

A. Comparing 352.nab-tsan-noread variant with base for region ImplTaskRegion1

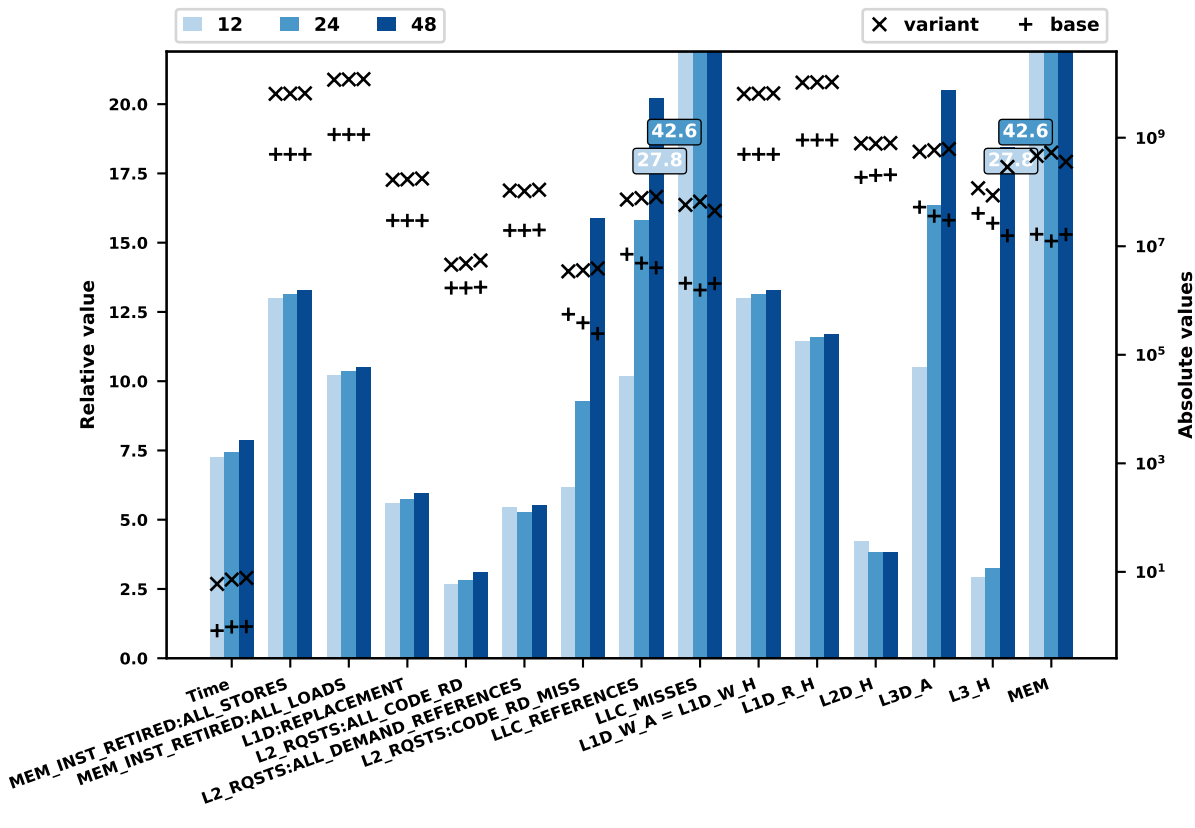

A. Comparing 352.nab-archer-noread variant with base for region ImplTaskRegion1

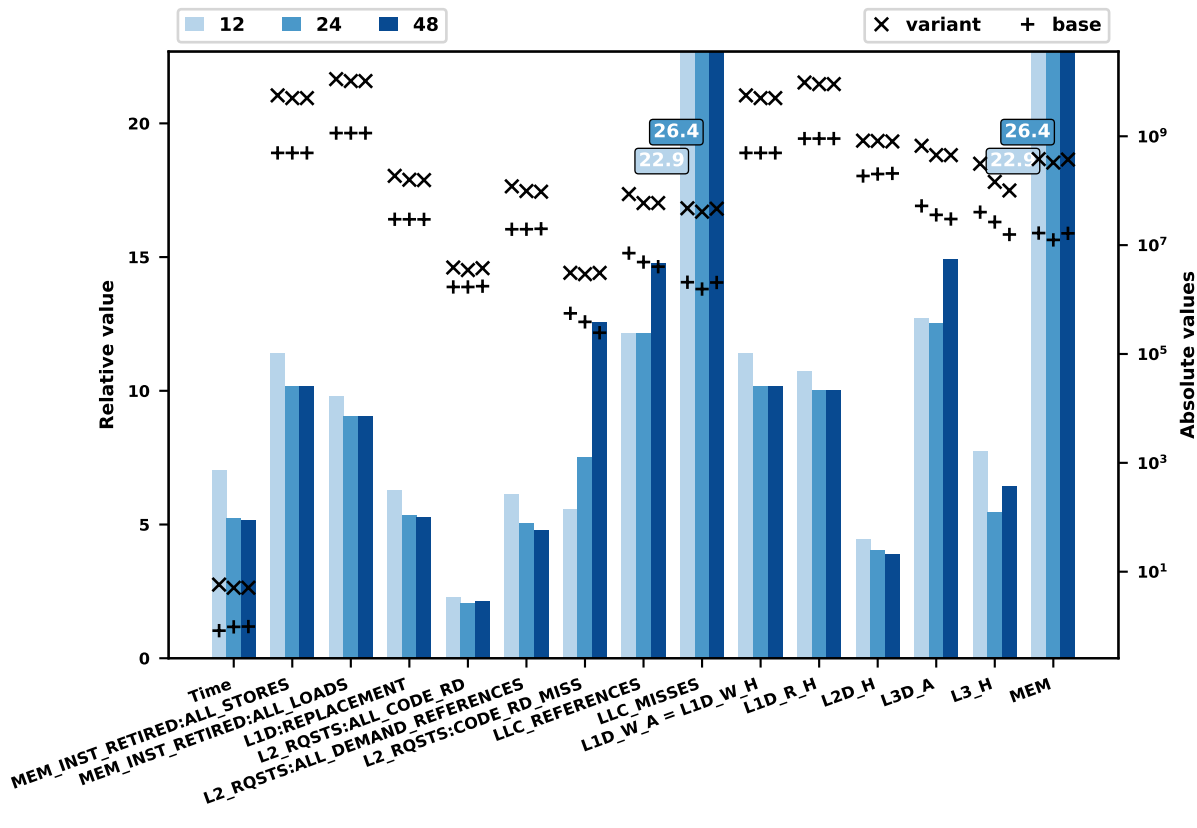

A. Comparing 352.nab-tsan-sampling variant with base for region ImplTaskRegion1

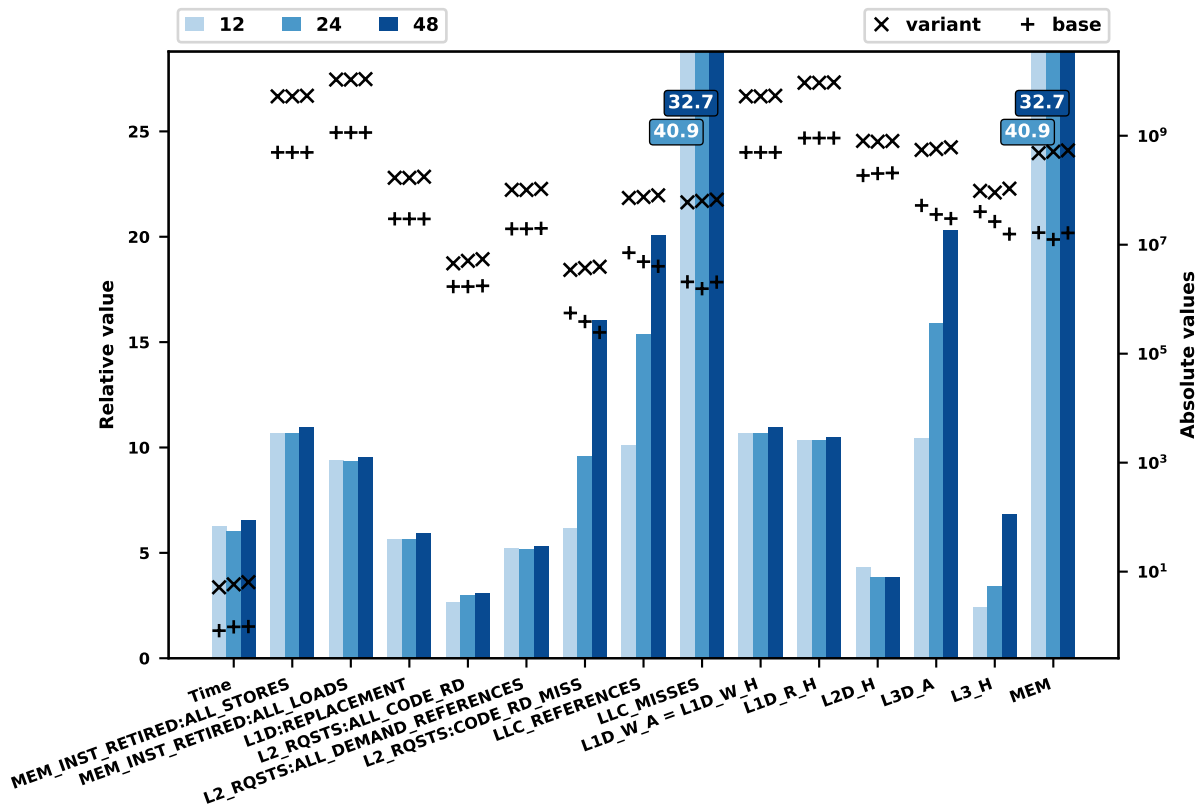

A. Comparing 352.nab-archer-sampling variant with base for region ImplTaskRegion1

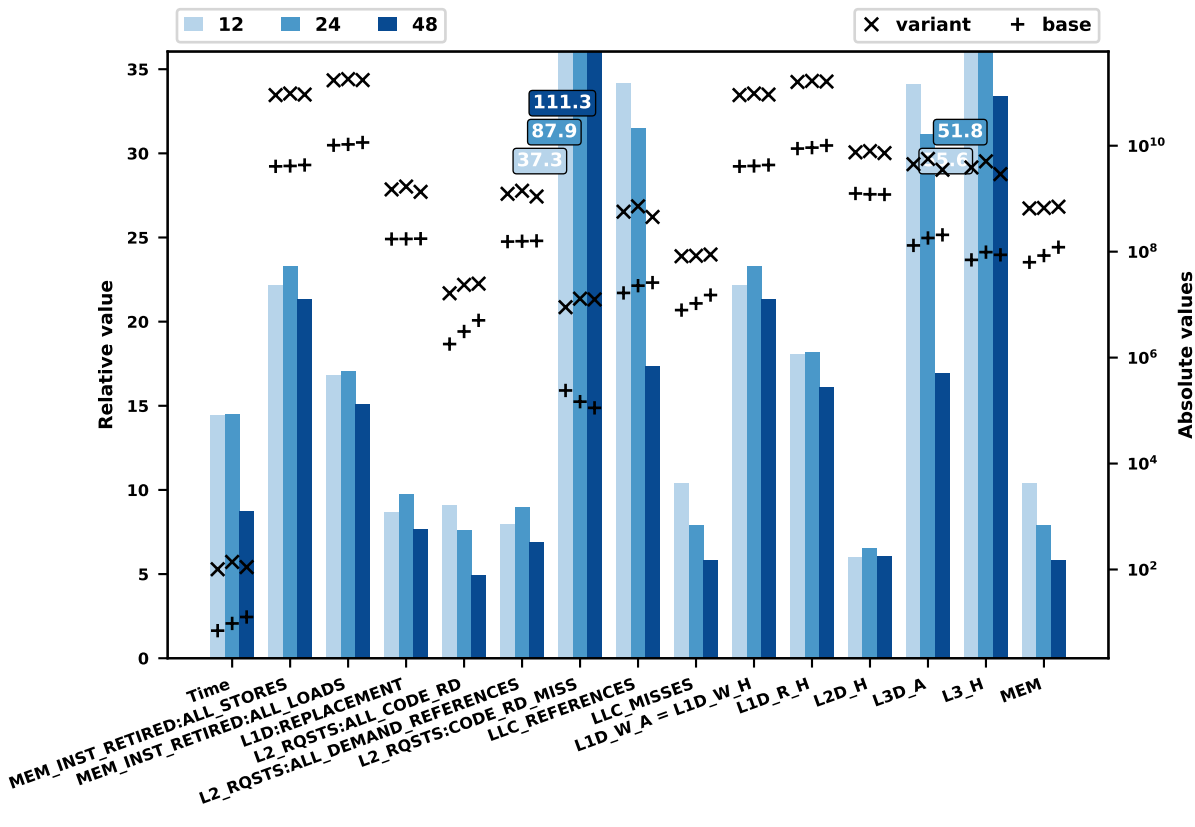

**A. Comparing 352.nab-tsan variant
with base for region ImplTaskRegion1**

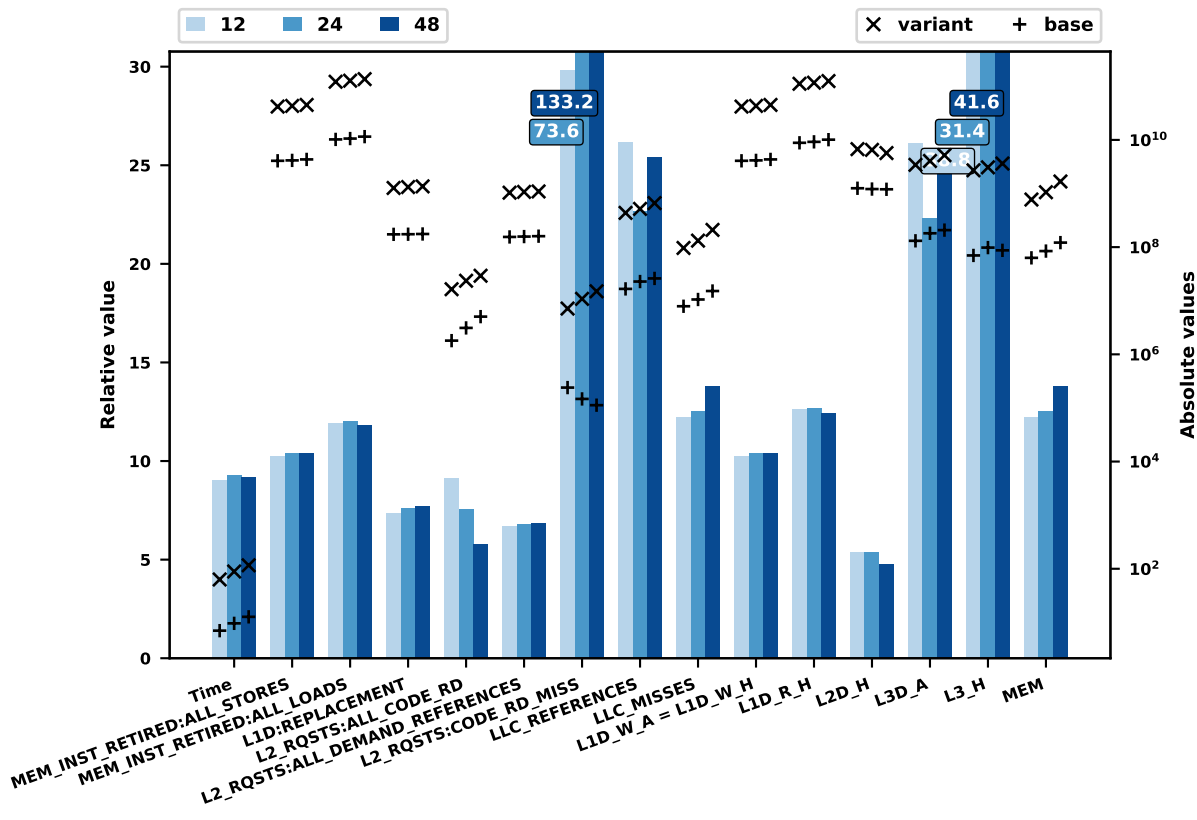

A. Comparing 352.nab-archer variant with base for region ImplTaskRegion1

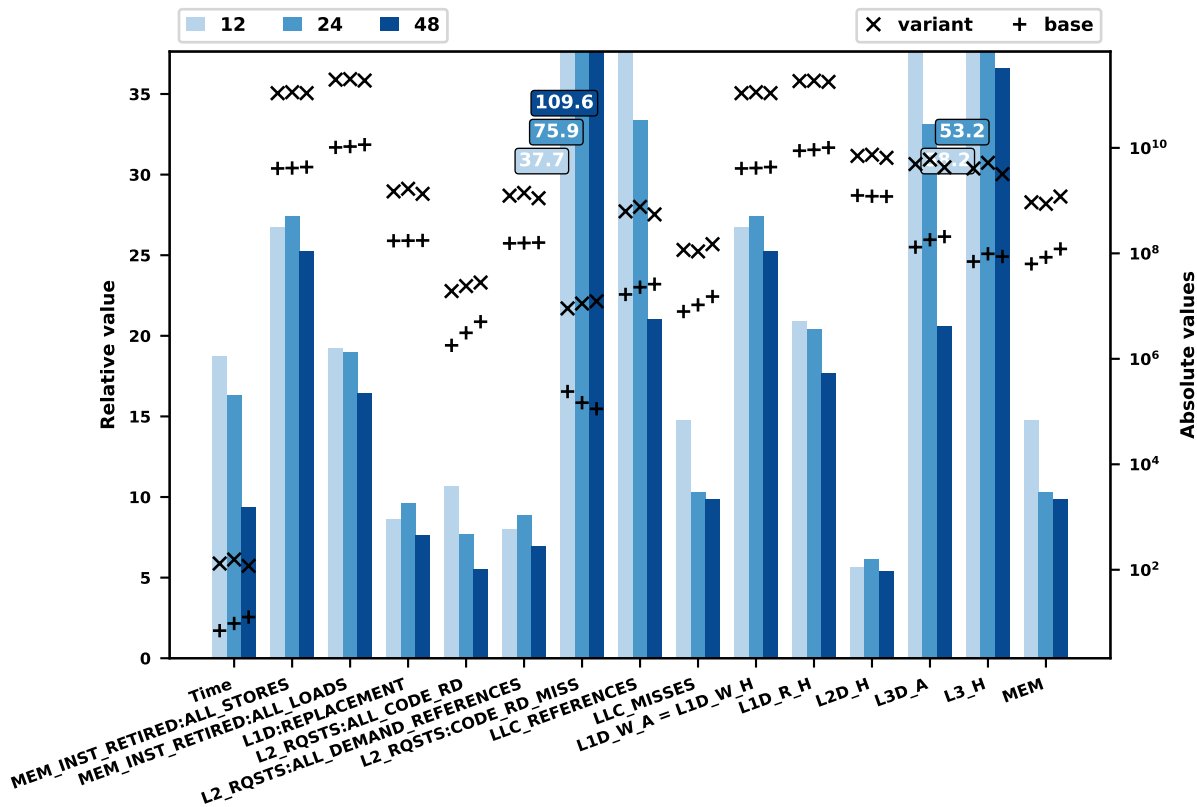

A. Comparing 352.nab-tsan-noread variant with base for region ImplTaskRegion2

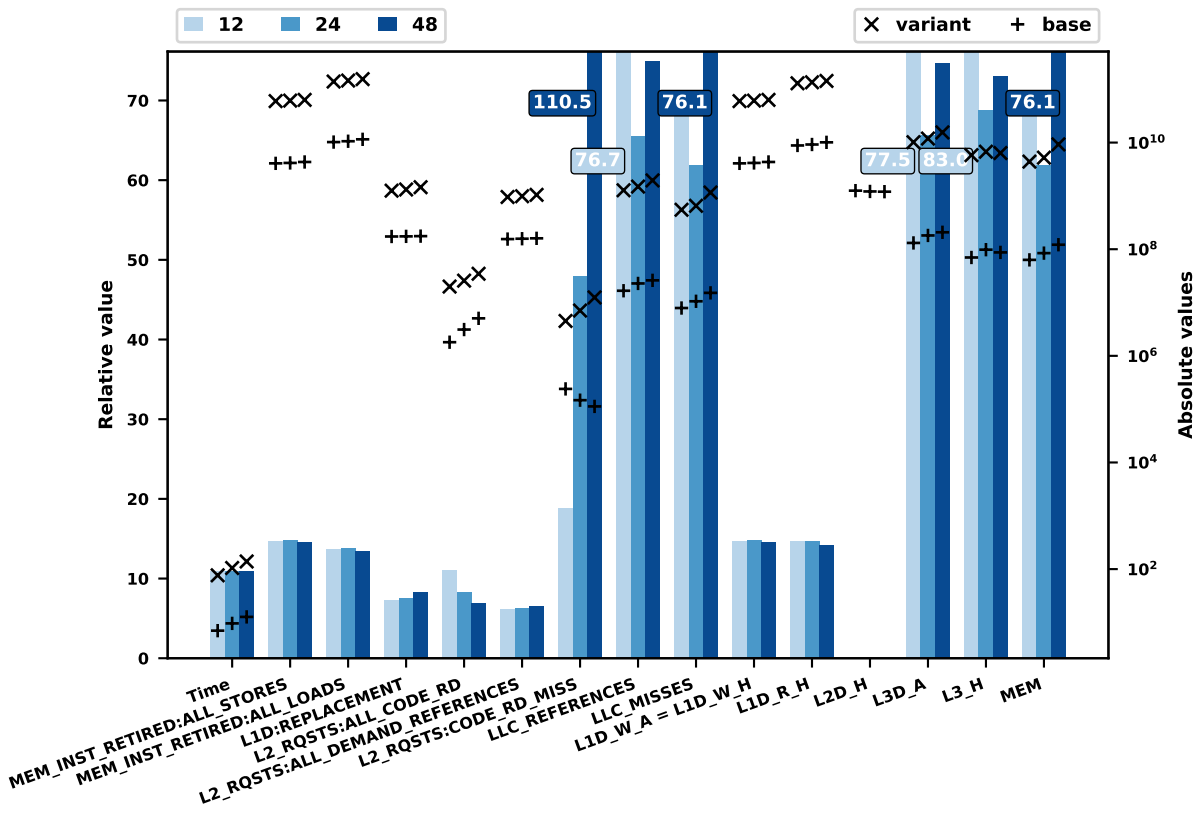

A. Comparing 352.nab-archer-noread variant with base for region ImplTaskRegion2

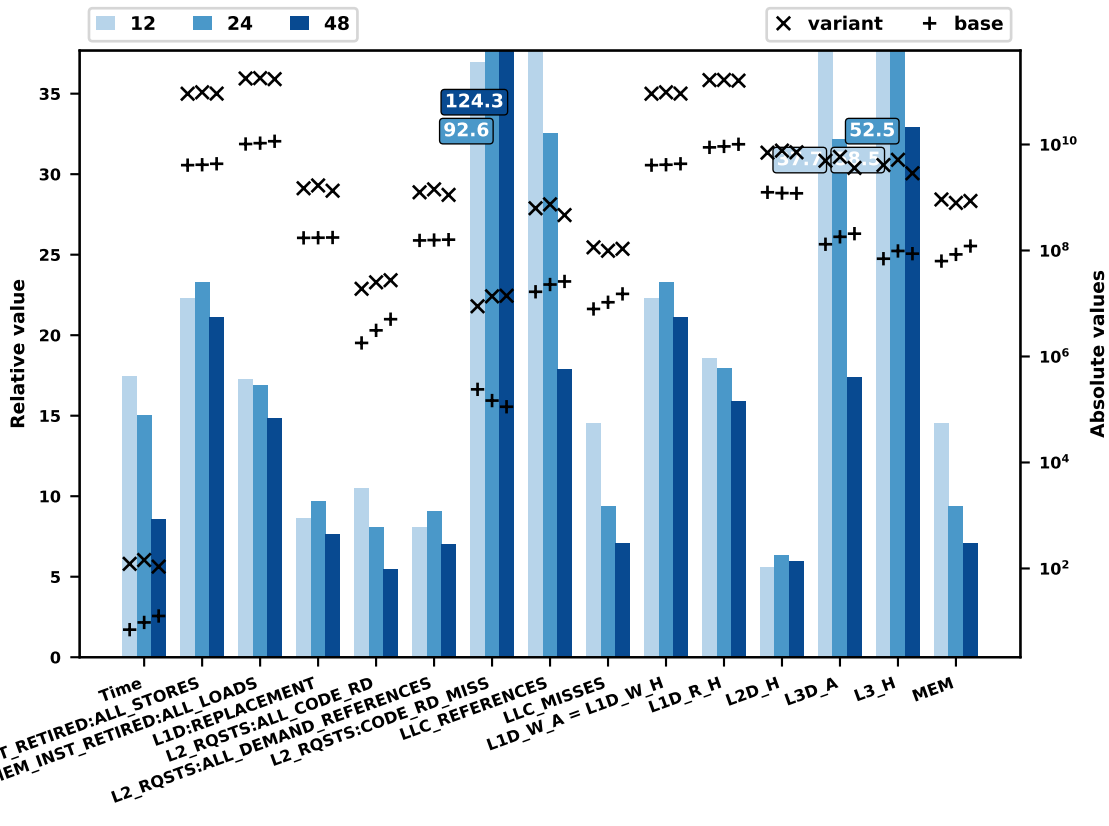

A. Comparing 352.nab-tsan-sampling variant with base for region ImplTaskRegion2

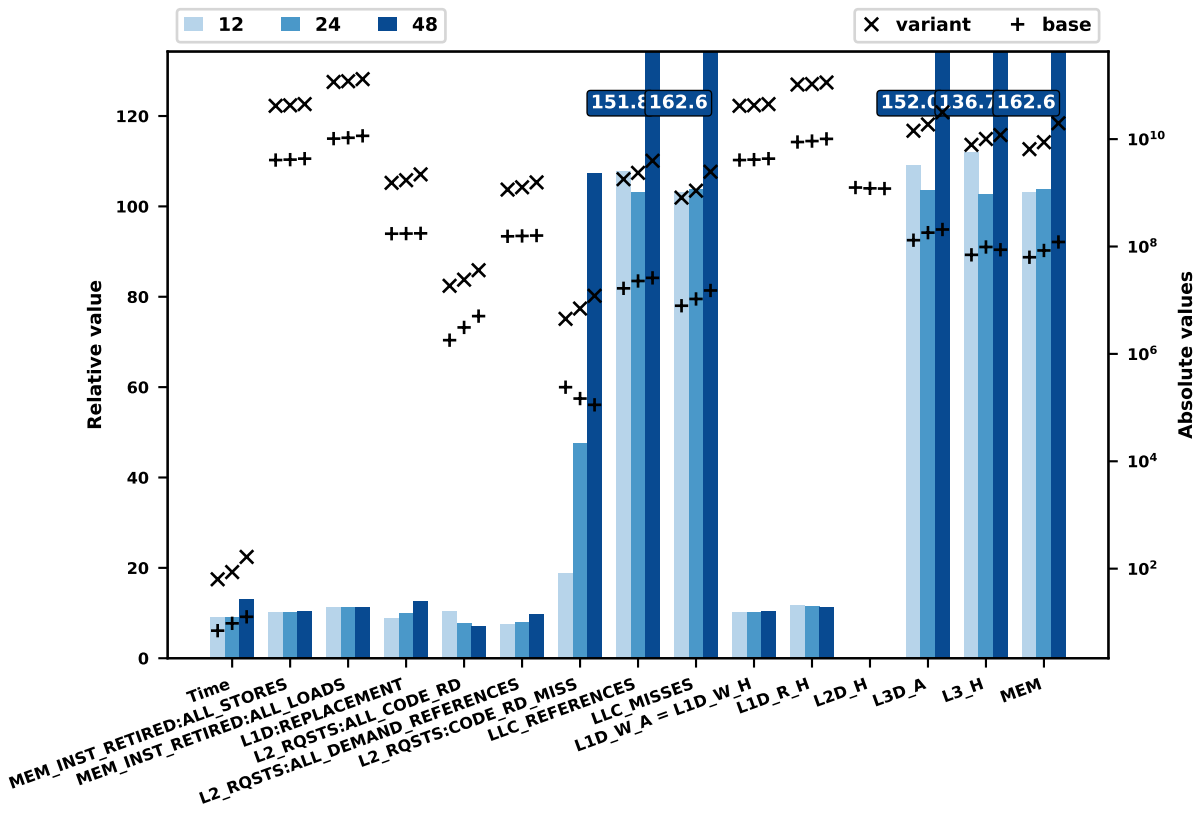

A. Comparing 352.nab-archer-sampling variant with base for region ImplTaskRegion2

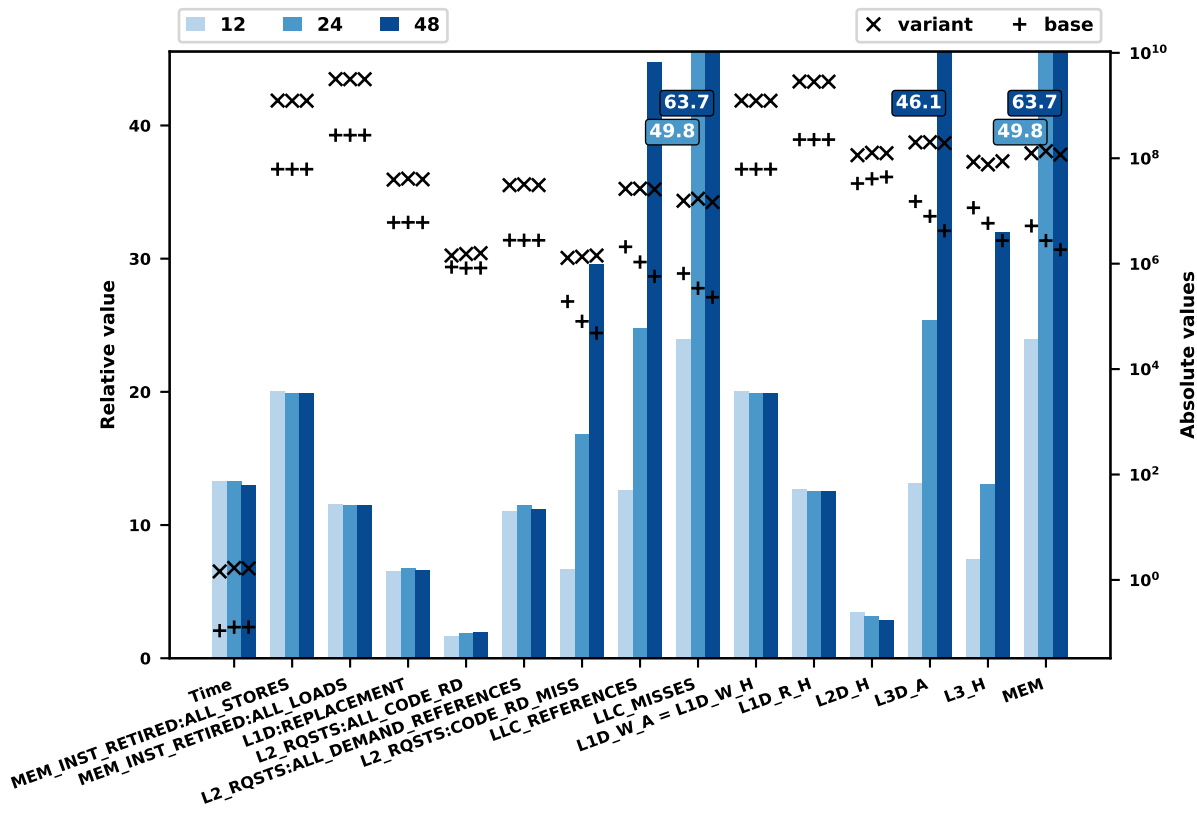

**A. Comparing 352.nab-tsan variant
with base for region ImplTaskRegion2**

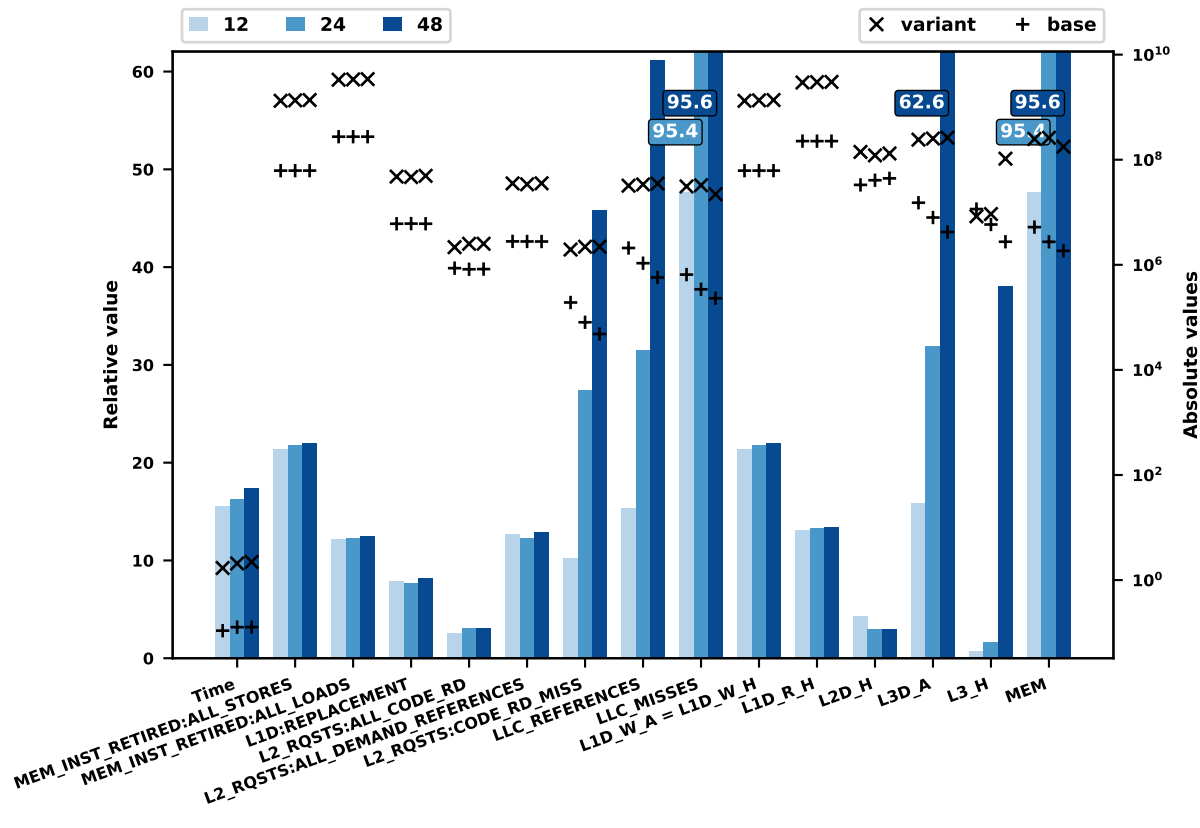

A. Comparing 352.nab-archer variant with base for region ImplTaskRegion2

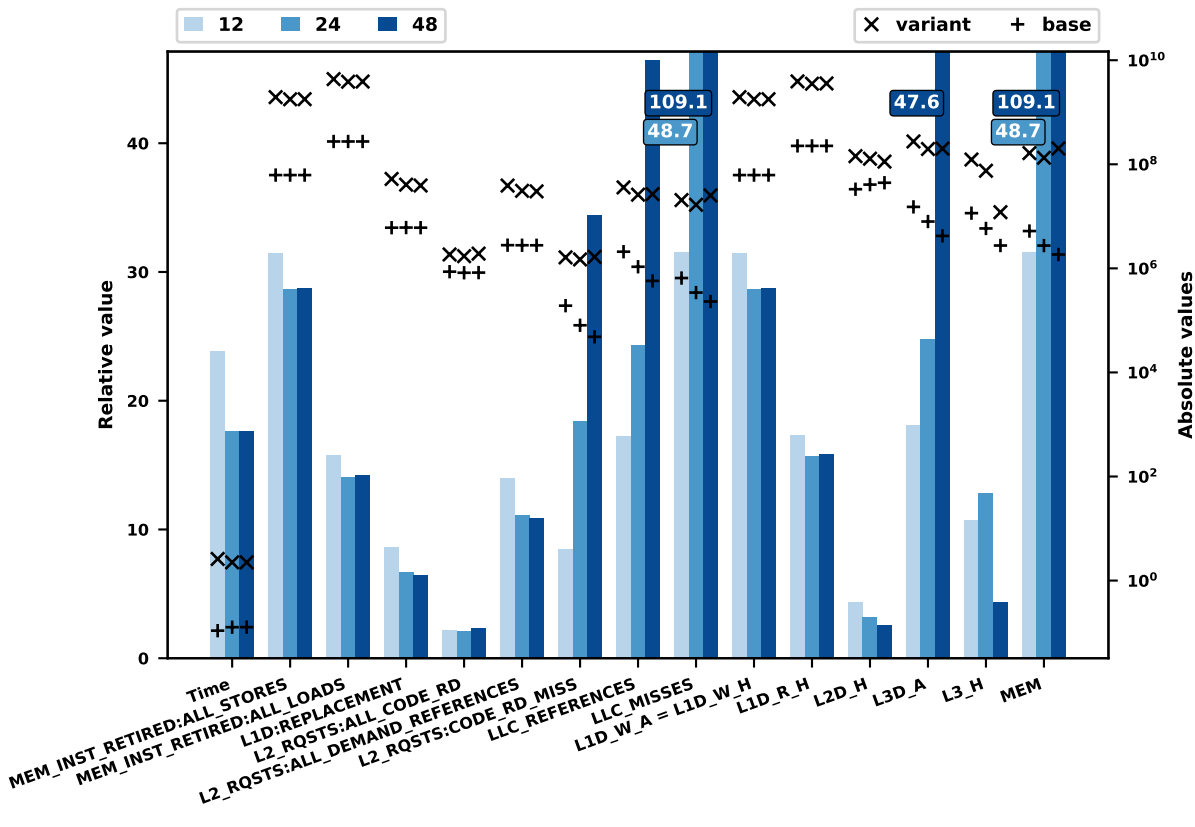

A. Comparing 352.nab-tsan-noread variant with base for region ImplTaskRegion3

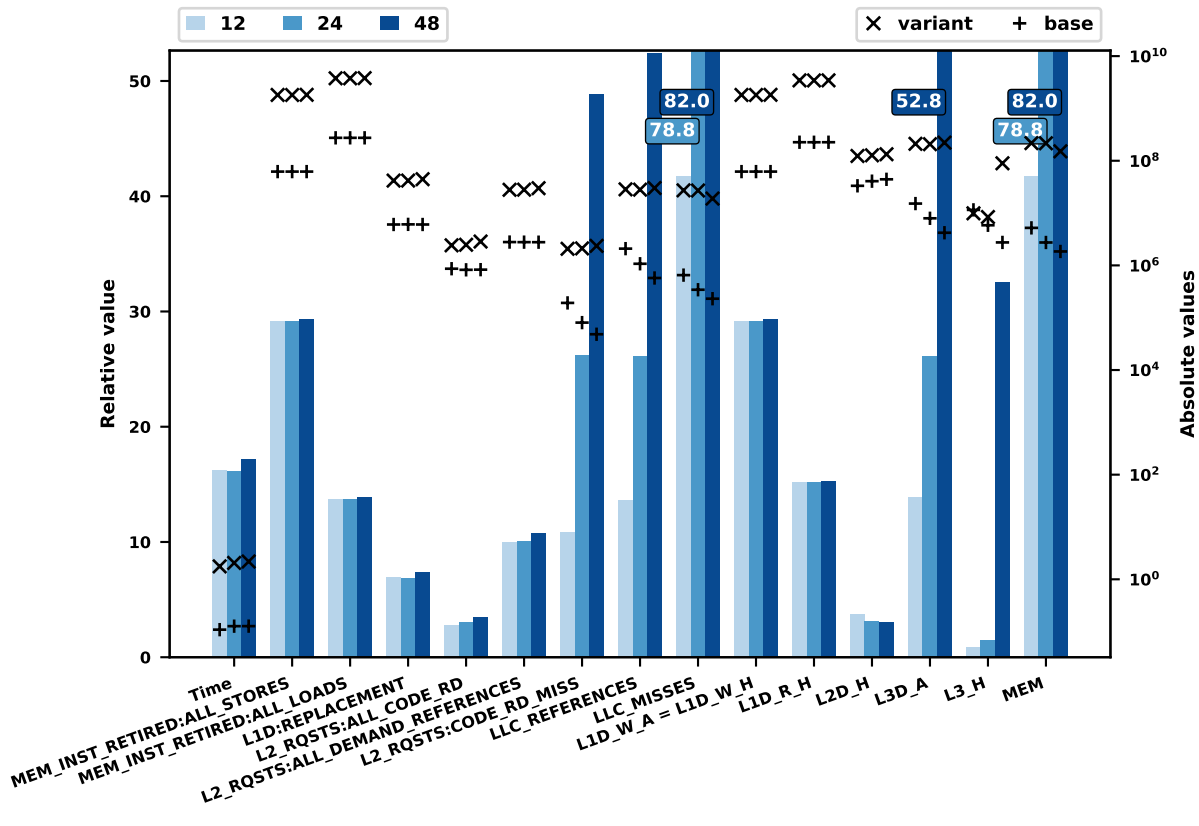

A. Comparing 352.nab-archer-noread variant with base for region ImplTaskRegion3

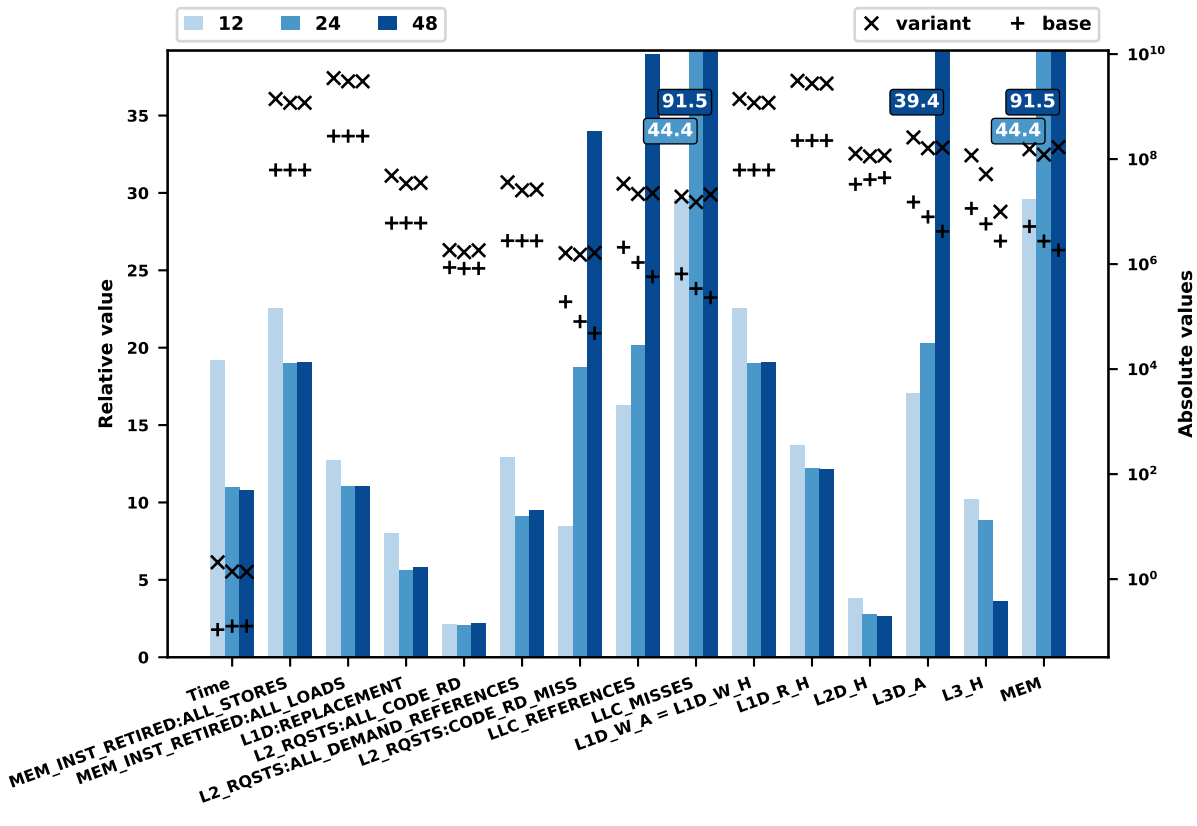

A. Comparing 352.nab-tsan-sampling variant with base for region ImplTaskRegion3

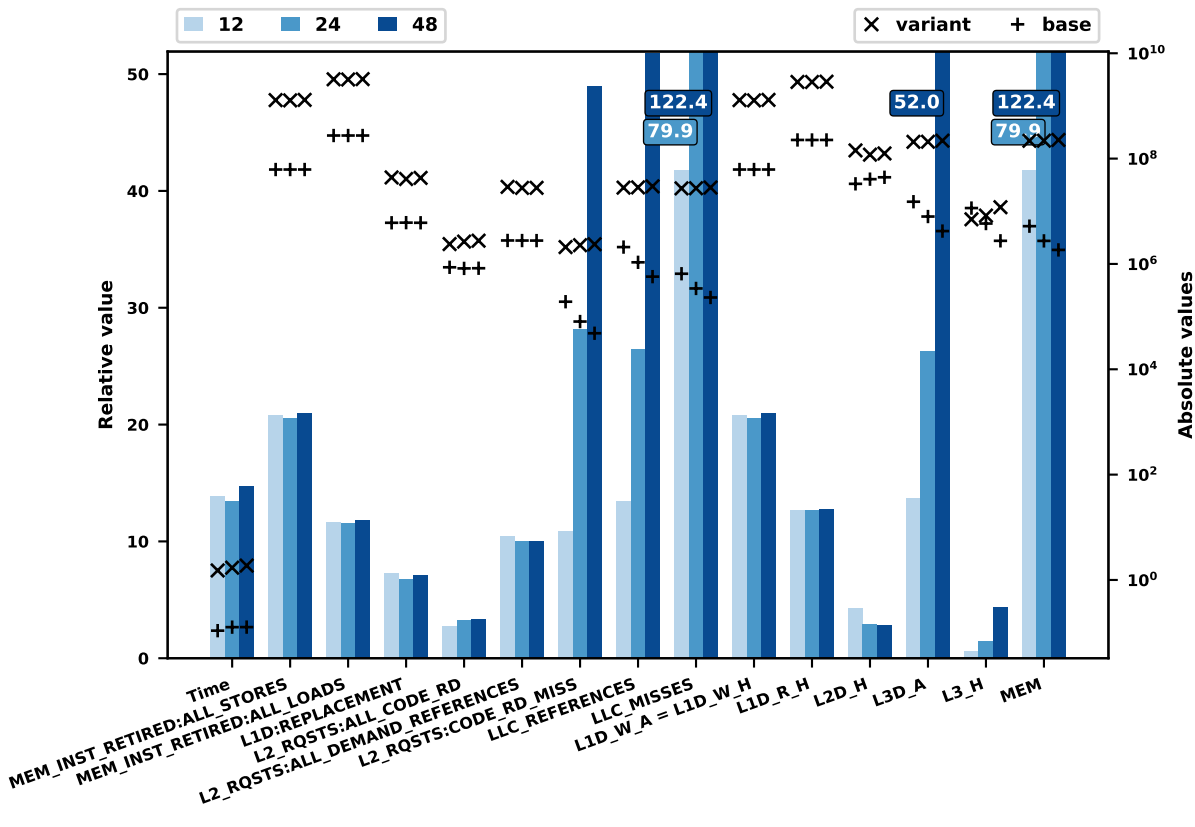

**A. Comparing 352.nab-archer-sampling variant
with base for region ImplTaskRegion3**

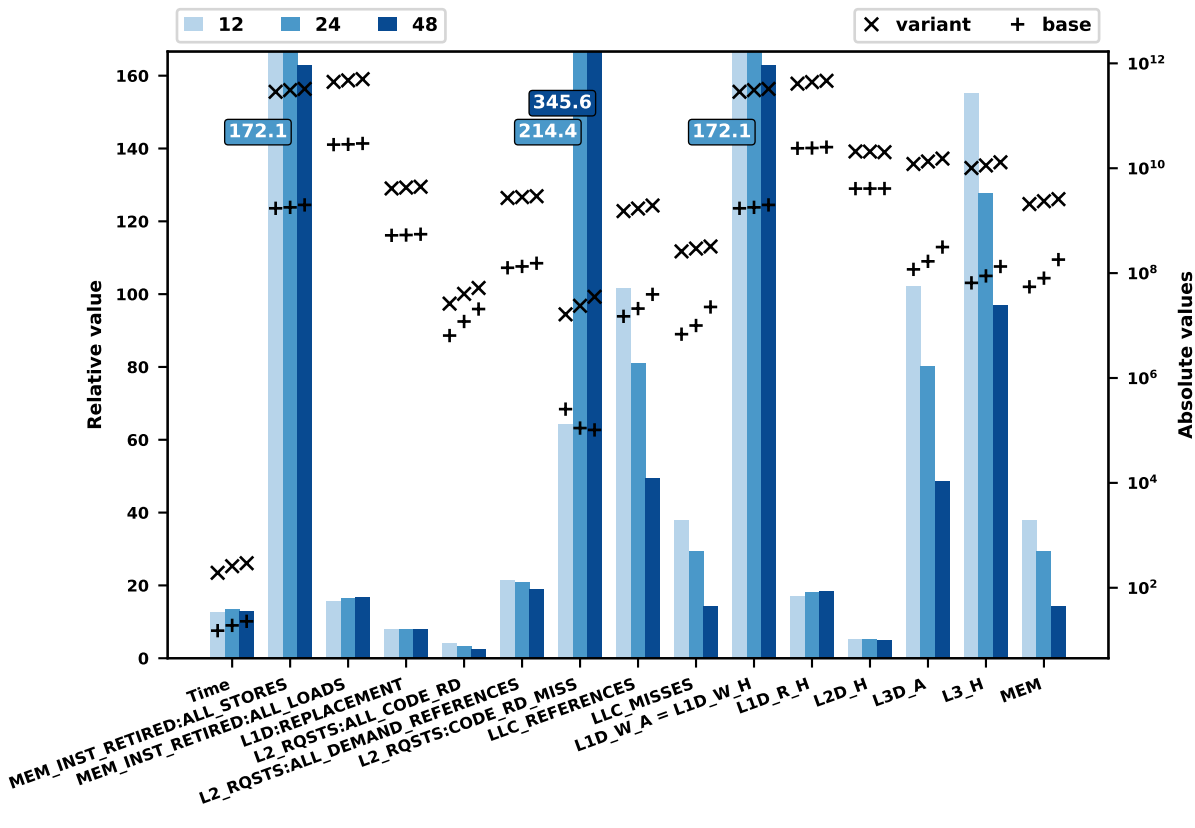

A. Comparing 352.nab-tsan variant with base for region ImplTaskRegion3

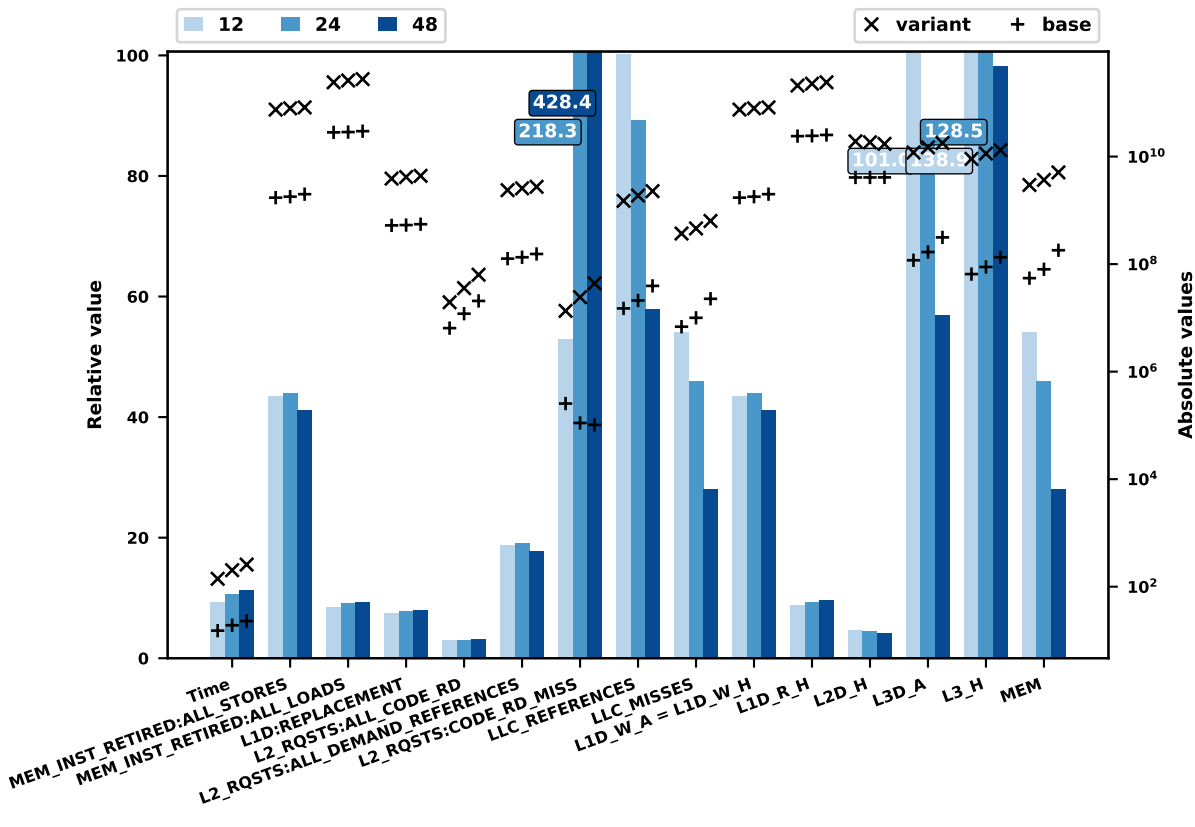

A. Comparing 352.nab-archer variant with base for region ImplTaskRegion3

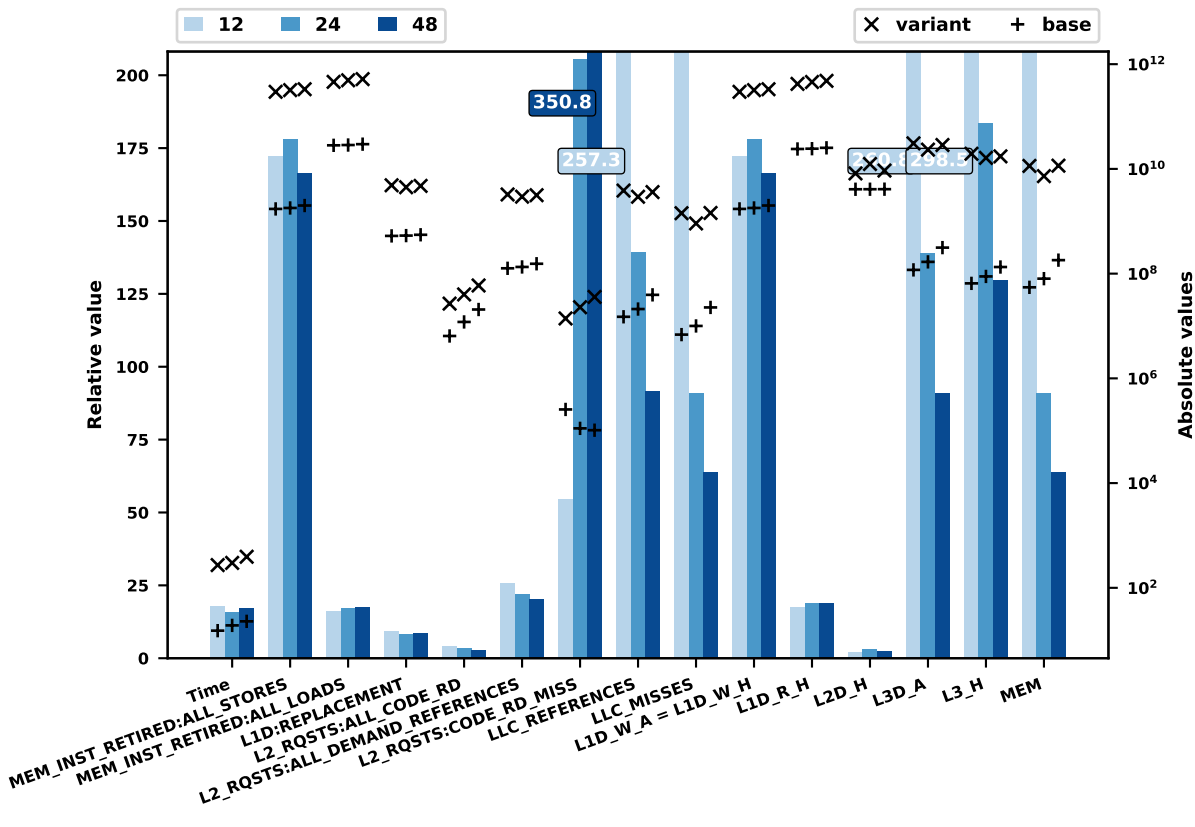

A. Comparing 352.nab-tsan-noread variant with base for region ImplTaskRegion4

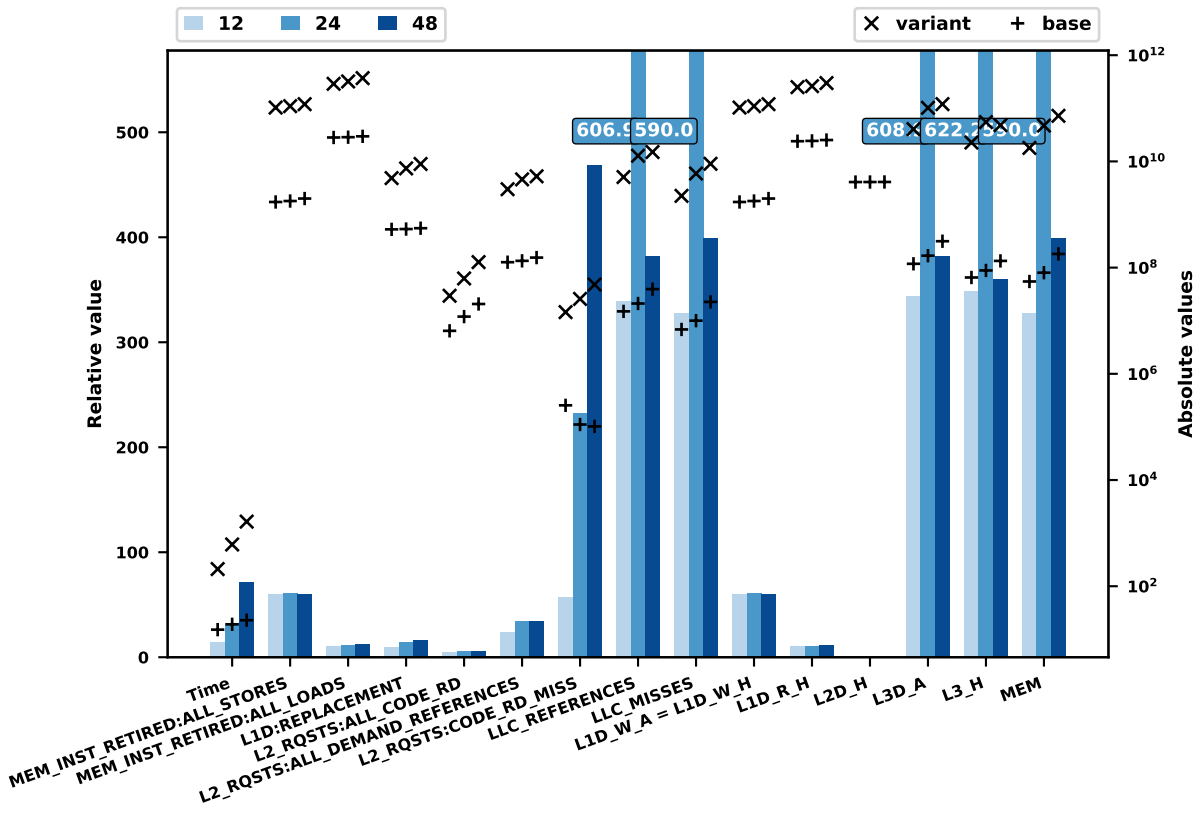

A. Comparing 352.nab-archer-noread variant with base for region ImplTaskRegion4

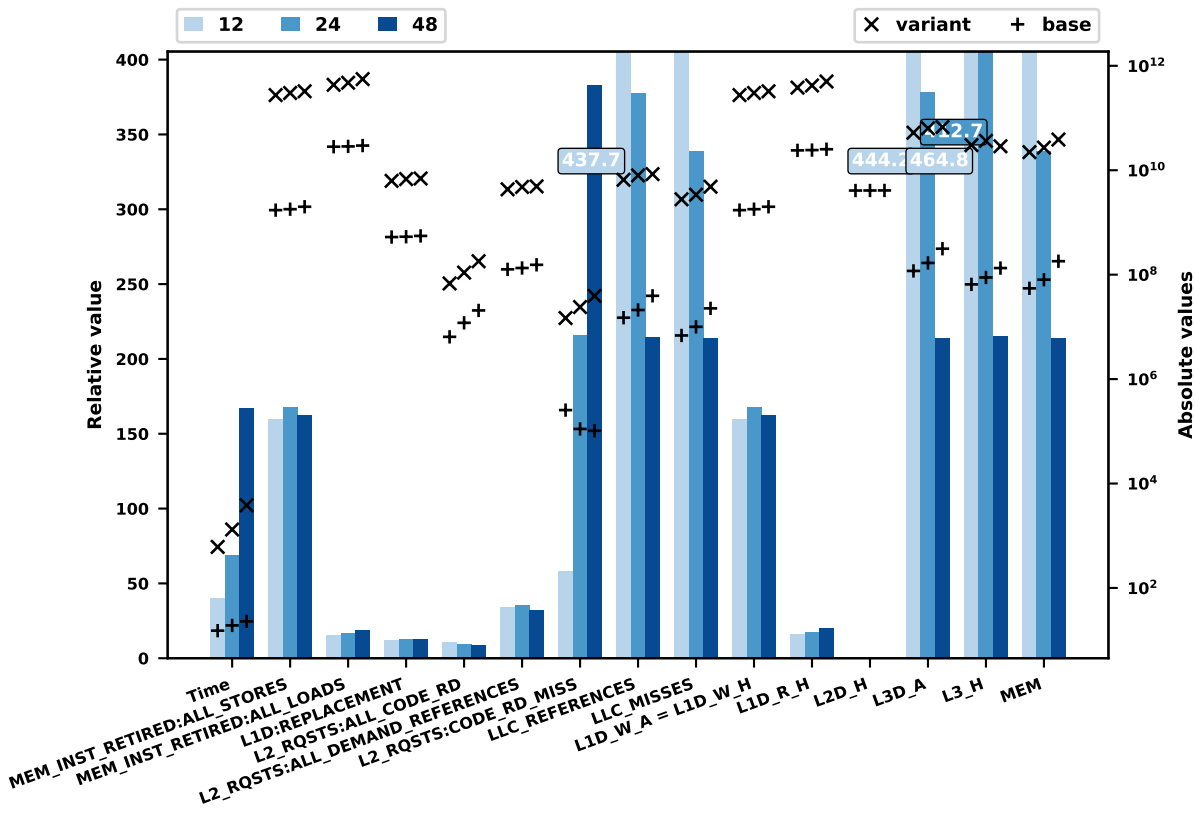

A. Comparing 352.nab-tsan-sampling variant with base for region ImplTaskRegion4

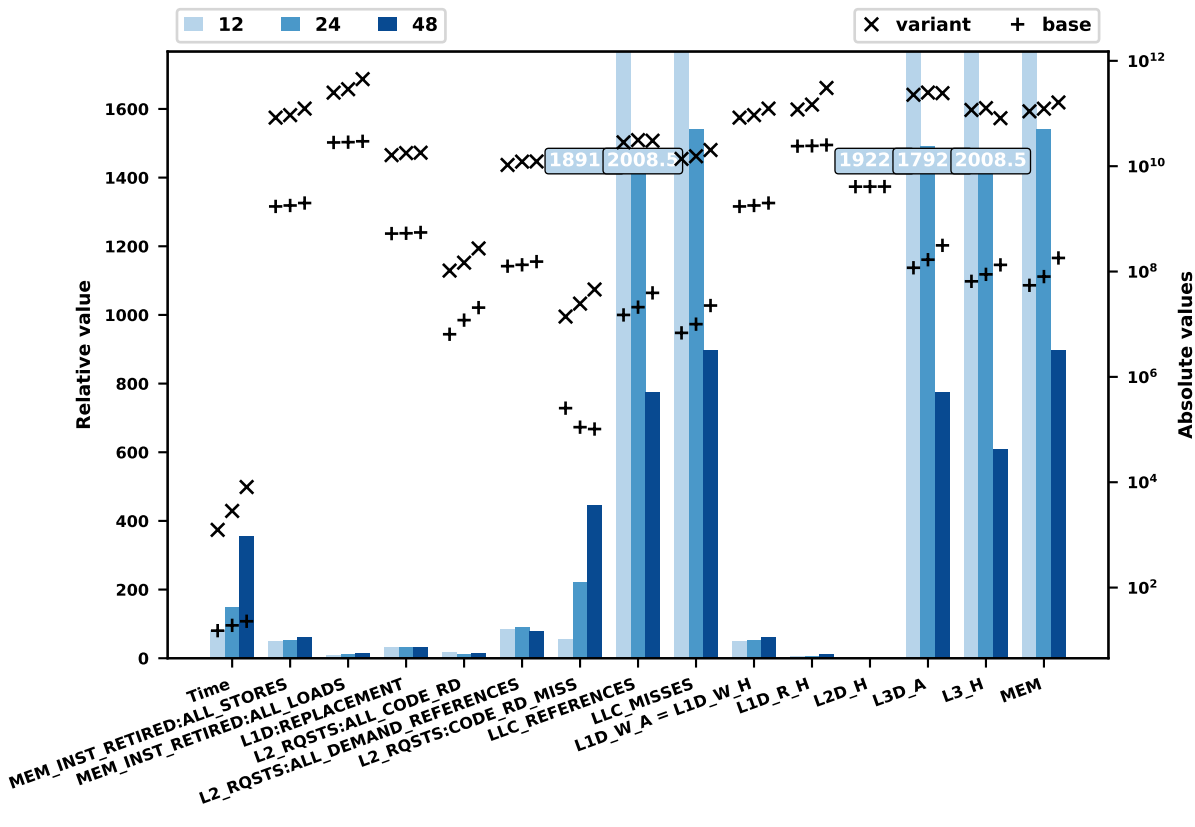

A. Comparing 352.nab-archer-sampling variant with base for region ImplTaskRegion4

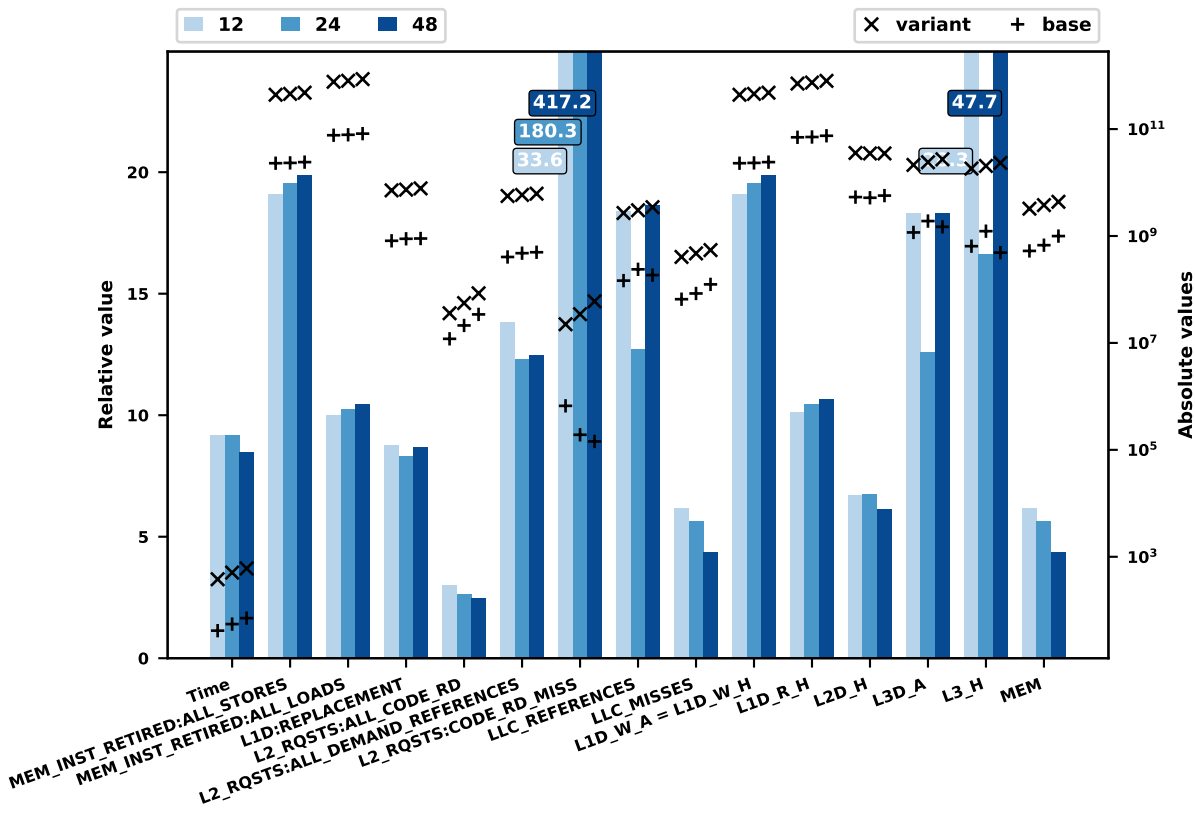

A. Comparing 352.nab-tsan variant with base for region ImplTaskRegion4

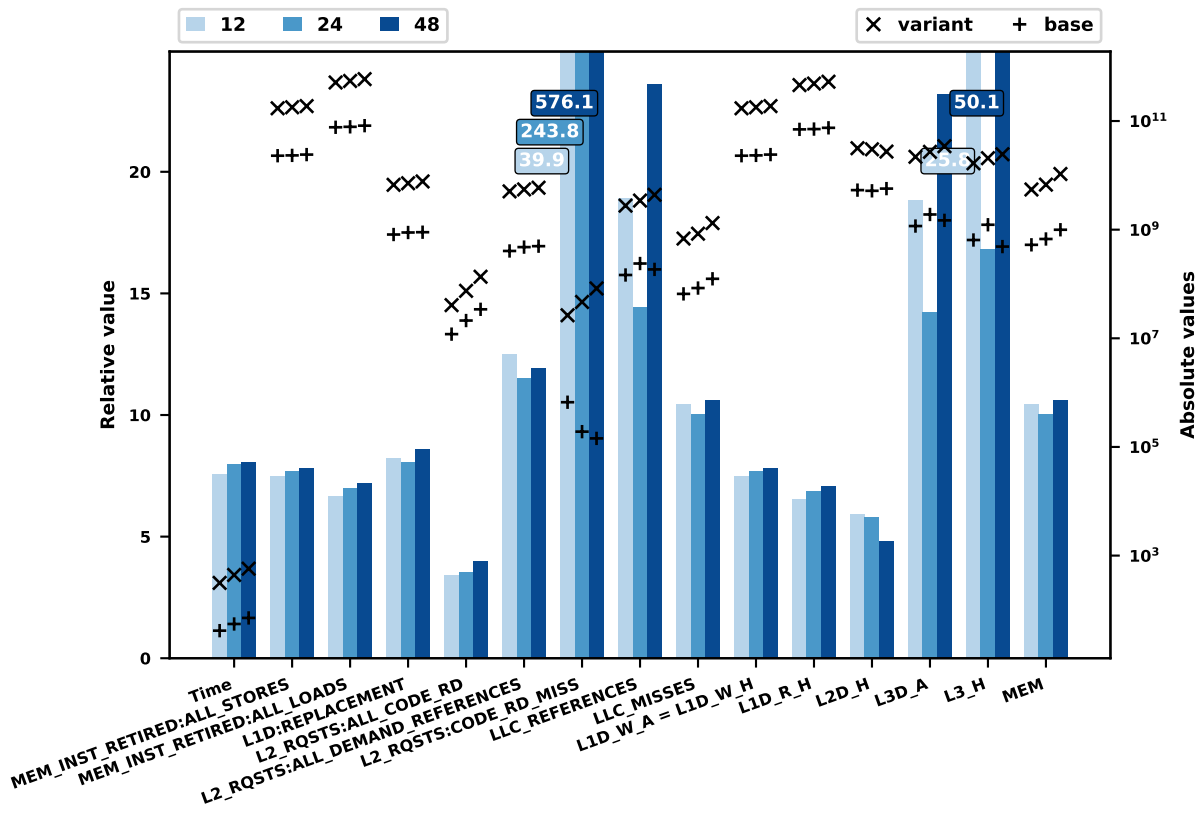

A. Comparing 352.nab-archer variant with base for region ImplTaskRegion4

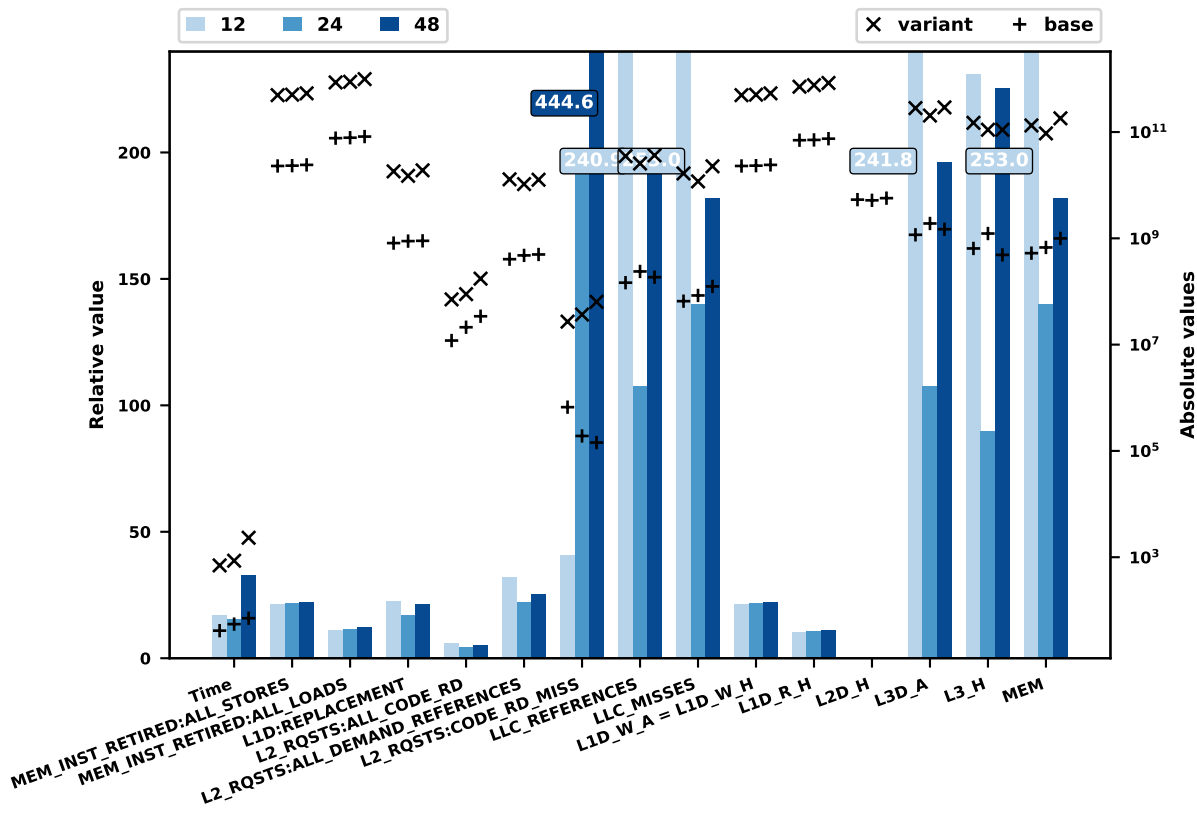

A. Comparing 352.nab-tsan-noread variant with base for region ImplTaskRegion5

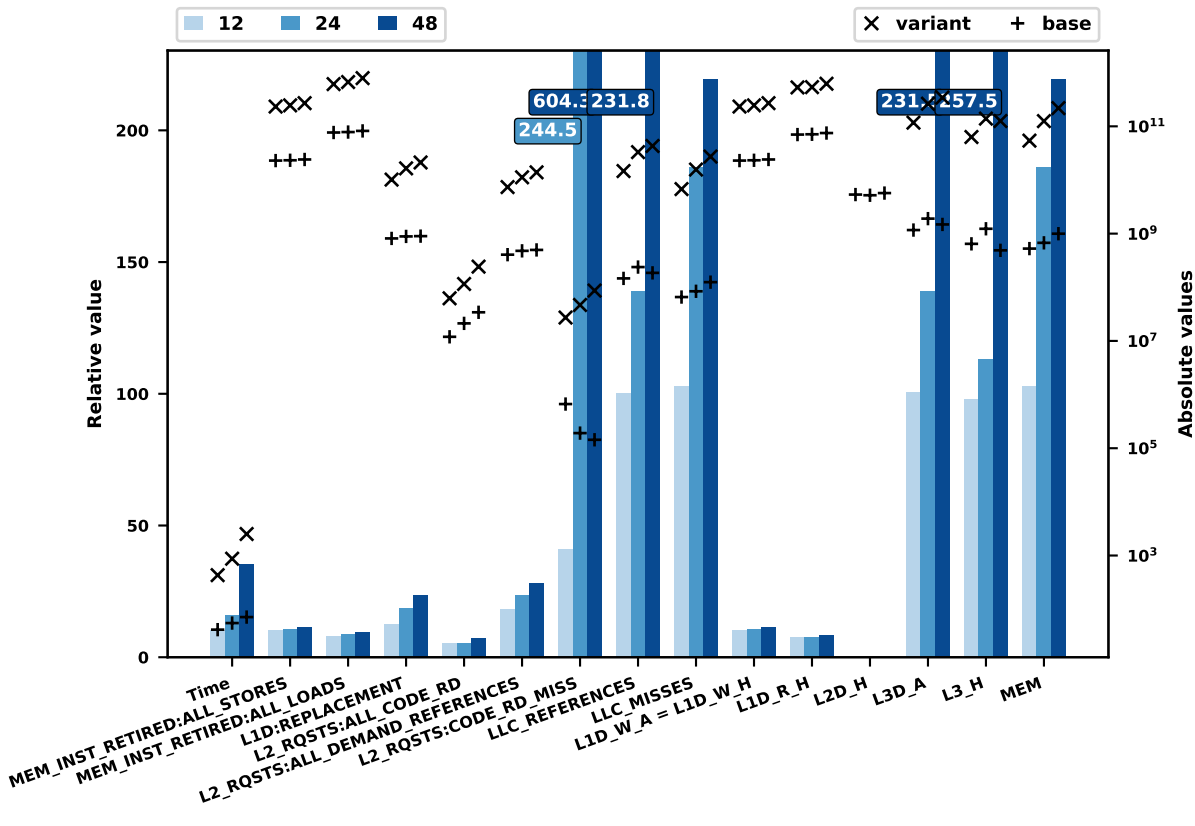

A. Comparing 352.nab-archer-noread variant with base for region ImplTaskRegion5

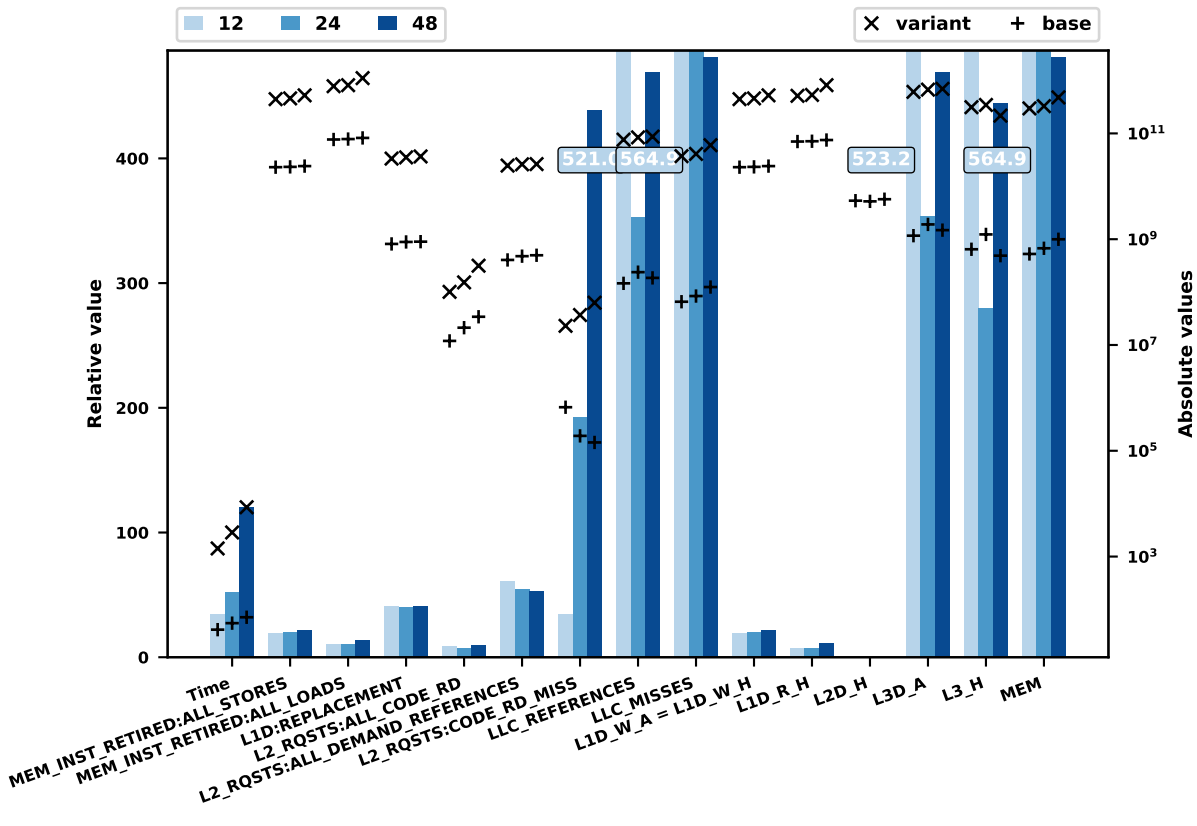

A. Comparing 352.nab-tsan-sampling variant with base for region ImplTaskRegion5

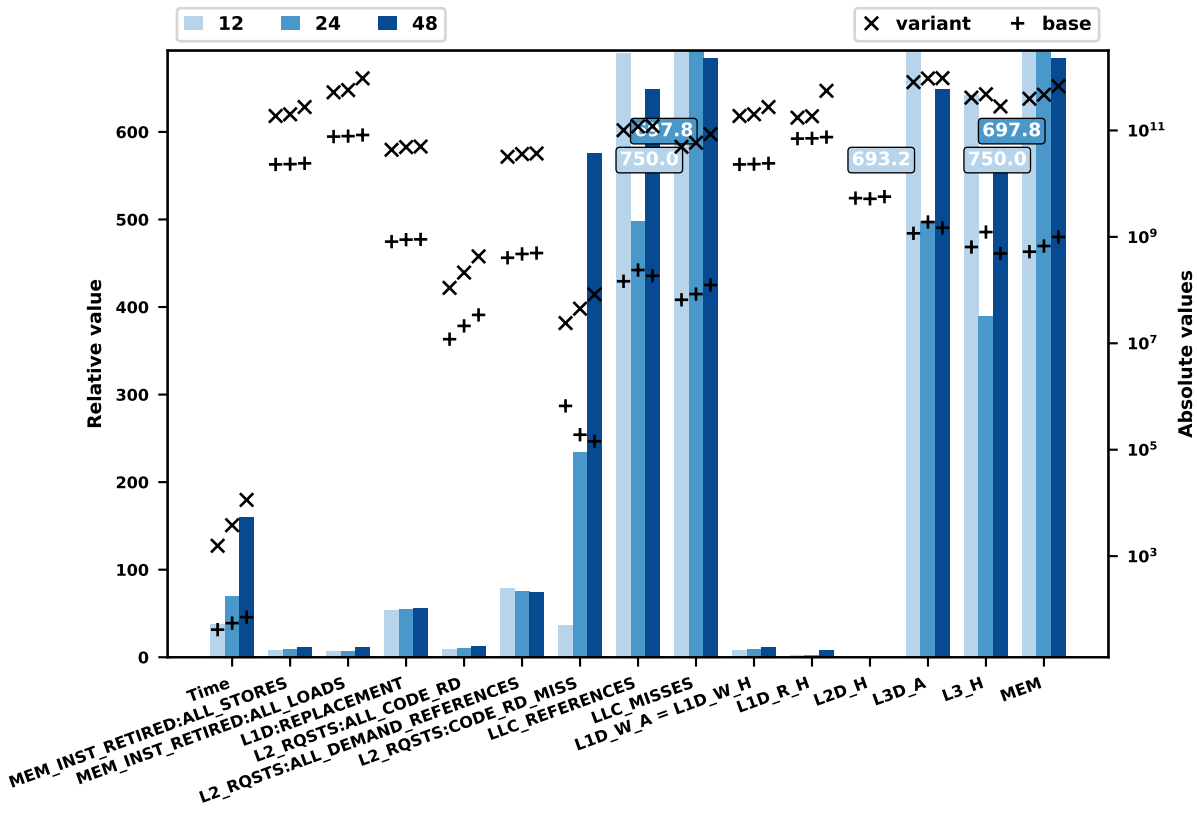

A. Comparing 352.nab-archer-sampling variant with base for region ImplTaskRegion5

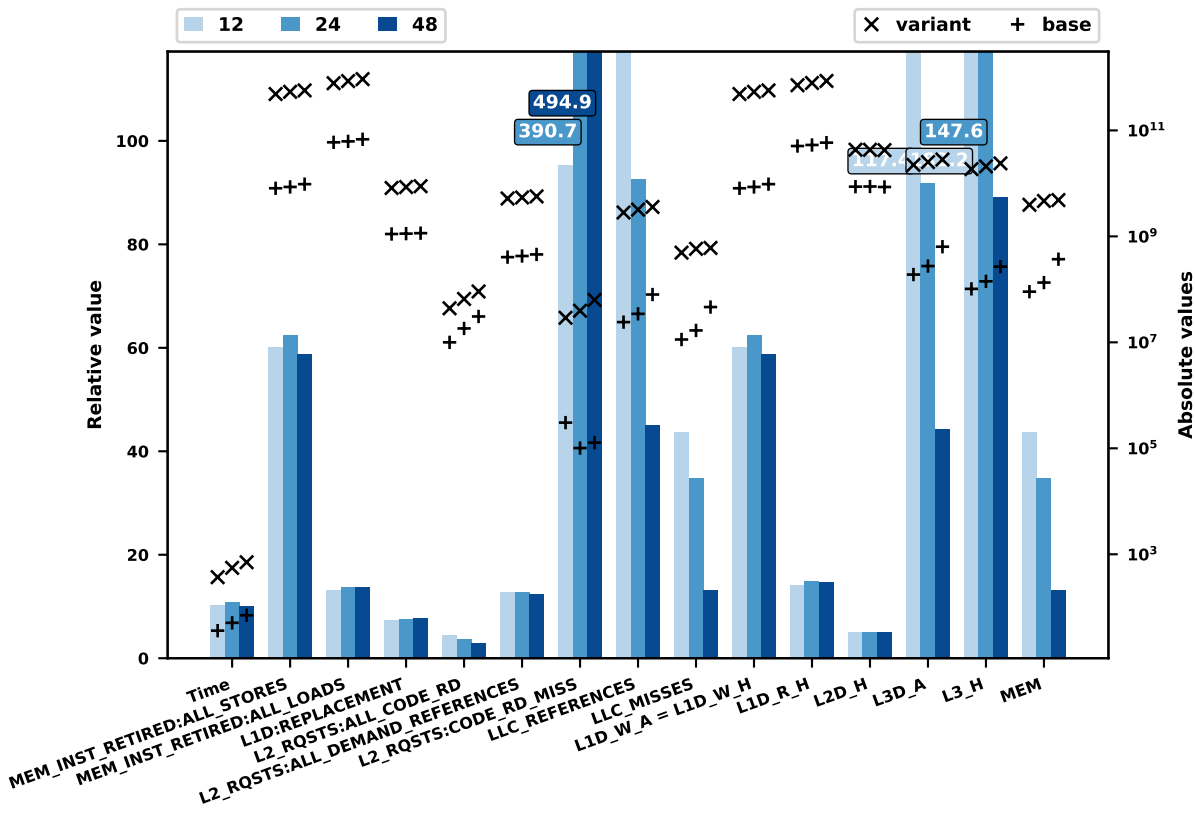

A. Comparing 352.nab-tsan variant with base for region ImplTaskRegion5

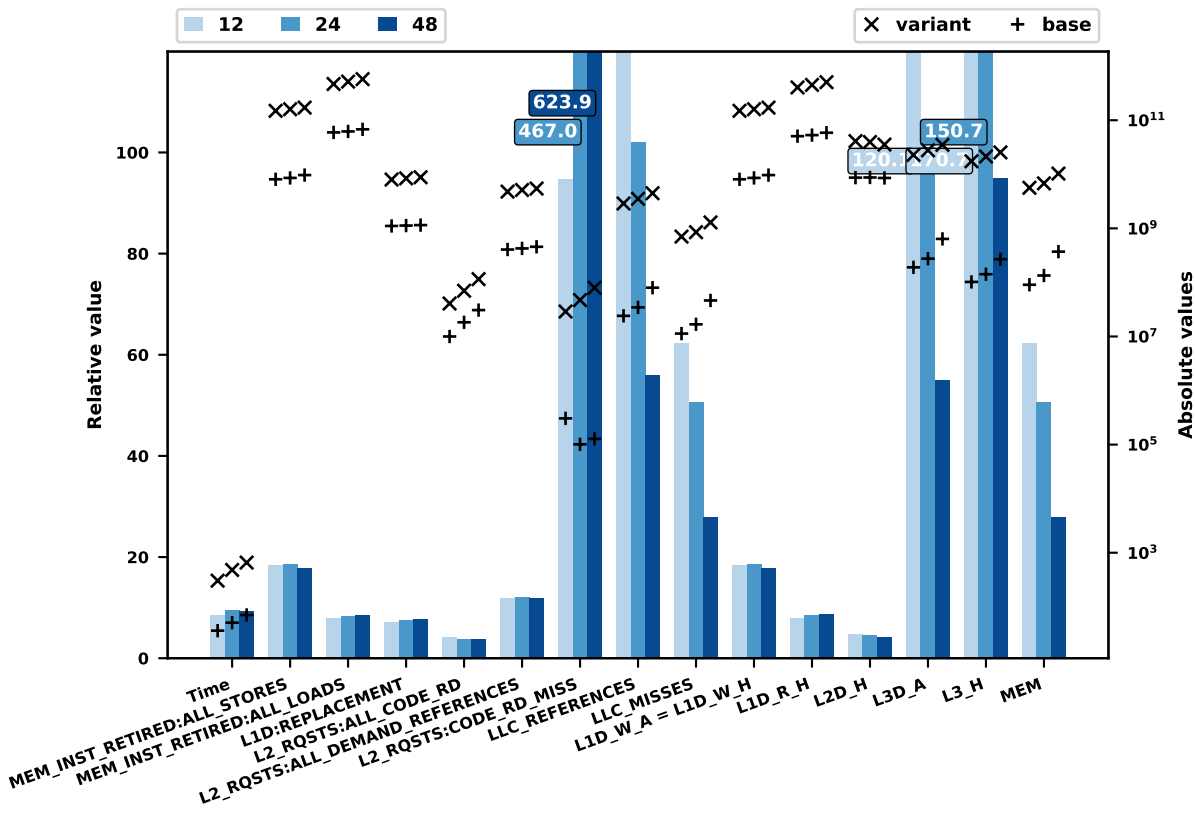

A. Comparing 352.nab-archer variant with base for region ImplTaskRegion5

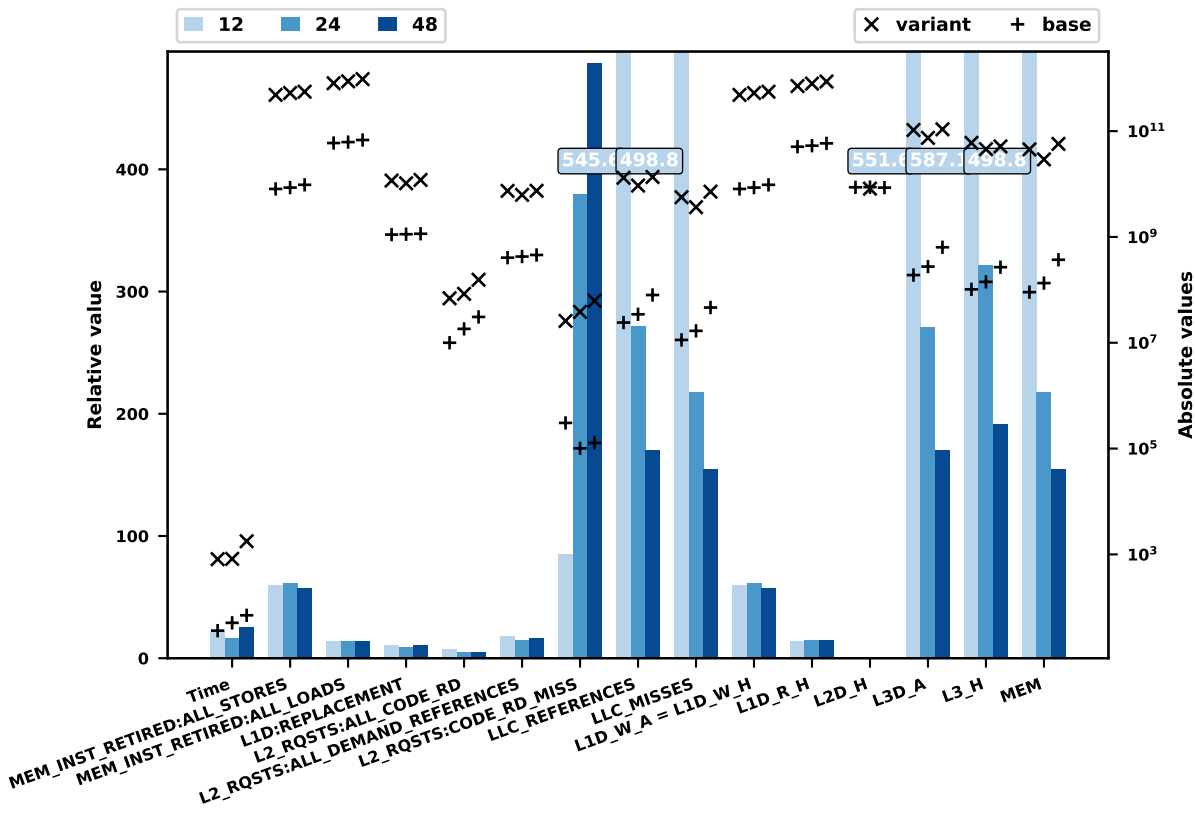

A. Comparing 352.nab-tsan-noread variant with base for region ImplTaskRegion6

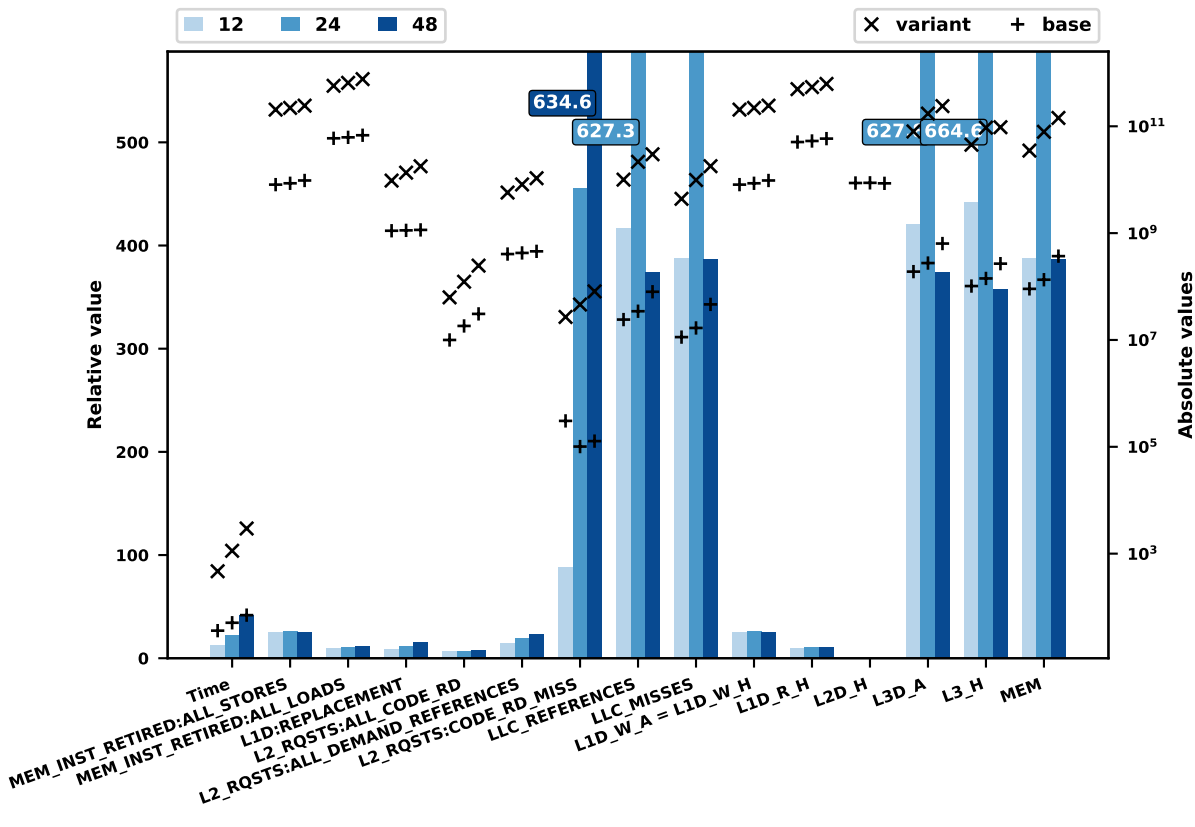

A. Comparing 352.nab-archer-noread variant with base for region ImplTaskRegion6

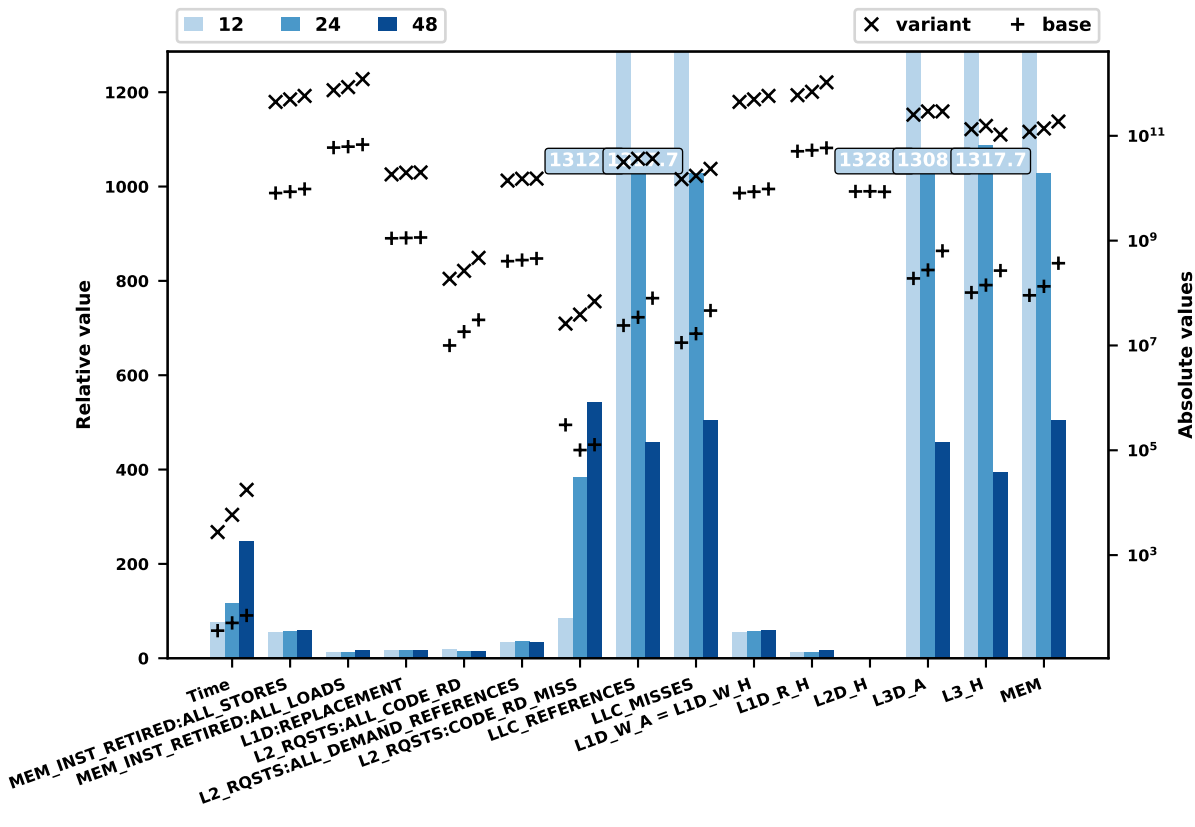

A. Comparing 352.nab-tsan-sampling variant with base for region ImplTaskRegion6

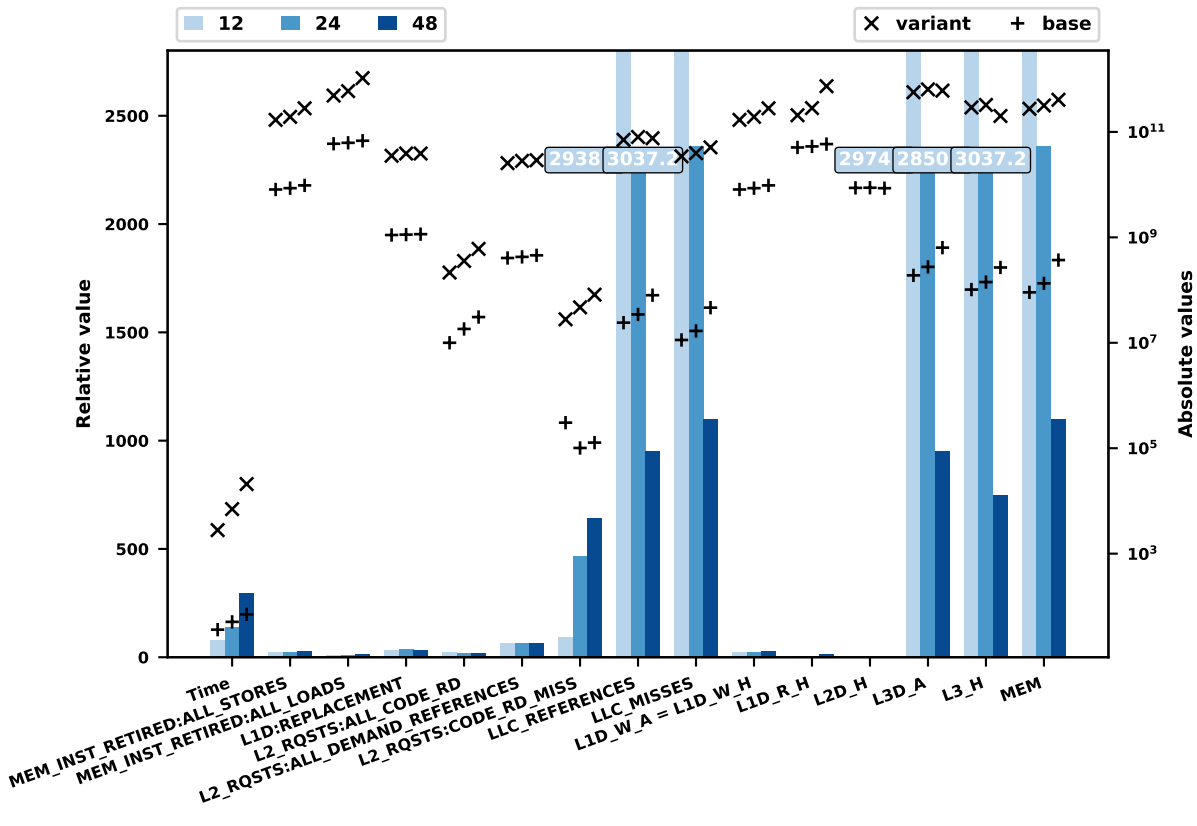

A. Comparing 352.nab-archer-sampling variant with base for region ImplTaskRegion6

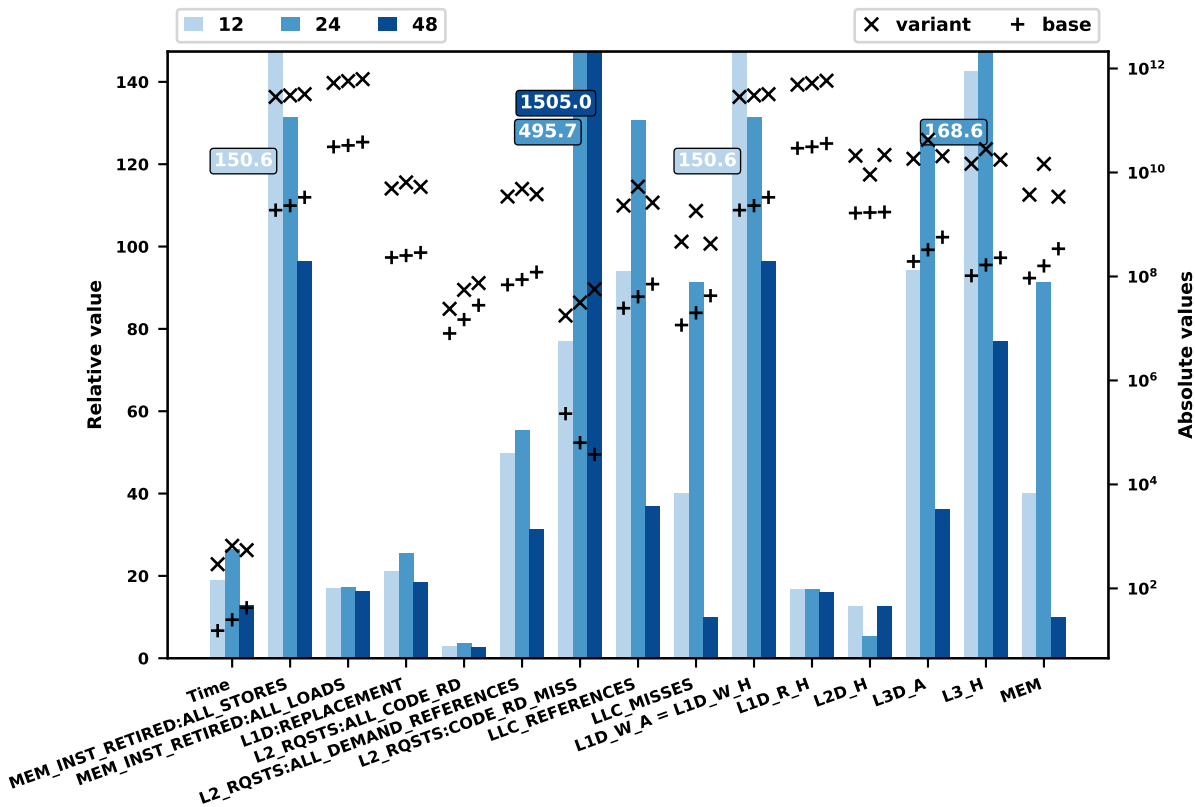

A. Comparing 352.nab-tsan variant with base for region ImplTaskRegion6

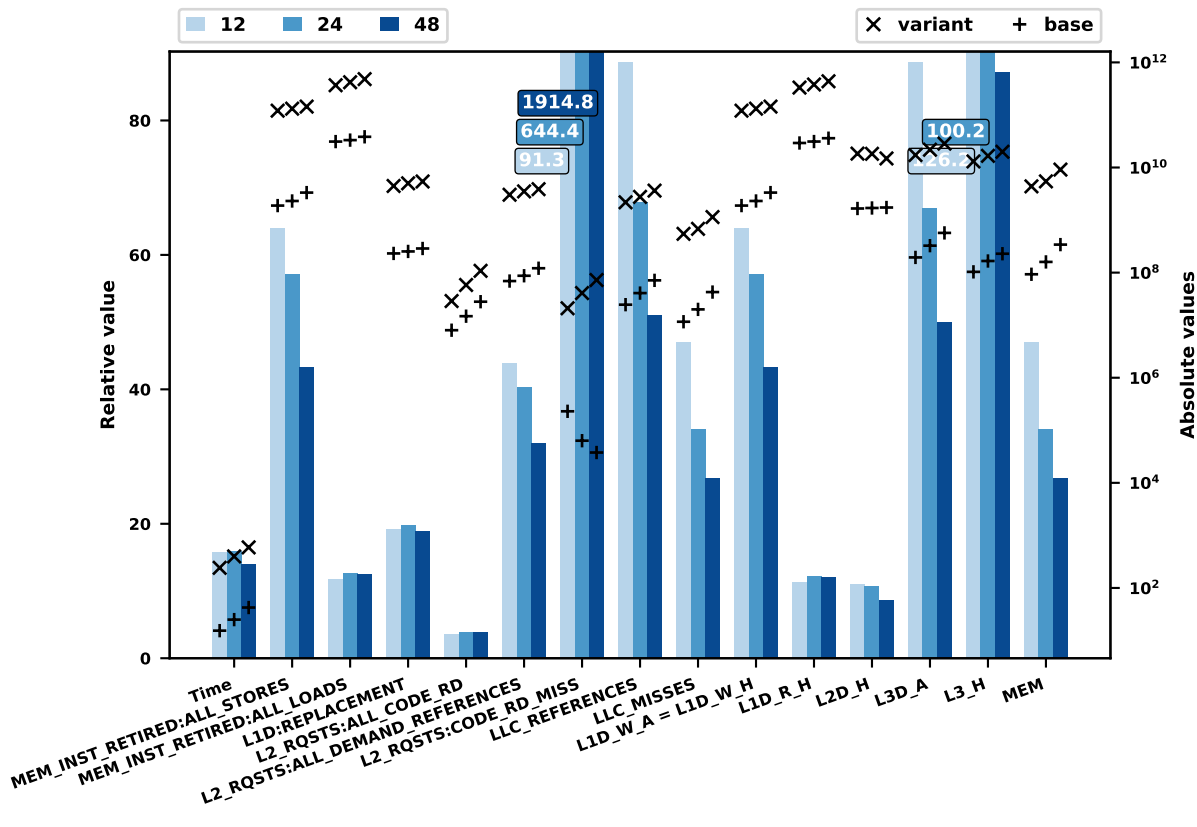

A. Comparing 352.nab-archer variant with base for region ImplTaskRegion6

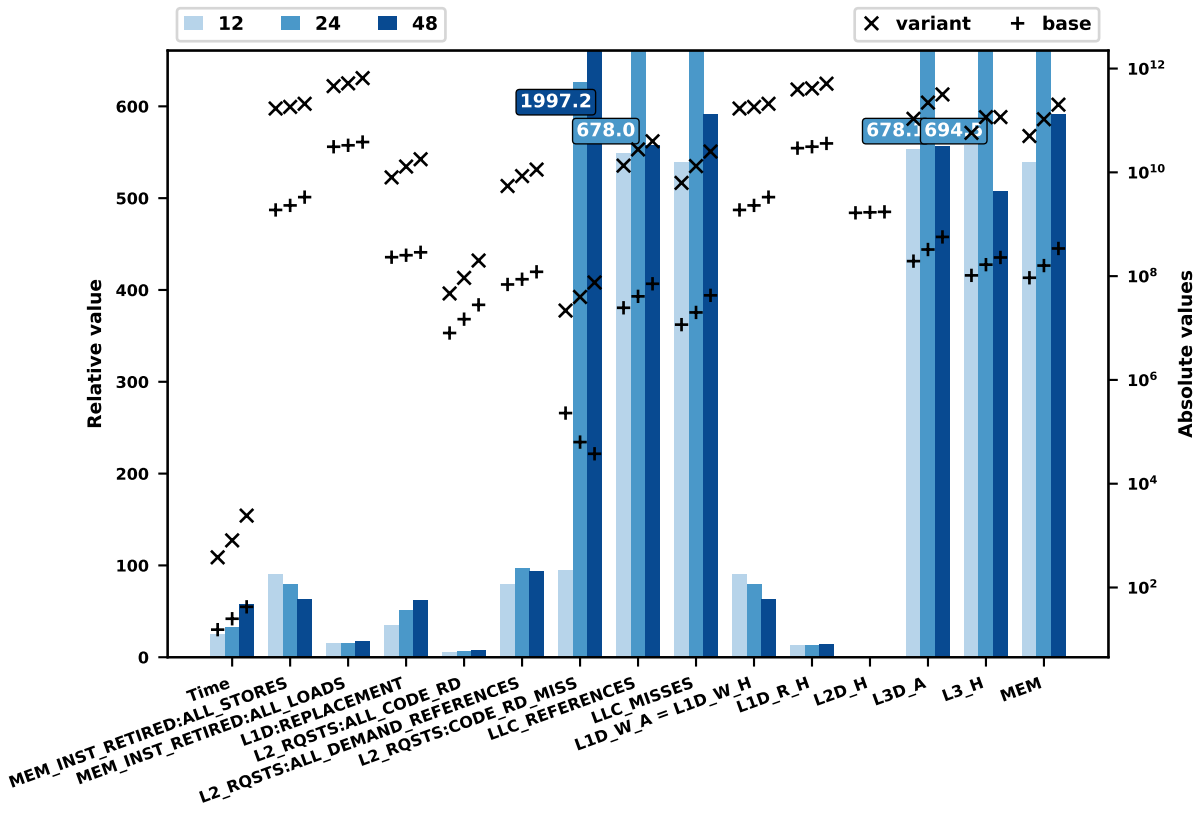

A. Comparing 352.nab-tsan-noread variant with base for region ImplTaskRegion7

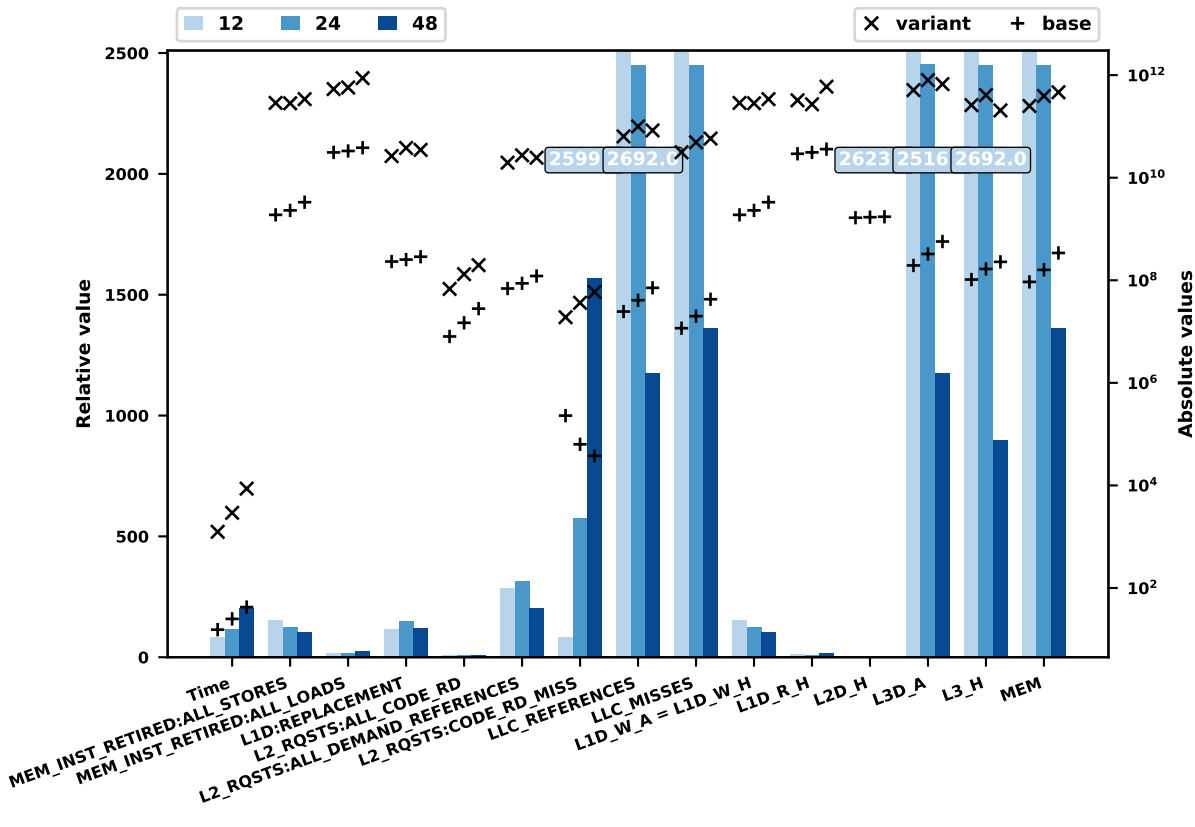

A. Comparing 352.nab-archer-noread variant with base for region ImplTaskRegion7

A. Comparing 352.nab-archer-sampling variant with base for region ImplTaskRegion7

A. Comparing 352.nab-tsan variant with base for region ImplTaskRegion7

A. Comparing 352.nab-archer variant with base for region ImplTaskRegion7
