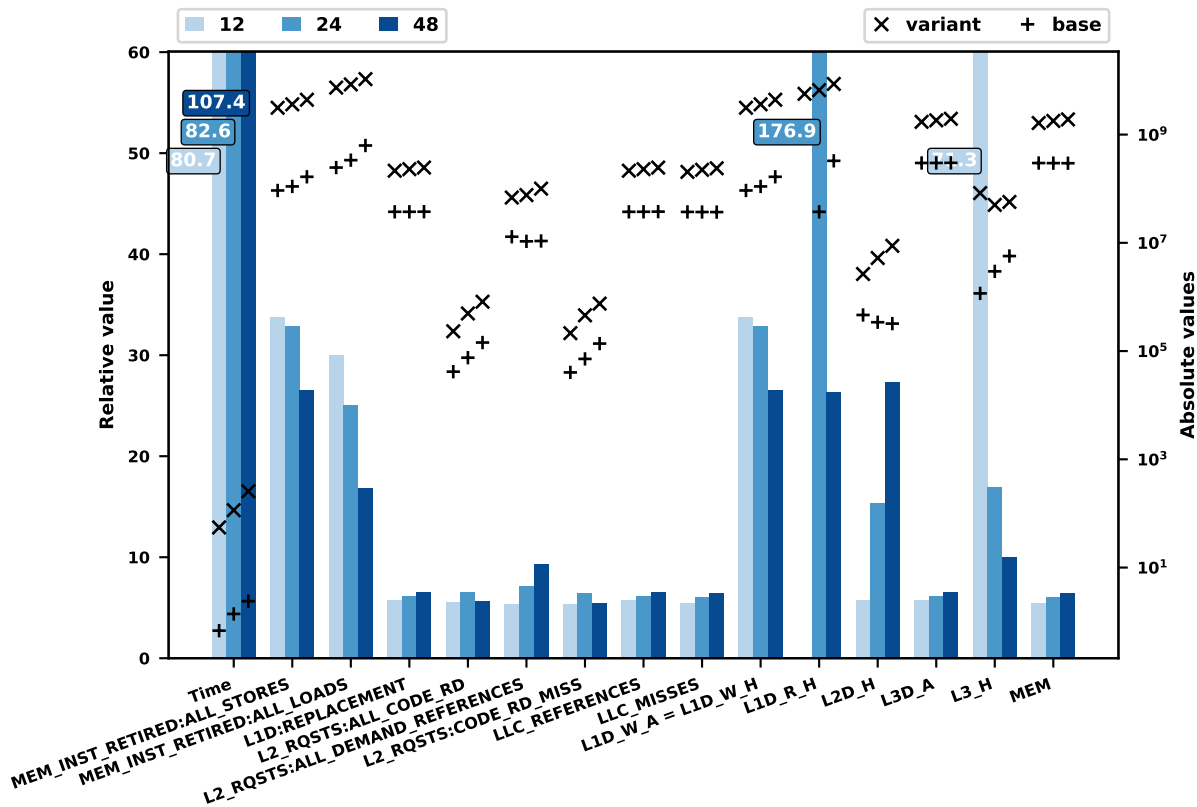

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion29

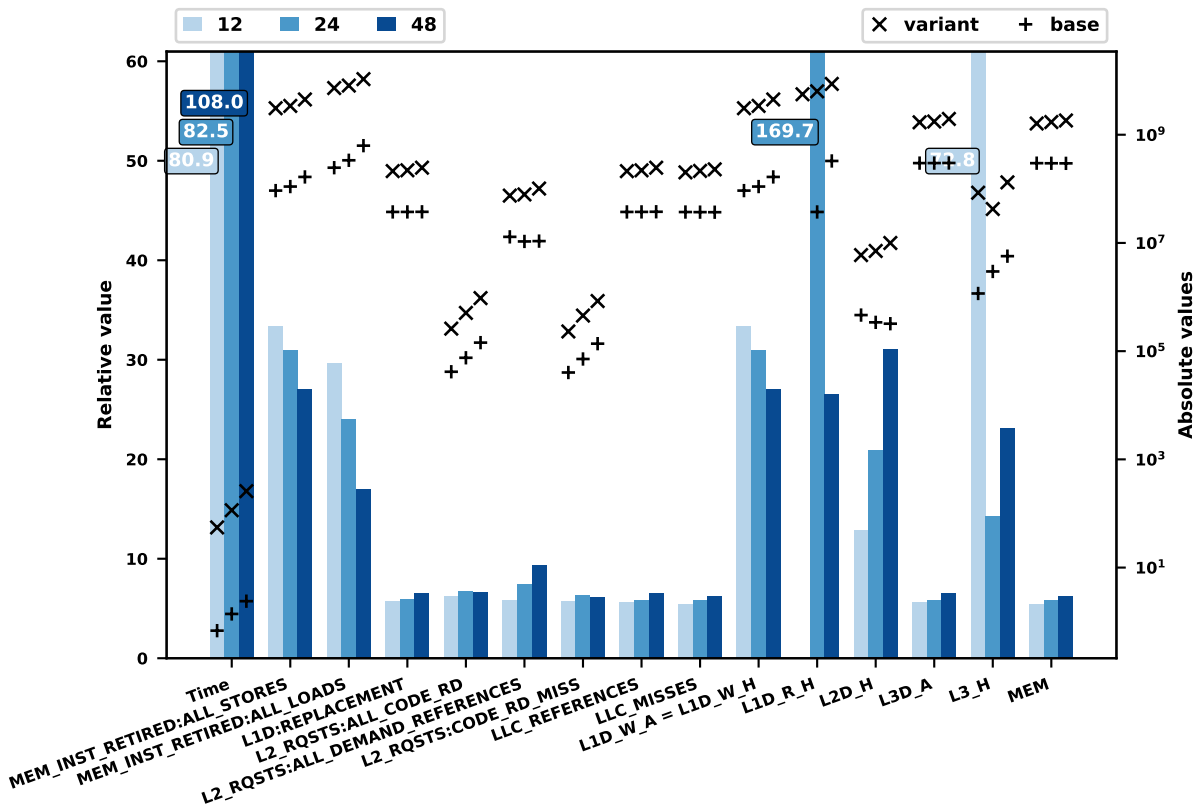

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion29

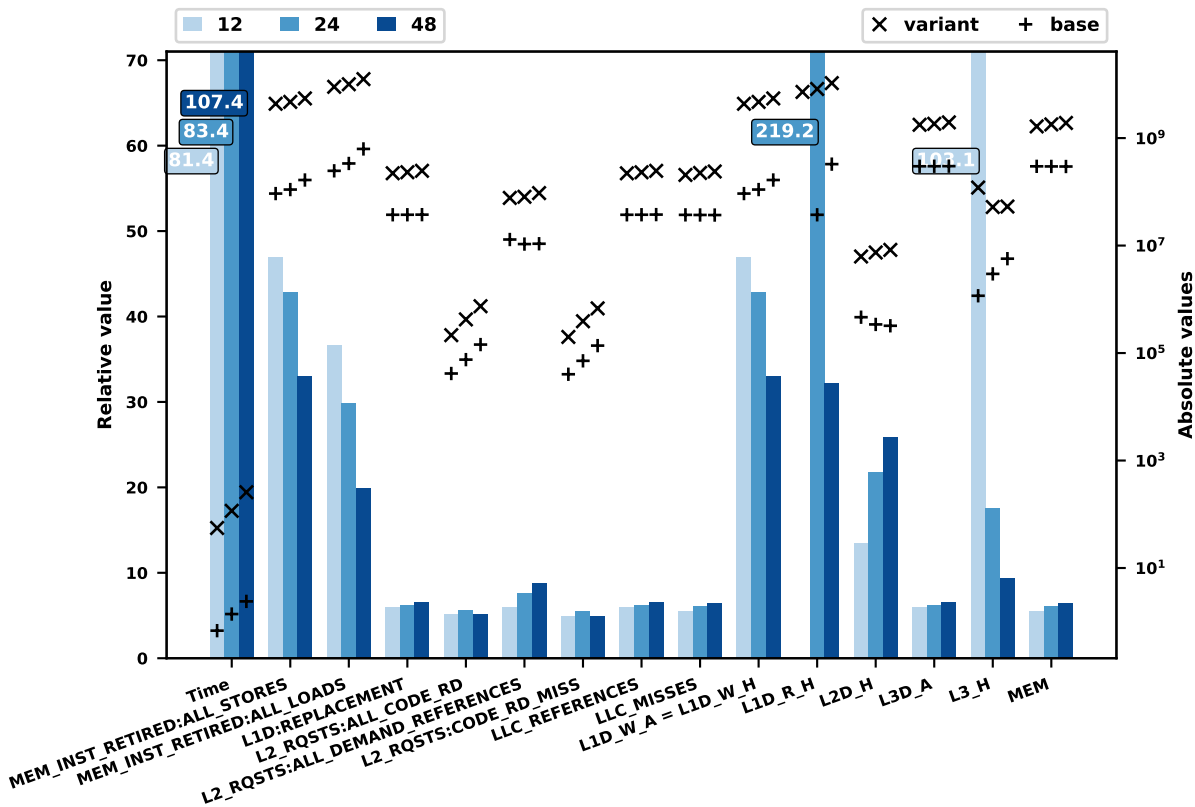

A. Comparing 351.bwaves-tsan-noread variant with base for region ImplTaskRegion30

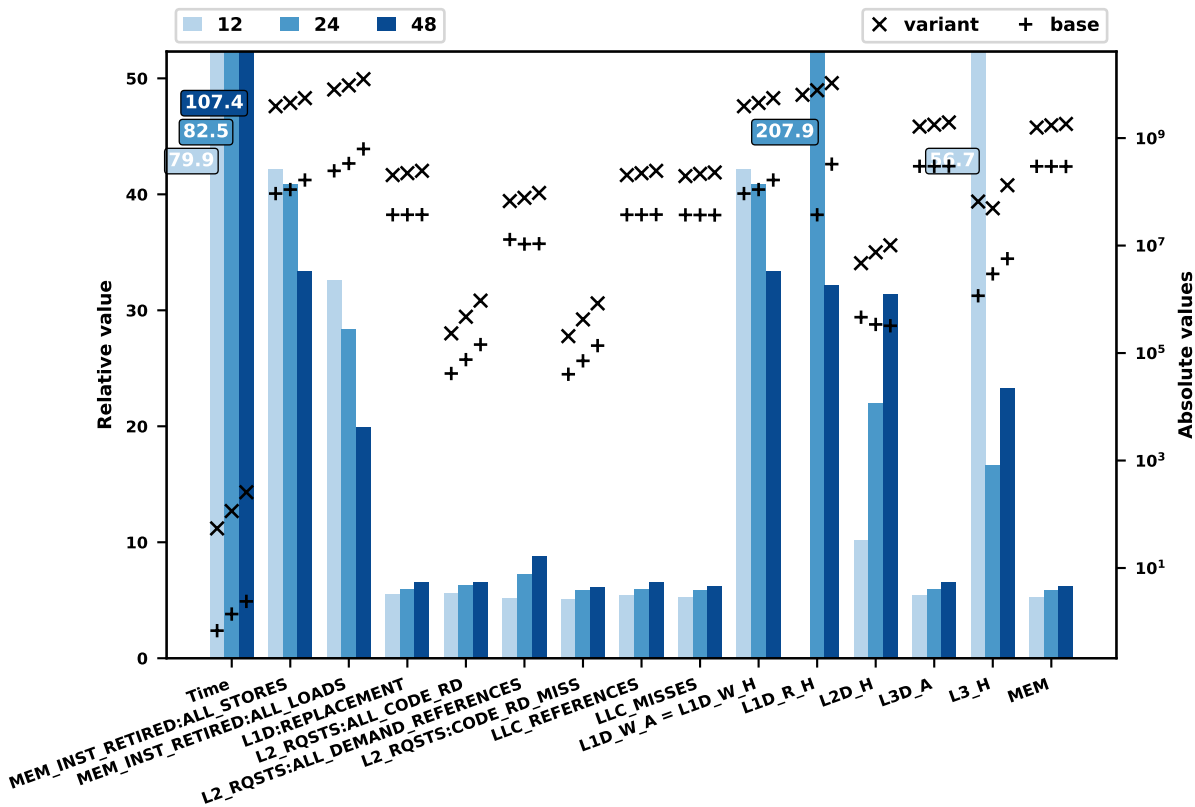

A. Comparing 351.bwaves-archer-noread variant with base for region ImplTaskRegion30

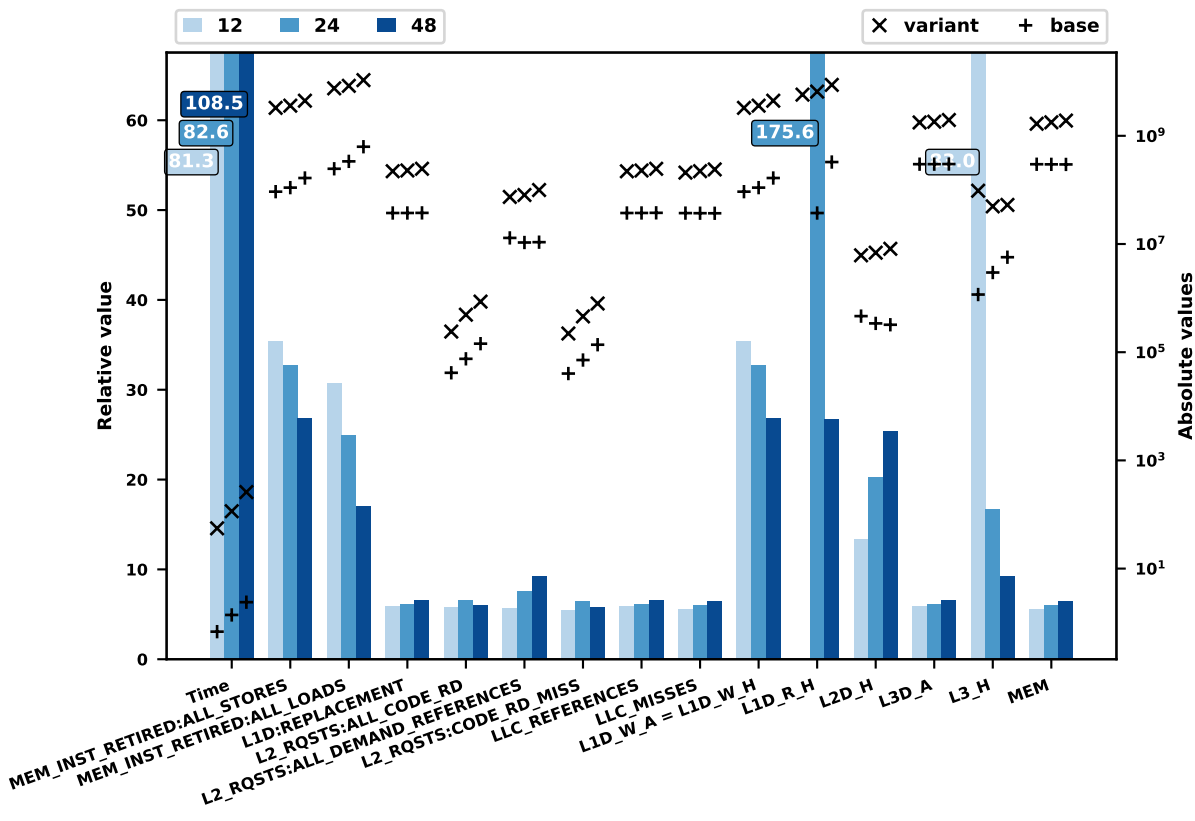

A. Comparing 351.bwaves-tsan-sampling variant with base for region ImplTaskRegion30

A. Comparing 351.bwaves-archer-sampling variant with base for region ImplTaskRegion30

A. Comparing 351.bwaves-tsan variant with base for region ImplTaskRegion30

A. Comparing 351.bwaves-archer variant with base for region ImplTaskRegion30
